SUBJECT: PERIPHERAL: Christian Educational Association, Union, New Jersey,
Distributes Anti-Semitic Material to Russian Emigré

1/ Transmitted herewith are the contents of an envelope bearing the return address: P.O. Box 807, Union, New Jersey, which was delivered to this Consulate General by the local postal service after it had failed to locate the proper addressee. The contents of the envelope, which apparently originated with the Christian Educational Association of Union, New Jersey, consist of printed matter which seems anti-Semitic in character. (Contents of the envelope are a letter of June 15, 1956, photocopy of a map of the Middle East, a mimeographed sheet "A Solution of the Jewish Problem", and a leaflet "Patriotic Literature". The envelope was delivered to the Consulate General in a very damaged condition and the contents were therefore examined for the purpose of identifying, if possible, the addressee.)

2/ The Consulate General has received from the Bavarian Security Police (Verfassungsschutz) a report on Alexander White, aka Peter ROGOWITSCH, who is the addressee of the attached letter. A translation of this report, dated September 11, 1956, is transmitted herewith. (White-Rogowitsch was unknown to this Consulate General prior to receipt of this report.)

From the attached report it is apparent that Alexander White is associated with Evgeni ARTSIUK, alias DERZHAVIN, the leader of the Russian emigré organization ROMND - Rossiyskoye Obshchenatsionalnoye Narodnoye Derzhavnnoye Dvisheniye (Russian All-National Popular State Movement) which has its headquarters in Munich. Basic information concerning ROMND was transmitted to the Department in the despatch under reference. A recent evaluation of the organization, including information on the conviction of its leaders for anti-Semitism in a Munich court, was provided the U.S. Immigration and Naturalization Service by this Consulate General in a memorandum of September 14, 1956, a copy of which was transmitted to the Department (Office of Eastern European Affairs) by Transmittal Slip of September 17, 1956.

Action Suggested: The Department may wish to bring this matter to the attention of the Department of Justice.

TRANSLATION

11 September 1956

SUBJECT: Alexander WHITE, residing at Eulenspiegelstr. 60,
MUNICH-Waldperlach.

The investigation conducted revealed that SUBJECT is identical with Peter ROGOWITSCH, born on 5 February 1892 in MOSCOW, stateless, correspondent for foreign languages, who has been living on the first floor of the above mentioned house at Eulenspiegelstrasse 60, with his wife Olga née ISVOLSKY (born on 27 April 1897 in KIEV), since 12 July 1948, and is registered with the police headquarters under this address.

ROGOWITSCH is the son of the Senator Alexis ROGOWITSCH and his wife Maria née KATKOFF in MOSCOW. His father died in BRUSSELS in 1935 while his mother allegedly still lives there.

His wife is the niece of the former Russian Ambassador in PARIS and later Tsarist Foreign Minister ISVOLSKIJ. From ROGOWITSCH's parents died in PARIS.

Peter ROGOWITSCH attended from 1906 to 1914 the Imperial University (Faculty of Law) in PETERSBURG; from 1925 until 1941 he was the manager of the shipping depot of a chemical concern in PARIS. From 1941 until 1944 he worked as translator, and from 1945 to 1948 he was employed with the American Occupation Force, as chief of personnel on the NEUBIBERG air field, where he was responsible for the hiring and dismissal of civilian personnel. From 1948 to 1949 he again worked as translator, and from November 1949 until April 1951 he was employed with the "IRO" in MUNICH-Pasing. From 1951 until 1955 he worked at the US Military Post in MUNICH, Tegernseer Landstrasse.

Since 19 October 1955 he has been unemployed and has drawn unemployment benefits amounting to 42.60 DM a week since then.

ROGOWITSCH has perfect command of the German, English, French and Russian languages. He is an extremely uncommunicative person. In his home he never receives any visitors.

On 7 September 1955 he rented post office box no. 17 in the post office no. 56 at Aeussere Rosenheimer Strasse 94, Perlach, jointly with his wife. At irregular intervals the couple picks up the mail from the box, usually in the afternoon. The incoming letters are addressed to "Alexander WHITE" and "OLGA" and "Russians outside Russia". (Frau ROGOWITSCH's first name is Olga.)

CONFIDENTIAL

CONFIDENTIAL

(Classification)

As has been determined, the letters usually do not show the names of the senders. When picking up their mail the two ROGOWITSCHs are behaving in a strangely shy manner. On 4 September there were again two letters, with the senders not indicated, in P.O. Box NO. 17.

It is noteworthy that ROGOWITSCH rented the post office box on 7 September 1955, about four weeks before his employment with the US Military Post was terminated.

While working for American agencies ROGOWITSCH allegedly made extensive trips to foreign countries. He is said to have obtained his passport with the help of the US Military Government.

He is not known to have a criminal record.

With regard to his personal circumstances the following additional information has been received:

ROGOWITSCH originates from a Russian millionaire family; thanks to this wealth he was admitted (an exceptional case) to one of the noblest Guard Regiments in Tzarist Russia, in which he served as an officer and achieved the rank of Captain. During World War II ROGOWITSCH was the assistant of Georgij SCHEREBKOW, the representative of the Russian emigrants in France during the time of the German occupation (later "Foreign Minister" under General WLASSOW). Since ROGOWITSCH, unlike the other members of SCHEREBKOW's organization, withdrew from PARIS, when danger arose, in a way tantamount to desertion, he is held in very bad repute by most of the Russian emigrants, and this bad reputation has even been worsened by the fact that he has developed into an alcoholic during recent years.

ROGOWITSCH is a convinced, if not fanatic anti-Semite in his political views he sympathizes with the rightist-radical Russian emigrant ARZIUK.

During the first years after the end of the war ROGOWITSCH worked for MILRUD (alias THOMPSON) who was with MIS. From 1951 on, ROGOWITSCH worked as Military Intelligence Analyst for G-2, US Army Southern Area Command (McGraw Kaserne). There he, according to his own statements, met with numerous difficulties since an "American Jew" of that agency had determined that in France ROGOWITSCH had been sentenced to 20 years in prison at hard labor, for collaboration with the Germans. As he said, it was owing only to the CIC that he was able to continue in his work for the agency mentioned. However, as a result of the above mentioned fact his activity was highly restricted since he enjoyed only little confidence. In addition, his co-workers, among them Gerhard BUSCHMANN, constantly frustrated him.

CONFIDENTIAL

ROGOWITSCH is said a few years ago to have in fact been hired by Gerhard BUSCHMANN (for a monthly compensation of 500.- DM) to establish, as informant, contact with ARZIUK and collect information on him. ROGOWITSCH allegedly drew the compensation for a long time, while in reality he cooperated with ARZIUK from whom he also got regular payments. All the secret reports made on ARZIUK by ROGOWITSCH were, in fact, dictated to ROGOWITSCH by ARZIUK himself.

Some time in 1955 ROGOWITSCH's activity for the American intelligence service was terminated. At present he is living in very poor circumstances.

Dear Friends:

Acknowledging your letter of May 27th, I want you to know it is not lack of interest that has caused this delay in writing you. I am hopelessly swamped with work but have hopes of getting in better shape so that I can take care of correspondence more promptly.

Your first letter is no doubt in a pile of correspondence that I will come on too soon and will write you. In the meantime, please feel that we want to cooperate in any way possible.

We have an article I believe you sent us some time ago and we are watching for the first opportunity to run this.

Sincerely yours,

SHALL THE UNITED STATES HELP ISRAEL?

1. Soviet Russia has not "turned against" Israel. See photocopy at right.
2. Could the state of Delaware be made strong enough to dominate the rest of North America? Neither can Israel be made as strong as the Arab nations. See map below.
3. Aid to Israel can have only one outcome—to put the Moslem world with its oil and its vast strategic area into the Soviet Orbit.
4. Don't let Communist-aided Israel dictate U. S. foreign policy. Don't let Zionists persuade us into a third world war.
5. Under your constitution given right to petition, should you not write to Congressmen, Senators, the State Department and the President and ask that not one U. S. dollar, not one U. S. weapon, and not one U. S. soldier be sent to help Israel?

Israel Buys Red Oil

Deal signed as tests held on first Israeli discovery

ISRAEL has been signed a contract to buy 350,000 to 400,000 tons of oil and fuel oil from Russia. The contract also calls for shipment of 15,000 tons of citrus fruits and bananas to Russia. The deal was signed in Moscow as Israel's first oil discovery was being prepared for production tests.

The country's first commercial discovery was made last month when Lapidoth Israel Oil Co. and Israel Oil Prospector, Ltd. discovered a wildcat at Mulegat. The location had been abandoned by Iraq Petroleum Co. in 1943 when Arab-Israeli hostilities began.

The well tested an estimated 50,000 an hour from a 7-ft. sand at 4,900 ft. (The Oil and Gas Journal, October 1, page 96). Drilling was resumed on the well and another productive formation was encountered 40 ft. below the first (The Oil and Gas Journal, October 17, page 103).

Both zones will undergo production tests this week. The operators say they will drill two stepout wells almost immediately. The discovery has been designated Heletz 1.

The optimistic operators are already laying a pipeline from Heletz 1 to Ashkelon and the railroad so that crude can be hauled to the Haifa refinery by tanker. The 5-mile pipeline is expected to be laid in about 3 weeks.

The 87,000-bbl. daily refinery of Consolidate Refineries, Ltd. (Shell B.P.) is now operated at only about 20 per cent of capacity on imported crude. The plant refines just enough to meet Israel's products needs. The country is entirely dependent on oil and oil products for all fuel and power.

A SOLUTION OF THE JEWISH PROBLEM.

This whole analysis now logically focuses toward a sound solution of the Jewish problem. The author favors a verdict based on the Whole Truth, Exact Justice and Absolute Honor - enforced by politico-economic penalties.

But Jewry must first appear with "clean hands," before the Bar of America, to demonstrate good faith and allegiance to Americanism before loyalty to its own interests, by the establishment of the following prerequisites to a fair hearing:

PREREQUISITES

- (1) American publicity channels MUST BE FREED from Jewish advertising or other intimidation.
- (2) Political Jews MUST WITHDRAW from all "key" positions to permit restoration of American majority REPRESENTATIVE Constitutional Government in place of present centralized minority "invisible rule".
- (3) MONOPOLIES of leadership of national and local political parties by Jewish "key controls" MUST BE ELIMINATED.
- (4) Jewish Capital MUST RETIRE from its anti-social monopoly of screen, radio and other American NECESSITY ENTERPRISES.
- (5) Jewish un-American professors and teachers MUST BE PUT OUT OF institutions of learning.
- (6) Jewish monopoly of the judiciary of America's great metropolis MUST BE OUSTED.

DEFENSIVE COUNTER - STRATEGY.

Through monopoly of press and radio there is now being conducted by organized Jewish leadership the most colossal high-pressure publicity campaign in history to "sell Jewry" to Americans as absolutely "pure"; but since that leadership, holding Gentiles to be "a common enemy" has for many centuries systematically deceived, exploited and boycotted us, we must not believe anything it says now, or look upon propaganda in the specialized press as other than trickery, treachery and treason to America - until Jewry repudiates its present leadership and actually abandons the hostility that is spreading economic attrition-death through the U. S. Not by words, but "by their deeds shall ye know them."

Do Americans want their Avenues of Equal Opportunity closed to them and their children by an alien "crowding out" - not on merit, but on money - power?

Meantime, these practical self-protective individualistic measures seem imperative - - -

(1) A "Buy Gentile" patriotic crusade to defeat the active Jewish-Radical pogrom-boycott on American politico-economic life, which is effectively destroying national resources.

(2) "Pitiless Publicity" by word-of-mouth, pamphleteering and otherwise, to enlighten and dissipate the deadly inertia of American citizens blinded by misleading protocolic propaganda, energized and financed by Jewish-Radical elements in control of the press and radio.

Essex County Clerk's Records Reflected Suit
Against CONDE MC GINLEY

Records of County Clerk, Essex County, N.J., checked at Essex County Hall of Records, Newark, N.J., on 12/27/56 by SA [REDACTED] reflect that JOACHIM PRINZ instituted action against CONDE MC GINLEY, owner, publisher and editor of a newspaper (not mentioned) for publishing a false and defamatory libel about the plaintiff on March 22, 1953, in Superior Court of New Jersey, Chancery Division. b7C

On April 6, 1955, the action resulted in a verdict in favor of the plaintiff and against the defendant, MC GINLEY, in sum of \$5,000 compensatory damage and \$25,000 punitive damage for a total of \$30,000 together with taxed costs.

According to the "Newark Evening News", Newark, N.J., on April 15, 1955, Rabbi JOACHIM PRINZ, of Temple B'NAI ABRAHAM, was awarded the verdict of \$30,000 by a jury on March 31, 1955. The judgment included \$5,000 in compensation damages and \$25,000 in punitive damages against the editor of the semi-monthly four-page tabloid published in Union, N.J., of which CONDE MC GINLEY was the Editor.

CONDE MC GINLEY, Editor of "Common Sense", had been sued for his characterization of Dr. PRINZ as a "Red Rabbi, who not unlike ALBERT EINSTEIN was expelled from Germany for revolutionary, Communist activities". This item, written by an associate of CONDE MC GINLEY, characterized in

NR 105-1910

the Newark paper as a Clerk, WILLIAM J. O'BRIEN, appeared originally in the April 1, 1952 issue of "Common Sense".

The Essex County Clerk's records reflect that as of October 31, 1956, plaintiff JOACHIM PRINZ filed complaint indicating that the judgment remains unpaid and unsatisfied except for the sum of \$1,000 collected by the plaintiff from other assets of MC GINLEY found in another jurisdiction.

This item regarding the unsatisfied judgment appears in a complaint filed by JOACHIM PRINZ with the Essex County Clerk on October 31, 1956, in which the defendants are listed as CONDE MC GINLEY, CELIA MC GINLEY, KATHERINE LITTIG, CONDE J. MC GINLEY, MARY MARARCHI, MURIAL WENZEL, ALEX JEFIMOW, aka. ALEXEY JEFIMAU, the Christian Educational Association, a New Jersey corporation, Muriel's Inc., a New Jersey corporation, Union Patriotic Press, a non-profit corporation of New Jersey, and unknown defendants JOHN DOE, JOHN BOE and JANE DOE. Docket No. AC-480-56.

This complaint alleges that on March 11, 1953, after being informed of the pending suit, MC GINLEY purchased property known as 530 Chestnut St., Union Township, N.J., from [REDACTED] and in order to conceal the property so purchased from creditors and to render himself judgment proof, MC GINLEY caused the title of said premises to be taken in the name of [REDACTED] an unmarried woman having no appreciable assets of her own and who has worked and been associated with MC GINLEY for a number of years. 0 b7c

The complaint further alleges that on March 17, 1954, during pendency of this action and after MC GINLEY had occupied the above premises with complete acquiescence of [REDACTED] the defendant, Christian Education Association, a New Jersey corporation, was organized by MC GINLEY and defendants MC GINLEY, JR. and ALEXEY JEFIMAU to succeed MC GINLEY in the ownership and operation of the aforementioned newspaper published by MC GINLEY, all for the purpose of hindering, delaying and defrauding the plaintiff and other existing or future creditors of MC GINLEY.

NY 105-1910

The complaint continues by tracing property sold or purchased by MC GINLEY and his wife and son as far back as 1940 and indicates that the property had been transferred "without fair consideration" and indicates that MC GINLEY retained control and should be ordered to direct that these properties be conveyed in satisfaction of the judgment.

EUGENE J. KIRK, Newark, N.J., attorney for MC GINLEY, has filed a brief in answer to this complaint as of 11/26/56 citing no cause of action against defendants named in the complaint. Notation on file "no cause".

DETAILS:

[redacted] who has furnished reliable information in the past, indicted on September 24, 1956, that a source whom he termed reliable but whom he declined to identify, had indicated that the July 1956 issue of "Borba" was entitled: "The Conspiratorial Front." He stated this article concerned the general theme that Communism is Jewish controlled and that the Jewish race is planning the destruction of all non-Jewish people through the use of Communism. He added that this article, as usual, was printed in the Russian language and was written by ALEX EFIMOV. He stated this issue had been printed at the headquarters of "Common Sense" in New Jersey.

b2
b7D
[redacted] indicated on October 10, 1956, that the August 1956 issue of "Borba" was entitled: "Deadly Weapons Against Sheenie Communism, Proper Propaganda, Christian Moral and the Peoples Voice." He stated that this article was in Russian and was a vicious anti-Semitic article indicating the Jews controlled Russia and intended to enslave the world. He added that this article was signed "PETROV," the alias of ALEX EFIMOV. He stated that in this article EFIMOV advocated the election of T. COLEMAN ANDREWS for president.

[redacted] advised on December 17, 1956, that issue Number 29 of "Borba" had just been issued by the subject organization. He stated that this piece was written by EFIMOV in the Russian language and was entitled: "Help Us To Expose the Sheenie Communist Crime Against Humanity." He stated this was a disorderly writing about the increase of the power of the Jews as a result of World War II and stated that the Jews now have 800 million non-Jewish slaves as a result of the war.

[redacted] indicated on February 1, 1956, that EFIMOV indicated he is temporarily discontinuing publication of "Borba" but has recently issued a new sheet in the Russian language entitled: "Questions to the Political Workers and the Commissars." He indicated this sheet contains an anti-Semitic cartoon which had previously been used by CONDE MC GINLEY in his publications by the subject organization.

NY 105-6188

He indicated the tenor of this article is anti-Semitic and is more or less a translation of EFIMOV's 28 questions in English distributed by MC GINLEY from time to time.

[redacted] indicated on February 1, 1957, that the December 1956 "National Renaissance Bulletin" had been printed by MC GINLEY. He stated that 500 copies of this six-page bulletin were mimeographed by MC GINLEY, for which the charge was \$30. This source noted that the previous printer which the National Renaissance Party (NRP) had utilized would have charged about \$80 for the same amount of work.

b2
b7D [redacted] indicated on October 23, 1956, that JAMES MADOLE, leader of the NRP, indicated he had ordered 400 reprints of the July "National Renaissance Bulletin" which was being done by MC GINLEY.

b7C [redacted] indicated on November 19, 1956, that the September - October 1956 issue of the "National Renaissance Bulletin" had been prepared with the help and advice of BENJAMIN FREEDMAN who also gave MADOLE \$90 toward the cost of this publication. He stated this bulletin was printed by [redacted] at the office of the subject organization.

[redacted] indicated on November 27, 1956, that BENJAMIN FREEDMAN continue to confer with MADOLE about future issues of the "National Renaissance Bulletin." FREEDMAN reportedly is anxious to maintain his contact with MADOLE in order to use this publication as a vehicle for his views and propaganda.

[redacted] indicated on December 28, 1956, that FREEDMAN, who for many years has been friendly with Arab officials in New York City, has recently been attending United Nations Committee meetings. He stated that at these meetings FREEDMAN would attempt to ingratiate himself with Arab officials and on other occasions he would indicate to people that he is backing several publications. This informant indicated that he is making a general nuisance of himself and most people regard him as a man with a disordered mind. This informant also indicated that for many years FREEDMAN had been associated with, and supported, "Common Sense" but that recently he had

NY 105-6188

had an argument with MC GINLEY over certain material that FREEDMAN wanted published and consequently they have not met since that time.

b2
b7D [redacted] indicated on May 9, 1956, that the NRP at present is a neo-Nazi, anti-semitic, anti-Negro organization with activities generally confined to the New York area. He said that its principal activities consist of holding outdoor meetings and the distribution of literature throughout the United States and abroad where it is reprinted by similar organizations. This source stated that the NRP leader and founder is JAMES H. MADOLE and its principal financial contributor is FREDERICK WEISS. He said that at present the party membership is very small. The April 1955 "National Renaissance Bulletin," official NRP publication, listed headquarters at 10 West 90th Street, New York City.

The NRP was the subject of a preliminary report on Neo-Fascist and Hate Groups published by the House Committee on Un-American Activities on December 17, 1954, which stated that this neo-Fascist group's activities are clearly subversive and un-American.

b2
b7D
b7C [redacted] indicated on January 9, 1957, that the subject firm recently had a large shipment of several hundred pounds packaged to be sent to [redacted] Knoxville, Tennessee. He indicated that this shipment consisted of 10,000 copies of "The Coming Red Dictatorship," an anti-Semitic article by MC GINLEY, Editor of "Common Sense" and also mixed copies of "Common Sense." This informant indicated he believed this material was to be used in connection with the segregation fight in Tennessee.

b2
b7D
b7C [redacted] indicated on January 9, 1957, that MC GINLEY had opened a bank account some time ago in Sherman, Texas, reportedly because a [redacted] which is located in Sherman, Texas, had given him a contribution and that MC GINLEY had deposited this contribution in a local bank in Sherman with which [redacted] was associated.

NY 105-6188

This informant stated he knows of no other reason for having opened this account in Sherman and he knows of no other bank accounts which MC GINLEY maintains outside the State of New Jersey. He added, however, that he has heard and he has reason to believe that MC GINLEY has been depositing large amounts of money for the past several years in safe deposit boxes in various banks throughout the South. He stated that he has no knowledge concerning the specific location of any of these banks and no definite knowledge that these safe deposit boxes actually exist.

He stated that he recalls that MC GINLEY has received many substantial contributions during the past years and he does not believe that all of this money was used by MC GINLEY in the operation of his newspaper. He stated that reportedly a LOUIS HANSMANN of Kenosha, Wisconsin, had given MC GINLEY between twenty to thirty thousand dollars about three years ago. He further indicated that he recalls that MC GINLEY reportedly had invested a "fortune" in oil in Texas and allegedly had lost all of the money which he invested.

This source also stated that recently MC GINLEY has been very cautious regarding his activities and has warned people against calling him at his home. He stated that whenever MC GINLEY has any business of importance to discuss, that he uses a telephone in a store which is across the street from his residence. He indicated that sometime prior to the time that MC GINLEY had lost the legal action brought by Rabbi PRINZ that MC GINLEY had anticipated losing this suit and had transferred all of his assets into a corporation for the purpose of protecting them from this legal action. He stated the the officers which MC GINLEY had placed in charge of this corporation had no control and that MC GINLEY, himself, maintains complete control of the Christian Educational Association. He added that MC GINLEY's son, CONDE MC GINLEY, Jr., who formerly had worked on the newspaper, is no longer employed there but is reportedly working somewhere else in New Jersey.

b2
b7D [redacted] indicated on July 15, 1953, that LOUIS HANSMANN, 721 57th Street, Kenosha, Wisconsin, had corresponded with both JAMES MADOLE and FREDERICK WEISS recently in regard to a proposed tour for MADOLE throughout the Middle West which HANSMANN would finance.

b2
b7D
NY 105-6188

[redacted] indicated on September 14, 1953, that WEISS and MADOLE are no longer in contact with HANSMANN, who allegedly represents a wealthy group interested in furthering National Socialism. He stated that MADOLE had gone to Chicago in August and had conferred with HANSMANN regarding a proposed trip through the Midwest which HANSMANN would finance. However, upon MADOLE's return from that meeting it was apparent that HANSMANN had not been impressed by MADOLE and was no longer interested in utilizing him in this proposed tour. Informant stated that soon thereafter WEISS had received a letter from HANSMANN stating that he was going to Canada and that WEISS should destroy all correspondence received from him and forget that he had ever been in contact with WEISS or MADOLE regarding these matters. The informant stated that so far as he knows there has been no further contact with HANSMANN and he believes that his group is no longer interested in the NRP.

b7C
[redacted] Kenosha Credit Bureau, Kenosha, Wisconsin, made available on September 25, 1953, to SA [redacted] the credit record of LOUIS HANSMAN, which reflected that he was born in 1877 and has engaged in the printing business for the past 60 years under the name Hansman Printing Company, 721 57th Street, Kenosha, Wisconsin.

[redacted] Kenosha Police Department, who handles investigations of a subversive nature in the Kenosha area, advised SA [redacted] on September 25, 1953, that HANSMAN is an old-time printer in the Kenosha area, was born in Kenosha and has never been known to have engaged in any type of political activity and has never been regarded as being active in any type of subversive or pro-German matters.

EVERETT YANCE, Managing Operator of the Hansman Printing Company, advised SA [redacted] on September 25, 1953, that he had worked for Mr. HANSMAN for approximately 20 years. He stated that HANSMAN is approximately 76 years of age and is somewhat senile. YANCE stated he recalled having seen some correspondence from an organization which he believed was the NRP and recalls the name MADOLE as having been on an envelope or two received by HANSMAN. YANCE stated he had no knowledge that HANSMAN was interested in giving money to the NRP and stated he was surprised that

NY 105-6188

that HANSMAN, is engaged in any type of political or pro-German activity. YANCE advised that a letter addressed to JAMES H. MADOLE, dated July 27, 1953, at Kenosha, and signed L. HANSMANN does not appear to him to be the writing of HANSMAN inasmuch as HANSMAN is not well educated and does not speak in the same tone in which the writer has written and also does not use words such as are used in this letter to MADOLE.

Mr. YANCE indicated on December 9, 1953, that he is certain that HANSMAN has no current interest in the NRP and that he has observed no recent mail to HANSMAN from this organization. He stated he does not believe that HANSMAN gave any money to the organization inasmuch as he, YANCE, personally signs all checks made out by HANSMAN. YANCE indicated that HANSMAN has never discussed the NRP with him but that he did mention the name of MADOLE and advised YANCE that if a person by that name calls on the telephone, YANCE is to instruct MADOLE that HANSMAN has gone on a long trip and he does not know when HANSMAN will return. YANCE stated that it is evident to him that HANSMAN wants no further contact from or with MADOLE.

Appeal Issued by CONDE MC GINLEY For Help

In Issue No. 269 of "Common Sense", dated 2/1/57, on page 4, under the heading "Help Us To Help You", CONDE MC GINLEY, the Editor, printed an open letter to his readers. The letter is as follows:

"Friends:

"Those who have studied the all-important question before the world today realize that the Anti-Defamation League of B'nai B'rith is the back-bone of the Marxist program in the United States. The B'nai B'rith is a Jewish organization functioning on a world-wide scale.

NK 105-1910

"B'nai B'rith has 1750 lodges in the U.S. and Canada, with 400,000 members. According to the NY Times May 4, 1956, they have expended sixty million dollars in the last three years. The A.D.L. is the militant arm of the B'nai B'rith; it is the Invisible Government in the United States.

"In the Communist satellite states, the high government officials have been Jews almost without exception. Before the Jewish rule could be established officially, the leaders opposing Communism had to be broken down and destroyed. During the last three years the Russian Communists, having discovered that the Jews set up Communism to use it in advancing their own interests, have been successful in maneuvering some Jews out of top positions. The population of these countries did not realize what was going on until too late; then they were too helpless to stand behind their leaders.

"This is what is going on in the U.S. today. The Anti-Defamation League with the American Jewish Committee and the American Jewish Congress, using many unsuspecting non-Jews, prominent persons, and fifteen to twenty million dollars a year for propaganda in newspaper, radio and television, are trying to discredit and destroy our patriotic leaders just as they have done with Col. CHARLES LINDBERG, Sen. NYE, Sen. BERT WHEELER, Sen. MC CARTEY, JAMES FORRESTAL and many others.

"The A.D.L. has been pounding away at COMMON SENSE for 11 years, trying to drive its friends away so it will be left standing alone. However, as thinking people, examine the facts published only in one paper, COMMON SENSE,--and our paper has grown until it now reaches more awakened Americans than any publication in existence.

"My assets are in the form of factual information spread all over the United States. Eleven years ago, I quit business for a profit and have spent

NK 105-1910

every dollar I could get my hands on in this Crusade. Some people told me then I was foolish, that Communism meant nothing. Today some of these same people tell me I am wasting my time, that Communism cannot be stopped.

"Long ago I realized I would use up my funds and not make a living promoting a paper which carries no advertising. Anyone who studies this subject as I have, realizes that profit means nothing compared to the importance of saving our Republic.

"COMMON SENSE, with no advertising, will never show a profit but must be subsidized by people who have sufficient patriotism to help make the truth available to many. If there are not enough people ready to sacrifice and help expose the enemies of our country, then freedom in the United States is near the end.

"I am the unpaid Editor of COMMON SENSE. Help me make this movement the decisive factor in turning the Marxist trend that is destroying our government. The need now is for a large number of informed people. Help us raise the number of our readers to a million. If you could visualize how hard we work and plan to increase our effectiveness, nothing could stop you from doing your very best to assist us. Those good people who are awake to the crisis but unable to help substantially can help by renewing their subscription, taking a lifetime subscription (\$25.00), buying and distributing literature, securing subscriptions, passing out COMMON SENSE, and last but not least, praying for us. The prayers of any good Christian will not go unheeded.

"If you would like to help me strengthen COMMON SENSE so we can publish weekly and correctly inform millions of people, please do not hesitate to reach me.

NK 105-1910

"We hold such contacts in strict confidence.

"Our headquarters is conveniently located and we invite you to visit when you come to N.Y. or New Jersey.

"SEND US THE AMMUNITION AND WE WILL DO THE FIGHTING WITH THE PRINTED WORD! REMEMBER, THE PEN IS MIGHTIER THAN THE SWORD!

"For Christ and Country,

Judge Armstrong Foundation of Ft. Worth, Texas

In Issue No. 245 of "Common Sense", dated February 1, 1956, there is a story under the caption "Patriots Last Works Available". In this article, it was announced that the Judge Armstrong Foundation of Ft. Worth, Texas had turned over the entire inventory of books of the late Judge GEORGE W. ARMSTRONG to the CEA. The article indicated that the books were now available to readers of "Common Sense".

On August 17, 1956, [REDACTED] "Ft. Worth Star-Telegram", a daily newspaper, Ft. Worth, Texas, made available for review her file on GEORGE W. ARMSTRONG, SR., from which the following information was obtained:

JAMES MC LEAN, of AP News Features, interviewed GEORGE W. ARMSTRONG, SR., at Natchez, Mississippi, on 11/12/49 and released the following information for publication in morning papers of November 13, 1949:

GEORGE W. ARMSTRONG, SR. was born in Jasper County, Texas, the son of an itinerant Methodist minister. He was 84 years old at time of above interview. He graduated from University of Texas School of Law in 1880, and began the practice of law at Ft. Worth, Texas, in 1890. He was elected County Judge of Tarrant County, Ft. Worth, in 1897, and became known as "JUDGE ARMSTRONG".

He resided during his latter years at Woodstock Plantation at Natchez, Mississippi, but maintained a residence at Ft. Worth, Texas, for voting purposes. He gained considerable wealth as a result of oil ventures, banking, cattle, utilities, steel manufacturing in Texas, and land buying in Mississippi. He is reported to have owned at least three oil fields in three counties consisting of 18 oil wells, and 33 plantations.

At the date of the interview on November 12, 1949, Mr. ARMSTRONG stated that three years previously, he had established at Ft. Worth, Texas, the "Judge Armstrong Foundation, which 'siphons off' about 15% of his income for tax exempt charitable and educational purposes". Judge ARMSTRONG was an exponent against what he termed "racial mongrelization" which in his view was the "intermingling of Jews, Gentiles and Negroes in the same schools", which he violently opposed.

Judge ARMSTRONG stated that among others, his organization had contributed to GERALD L.K. SMITH, of the Christian Nationalist Crusade with headquarters at St. Louis, Missouri, and to EMORY BURKE, leader of an Anti-Negro and Anti-Jewish group of Atlanta, Georgia, and to R.H. BEST, of Boston, Massachusetts, a former American newspaperman in Germany who was convicted of treason for Nazi propaganda work. Judge ARMSTRONG claimed that SMITH, BURKE and BEST were "persecuted persons".

The "Star-Telegram" file contains a news story which appeared in the "Star-Telegram" in evening edition of January 21, 1952, concerning a suit which ARMSTRONG had filed in Ft. Worth in U.S. District Court in which he sought refund from U.S. Treasury of \$620.00 and \$6,276.30 for alleged erroneous income tax assessments made in 1948. In this suit, Judge ARMSTRONG and his wife alleged that in 1948, they had contributed

NK 105-1910

\$1,000.00 and in 1948, had contributed \$10,000.00 to the Judge Armstrong Foundation and that they had not been allowed deductions on the same.

A story in the "Star-Telegram", morning edition of November 27, 1952, stated that the basis of the suit was "whether or not the Judge Armstrong Foundation, now inactive, was entirely for charitable, educational and religious purposes".

This article said further that counsel for the ARMSTRONGS said the Foundation was created in 1945. The Government contended and won a decision to the effect that the Judge Armstrong Foundation was not entitled to the exemption of the Act because it was not devoted exclusively to religious, educational or charitable purposes. The government contended that the Commissioner of Internal Revenue had based his decision on the fact that the Foundation was distributing pamphlets "constituting propaganda designed to influence legislation" and, therefore, was not educational but "political" in nature.

According to this article, excerpts from one pamphlet read before the Federal Judge at trial of the case suggested that President WOODROW WILSON and FRANKLIN DELANO ROOSEVELT were Jews, and referred to President HARRY S. TRUMAN as a "Communist Traitor". The article also said that Judge ARMSTRONG, an advocate of "white supremacy", had asked in a preface to one volume of his writings that Congress abolish the 14th and 15th Amendments, which had freed the Negroes and guaranteed them their voting rights. At the trial, Judge ARMSTRONG testified that one of the main purposes of the Judge Armstrong Foundation was to print and disseminate his writings. The government, on the other hand, contended that the Foundation distributed pamphlets and books which were anti-Semitic, advocated repeal of the 14th and 15th Amendments and alleged a sinister world Communistic conspiracy by Jews, and that it was used for propaganda and to try to influence legislation.

NK 105-1910

According to a news item in "Star-Telegram" on October 13, 1954, Judge ARMSTRONG died at Natchez, Mississippi, on October 1, 1954.

THE SECRET GOVERNMENT

SOVIET UNION

UNION, NEW JERSEY (Translated from the Russian - written by a man who lived 25 years under Communism.)

The Communist Party of the Soviet Union which rules over the entire population of approximately 120,000,000 people (est.) consists of 5½ million members. The ruling class, or top level, overseers, consists of approximately 3½ million members. The other 2 million members of the Party are young Communists, or Comsomols, who do the most spying, and work for the Party among the Gentile population. The "Chosen People" have fixed the number of members in the Secret Government so as to guarantee constant vigilance and militant control over the country. To allow the party to grow larger would mean to jeopardize the control of the super-capitalists and the possibility of a weakness in administration.

The two million young Communists who are more or less trainees are under constant supervision to determine whether they will graduate into a full fledged Communist ruler. Their training consists of a thorough education against Jesus Christ and His teachings, hatred for all gentiles who believe in one supernatural God, and a course in determining when a person is capable of thinking for himself. Under the supervision of their elders, the young Communists report to their Jewish masters on all infractions of regular Communist regulations. When a young Communist qualifies himself by killing Gentiles who are enemies of the state, etc., he is in line for a higher position. However, if he is one who does too much thinking for himself, then he is, in turn, under surveillance by his brother students and Jewish masters.

Of the 3½ million top level Communist rulers in the Soviet Union, 50% are Jewish and 50% Gentiles, many of whom had formerly been in the penal institutions under the Czar for murder, rape, arson, robbery, etc. The latter spend some of their time in quasi-Official positions executing the orders of their Jewish masters and the rest of the time spying on each other. Whereas, the former spend all of their time ruling over the entire administration of the Gentile population of the Soviet Union. There is no distrust among each other and absolutely no spying for they are the "Chosen people" who alone have the right to live free, according to their Talmud. In short, the 50% Jewish faction make up the Invisible Government of the Soviet Union. The Visible Government is the 50% Gentile faction that the people see as the Russian Government.

Because of the Iron Curtain, the people in America naturally do not know what transpires in the Soviet Union. For those who are interested, there is always civil war liquidations, arrests, raids, etc. However, about every four or five years there is a mass purge of the Gentile faction of the Communist party along with certain sections of the Gentile population in general. Sometimes the Jewish war-lords of the Soviet Union have some grounds for their purges because of certain information, although most of the time it is done to insure the continual success of the Communist Party. If certain sections of the Party are not killing the required number of Gentiles and making the estimated number of arrests, then that section of the Party is liquidated and replaced.

SECRET BOARD

The Soviet Union is broken up into districts as another means of keeping the Gentile population under the vigilant eyes of their Jewish masters. In each and every one of these districts there is a headquarters known as the Secret Board. The location is often in the local synagogue and the members of the Secret Board all are Jewish. Into the Secret Board comes all reports and complaints on the people living within the jurisdiction of this board. Everyone from the age of 16 years has a folder in the files of the respective board and when the reports come in, their folder is

picked out and a notation made accordingly. Notes are made here on the thinking ability of the individual, his character, ability to work for the state, family relations, statements made to others and general information. When the purges came around ever so often these files supply the Party with the names of those to be liquidated. If one should do an act which is classified as a crime, then he or she is immediately sent to a concentration camp or executed according to the seriousness of the so-called crime.

CRIMES IN THE SOVIET UNION.

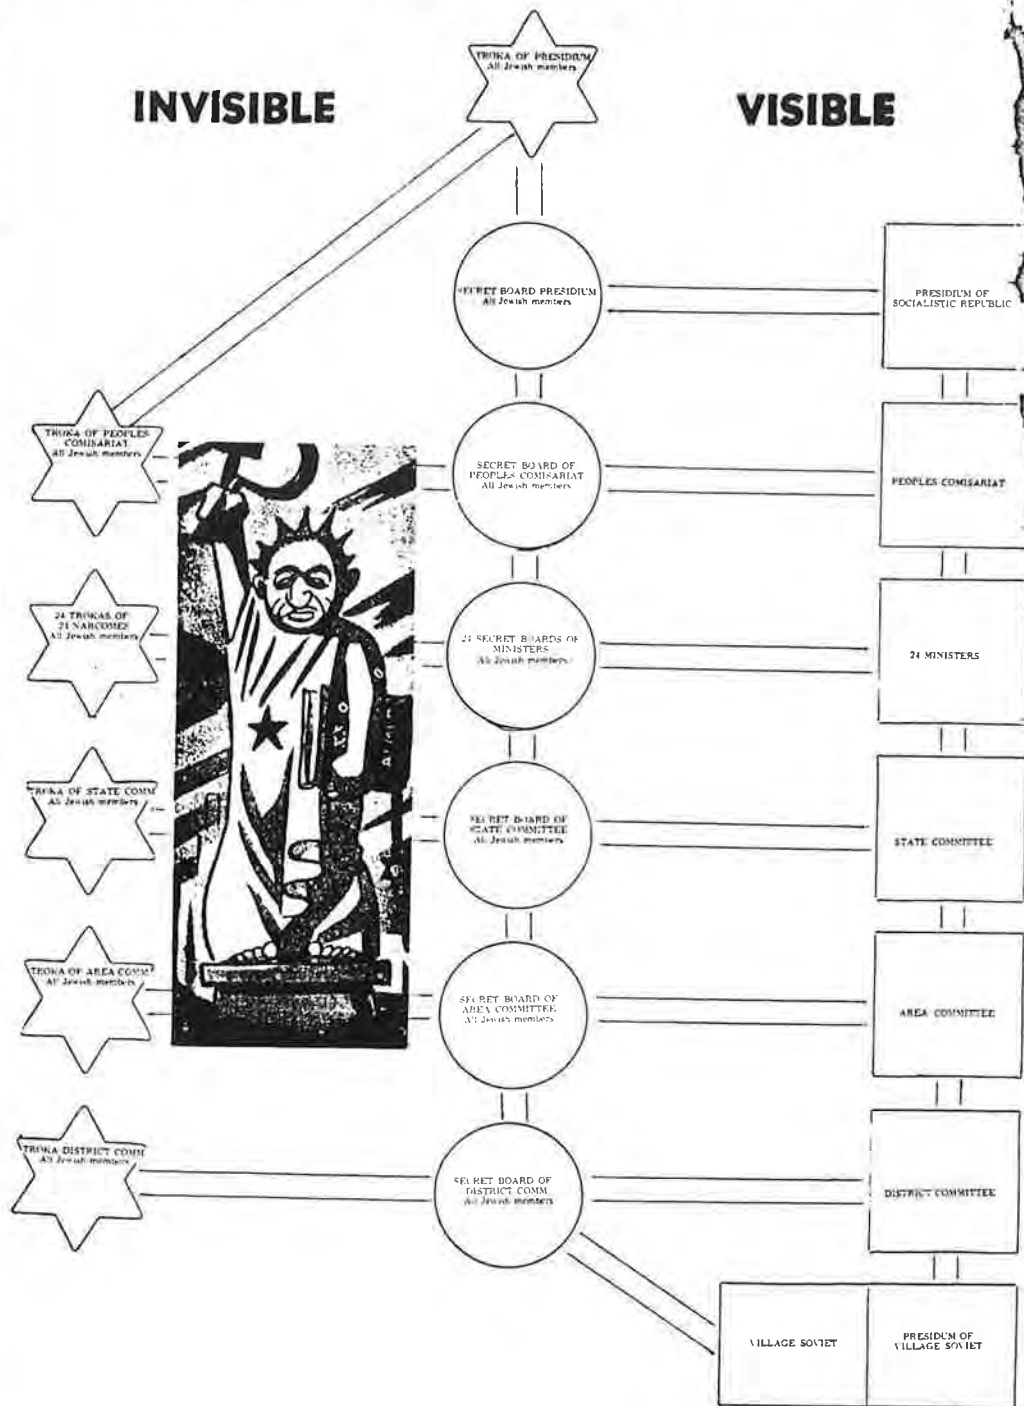

In the Soviet Union what constitutes a crime would be considered in America as an ordinary legitimate act. For instance, if one should be working with his "own" horse and it should break its leg, it is a crime; if a machine should break down while in operation, it is a crime; if one should show up late for work or take the day off because of sickness, it is a crime; if one should be caught with a bible, it is a crime; if one should know of a person who talks against the state and does not report him, even if it is a close relative, it is a crime. In other words, many things one does in the Soviet Union constitutes a crime. Special courts are set up to take care of the many cases being presented daily. The verdicts run from six months in a concentration camp to execution according to the degree of the crime. Every year new acts of the people are classified as crimes.

HOME LIFE IN THE SOVIET UNION.

In the Soviet Union there is very little home life since the Jewish secret government manages to keep families broken mainly due to the fact that there are millions of men in the concentration camps and Army. In the cities there are many more women than men, and the men who are favorites and left at home in many instances cohabit with four or five women. It is not necessary for the men to support these women for the women are the ones who do the work and support themselves. Very few men are in the cities and villages where most of the work is done by women, including heavy industry and farming. Many children do not know their fathers and children often become wards of the state shortly after birth. The result of this control over the generations by the Jewish World Planners is that Christian home life is obliterated.

Government Of The Soviet Union

THE GOVERNMENT OF THE SOVIET UNION

In the Soviet Union there are two distinct governments; one visible and the other invisible. The visible government is composed of Gentile personnel and also Jewish personnel, whereas, in the invisible government all members are Jewish. There are 600,000 secret police within the Soviet Union, and of these 400,000 are Jews. The secret police receive their orders from the secret invisible government.

In the Soviet Union the Communist Party is limited to $3\frac{1}{2}$ million members, and approximately 2 million young communists called Comsomols. The latter do most of the spying on the Gentile population for the Jewish Secret Board. Of the $5\frac{1}{2}$ million party members 50% are Jewish with remaining 50% composed of prostitutes, criminals, illiterates.

The Jewish Talmud says "*torture and kill the Gentile people and raise holiness for Israel*". Every year the Jewish Secret Boards execute a secret plan for the liquidation of many thousands of Christians who are considered too well informed. These victims are discovered by the spys who mingle with the general population.

Every Troika consists of three Jews whose responsibility it is to control by way of secret designs the masses of Christians within their jurisdiction. The Troika legislates the laws based upon their Talmud, and the Secret Boards execute them.

The Jewish Talmud says "*Earth will have to be filled with the Chosen People*", therefore in every country where Jewish Communism has taken over they first destroy the educated Christian class along with their families. Jewish Communism has destroyed all the members of the pre-existing government along with their families, with the exception of the Jews. It has destroyed all the Federal officers, detectives, State police, and Army officers along with their families, with the exception of the Jews. Jewish Communism has destroyed all of the Masons along with their families although this group was used effectively at the beginning to further the cause of communism. Jewish Communism has destroyed the freedom loving farmers, merchants, real estate owners, businessmen and professional men along with their families, Jewish Communism has destroyed all the spiritual leaders of the Soviet Union with the exception of the Rabbis and a token force of other spiritual leaders for exhibition. All churches have been destroyed or converted into other buildings with the exception of the synagogues.

The Jewish Talmud says, "*when God divided the earth He gave all the Goyes (Christian cattle) to Israel*." When the Jewish Gestapo took over the Soviet Union it took over all private property of the Christian population and turned it over to the government. From these properties the government made collective farms and made the Christians slave laborers of these farms. The result is not a peaceful one since all the slaves are dependent upon the government collective farms for their meager sustenance.

In the Soviet Union the Jewish invisible government separates wives from their husbands and men from women. About 20,000,000 men are confined to concentration camps, and as a result succeeding generations will be affected. The supervision of these concentration camps is under the direct control of the Jewish Gestapo.

On 5/22/58, [REDACTED] furnished this office, by mail, with a small quantity of printed material which he had received by mail. This material was stamped with the name, A. JEFIMOW, PO Box 927, Union, N.J. The material consisted of one printed page in English which referred to the structure of the Soviet government and stated that in actuality, the Soviet government consists of an invisible and a visible structure. This material stated that the visible government, as it is publicly known, is merely a front, and that the invisible government, composed entirely of Jewish people, is the real force behind the Soviet government. In addition, this material consisted of one printed pamphlet, written entirely in Russian.

On 6/5/58, [REDACTED] was contacted and advised that this material might be of interest to the Post Office Department inasmuch as it was anti-Jewish and racist in nature. Inasmuch as [REDACTED] requested that this material be returned to him, this was done at that time. b7C b7D

On 6/6/58, [REDACTED] telephonically advised that he had turned this material over to the office of the Postal Inspectors in Newark. At this time, he stated that in the event he learned that the mailing of this material did not constitute a violation, he intended to write his Congressman to protest that anti-Semitic material of this nature be allowed to be mailed.

A review of NK 105-1910 reflects that similar material has been received from numerous sources previously and that the Bureau is aware of the nature of this campaign.

PROTOCOL

For World Conquest

CONFIDENTIAL NOTICE TO ALL JEWS

We are about to reach our goal. World Wars I and II furthered our plans greatly. We succeeded in having many millions of Christians kill each other and returning other millions in such condition they can do us no harm. There remains little to be done to complete our control of the stupid Christians.

JEWS IN AMERICA — These are your final instructions prior to take-over:

1. Continue to enlarge our control over radio, TV, newspapers, movies, magazines, and books.
2. Educate our sons and crowd the Gentiles out of the practice of law, medicine, pharmacy; all profitable trades and professions.
3. Make their Schools and Colleges training camps for our Social Revolution.
4. Bring ridicule upon their Christian faith, divide their people, weaken their churches, profess brotherhood and fellowship until our cause is won.
5. Demoralize their women and children.
6. Corrupt their courts and bring them into contempt; using our interpretation of the laws and Constitution.
7. Turn class against class. The Negro against the White.
8. Buy politicians and continue to corrupt their local, state, and national governments.
9. Destroy the Christians and Non-Jews by mass inoculation, water pollution, mental health and civil rights laws.
10. Use willing tools like Eisenhower, Dulles, Lodge and Warren; they will do our bidding.
11. Plan unrestricted immigration of our people to America from Central Europe and the Middle East.
12. Tighten control of their money through our Federal Reserve System.
13. Continue to place Jews in key positions in government, army and navy.
14. We must destroy the Republic and replace it with a Democracy (Jewish-governed state Socialism.)
15. Continue our control over labor, agitate unrest, strikes and violence by any means or schemes.

Especially through these methods shall we plunge this country into destitution, demoralization, bankruptcy, and civil war, further lessening the numbers of our enemies.

The Bolshevik Revolution made us masters of Russia.

The last war made us rulers of all Asia and Europe except Spain.

Through our United Nations Organization ISRAEL was created. We will now develop and expand this treasure house into the center of world government.

Let the next war make us complete MASTERS OF AMERICA.

For our preservation, you are warned to renounce, abjure, repudiate and deny any of this information if questioned by Gentiles, even under oath, as directed by the Talmud.

It is needless to caution you of the terrible consequences that might follow if these instructions should fall into Christian hands.

Warren Studies Talmudic Law Here

The New York Times
Chief Justice Earl Warren with Dr. Louis Finkelstein, chancellor, on arrival at Jewish Theological Seminary.

By RICHARD AMPER

Chief Justice Earl Warren enrolled yesterday for a short course of instruction in judicial decision-making processes more than 2,000 years old. The head of the nation's highest tribunal, who has made some historic decisions of his own, sat down with scholars of the Jewish Theo-

logical Seminary of American for three days of discussions of Jewish law and its relevance to contemporary legal problems. Dr. Louis Finkelstein, chancellor of the seminary at Broadway and 122d Street, said he had long been

Continued From Page 1

acquainted with Mr. Warren. He disclosed that the Chief Justice had expressed a desire to learn something of Jewish legal tradition with its guiding emphasis on moral law.

"It is unusual in any country for a Chief Justice to sit down with a group of scholars," he said.

"We desire to express our respect and reverence for him as a person, and for the legal system at the head of which he stands, by sharing with him our most treasured possession—the Talmud and its teaching."

The Chief Justice donned a black skull cap to attend Sabbath Eve services at the seminary in deference to the Orthodox and Conservative Jewish tradition of keeping the head covered in houses of worship.

Mr. Warren will participate this afternoon and tomorrow in discussions of the Talmud, containing the code of Jewish ecclesiastical law, called the Mishnah, and its interpretation. The interpretation is analogous to a Supreme Court decision expounding the merits of a case, rabbinical reasoning and its conclusions.

At last night's session following a dinner, Dean Saul Lieberman of the seminary's rabbinical school discussed aspects of the Mishnah dealing with the law and court procedures. It included the Jewish legal view of self-incrimination, involved in the Fifth Amendment that has posed a vexing question in American constitutional law.

He explained that under Jewish law, where there is no other evidence or witness against a defendant, he cannot incriminate himself because of the rabbinical concept that if a man testifying against himself is a repentant sinner he is beyond court jurisdiction.

In an interview before yesterday's meeting, Dr. Finkelstein said that Mr. Warren had

expressed an interest in the process by which rabbinical scholars made moral standards the prime determinant of all judgments on human conduct.

Then he explained that enforcement of Jewish law was based partly on religious appeal, the ideas of reward and punishment in a future world or the present one, and partly on religious love or fear of God.

The first and overriding consideration in any decision on allowable conduct under the Jewish process, he said, was: "What is right? What does God want?"

At the close of the session Mr. Warren observed that the American Constitutional protection "is, perhaps, not as sacred as in ancient times." A measure of protection exists here, nevertheless, he said.

He expressed his thanks for the lesson in Jewish law and said it showed how much of the common law could be traced back to Judaic origin. He cited the lecturer's references to protections against double jeopardy and self-incrimination.

During the lecture, the Chief Justice sat attentively, sometimes with arms folded across his chest. Often, as he studied a copy of the law and listened to the explanations, he leaned on his elbows and cupped his chin in his hands.

Dr. Finkelstein said that the subject of racial segregation would not be mentioned at the seminary talks. This would be in deference to judicial tradition against public discussion by a Supreme Court justice of any case in which the court was involved. Mr. Warren wrote the majority opinion outlawing segregation in public schools.

But he said during the interview that part of the difficulty in ending Southern segregation resulted from the Northern moral violation of equal rights.

At today's session, Shalom Spiegel, William Prager Professor of Medieval Hebrew Literature, will discuss the Biblical concept of justice. Sunday's session will deal with the precise application of Jewish ethical precepts to contemporary problems of American law.

BOMBINGS AND ATTEMPTED BOMBINGS
IN SOUTHERN COMMUNITIES
RACIAL MATTERSALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 5/30/00 BY SP2AM/ely

ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. It should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

BOMBINGS IN SOUTHERN COMMUNITIES

American Committee for the
Advancement of Western Culture
105-22853

(New York)

This organization was promoted in 1953 by the National Renaissance Party and like this organization, was strongly anti-Semitic and pro-Nazi. Investigation was discontinued in 1953 due to inactivity of the organization.

✓ Christian Anti-Jewish Party
65-15743

(Atlanta)

NK-105-1133

This organization was founded in Atlanta, Georgia, in 1945, by Jesse B. Stoner, a former member of the Associated Klans of America. This organization is anti-Negro, anti-Jewish and a strong advocate of white supremacy.

Christian Educational Association
of Union, New Jersey
105-9621

(Newark)

NK 105-1910

The Christian Educational Association is the publisher of "Common Sense," formerly known as "Think Weekly." The address of its publisher, Conde McGinley, is 530 Chestnut Street, Union, New Jersey, and the publication itself is a biweekly newspaper with a fluctuating circulation of between 30,000 and 100,000 copies. The material in "Common Sense" has been described as some of the most vitriolic hate propaganda ever published and generally "Common Sense" depicts communism as Judism and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities.

Christian Nationalist Crusade,
also known as Christian Nationalist
Party of America
62-43818

(Los Angeles)

NK 105-1437

The Christian Nationalist Crusade was organized in St. Louis, Missouri, in 1947 and has its headquarters at the present time in Glendale, California. This organization, as well as its subsidiary organization, the Christian Nationalist Party of America, reflects the imprint of its director, Gerald L. K. Smith, whose basic argument has been that the United States is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry. While it is not known whether Smith and his close associates have inclinations to illegal action, the tenor of their public statements and programs is intensely anti-Semitic.

(Chicago)

✓ Christian Patriots Crusade,
also known as American Christian
Patriots Party
105-53447

This is a one-man organization operated by F. Allen Mann in Hinsdale, Illinois. Mann publishes "The Revere," which has been described as anti-Semitic, pro-Fascist and pro-segregation in nature.

(Atlanta)

✓ Confederate Underground
105-70219

Allegations have been received during July, 1958, that this group was involved in racial bombings in Miami, Birmingham, and Nashville. Its head is allegedly Jesse B. Stoner, associated with the Christian Anti-Jewish Party. Its activities are being discreetly checked to determine whether these activities bring the movement under the provisions of Executive Order 10450.

(St. Louis)

✓ National Citizens Protective
Association
105-16510

The main purpose and objective of this organization, which was formed in 1951 with headquarters in St. Louis, is advocacy of racial segregation and opposition to racial integration. Its constitution calls for the preservation of the purity of the white race in America by maintenance of the separation of the races. This organization published two monthly periodicals entitled "The White Sentinel" and "White American News Service." It has been reported that the organization has had no success in the establishment of chapters throughout the United States but that it continues to publish and distribute large amounts of anti-Negro printed matter.

National Renaissance Party
62-83296

(New York)

NK 105-1278

This organization is anti-Semitic, anti-Negro and neo-Fascist in nature with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole and its main function is the distribution of the "National Renaissance Bulletin" and distribution of pro-Arab literature obtained from official Arabian establishments in New York City.

BOMBINGS IN SOUTHERN COMMUNITIES

✓ National States Rights Party (Indianapolis)
105-66233

NK 105-6386

This organization claims to be a legitimate political party, however, its members include past members of various Klan organizations and notorious anti-Semites. While individual members have, in the past, advocated violence, no information has been developed to date indicating the organization itself advocates or approves acts of force or violence aimed at denying others of their constitutional rights.

✓ Nationalist Party, also known as (New York)
United States Nationalist Party
105-33261

NK 105-3095

This organization is basically a one-man organization formed in New York City by West Hooker. It was reportedly an anti-Negro, anti-Catholic and anti-Jewish organization. It published spasmodically in 1955 and 1956, the "Nationalist Party Bulletin."

✓ Nationalist Conservative Party (Chicago)
105-39509

✓ Formed in 1954 by William B. Wernecke, a sponsor of the defunct German-American Bund, ostensibly to develop a third major political party. This organization has had limited contacts with such notorious anti-Semites as West Hooker and Eustace Clarence Mullins.

Silver Shirt Legion of America (Indianapolis)
61-7587

This organization, headed by William Dudley Pelley, was extremely active prior to World War II and was considered neo-Nazi and anti-Semitic in nature. This organization has been designated by the Attorney General pursuant to Executive Order 10450. Pelley served a Federal sentence for his activities and since his release in 1950, has been printing material of a noncontroversial nature. No information concerning the organization or Pelley has been recently received and since it is not known whether Pelley has resumed his old practices, a check of the organization seems warranted at this time.

White Citizens Council

(Washington Field)

NK 105-3383

The organization was responsible for an extensive antisegregation

"Williams Intelligence Summary"
105-10091

(Los Angeles)

This publication is a monthly news letter of obvious
anti-Semitic nature prepared by Robert H. Williams, Santa Ana,
California. Williams claims to have vast experience in the
intelligence field dealing with **the communist** menace. However,
pertinent records reflect he was associated in a limited capacity
with Air Force Intelligence during World War II. Material printed
by Williams is often reprinted in "hate" publications such as
"Common Sense."

Each office of origin of the groups listed above should
launch an immediate investigation to determine whether these groups
could be connected in any way with any of the bombings which have
occurred since January 1, 1957. In order to accomplish this, it will
be necessary to determine the present leaders and membership of the
groups and to establish the pattern of their activities during the
pertinent period, that is whether they have advocated violence or
are of such a radical nature as to present a potential for violence.
These cases must be assigned to mature, experienced Agents and must
receive the personal supervision of the Assistant Special Agent in
Charge or Special Agent in Charge. Careful planning must go into
the approach to these investigations and it is expected the appropriate
initiative and ingenuity will be exercised to achieve results.
Sufficient manpower must be assigned in order that all investigation
may be handled promptly and a determination can be made as to whether
any of these groups are involved in the bombings. You must, of course,
comply with instructions set forth in reairtel to develop sufficient
informant coverage so that you will be advised on a continuing basis
of the plans and activities of these groups.

Re: BOMBINGS AND ATTEMPTED
BOMBINGS IN SOUTHERN COMMUNITIES

1. Lickin m. h. m. c.
Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advises to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. Of course, any significant development in the case should be promptly furnished to the Bureau by whatever means of communication deemed warranted. All communications and reports submitted concerning a specific group should bear the title of the group with the character Internal Security - X; Racial Matters. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

2. Copy to Bureau
All offices except the offices of origin in the groups listed above should search their files for information concerning the above-listed groups and promptly furnish such information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention.

PROBING PAPER

"We hope that the incident will not recur," he added.

The call was received by Mrs. Melvin Shapiro, secretary to the principal, who notified police.

The educational center combines the Yeshiva School and the synagogue.

Meanwhile, Prosecutor Stine disclosed he is investigating "Common Sense," published by Conde McGinley of 530 Chestnut St., Union.

Stine said the appearance of the pamphlet before the bombings was "of tremendous importance to me."

Stine announced that he was seeking back issues of "Common Sense." He said he also sought copies of leaflets issued by the Christian Educational Assn., an organization with headquarters at McGinley's home.

When asked for comment on the probe, McGinley, 65, said:

"It's a little late to investi-

(Please turn to Page 2, Col. 2)

Meanwhile, Union Prosecutor H. Douglas Stine said he was probing an Anti-Semitic, anti-Negro newspaper, published in Union. The sheet, "Common Sense," appeared in several cities where synagogues were bombed.

The call to Temple Beth El, Hudson Blvd. and Harrison Ave., Jersey City, was received at 7:30 p.m. by caretaker Dudley Maxie. The caller said, "A bomb is set to go off at 9 p.m.," and then hung up.

SERVICES DISRUPTED

Maxie called Rabbi Samuel A. Berman, who contacted police. A search of the temple failed to turn up any signs of an explosive but services, which begin at 8:15 and usually end at 9, were terminated 10 minutes early on the advice of authorities.

"It is tragic," Rabbi Berman said, "that people will do this sort of thing."

The Elizabeth bomb threat was received by the Jewish Education Center, Elmora Ave. and Livingston Rd., at 1:15 p.m.

JUST PLACED A BOMB

A man's voice said:

"I'm sorry I did it. I don't want anyone to get hurt. I just placed a bomb in your building."

The school was emptied for 40 minutes while police and firemen searched the building. Students thought it a routine fire drill. The synagogue was also searched. No bomb was found.

Rabbi Pinchas M. Teitz, dean of the school, said it was his "hope" that the call was "the work of a crank." He said that such a person might have been under the influence of reports of the bombings in Atlanta and Peoria.

Friday evening services at a Jersey City synagogue were disrupted last night when a caller warned that a bomb was set to explode in the temple. Earlier, 850 students at a Jewish school adjoining a synagogue in Elizabeth, were evacuated after an explosion threat. Both warnings proved false.

McGinley said he had a staff of 26 putting out the pamphlet.

The publication was recently assailed by citizens and clergy in Rahway. It has been condemned by the Rhode Island House of Representatives, and was named by the House Un-American Activities Committee in a staff report on "hate groups."

The report called it "a clearinghouse for hate propaganda."

Zvi Sobel of Elizabeth, field representative for B'nai B'rith's Anti-Defamation League, warned that "Common Sense" is gaining increasing readership.

Asked to comment on the synagogue bombings, McGinley said:

"They think we've bombed some synagogues? I'm too busy to bomb synagogues. Anyway, there's a right way and a wrong way to save this country. We don't favor violence."

SECOND PROBE

The investigation was New Jersey's second in two days of the distribution of "hate literature."

East Orange police are probing the distribution of anti-Jewish literature on doorsteps there.

McGinley, a ruddy-faced, gray-haired man of 65, talked with a reporter on the broad front porch of his office-home at 530 Chestnut St., Union.

The porch is enclosed by glass, but venetian blinds cover all except the entrance door.

He was dressed in brown trousers and a long-sleeved white shirt open at the neck. Like his food and other personal needs, he said the clothes were given him by "supporters."

He spoke freely and rapidly, often gesturing and fist-clenching for emphasis. His

twang gave evidence of his birth and long residential in Texas.

McGinley was reluctant to discuss his own life beyond saying he moved to Union 24 years ago. He said he had traveled "extensively through every section of the South."

He classed himself a "common fellow" who neither smokes nor drinks. His son, a sharp-faced man of about 30,

N.J. rabbis call talks on bombings

The Rabbinical Council of New Jersey comprised of Orthodox rabbis will meet Tuesday at Torath Chaim Jewish Center, 222 Schley St., in executive session to discuss the recent wave of anti-Semitic literature and synagogue bombings. The meeting, called by Rabbi Zev Segal, council president, will start at 11 a.m.

works for the newspaper and could be among "many persons" McGinley says could succeed to editorship.

Several times McGinley reminded the reporter he has not had a dollar in salary since Common Sense first went to press in 1945. The paper lives on \$1 annual subscriptions and "small contributions." He lives on what friends give him, he said.

The editor's son refused to let a photographer inside. The latter was left standing, camera in hand, on the front steps.

A moment later the son dashed back to the porch door, unlocked it, and yelled: "If you take any photographs, I'll come out there and bust that camera!"

NJ Bomb Threats

'Hate' Literature Eyed in Temple Incidents

Bomb threats and a new report of malicious damage to a religious center were recorded in New Jersey yesterday, paralleling a national situation which had developed following bombings of temples in Atlanta, Ga., and Peoria, Ill.

The New Jersey incidents included a bomb threat which cut short a Jersey City synagogue service last night and another which forced the evacuation of 350 students from a religious school adjoining an Elizabeth temple.

In Newark, police were under orders to keep Temple B'nai Abraham under special surveillance after authorities there reported that 20 windows in the temple had been broken in the last two days.

However, Rabbi Joachim Prinz, spiritual leader of B'nai Abraham, discounted the possibility that the incident was connected with the anti-Semitic outbreaks across the country.

Blames Boys

Mr. Prinz said that none of the temple's large stained glass windows had been damaged and added that he believed that "the whole thing was probably nothing more than boys who may have thrown some rocks."

Mr. Prinz made no mention of the broken windows during his sermon last night which was entitled "The Bombing in Atlanta."

Three years ago Mr. Prinz was involved in a successful libel suit against Conde McGinley of Union, publisher of an inflammatory propaganda sheet, "Common Sense." Copies of "Common Sense" appeared in the vicinity of both the Peoria and Atlanta bombings.

At the same time Union County Prosecutor H. Douglas Stine said he was opening a new investigation into "Common Sense," which has been published for many years from McGinley's home in Union.

Phone Call

In Jersey City last night a man called Temple Beth El at 7:30 p.m. and said "a bomb is set to go off in the temple at 9." Police searched the building at Hudson Blvd. and Harrison Ave. but found nothing. However, Rabbi Samuel A. Berman, who

(Continued Page 2, Column 6)

Bomb Scare

(Continued From First Page)

started the regular service at 8:15 p.m. cut it short at 8:50 p.m. The congregation was not told of the bomb threat.

Yesterday afternoon in Elizabeth a similar threat emptied the Jewish Educational Center of 350 students and a faculty of 64. Again a police search uncovered nothing and the building was reoccupied an hour later. Mrs. Lillian Shapiro, secretary to the principal, said a caller notified her that a bomb had been placed in the building and that he was "sorry." The building is at 330 Elmora Ave.

In New York threats went to such diversified places as the New York Guild for the Jewish Blind, the Stephen Wise Free Synagogue, the United Arab Republic consulate and a lower East Side matzoth factory.

In Boston, there was a bomb hoax in a Jewish hospital, and in Little Rock, Ark., the threats were made in letters to both The Arkansas Democrat and the Arkansas Gazette, local newspapers.

Flames Of Hate

The task of hate runs full cycle, and today the public eye again is focused on Conde McGinley. For the task of hate and the men dedicated to that task are vomited into being by the vicious thoughts spewed by McGinley and all the others like him—the Gerald L. K. Smiths and Don Bells, the Joe Kamps and the John Kaspers.

These men may not be directly responsible for the bombing of a Jewish temple in Atlanta and other bombings which preceded that, or for the bomb threats against St. Patrick's Cathedral in New York and the Jewish Educational Center in Elizabeth. But their messages of hate provide the blood that pumps through the system of affiliated hatemongers. Indeed, FBI reports indicate that many acts of violence in the South were preceded by distribution of McGinley's sheet, "Common Sense."

"Common Sense" is acknowledged to be the most powerful of the hate sheets in the nation and, unfortunately, happens to be published in Union. It has been cited by the House Un-American Activities Committee for providing "some of the most vitriolic hate propaganda ever to come to the attention of the committee." It represents itself as anti-communist, but is violently anti-Jewish. For that matter, at McGinley's building (if they let you past the locked door) one can also obtain anti-Negro, anti-Catholic or other "anti" literature, depending on the wants of the customer.

The fact that last week police attention was called to the unlawful door-to-door distribution of such hate literature in Cranbrook Rd. and Forest Dr., the threat to a religious building in nearby Elizabeth and the fact that McGinley's headquarters are in Union

compel action by responsible people here.

Legal action, unfortunately, is not possible. So long as the hate sheets are not legally obscene or indecent, the distribution of libels against minority groups must be tolerated by the post office. And group libel is almost impossible to prove in court.

Mar de wa mean, as suggested by scene in hot anger, violence or damage to the brownstone building at Chestnut St. and Colonial Ave. This would be as wrong both lawfully and morally as the sacrilegious bombing of houses of worship. Further, it would martyrize McGinley, adding to the fire's fuel instead of helping to extinguish the flames.

No, the way to combat hate propaganda is through widespread education and understanding of what McGinley-type literature really is.

This job of education rests with government officials everywhere—federal, state and local as well. An example of results is the swift reaction to groups like the "Confederate underground," when President Eisenhower publicly condemned such persons and what they stand for.

The job also rests with other people of leadership, particularly clergymen of all faiths. They much teach their congregations that McGinley's so-called "Christian Education Association," far from being an association of true Christians, is dedicated to the most un-Christian concept of all: hate.

Union's ministers in the past have taken their stand against McGinley. And they were wise not to pursue the course, until time again dictated the need,

The need has come. The time is now.

"Now that the matchless German army is destroyed, Germany laid in ruins and Europe helpless, Eisenhower asks the German people to help him prepare for another war purporting to be a war against communism, while he protects and coddles in Washington the same people who prevented Germany from wiping out communism. This is to be a war against the Russian people — not communism."

These might well be the words of a Nazi underground in Germany, or even a Communist propaganda sheet. But it is neither. It is an excerpt from Common Sense, published at Union, N. J., and sent around the United States every two weeks via the U.S. mails.

Aided by Son.

Publisher is a notorious anti-Semite, Conde McGinley, who has been practicing his poison penmanship for a dozen years in a 14-room stone building at 530 Chestnut St., Union. This is his home, editorial office, print shop and inner sanctum for secret powwows with other hate merchants. McGinley is assisted by his son, Conde Jr., by a handful of trusty volunteers and by the considerable bankrolls of sponsors like Benjamin Harrison Freedman of New York City, a retired toilet goods manufacturer who calls himself "an excommunicated Jew."

More than once, McGinley has made editorial reference to another businessman "angel." This shadowy figure has remained in the background of the hate movement but is reported to be a millionaire industrialist with New York offices and an estate in Connecticut.

McGinley first started churning out hate sheets in 1946, publishing weekly journals called Think, The Think and Think Weekly. Common Sense made its appearance in 1947, claimed a circulation of 7072 by 1948 and boasted more than 15,000 readers by 1954.

Circulation Jumps.

In the past year, however, the circulation suddenly skyrocketed. Investigators report some issues this year have reached an estimated 500,000 copies. Behind this spectacular upsurge is a new wave of anti-Semitism, cleverly organized, well financed and spearheaded by neo-fascist groups like the National States Rights party.

Like other professional hate paddlers, McGinley has his own organization—the Christian Educational Assn. One of his leading stockholders is Adm. John G. Crommelin (Ret.), who ordered several thousand copies of Common Sense during his recent un-

successful bid for governorship of Alabama.

A recent issue of Common Sense outdid itself with front-page blasts at former Sen. Herbert Lehman, Sen. Jacob Javits, Congressmen Emanuel Celler and Adam Clayton Powell; Supreme Court Justice Felix Frankfurter and Chief Justice Earl Warren; Dr. Ralph Bunche, deputy secretary-general of the United Nations, and Manhattan Borough President Hulan Jack, among others.

Broad Target.

Common Sense has attacked a long list of outstanding Americans, including President Eisenhower, former Presidents Harry Truman and Franklin D. Roosevelt, Bernard Baruch and Mrs. Eleanor Roosevelt. Recently detectives investigating the Atlanta bombing seized stacks of Common Sense during raids on suspects' homes.

They also confiscated other hate sheets such as the Thunderbolt, official organ of the NSRP; the Virginian and the White Sentinel. Subscriptions to these three publications were included in membership dues of all NSRP members.

William Stephenson, editor of the anti-Negro, anti-Jewish Virginian, recently extended his activities to England, where his name appears as associate editor of Northern World, which preaches the doctrine of "Nordic Aryan" supremacy. Also on the Virginian staff is Lt. Gen. Pedro A. del Valle, USMC, (Ret), who ranks with Adm. Crommelin and Maj. Gen. George Van Horn Moseley (Ret.) among the brass hats of isolation, segregation and anti-Semitism.

40 in Existence.

About 40 regularly published hate sheets now circulate in the United States, according to the Anti-Defamation League of B'nai B'rith. Many of these are run by racketeers, interested only in the money to be made from crackpots and fanatics.

Others are dedicated racists and anti-Semites like McGinley, who claims he doesn't make a dime from his enterprise. This self-styled "penniless patriot" was described by the House Un-American Activities Committee as "a clearing house for hate propagandists throughout the country," including "many of the native fascists and hate racketeers."

Besides Common Sense, the

nation's leading hate periodicals include the White Sentinel, published in St. Louis; the Virginian, published in Newport News; the American Nationalist, Inglewood, Calif.; Georgia Tribune, Columbus, Ga., and Don Bell Report and Closer Up, Edited by Don Bell of Palm Beach, Fla. These have replaced Gerald L. K. Smith's the Cross and the Flag as the bibles of bigotry.

CONDE MC GINLEY, EDITOR
"COMMON SENSE"

Interview

On October 24, 1958, CONDE MC GINLEY was interviewed at the CEA office, 530 Chestnut Street, Union, New Jersey, by SAS [REDACTED] and [REDACTED] regarding an extortion letter which he had received through the mail. In addition to information about the letter, he volunteered the following information:

MC GINLEY stated that it has been said that the CEA is a hate group, but the truth of the matter is that they do not hate anyone. The CEA is only trying to awaken the people of the United States to the threat of Communism and Zionism. He continued by saying the CEA has no quarrel with the Jewish people but are trying to expose the Zionist leaders who are attempting to control every facet of life in the United States.

With regard to the recent bombings of synagogues, MC GINLEY advised that he believes the Jewish leaders themselves are doing the bombing in order to get public sympathy and to achieve their own ends.

He stated that he attends a Roman Catholic Church regularly and he and his staff have prayers every morning, praying that God will keep them from printing untruths. He remarked that the way to stop his publication is to convince him that he is not doing the right thing in God's eyes.

NK 105-1910

There are 700 people who receive bundles of "Common Sense", according to MC GINLEY.

The finances of CEA are derived from subscriptions and from contributions of people who are interested in the CEA.

MC GINLEY also stated there are now eight Generals and five Admirals "on our side". He did not elaborate further.

He stated that CEA has had its own printing press for four years now, which press is maintained in the CEA building.

Prior to World War II, MC GINLEY operated a chain of restaurants in the shore area of New Jersey.

MC GINLEY showed the interviewing agents a shotgun and revolver which were hanging over his desk. He advised that the guns were loaded and that he maintains them because of the many threats to his life which he has received.

MC GINLEY conducted the interviewing agents on a short tour of the CEA building. The above interview was conducted in MC GINLEY's office which is located on the second (top) floor of the building. There was a small steel cot in his office and in the adjoining room is the office of [REDACTED] who was present during the above mentioned interview. There are also two or three bedrooms on the second floor. The first floor comprises a mailing room and work rooms used for the composing and editing of the paper. There is also a kitchen on the first floor rear. Four or five middle-aged women and a young girl were working on the first floor. The printing press is located in the basement but has no first floor space over it. MC GINLEY advised there was a large meeting room in the basement. A large dog roamed about the building and MC GINLEY advised he was getting an additional dog. Dozens of mailing bags were on the front porch, which bags MC GINLEY said were filled with "Common Sense" for mailing.

MC GINLEY praised the work of the Federal Bureau of Investigation and said he considered it one of the last bulwarks of the nation.

On November 4, 1958 FRANK ENGLEHART, Chief of Detectives, Union County Prosecutor's Office, Union County Court House, Elizabeth, New Jersey, advised that their investigation of CEA had turned up little information regarding the organization and no basis for prosecution had been revealed during investigation.

On 12/20/54, [REDACTED] who has furnished reliable

copies of the 11/54 issues of "Common Sense" had been distributed
at the U. S. Navy Yard by unknown individuals. ONI was

b7C

The "Daily Worker" issue of 1/9/55, Page 15, Column 4,
contained an article stating that AUGUST F. WALZ, Mayor of
Wilmington, Delaware, last week condemned as "vicious and
scurrilous the anti-Negro and anti-Communist tabloid
publication 'Common Sense'", which had been mailed to people in
that area.

On 2/19/57, [REDACTED] who has furnished
information to the Philadelphia office in the past, an employee
of the Philadelphia Jewish Community Relations Council, 260
South 15th Street, advised SA [REDACTED] as follows: b7C

[REDACTED] stated his organization had received
inquiries from the Philadelphia Chamber of Commerce regarding
the White Citizens Councils of the District of Columbia, also
known as Seaboard White Citizens Councils. [REDACTED] persuaded
a friend of his to correspond with [REDACTED]
[REDACTED] "Seaboard Citizens Council." As a result, a letter
was received from [REDACTED] the Seaboard
White Citizens Councils, which enclosed numerous copies of

"Comon Sense." These items were furnished to [redacted] who in turn furnished them to the Philadelphia Office of the FBI. ||

On 7/17/57, [redacted] Philadelphia, personally appeared at the Philadelphia Office and stated to SA [redacted] that the Jews are infiltrating every commercial, political and religious organization in the U. S. She described herself as a patriot who is watchful of the American way of life.

She said she has documentary evidence to support her statement that President EISENHOWER is partially Jewish and Negro. She left an issue each of "Common Sense" and "Williams Intelligence Summary."

[redacted] Levittown, Pa., (protect), with whom sufficient number of contacts have not been made to establish their reliability, in 8/57 advised SA [redacted] that the Levittown Betterment Association (LBA) was formed after the [redacted] family moved to Levittown. The [redacted] family is the first Negro family to move into the previously all white community in Levittown. The LBA was opposed to integration in Levittown. Informants stated that after the LBA was formed it had been contacted by a group of people from Union, New Jersey, who offered assistance in the LBA's activities against integration, including facilities of printing equipment. Literature opposing integration was left with officers of the LBA, and subsequently one of the officers of the LBA received literature from Union, New Jersey, including a copy of "Common Sense."

On 10/28/57, [redacted] Chief of Police, Bristol Township, Pa., advised SA [redacted] that she had heard that the publication "Common Sense" was being distributed in Levittown.

On 4/10/58, [redacted] Levittown, Pa., was interviewed by SAs [redacted] and [redacted]. During the course of the interview, DISHAROON said that in the fall of 1957 he and two other

He also expressed admiration for MCGINLEY. He said he had shown copies of "Common Sense" to his supervisor at his place of employment, but had never distributed the paper.

[REDACTED] advised that if he learns of any crimes of violence he would contact the FBI.

was contacted by a [REDACTED] and requested to read some literature that [REDACTED] presented to him at this time. The name of the publication was "The Cross and the Flag," published in St. Louis, Mo.

The contents of this publication brought out the fact that GERALD L. K. SMITH plays a large part in dictating the policy of the publication. [REDACTED] also stated that [REDACTED] told him that SMITH heads the organization, the Christian Nationalist Party. Complainant further stated that in his opinion the articles appearing in the publication seemed anti-Communist and anti-Semitic. [REDACTED] stated that a newsstand at the S.E. Re report of SA [REDACTED] at Philadelphia, dated 8/20/41, captioned ACTIVITIES OF SILVER SHIRTS AND KU KLUX KLAN ORGANIZATIONS IN WILKES BARRE, PA. Dissemination was made to Bureau and Philadelphia.

Instant report reflects that [REDACTED] Wilkes Barre, Pa., advised SA [REDACTED] on 3/21/51 that the Silver Shirts constitute an anti-Semitic and anti-foreign organization and are in his opinion 100% pro-American. He believed there were 26,000 Silver Shirt members in Luzerne County alone. It was his understanding that the Ku Klux Klan was a branch organization of the Silver Shirts and that these two organizations met together between Kingston and Forty Fort, Pa. b7c

Mr. IRVIN S. SHRODE, Director, Immigration and Naturalization Service, and others advised SA [REDACTED] that [REDACTED] has very little knowledge of these matters and they considered his comments of negligible value.

On 6/14/50, Chief of Police JOHN GOOD, Williamsport, Pa., advised that he had heard from the American Legion Post that a chapter of Silver Shirts, consisting mostly of Italians, was being formed.

On 6/17/40, Chief of County Detectives K. MUNSHOWER, District Attorney's Office, Norristown, Pa., telephonically advised that he had heard that a chapter of Silver Shirts had been formed in Pottstown six or seven months previously. (Furnished to SA [REDACTED]).

Report of SA [REDACTED] dated 10/27/43 at Philadelphia, captioned, WASHINGTON GUARDS ASSOCIATION, INC.; ARYAN ASSOCIATION, IS - C, reflects a signed statement by [REDACTED] dated 9/10/43 at Reading, Pa., which reflects that "Members of the Washington Guards Association, Inc., were promised a year's subscription to PELLELY's paper, the 'Liberator,' this to be included as part of the membership fee of \$10.00. I had subscribed to PELLELY's paper, which was first called 'Liberation,' in 1933 or 1934 and continued my subscription to the time the publication was discontinued. I joined the Silver Shirt Legion in 1935 or 1936. There were not over ten persons in the Reading unit of the Silver Shirts which was headed by a Regional Director whom I recall as being a machine shop employee from Pottstown, Pa.

b7c

"The initiation fee for the Silver Shirts was \$10 or \$15 and no dues were paid thereafter although the members bought PELLELY's publications and also booklets in the form of scripts which were written by PELLELY and issued monthly or semi-monthly.

"In the beginning the Silver Shirt movement appeared to be purely religious with no political element present. Around 1937 - 38 the scripts began to deal with the manner in which the Jews controlled international finance and became anti-Semitic. During the meetings the Regional Director would first read a script written by PELLELY and after this discussion of the script was had among the members. No large meetings of the Silver Shirts were held in Reading. In 1935 or 1936 PELLELY's headquarters at Asheville, N. C., advised us of a meeting of the anti-Communist group in the Broadwood Hotel in Philadelphia.

"Meetings of the Silver Shirts in Reading continued for around a year and a half and then ceased. I do not know

the exact date the group dissolved locally. To my knowledge, they were not connected with the German-American Bund in any way, we had no correspondence with the Bund and our members did not attend their functions"

The files of the Philadelphia Office reflect that [REDACTED] a prolific letter writer and distributor of various types of anti-Semitic and anti-Negro literature, has been connected with the White Citizens Council (WCC). There is no information indicating the existence of a formal WCC organization in Philadelphia. In this connection, however, the "Philadelphia Tribune," a Negro newspaper, in its issue of 10/21/58, Page 1, Column 2, contained an article captioned, "Race Hate Fanatics Make Jews, Negroes Targets of Attacks." This article states that a "fanatical white segregation group has been organized in the heart of West Philadelphia with the aim of terrorizing and persecuting the Negro and Jewish citizens of this city." The article continues that the "Philadelphia Tribune" has learned through "extremely reliable sources" that an officer of the White Citizens Councils of the South has opened a branch headquarters in the vicinity of 44th and Locust Streets, an interracial community. From an apartment in this area, not further identified, the local "president" of the group reportedly has mailed out thousands of pamphlets and letters to white residents in which Negroes and Jews are defamed.

The pamphlets urge that the reader join in the "race-hate organization" which has as its first mission the destruction of the National Association for the Advancement of Colored People (NAACP) in Philadelphia, and, secondly, the passage of legislation which would bring about segregation in local restaurants, theaters, hotels, public housing, and churches. The article states that while the group has little hope of achieving its two major objectives, it has, "nevertheless, managed to recruit several hundred members into the race baiting cult."

PH 105-4088

While the article failed to identify the local organizer or give the exact address of the WCC, it described the local organizer as a "diminutive, cringing, furtive man who moved into the West Philadelphia apartment about three years ago. Last year he reportedly ordered and received 100 White Citizens Council membership cards from Texas. He has, on occasion, also received large batches of membership cards from Alabama, Mississippi, and Georgia. This individual also reportedly receives copies of White Citizens Council periodicals from Jackson, Miss., which are described as "the most inflammatory of all which are permitted to go through the mails."

The article states further that several weeks ago, the local organizer placed a shingle outside his apartment house door proclaiming himself as the local representative for the National Association for the Advancement and Improvement of White People. Criticism by white and Negro residents of the neighborhood was so intense that he removed the shingle after allowing it to remain outside his apartment door for only one day.

In connection with the above, the Philadelphia Office, on October 23, 1958, through SA [REDACTED] contacted U. S. Post Office Inspector in Charge A. J. HARKINS on the above. He stated his office has received no information or complaints regarding literature being mailed which emanated from the area of 44th and Locust Streets. He stated he will advise this office immediately of any information whatsoever concerning this matter, particularly any data which identifies or will help to identify the local "president."

On 10/24/58, [REDACTED] of the "Gang Control Unit," Juvenile Aid Division, Philadelphia Police Department, was apprised of the above by SAs [REDACTED] and [REDACTED]. He stated that he had no information concerning the existence of the group at 44th and Locust Streets.

On 10/24/58, SA [REDACTED] telephonically contacted Confidential Source [REDACTED] (protect identity), Executive Secretary, Philadelphia Branch, NAACP, concerning the above-mentioned newspaper article.

PH 105-4088

CS [redacted] advised that he had read the above newspaper article and was extremely concerned with the contents of it. Inasmuch as the article indicates that the "Philadelphia Tribune" may have additional information concerning the identity of the individual sending literature, as well as more information concerning the activities of this group, it was felt that every effort should be made to obtain this information from the "Philadelphia Tribune." This matter was discussed with CS [redacted] who is a close personal friend of EUSTACE GAY, Editor of the "Philadelphia Tribune." [redacted] advised that he would be able to contact GAY concerning the contents of the article without any suspicion being aroused whatsoever, inasmuch as the article contains a threat by the group to destroy the NAACP. [redacted] advised that he will obtain all possible information from GAY on this matter and make same known immediately to the Philadelphia Office of the FBI. b7C b7D

With further regard to [redacted] he has been described as a front man for [redacted] in an organization drive aimed at establishing a Philadelphia chapter of the Seaboard White Citizens Council. (Source: "Philadelphia Inquirer," 2/17/57, Page 6, Column 1.)

[redacted] was discharged from his job at the Progressive Manufacturing Company, Philadelphia, for allegedly attempting to recruit members into the WCC.

In 4/57 [redacted] (protect identity), [redacted] Philadelphia, advised that [redacted] admitted in his presence that he was a member of the WCC and, on this occasion, [redacted] made several anti-Semitic and anti-Negro statements. Informant observed quantities of literature in [redacted] apartment which included considerable anti-Semitic and anti-Negro literature, as well as Congressional releases on Communist Party fronts and persons connected with the Communist Party. Also noted were a number of pamphlets concerning Egypt and other countries. When asked point blank as to whether he headed the WCC in Philadelphia, [redacted] declined to answer, stating, "There are bigger ones than me here," without further elaboration. b7C b7D

[redacted] on 12/11/57 furnished data indicating [redacted] Philadelphia, was a member of the WCC, was on the mailing list thereof, and corresponded with and supported the policies of [redacted] b7C b7D

PH 105-4088

[REDACTED] recently solicited literature from Arab establishments in Washington, D. C., and, thereafter, distributed this literature in the Philadelphia area while employed as a plant guard by the Pinkerton National Detective Agency. As a result of this action, he was dismissed by Pinkerton.

The Bureau and WFO are aware of [REDACTED] activities. [REDACTED] Bureau file is 62-103958. A Philadelphia file (105-4094) has been opened concerning [REDACTED] last known address is [REDACTED] Ardsley, Pa.

The Philadelphia Office contemplates the following action concerning the WCC and [REDACTED]

1. Investigation will be conducted to identify the individual or individuals connected with the group described in the newspaper article above whose activities are concentrated in the area of 44th and Locust Streets.
2. [REDACTED] current address and employment will be ascertained. Consideration will be given to placing a trash cover and a mail cover on [REDACTED] to determine further activities on his part.
3. Attempts will be made to develop informant and source coverage of [REDACTED] activities in this area.
4. Consideration will be given to interview with [REDACTED]

There are attached copies of a letter dated July 25, 1946, from [redacted] together with photostatic copies of a publication entitled "Think Weekly" allegedly headed by one Conde J. McGinley, also known as Charles Shelton. You will note in the letter to the Bureau by [redacted] that he has been approached by the editor of the publication [redacted]

[redacted] for a considerable period was a reliable confidential informant on German activities of the Philadelphia Office. The Bureau files indicate that in December, 1940, [redacted] was designated confidential informant by the Philadelphia Office and was used for about three years to obtain information on Nazi activities in the [redacted] area. For a time he was paid at the rate of \$60 per month for the information which he provided concerning dangerous aliens and the activities of the German-American Bund at [redacted]

According to [redacted] letter of July 25, 1946, the editor of this publication, "Think Weekly", was active in the Christian Front, and this new publication, allegedly attacking Communism, is only a cover for pro-Nazism on the part of McGinley. No information concerning this publication has previously come to the attention of the Bureau, and in accordance with the copies of the Bureau's acknowledgement to [redacted] which are also attached, he should be thoroughly interviewed to ascertain whether an investigation should be instituted of the publication.

With reference to the editor of "Think Weekly," the Bureau files indicate that Conde Joseph McGinley applied for a position with the Bureau as a clerk in January, 1946, and your office was advised by Bureau letter of February 14, 1946, to interview him in connection with his application. At that time McGinley stated he had accepted a position as circulation manager with the "Union Register" since his submission of his application to the Bureau and was no longer interested in Bureau employment. No further action was therefore taken in regard to his application. For your further assistance there are attached photostatic copies of his application in order that preliminary checks may be made of McGinley, if the interview with Paul warrants any investigation.

As stated previously [redacted] should be interviewed to ascertain whether any basis exists for his suspicions concerning the subversive

Tells of Dangers Of Communism

Dangers of communism were outlined by Conde J. McGinley, editor of an anti-red publication, Think Weekly, addressing a meeting of the Holy Name Society of Our Lady of Mt. Carmel Roman Catholic Church at the parish hall on E. 22nd Street.

McGinley last night outlined red activities in the United States and said it is high time for all real Americans to realize its inroads and dangers to the nation. His Newark publication is endorsed by the Knights of Columbus, Catholic War Veterans and Veterans of Foreign Wars, the editor said.

Plans were furthered for the parish silver jubilee ball to be held at the parish hall, Saturday evening, Oct. 19. Stephen Sladowski and Philip Petlicki are co-chairmen, honorary chairman being the Rev. Anthony A. Tralka, pastor; the Rev. Leo P. Hak, spiritual director of the society, and Commissioner Casimir Tokarski. Plans for the Holy Name parade, Oct. 13, were also discussed.

John Rembisz, president, was in charge of the meeting. Among the guests were Commissioners Charles Heiser, Edward Clark and Casimir Tokarski; former Commissioners Joseph Topoleski and James Mullanaphy, and Edward J. Poplawski, Stanley Fryczynski, and his son, Lt. Thaddeus Fryczynski, serving with the army air forces.

SYNOPSIS OF FACTS:

Complainant alleges "Think Weekly," a paper published in Newark which claims to be anti-Communist, is a Fascist organ. Complainant also alleges editor of paper, CONDE J. MCGINLEY, is a former member of Christian Front and is violently anti-Semitic and was pro-Hitler. Investigation fails thus far to reflect paper as Fascist, although it is outspokenly anti-Communist. "Think Weekly" headquarters are at 2003 Pleasant Parkway, Reinhold Building, Elizabeth, New Jersey. MCGINLEY resides at 23 Beechwood Place, Irvington, New Jersey.

DETAILS:

This investigation is predicated on reference Bureau letter advising that the Bureau had received information from [REDACTED] that "Think Weekly" was a Fascist newspaper serving under the guise of being anti-Communist. The complainant's letter alleged that the editor of the publication was very active in the Christian Front and that MCGINLEY who is also known as Charles Shelton had a strong antipathy for the Jews. Reference letter also indicated that CONDE JOSEPH MCGINLEY, son of the above CONDE J. MCGINLEY, applied for a position with the Bureau as a

clerk in January of 1946. Later CONDE JOSEPH MCGINLEY advised the Bureau that he was no longer interested in a position inasmuch as he was working for the Union Register, a paper published at 930 Stuyvesant Avenue, Unionville, New Jersey. A check of the office indices reflects that CONDE J. MCGINLEY has been investigated before.

On May 25, 1942, this office received a complaint that CELIA MCKINLEY and COLIN MCKINLEY trading under the name of "CELIA BROWN" had a restaurant at Eighteenth Avenue in Belmar and a restaurant in Fort Dix and that they were alleged to have contributed 10 per cent of their income to Camp Nordland of the German American Bund. This complaint was received from JOHN T. LAWLEY, sheriff, Monmouth County, Freehold, New Jersey. This matter was referred to the New Jersey State Police who furnished a report on January 31, 1944 in which they furnished the subjects names as CELIA MCGINLEY and CONDE MCGINLEY. Nothing derogatory was found by the State Police nor was the allegation in the original complaint substantiated by the State Police investigation. In December of 1944 this office received a nine page complaint on CONDE J. MCGINLEY which was written by [REDACTED] the present complainant. In this letter [REDACTED] stated that MCGINLEY was violently anti-Semitic, was a political agitator, that MCGINLEY told him that he believed Hitler to be one of the greatest men on earth, also "that Hitler had been sent by God to deliver the world from Jews and Communism." The complainant also alleges that MCGINLEY referred to President Roosevelt as President Rosenfeld and stated that America attacked Germany and Japan first. The complainant also alleged that MCGINLEY stated that the Jews control the Government in Washington and that if there was ever a war against the Jews he hoped he could kill all the Jews he could get hold of. The complainant also asserted that MCGINLEY attended the Sedition Trial against the Christian Front in Brooklyn. [REDACTED] also alleged that MCGINLEY was active in Father Coughlin's organization, in America First, and that he distributed pamphlets and books of a Fascist nature. The complainant also said that he had in his possession the following publications which he had received from MCGINLEY.

The speech of Honorable HARLIN BUSHFIELD in the Senate April 21, 1944 entitled "The President's Foreign Policy stands on the record convicted of uncertainty and confusion."

A book about WALTER WINCHELL by JOSEPH P. KAMP; a book written by Reverend FRANK WOODRUFF JOHNSON entitled "The Octopus" and another book "The Corruption of America." In this letter [REDACTED] requested that Bureau agents contact him concerning MCGINLEY.

On February 7 Special Agent [REDACTED] contacted [REDACTED] at his home at which time [REDACTED] alleged that CONDE J. MCGINLEY was a fellow employee at the [REDACTED]

He stated that MCGINLEY had uttered pro-German and anti-Semitic remarks at the [REDACTED] and that he believed MCGINLEY was dangerous to the internal security of this country.

However, [REDACTED] contacted the personnel manager of the [REDACTED] Mr. ARTHUR VON DER LINDEN, who stated that the employment records of the company indicated that MCGINLEY was formerly in the wholesale grocery business for a period of seven years and that at one time he owned a chain of restaurants, all of which are now closed with the exception of one in Asbury Park, New Jersey. The records revealed a favorable report on MCGINLEY as a result of a check made by the plant protection in the company. VON DER LINDEN in his personal appraisal of MCGINLEY stated that MCGINLEY was a likeable chap, sincere, conscientious and "works like a dog."

[REDACTED] real estate broker [REDACTED] Union, New Jersey was interviewed by Agent [REDACTED] characterized the subject as being very eccentric. [REDACTED] remarked that when he first knew MCGINLEY he was an ardent follower of Father Coughlin and President Roosevelt but that after Father Coughlin was forced out of his weekly broadcast the subject blamed Roosevelt for this. [REDACTED] described the subject as an isolationist and based this on the fact that one time MCGINLEY endeavored to get [REDACTED] to go to a peace rally in Madison Square Garden in New York at which Charles Lindberg spoke. [REDACTED] also told the agent that he had never heard the subject make any pro-German remarks nor had he ever appeared to be anti-Semitic. He also stated that in his opinion the subject was harmless and was not dangerous to the security of this country. He also advised that the subject had a son in the United States Marines and that the subject had stated to him that he hoped the United States would win the war and the peace that followed.

b7C
b7D

The records of the Union, New Jersey Police Department and of the Retail Merchants Credit Bureau were checked for derogatory information on MCGINLEY by Agent [REDACTED] with negative results.

On April 9, 1945, the same complainant, [REDACTED] advised that he had additional information concerning the subject and requested that an agent again contact him.

Accordingly, on April 26 Special Agent [REDACTED] contacted [REDACTED] at which time the complainant advised that he had become friendly with MCGINLEY since MCGINLEY thought that he was pro-Nazi. At this time [REDACTED] again alleged that the subject was violently anti-Semitic and violently anti-Roosevelt. [REDACTED] was unable to list any specific statements which would constitute a Federal violation.

After receipt of reference Bureau letter the writer interviewed the complainant in the Newark Field office. At this time [REDACTED] reiterated

the same complaint about the subject being pro-Fascist and anti-Semitic as he had submitted heretofore. He also remarked that MCGINLEY appeared to have a high regard for him and that MCGINLEY had asked him to help in the publication of "Think Weekly." Because the complainant is able to [REDACTED] MCGINLEY has on occasions asked him to [REDACTED] for "Think Weekly." The complainant stated that he did not wish to work for MCGINLEY unless it would be of use to the Bureau. [REDACTED] stated that he had known MCGINLEY since the summer of 1943 and that MCGINLEY had endeavored to enlist [REDACTED] aid in various Fascist organizations. [REDACTED] stated that he had not talked with MCGINLEY since he had written his last complaint. He did not know what type of position MCGINLEY would offer him on "Think Weekly" but agreed to contact MCGINLEY to see if he could obtain additional information concerning the publication of "Think Weekly."

On Friday, August 30, 1946, [REDACTED] spent an evening with the subject at his place of business, 2003 Pleasant Parkway, Reinhold Building, Elizabeth, New Jersey. [REDACTED] stated that the above address was an empty store which he had noticed had a painted window and that MCGINLEY prepares "Think Weekly" there. He stated that MCGINLEY is in this office from 8:30 a.m. to 10:30 p.m. every day. Present at the time that [REDACTED] talked with MCGINLEY was an individual by the name of [REDACTED] who the complainant asserts writes under the name of [REDACTED] for "Think Weekly." During this meeting much discussion was held on the "protocols." [REDACTED] alleged that the whole setup of the government could only be understood if one knew the protocols which [REDACTED] described as a guide for world Jewry to destroy Christianity. In this same interview [REDACTED] alleged that the Jews were lined up with Moscow and because of the Jews and the government in Washington Communism will take over in this country. [REDACTED] also alleged that the recent war was declared by SAMUEL UN TENMEYER in 1934. At this same meeting MCGINLEY told [REDACTED] that he was very well acquainted with ELIZABETH DILLING, author of the Red Network and the Roosevelt Red Record and its background. MCGINLEY also alleged that the paper now had a circulation of 60,000. According to the informant, the staff of "Think Weekly" consists of the editor CONDE J. MCGINLEY, also known as CHARLES SHELTON, [REDACTED] also known as [REDACTED] and although the complainant was not certain he believed that CONDE JOSEPH MCGINLEY, the subject's son, is presently a reporter on the Asbury Park News and that he too aids in the publication of the paper. The complainant also states that the paper is printed by the Essex Press of Newark, New Jersey. At the above meeting MCGINLEY told [REDACTED] that he was planning on expanding, that his new office would be in a building directly behind his present address. At this interview MCGINLEY did not offer [REDACTED] any sort of a position, and [REDACTED] stated that he felt MCGINLEY was operating on a shoestring financially.

b7c
b7D

An examination of "Think Weekly" thus far fails to reflect that it is a Fascist paper, although the paper is strongly anti-Communist. On the occasions that [REDACTED] has contacted this office he has furnished agents with publications which he states he has obtained from CONDE J. MCGINLEY. These publications are being forwarded to the Bureau. This material may disposed of. The complainant stated that he would continue to keep in contact with CONDE J. MCGINLEY and would advise this office of any further developments which would indicate a Fascist trend on the part of the editor of "Think Weekly."

Dear Fellow American:

You have never read a letter like this before.

If you are one of the over six hundred people who have been receiving papers to pass out to your friends, this is an explanation of why the quantity has been so drastically reduced this week. Such a step is necessary due to a shortage of funds. We hope soon to be in a position to increase the amount of copies and to supply the many Americans who are volunteering to assist this campaign throughout the United States.

This is the twenty-seventh issue of THINK WEEKLY. We who started its publication knew only too well that it was not a money-making scheme, since we are not able to carry advertising, and the subscription rate is so low we lose money on each one. Donations are coming in, but they are small in amount.

The paper is being enthusiastically received in all parts of the country, by people in all walks of life. Free papers are being distributed at veterans and union meetings, Rotary and Kiwanis Clubs, high schools and colleges. Eleven members of our speakers' bureau are equipped to talk on Communism before any group or organization. Our office has completed information on most of the five hundred Communist fronts and in general is supplied with material on Communism second only to the government. We now have six salaried employees.

A father and son have taken care of the loss each week which is now over seven thousand dollars. In addition to this the amount of \$1800.00 is owed to the printers. All other bills are paid, the office being run on an efficient business-like basis.

November 15, 1946

One managing editor has devoted fifteen hours a day seven days a week for six months to this work; the other, working to his fullest capacity, has brought himself to the point of exhaustion; neither of these men receives one penny salary.

We are at this point "scraping the bottom of the barrel". Money is badly needed to carry on this all-important work. The enthusiasm and support of so many people has given us the courage to continue in the face of such tremendous and well-organized opposition. These people are giving of their time and their energies, helping in every way possible but most of them do not have money to donate. And that is what we need desperately at this moment.

So that this important work may continue, and to leave no doubt in the minds of those who would like to back THINK WEEKLY, we make this proposition. The managing editor will sign a contract to work as in the past for one year for one dollar if a committee of men will see that the printing bill is paid each week. Or we will turn the paper over entirely free to any man or committee who will convince us that an aggressive campaign to expose Communism and educate the people will be continued.

We leave this in the hands of Americans. May God's will be done.

Sincerely yours,

THINK WEEKLY

Anti-Red group meets

IRVINGTON—The Loyal American Group, which represents itself as anti-Communist, held a rally at Moose Hall last night at which Mayor Kruttschnitt was as bitterly attacked as Premier Stalin.

The mayor had accepted an invitation to speak, but withdrew Thursday, saying he had heard the meeting was to be an attack on minorities. For this he was called "weak" last night by former State Sen. John J. McNaboe of New York, who said:

"If a loud-mouthed totalitarian minority can scare the mayor, it is time for the members of the community to in turn scare that minority or replace the mayor."

The audience of 75 persons also heard an address by Joseph D. Ward, past state commander of the Catholic War Veterans. Ward, who said he was speaking for all Catholic veterans, declared: "They don't believe the fight ended with the cease fire order and they are continuing their fight against Communism."

Another speaker was Joseph Hegnau, introduced as a former member of the America First Committee.

SECURITY MATTER - X
(Bureau File 105-9621)

The following is to report information coming to the attention of this office on the above publication and the Loyal American Group or Congress which is directed by McGINLEY.

b7C
b7D
[redacted] who has agreed to aid this office in furnishing information about the above person, has furnished rather full information about the above person in his contacts with McGINLEY and his group. For example: On March 18, 1947, [redacted] furnished this office with a letter in which he stated that he had received an invitation to a meeting held by the Loyal American Congress. This meeting was held at the Moose Hall in Irvington, New Jersey. It should be noted that the Loyal American Congress has Post Office Box #265, Montclair, New Jersey, as its address. In the invitation which is signed by WILLIAM J. O'BRYAN, it is stated, "This Group seeks to expose the paid agents, dupes, and witting or unwitting accomplices of America's and the world's #1 enemy - aesthetic Communism." The letter further states "Our group is at present campaigning for their story backing what we believe to be the most potent anti-Communist weapon this country boasts of - Think Weekly."

In his report of this meeting which was held on March 14, 1947, [redacted] said that the meeting was an organizational meeting for only a few selected people, who McGINLEY explained could be trusted. McGINLEY introduced [redacted] to a Judge PETERS, who is the President of the LAC (Loyal American Congress). All of those present appeared to be active members of the Group. McGINLEY also introduced [redacted] to a Mr. LANNING or Mr. LANNINGER who [redacted] said spoke at the first Irvington meeting in February.

Another person present was the "Russian Captain", who also spoke at the meeting held at Irvington, on February 7, 1947. It is believed that [redacted] was referring to JOHN LANIGAN and Captain LISSIUK, who are mentioned in our letter of March 7, 1947. There was also present at the meeting held on March 14, 1947, a Mr. HALL and a Professor OHLER, who teaches at Fordham University. It is [redacted] impression that OHLER is Russian.

The purpose of the meeting was for the members of the Loyal American Congress to keep in touch with each other and to begin a more active campaign against Communism. Throughout [redacted] report, he speaks of

the anti-Semitism apparent at this meeting. He gave a rather full report on a Mrs. KATHARINE BALDWIN and a Miss FALE, two very well-dressed ladies, who talked on Communism. Mrs. BALDWIN, [REDACTED] said, speaks of her many Washington contacts and appears to be quite wealthy. She was introduced by Miss FALE as a fine American, whose famous ancestor was paymaster in George Washington's Army. Mrs. BALDWIN's entire speech dealt with Communism and the evils of Masonry as a Jewish instrument.

Most of the people present at this meeting indicated that they had formerly been associated with Father COUGHLIN. In addition to the report on this meeting, PAUL furnished short biographical sketches of the leaders present at this meeting. He said that Judge PETERS claimed to have gotten his education by attending night school at Fordham. Judge PETERS explained that he got the title "Judge" because he was working in a small court. He said that he believed that Communism had undermined American life and that he had dedicated his life to combat Communism. He complimented MCGINLEY on his work and promised him cooperation. PETERS mentioned that he was a former Coughlinite and a member of the Knights of Columbus.

b7C
b7D

Mr. LANNINGER was described as a young man about thirty or thirty-five years of age, who is in charge of organizational matters for the Loyal American Congress. LANNINGER asked [REDACTED] and the others present to join the Loyal American Congress and passed out some membership forms. He also asked everyone present to subscribe to Think Weekly.

Another speaker was a Mr. SMITH, who had a heavy accent. He is about fifty to sixty years of age and according to [REDACTED] was very much interested in Mrs. BALDWIN's ideas about "World Masonry and World Jewry".

[REDACTED] has agreed to keep in touch with the Loyal American Congress and to report to this office on any further information he receives on the individual members of this Group. He also said that he would endeavor to get full information about the officers, duties, and aims of the organization. [REDACTED] also enclosed a pamphlet which is being forwarded to the Bureau, entitled "A Jewish Friend Accuses Me of 'Anti-Semitism'". This was published by MARILYN R. ALLEN at P. O. Box 2243, Salt Lake City, Utah, January, 1947 edition.

There is also being forwarded with this letter, per Bureau instructions, copies of Think Weekly for March 2, 9, and 16, 1947. The Bureau will be advised of any additional information obtained on the above organization and on Think Weekly and its editor.

THINK WEEKLY TAKES A BOW--- F.D.R. JR. AGREES WITH US

Says A.V.C. is "Commie-Infiltrated" — He and Other Roosevelts Should Read This Paper to Find How Many Other Red Fronts They Support.

In our issue of September 10, 1946, we made the first open challenge to the American Veterans Committee regarding Communism. We cited their close association with Communist and Red Fronts and how they worked side by side with In Fact, the Red Fascist sheet backed by Communist Fronts. We advised the A.V.C. in that issue to keep better company or take the word American out of their name. We also advised them to come out in the open and condemn Communism as other veteran organizations had done.

From time to time since, we have advised our readers regarding the Red activities of A.V.C., their following the Communist Party line in such matters as urging a revolution in Spain, giving the Atomic Bomb to Russia, taking our troops out of China.

Many real American members of A.V.C. from all over the United States have become interested and have been

Communist headquarters at 35 East 12th Street, New York City, is ten stories high and one block long. This is a world organization with all the resources and treasury of Russia behind it; also for at least six years it had the United States treasury behind it to finance Communism not only in the United States but in the entire world.

Why does the Communist Party, U.S.A. have, by far, larger headquarters than the Republican or Democratic Party?

protesting to their officers on the organization's Red activity. And we continued to smoke them out.

During November the demand for a showdown was so strong that a so-called resolution against Communism was adopted. In our issue of December 22, we gave an account of a meeting in Montclair, New Jersey, December 12, in which Charles G. Bolte, President of A.V.C., gave a strong talk for World Government, stating A.V.C. had just gone on record endorsing it.

During our expose of A.V.C. many were slow to believe, but here comes the official word from F.D.R. Jr., national housing Chairman of A.V.C. and one of the most prominent and active members of the organization, who said on January 14 that Communists have moved into the A.V.C.

He said further, "We are now bewildered and confused by the lies and tactics thrown at us by people who would not admit they were Commies (continued on page 3, col. 1)"

What did Samuel Rosenman do with important government correspondence of President Roosevelt after F.D.R. died?

What right did he have to remove it? It is the property of the United States and Congressmen and Senators want to see it?

Why is David Niles still in the White House? He is a pal of Felix Frankfurter and Harold Laski and a former writer for Communist papers.

Promised Planes if Poles Fought for Danzig, Promised Free Elections and Protection of Border. Many Nations Now Must Bow to Stalin While Germans Are Now Slaves of Russia.

Of the one hundred forty million people in the United States, some are real honest-to-goodness Americans who not only live as Americans and are on the alert to preserve America, but who would also fight to the last in any way necessary to preserve the ideals of America.

Then we have the much larger group who never stop to **think**. They consider their only responsibilities as making money, supporting their families, providing added luxuries — a better car, a summer home, being promoted to the high positions in their companies, and in some cases going to church. They feel that these things constitute a full life and take care of all their duties and responsibilities to the world in general. Members of this group will stand when the Star Spangled Banner is played. Asked if they are Americans, they would answer without hesitancy, perhaps with a proud twist of the head. **But** these people are too busy with important personal work to be bothered about who is taking over their government, who is gaining control of this wonderful country of which they are so proud. They leave this task to politicians — and most of these politicians, sad to say, **most of the politicians** have their price. They enjoy big dinners and public applause; they like to ride the white horse in the parade **regardless** of what is being done to the Constitution of the U. S. and to our form of government.

This has been thoroughly demo

strated in the last few years by politicians, from mayors to Congressmen and the President. F.D.R. not only gave away billions of dollars of our resources, but he traveled over the world and gave away other nations, belonging to helpless people who believed he was sincere in his Atlantic Charter. And he gave away millions of innocent people, gave them into slavery to Godless atheistic Communists to be raped, robbed, and murdered.

Which countries did he hand over to Stalin? We challenge any living human to deny he betrayed Poland. Roosevelt promised Poland one thousand planes within one week if she would defy Germany with reference to Danzig. Poland then fought Germany but did not receive so much as one gun . . . where were the one thousand planes, the promise of help that sacrificed a trusting country and its helpless people? The Polish people fought five years, thinking they were fighting for their country, only to learn that they fought for Communism, a government of foreign people from Russia. Communists now rule this country with an iron hand. More than two hundred thousand Polish people were placed in prison in the last few weeks to prevent them from carrying out the "free" election January 19. Two hundred thousand Polish soldiers who fought for five years are now in Italy and England, not daring to return to their homeland to be shot by Communists.

Here is part of the Atlantic Charter which was drilled into us by the Fireside Chats. This is what our government told the whole world. This is what our boys were told they were fighting for:

"We will see that there are no territorial changes that do not accord with the freely expressed wishes of the peoples concerned.

"We will respect the right of all peoples to choose the form of government under which they will live; and we wish to see sovereign rights and self government restored to those who have been forcibly deprived of them."

We, as citizens of the United States of America; are responsible for these promises to the world for we did not impeach the rascals at the head of our government who actually made them, apparently never intending to keep them. We liberated countries and people? What a joke! We liberated people from a mild form of temporary

imprisonment and placed them in solitary confinement for life.

F.D.R. agreed with Stalin for slavery for Finland, Estonia, Latvia, Lithuania, Hungary, Rumania, Korea, and agreed that Russia should carry off millions of Germans as slaves. At the time Stalin asked this last request, Winston Churchill jumped up and protested, but F.D.R., with a wave of his hand, made a joke of it and agreed quicker than the reader would agree to give away a house cat!

Today, twenty months after the war, four million Germans, in addition to millions of other European people, are scattered over Russia, working in droves on projects preparing for war against the "capitalistic world". According to former Russian Communists, these millions work, sleep, and die in the same clothes. When they come in wet from rain or snow, they sleep in the wet clothes on board bunks. As they become too ill to work on the half rations, they are thrown aside to die, and hundreds more are brought in from the large reserve in camps.

We, the American people, helped to bring this about. We have helped to deny food, freedom, and religion to millions of innocent men, women, and children. How can we sleep while these people suffer? In addition to the slave laborers, a weekly average of five thousand machinists and skilled laborers are being kidnapped in Germany and taken to Russia to get ready for Russia's taking over the world. While the U. S. and England foolishly destroyed the plants in their German zones, Russia, in her part of Germany, built up the plants and they are operating today at higher capacity than during the war. The German people we foolishly helped Russia conquer, are now being used by Communism to help grab the remaining part of Europe and then destroy America.

We, the citizens of the United States, allowed our government to make this possible. The Kangaroo Court at Nuermburg has tried Germans who were guilty of doing nothing else but allowing their rulers to do as they did. Think about that for a while.

Near the end of the war, leading Germans told their people that soon the American people would learn what fools Russia was making of them (the American people) **The Germans did not think it would take us so long to wake up!!**

Those White House advisers who were directing our foreign affairs during the war knew perfectly well that the U. S. was being used to set up Communism in the world. F.D.R., a smart politician, but a boy scout compared with the International Red

Crowd which surrounded him, was trapped and entangled long before Pearl Harbor, so that he could not back up but was forced to go deeper and deeper — as a tool of Stalin.

His awakening to what he had done to his people placed him in somewhat the same position as Woodrow Wilson was, when, on his tour after World War I, at Kansas City, he admitted that we had been tricked into the war. He collapsed, the tour was cancelled, he came back to Washington to spend the few remaining weeks mentally deranged.

So we may now see for what purpose the U. S. Treasury and ten million of our boys were used. But the war was not enough. The Kremlin in Moscow is efficient; its rulers have a complete plan for the taxpayers of the U. S. to finance the setting up of Red Fascism over the world. To carry out this plan, their representatives formed the UNRRA, apparently to feed the millions over the world which we had helped to make homeless and hungry; but in reality this organization was used to control the food of the world so that only those who embraced Communism might eat. And only a Russia-Firster could or can direct UNRRA.

Have we forgotten the mysterious gathering at White Sulphur Springs, West Virginia? This gathering was to set the stage for control of food as a weapon after the war. At the meeting, which was dominated by a group of Russian delegates, one of our Congressmen was thrown out bodily because he dared to try to hear what was going on.

The polls before we entered this last war showed that eighty-two per cent of our people were opposed to our entry. It is safe to say that ninety percent of our people did not want to bring about the present conditions in Europe. But about five percent of our people would like to exterminate all in Europe who will not bow to Communism. This five percent has been ruling our government just as six percent has ruled in Russia for twenty-nine years. This five percent has picked the men sent to Germany to dictate our policy, to treat all non-Communist Germans as Nazis, just as all anti-Communists in this country are branded Fascists.

F.D.R. is dead, but the men who ruled him are active. When the program in Europe is complete, the United States will undoubtedly be No. 1 on their list, for Stalin has repeatedly said it was to be world revolution.

Are we able to pry this five percent loose from Washington? They are powerful, with unlimited money and obedient press. **At no time during the war was our liberty in danger from the**

but who at every turn of the road hewed to the Daily Worker line.

"About six months ago we noted that The Daily Worker was advising its members and its fellow-travelers not to go into the American Legion but into an up-and-coming organization called the AVC. The people of America have lost faith in us because we are Commie-infiltrated."

We are happy to see F.D.R. Jr. waking up to the A.V.C. but the ironic part is that in denouncing the A.V.C. as Communist infiltrated, he was addressing a **Red Front far worse than the A.V.C., the Friends of Democracy.** This group is headed by Rex Stout, possessor of a long Red record, and editor of Red magazines, and Leon Birkhead, Red and former Unitarian minister. This organization also sponsors and employs John Roy Carlson, he of nine aliases, who is regarded as the most unscrupulous smear artist in the U. S., having been convicted of libel four times in Federal Court. His team-mate, Walter Winchell, is now on trial for collaborating with Carlson.

We are glad to see one of the House of Roosevelt discovering he has been cooperating with one Communist Front; however, we could give him the names of at least 100 Red Fronts with which the Roosevelt family has cooperated. We say to F.D.R. Jr., with all kindness, "Read THINK WEEKLY regularly and you will discover that several hundred Red groups have been deceiving prominent people into fronting for them."

Eleanor Roosevelt is now honorary chairman of a Communist front soliciting funds in the U. S. to help foment a revolution in Greece, the American Relief for Greek Democracy. It would be a great day for America if the whole Roosevelt family would learn what they have been doing and would back only strictly American movements. WRITER CALLS PRESENT 'PEACE' 'HISTORY'S MOST TERRIFYING'

If Private Property is Not Sacred in Germany, It Cannot Long Be Sacred Anywhere Else.

Taken from the book by Austin J. App, Ph.D.

If we don't insist that private property be respected in Germany we cannot insist that it be respected elsewhere. "Last week Red army officers reportedly took over at Zisterdorf (big Austrian oil field), booted the Austrian managers out" (Time, Oct. 15, 1945). When our Morgenthauists decreed that German property can be confiscated and robbed at will to de-Nazify Germany, they really wrote the red rules for bolshevizing everywhere. Even in Poland. There "The Reds have removed the equipment from all the larger factories . . . and have taken smaller factories from the owners and put them under Soviet Agents" (Christian Century, Sept. 19, 1945).

BING CROSBY

Now we have seen and heard it all. For years we have been under the impression that Bing Crosby was the outstanding clean, wholesome, real American in the Movie Industry. Several times he has been voted the most popular. But of course we must have been all wrong, for we are now informed he is Fascist and anti-Semitic.

For daring to enter the field of producing a movie, a field that is dominated by Reds, he has learned, as have many other real Americans, that the Red Smear Organizations respect no man. It all happened over Bing's film, "Abie's Irish Rose", which the Reds claim is offensive to the Jewish race. The Reds also claim that it is offensive to Irish Catholics as well, but Bing himself is an Irish Catholic!!!! To sum up this tempest in a teapot, we would say the worst sin of Bing Crosby is that he is Anti-Communist.

PROMINENT CATHOLIC CLUB HEARS ADDRESS BY 'COMMIE'

A prominent Catholic Women's Club in New Jersey had J. Raymond Walsh address them not long ago.

Had these ladies been reading **Think Weekly** they would have seen Walsh's name listed as Red and their faces would not have been so red as they probably are now, when they awaken to this fact. That Irish name probably fooled them. We suggest before they invite Michael Quill, Vincent Sheehan, or Helen Gahagan Douglas, they ask **THINK WEEKLY.**

LET US TAKE FIRST THINGS FIRST

We have received many requests to explain our position in regard to the Columbians, the Ku Klux Klan, and other similar organizations. Of course it goes without saying that THINK WEEKLY is opposed to any **subversive** group whose intention it is to undermine our government. But we believe the following illustration will make clear once and for all our attitude toward these groups.

Some weeks ago we heard a radio program in which a psychologist, to test the reactions of a group of people, asked the following question:

"If these things happened simultaneously in your house, in what order would you attend to them: the baby cries, the telephone rings, the doorbell chimes, and a fire starts in the kitchen".

Following the varied answers of the people, the psychologist gave the proper, logical sequence in which these matters should be taken care of: (1) put out the fire, (2) answer the phone and ask the person to wait while you (3) answer the doorbell, (4) take care of the baby. It is obvious why we should take care of things in this order, for if we do not first put out the fire, there will be no opportunity to do the other things, will there?

Identical, we would say, is the case which faces our American people today. Several things are demanding our attention, but we must establish a sense of values, learn to do first things first. The fire of Communism, which is about to burn down our house, must certainly be put out before we can afford to turn our attention to lesser things. Just as the person on the phone or at the door **might** bring tidings as important and urgent as the fire in the kitchen, so the Columbians and the revival of the Klan **might** become a serious threat to our country. But we cannot wait to see what **might** happen, we cannot hesitate and falter at this decisive moment, for if we do not overcome the fire of Communism NOW, we will have no opportunity to deal with the lesser evils when and if they attain proportions which call for counter action.

One more thought along this line of comparison. Educating people to the danger of Communism, and actively fighting this evil, is the most important work facing sincere Americans today. This work is more important than even church work, for, again, unless we stamp out Communism, there will be no churches for which to work.

The final battle of the world is to be between Christ and Anti-Christ. **COMMUNISM IS ANTI-CHRIST!**

A FEW FACTS ABOUT KARL MARX AND FRIEDRICH ENGELS

Karl Marx was a neurotic, suffering from an intense sense of inferiority. He was born at Treves, Germany, May 5, 1818. When he was about six years old, his father, Hirschel Marx, and his family, abandoned the Jewish faith and became Protestants. Marx was raised a Christian.

He suffered physical pain most of his life. At times he was literally covered with boils and carbuncles and seldom was free from digestive disorders, stomach, liver and bowel troubles. He had no profession, regular occupation or dependable means of livelihood. He pretended to be a master of the methods and technique of Capitalism, yet was never able to earn his own living. Violent, arrogant and quarrelsome, he posed as the champion of the brotherhood of man, yet remained virtually friendless all of his life.

Marx's father was a lawyer and Marx was sent to the University of Bonn to study law. Here he became deeply interested in the philosophy of the German philosopher Hegel. He abandoned the study of law and devoted himself to mastering the Hegelian system. He received the degree of Doctor of Philosophy in 1881 but was denied a position at the university. He turned to journalism and became the editor of the Rheinische Zeitung and devoted himself to the study of Socialist literature.

Friedrich Engels was born in Barmer, Germany, on November 28, 1820. Although Marx had met Engels when he was editor of the Rheinische Zeitung their association did not really begin until September of 1844. Engels practically supported Marx and his family from that time until Marx's death, March 14, 1883.

Marx was expelled from France in 1845 and went to Brussels, from whence he was subsequently compelled to flee. He found a refuge in England and lived there until his death. (Ref. Reports on Un-American Activities in California, Yorty and Teney Committees)

Communism, ERR Targets at Rally

About 150 persons last night heard speakers denounce Communism and the Marshall Plan at a "Rally for America" in Moose Hall, Irvington. The meeting was sponsored by the Irvington ~~Loyal American Group~~ in co-operation with ~~Common Sense~~, a semi-weekly publication in Union Township. Speakers were John Howland Snow and John J. Hennihan, both of New York.

Snow declared himself opposed to the "Stalin four-year plan, alias the Marshall Plan," explaining that he could see nothing in the Constitution authorizing money for use in other lands. He said the plan "promised us four years of planned economy with OPA and the government telling us to work."

He declared "European governments should fend for themselves and maybe some day the idea would permeate through to them that they would have to go to work for themselves."

Denies Anti-Semitism

Union Publisher Replies to Charges of B'nai B'rith Anti-Defamation League

Conde McGinley of 2011 Pleasant parkway, Union, publisher of the weekly "Common Sense," today termed "a ridiculous smear" charges by the Anti-Defamation League of B'nai B'rith that his publication is anti-Semitic.

The league in its annual report on anti-Semitism yesterday called "Common Sense" an "anti-Semitic publication" disseminating "its bigoted outpourings to church, veteran and civic groups in many states throughout the East."

McGinley denied the charges, saying, "Here is the way I stand. I put \$11,000, every dollar I have, to fight Communism. We have never attacked Jews at any one time in our paper."

"I have been studying Communism for 18 years. When you fight Communism, the Communists never fight back—only the Jews, the Red Jews, not the good Jews."

"Charges Marxist Control"

"We charge this organization is dominated, controlled entirely by Marxists. We challenge them to defend themselves. We charge the Anti-Defamation League makes a practice of smearing those who attack Communism from coast to coast. We charge that they support Communist-sponsored movements in the United States."

"We challenge them to defend themselves on these two charges at a public debate. We challenge them to condemn Communism in the United States. We challenge them to condemn Russian Communist aggression over the world."

Noting that his publication has published articles opposing creation of a Jewish state in Palestine, McGinley added, "All the Zionists are Communists. They want war there because they want Russian troops in there."

McGinley's sheet has been attacked by other groups, including the Illinois American Legion, as a Fascist publication. He also received some attention recently when his publication co-operated with an organization self-styled The Loyal American Group to hold a so-called "Rally for America" in Moose Hall, Irvington. Opinions stated at the meeting included statements that the Marshall Plan is really a Communist plot and that "Christian countries like Austria and Germany" should get our help.

McGinley is a gray-haired, ruddy-faced Texan of about 35. His occupation before he founded Common Sense two years ago was, as he expressed it, "the feeding business." He was proprietor of a chain of roadstands which operated under the name "Celia Brown."

War Worker

During the war McGinley sold his business and began work at Elastic Stop Nut Corp., Union.

At war's end a hobby of 13 years became McGinley's full-time job. He set himself up as an authority on Communist-front organizations and mailed, at his own expense, a column titled "Think—the Unvarnished Truth" to 100 American newspapers. All but nine of them filed it in their wastebaskets. From the pen of McGinley came the mysterious "Charles Shelton," who was no one but McGinley himself, and for whom McGinley had the highest admiration.

Requests for copies of the column prompted McGinley to seek a new medium—this time the mimeographed pamphlet. Like the column it succeeded, it was labeled "Think." It was free. "I had 20 to 30 men who distributed it every Sunday," he said. Then "Think" went into print and into more houses, veterans' organization headquarters and factories. McGinley declared

the present circulation of Think's successor, Common Sense, is 30,000.

Simple Language

McGinley said he was neither educated nor trained for his role as a publisher. That is why, he explained, Common Sense prints as its slogan "Plain Words for Plain People."

"That is the system used by the Communists," McGinley said. "A lot of articles, fine articles, on Communism appear in the magazines, but they are in dollar words that people can't understand. I have to write plain words because I'm not qualified to write dollar words."

McGinley said he works 16 hours a day, seven days a week. He often sleeps in his office. His privations are not unrecognized by his friends. Fred Betz, secretary of Elizabeth Chamber of Commerce, described McGinley as sleeping in his office "to protect his presses."

Common Sense is printed in a shop in Union.

Told of the League's statements

concerning McGinley, Betz stated, "That statement is absolutely cockeyed. I read his sheet every week and the only time he condemns these groups is when they are pinkish or downright Red."

"You can say we looked into this fellow through the Newark Chamber and found him okay." He added that the Elizabeth Chamber had told Betz he could refer persons to it for references.

Good Customer

Mrs. Jules Douglas, acting postmaster of Union, said McGinley is her only large customer for ready-stamped 1½-cent envelopes. She said he mails 2,500 copies of Common Sense from her post office each week. She said he has never made application for the second-class

Marks Slight Anti-Bias Gain

B'nai Brith League Report Hits 'Bigoted' Stand of Jersey Weekly

A "very real" increase in the "gentleman's agreement type of bigotry," but a lessening of "organized" anti-Semitism occurred in the United States in 1947, the Anti-Defamation League of B'nai Brith asserted today in its annual report.

New Jersey came in for both favorable and unfavorable mention.

The report on "Anti-Semitism in the United States in 1947" said there was a dwindling in "expressions of resentment" to prejudice, which resulted in unfriendly acts, social restrictions and economic and educational discrimination against Jews.

"Disturbing" Situations

"Failure of large sections of the public to recognize and oppose anti-Semitism that comes from presumably respectable circles" was cited as one of the league's most "disturbing" conclusions. Termed more encouraging were findings that anti-Jewish hatred in political campaigns, assaults on Jewish persons and synagogues decreased during the year and that "un-American veterans' organizations" which sprang up in 1945 and 1946 virtually collapsed in the last year.

The survey noted that employment discrimination complaints increased "many-fold" except in the deep South, the Northwest and in such states as New Jersey and New York, which have fair employment practice legislation.

In its original report on the East, the league said:

"In New Jersey, the anti-Semitic publication, Think Weekly, changed its name to Common Sense and continued dissemination of its bigoted outpourings to church, veteran and civic groups in many states throughout the East. Its sponsoring organization, the Loyal American Congress, met several times in the Newark area to hold pro-American rallies, which featured such speakers as Catherine Baldwin and pro-Nazi Kalina Lissiuk. From Collingswood, N. J., the Rev. Carl McIntire continued to preach hatred of Catholics and Jews in his weekly publication, Christian Beacon."

Major findings which the league listed as "disturbing" were: a tendency among responsible sections of society to accept public figures previously considered "unacceptable;" an increase in employment discrimination and greater discrimination in housing, with increased use of racial and religious restrictive covenants in new home building developments.

Also, widespread use of racial and religious quotas in screening applicants for admission to colleges and professional schools; an increase in the practice of excluding Jews as a group from many hotels and resort areas; widespread circulation of approximately 75 anti-Semitic or suspect newspapers, in addition to other types of "hate" literature; increased anti-Semitic sentiment evident in the foreign-language groups, which was reflected in its press published and circulated in the United States, and anti-Jewish campaigns promoted by Arab propagandists and "their native allies" and intended to becloud the Palestine issue.

Voids Approval Of Periodical

Chamber of Commerce Aide
Tells of Inquiry Into
Anti-Semitism

Frederick J. Betz, executive secretary of the Chamber of Commerce of Eastern Union County, today announced withdrawal of his approval of the periodical Common Sense, which is published in Union Township by Conde McGinley.

Betz said the withdrawal followed his investigation of charges by the Anti-Defamation League of B'nai B'rith that the periodical is anti-Semitic.

Betz declared his investigation proved the charges of anti-Semitism in Common Sense to be substantiated.

Tells of Inquiry

In a letter to The Newark News today, Betz cited his statement of approval March 30 and said:

"Since this statement was made, further investigation has developed facts which make it necessary for the writer, both as executive secretary of the Chamber of Commerce of Eastern Union County and as an individual, to withdraw this approval. This investigation indicated there were editorial references which occurred prior to my return from military service which are of such a nature that they substantiate the charges of anti-Semitism."

Betz added that another reason he withdrew approval was the defense the paper printed of Robert H. Best at the time he was on trial as a traitor for pro-Axis propaganda broadcasts.

Betz, who served four years in the Air Forces, was acting public relations officer in Vienna from November, 1945, to April, 1946. It was during the period that Betz was captured by the British in Villach, a small town near Vienna.

U.S. Traitor Defended at CWV Rally

NEWARK. — Defense of Robert H. Best, found guilty last week of treason against the United States of America, was urged at a Catholic War Veterans rally in St. Rose of Lima Auditorium here.

Although none of the speakers mentioned Best by name, copies of the April 11 issue of Common Sense, semi-monthly fascist sheet published in Union by Conde McGinley, were distributed to the audience with the program of the meeting. The paper carried an article headed: "The Persecution of Robert H. Best."

Best, an American newspaper writer, broadcast from Germany for the Nazis during the entire war.

Also featured in the issue of Common Sense given out to the audience by the meeting's sponsors was an article urging that Merwin K. Hart be made attorney-general of the United States.

Hart, openly fascist leader of American Action and the National Economic Council, Inc., recently urged his followers to acquire armed weapons, advising them how to keep within the letter of state laws against private armies.

A RABID ROOSEVELT-HATER who has even termed the Truman administration "the main prop of the Soviet government in the world today," Hart called in August, 1946, for legislation providing the death penalty for members of the Communist Party and life imprisonment for public officials who "cooperate" with Communists.

McGinley, publisher of Common Sense, was cited in the 1947 report of the Anti-Defamation League of B'Nai Brith on "Anti-Semitism in the United States." The report said:

"In New Jersey the anti-Semitic publication, Think Weekly, changed its name to Common Sense and continued dissemination of its bigoted outpourings to church, veteran and civic groups throughout the east. Its sponsoring organization, the 'Loyal American Congress,' met several times in the Newark area (and) featured such speakers as the pro-Nazi Kalina Lissiuk."

Cited in the same paragraph of the report on anti-Semitism in New Jersey was the Rev. Carl McIntire of Collingswood who, the report said, "continued to preach hatred of Catholics and Jews in his weekly publication, the Christian Beacon."

McIntire recently staged an "anti-Communist revival" in Camden's Convention Hall at which the featured speaker, the Rev. Harvey Springer, billed as "the cowboy preacher," condemned Catholics but praised Louis F. Budenz, stoolpigeon former editor of the Daily Workers who drew pay from the Worker while secretly working for anti-Communist groups.

Budenz, now an instructor at Jrdham University, was feature speaker of the CWV rally in St. Rose of Lima Auditorium at which copies of Common Sense were distributed with the program.

Other speakers were John P. Marks, commander of Francis J. Washington Post No. 561, which sponsored the meeting; the Rev.

Aloysius S. Carney, post chaplain, and Mary P. Crilley.

A Paper to Educate People to the Danger of Communism For Christianity as Opposed to Marxism — In Plain Words For Plain People

Union, New Jersey

Dear Fellow American:

Nearly all good Americans want to do something to help stop Communism and preserve America as a nation of free people. What can one person do against an organized group of Marxists that number millions?

You can cooperate with experienced anti-Communists who give much of their time, without pay, to expose the real traitors. Henry Wallace and his Red followers pack their meeting places. Will you help do the same to check these anti-Christian, anti-American forces which are dividing our people so that Marxists can rule us under slavery?

Kindly help make our first meeting in the Oranges a big success by selling tickets. To order additional tickets or to remit, address Loyal American Group, Union, New Jersey, or pay for tickets at the door.

One of L.A.G. agrees to refund ticket money to anyone who will say he was not well paid in hearing Mr. John J. Hennihan, on Friday, June 25th at the American Legion Hall, East Orange, New Jersey. 8:30 P.M. prompt.

On March 9 at Irvington, New Jersey; on April 16 at Elizabeth, New Jersey; on May 7 at Newark, New Jersey; on May 25 at Elizabeth, New Jersey; and on June 25 at East Orange, New Jersey.

The publication, "COMMON SENSE", was accused of anti-Semitism by the Anti-Defamation League of B'nai B'rith, and as a result MC GINLEY has been having some difficulty in the circulation of his paper. On the basis of the League's charges, the Chamber of Commerce of Eastern Union County announced the withdrawal of its approval of the publication.

On April 22, 1948, MC GINLEY addressed the Rotary Club of Elizabeth, New Jersey, on the subject of Communism.

✓ MC GINLEY has been receiving the support of various Catholic priests in the area on the basis of his fight against Communism. The informant has been asked to contact the local priest in Summit, New Jersey, in an effort to induce him to back the publication, "COMMON SENSE". The informant advises that the various Catholic priests who have aided MC GINLEY in his various rallies are unaware of MC GINLEY'S anti-Semitic objectives.

Dear Friend:

You are cordially invited to participate in the next monthly rally of the Loyal American Group, in co-operation with Common Sense, the nation's anti-Communist newspaper. The rally will be conducted at the Veterans' Memorial Hall, Stuyvesant Avenue and High Street (94 bus passes the door), Union, N. J., Sunday Evening, December the 19th at 8:15 P.M. The purpose of these meetings is to enlighten Americans to the imminent danger of Marxism. Only an informed public opinion can whip Marxian Communism.

Most Americans are painfully unaware of the immediate danger of this Marxist threat. The invisible government that controls both parties; that kept Dewey from making an effective campaign, both in 1948 and 1944, and forced "One world Wilkie to help elect Roosevelt in 1940, as it forced Dewey to help elect Truman in 1948; the disappearance of our two party election system into the iron control of a band of Red International revolutionaries, so that the latter control both parties and elections, for all practical purposes, mean nothing. We don't speak here of something that may happen five or ten years from now. WE SPEAK OF SOMETHING THAT POSITIVELY AND ACTUALLY EXISTS HERE IN THE UNITED STATES TODAY: AN INTERNATIONAL CONSPIRACY. COME TO THIS MEETING AND GIVE US A CHANCE TO PROVE THIS.

On this occasion Mr. David Gordon, by popular request will again address us. We anticipate a packed house. Mr. Gordon, noted Jewish newspaperman, is an author, editor, student of world history, and an authority on Communism. A question period will follow the discourse. Mr. Gordon will share the question period with Conde McGinley, an authority on Communism, and editor of Common Sense. Bring any question that you may have on the recent election to this meeting. It will be an interesting evening. Help us pack the hall, and continue this vital fight on Communism. This letter is your ticket of admission. It will admit as many of your friends as you care to bring with you.

M'Ginley Chattels Termed Assets

Henry S. Waldman, acting as a special master, today ruled that all the chattels belonging to Conde McGinley, Union publisher of the newspaper weekly, "Common Sense," which have been impounded in the County Jail, are bona fide business assets. The property was seized two weeks ago by deputy sheriffs to satisfy a \$1,850 judgment obtained by the Suburban Publishers Company, of Union, against Mr. McGinley for an unpaid printing bill.

John A. Matthews, Jr., attorney for the defendant, and Robert S. Dvorin, counsel for the plaintiff, went through the filing cabinets, bundles of printed newspapers, address plates and sundry office articles with Waldman deciding whether they should be labeled "business" or "personal" assets.

Upon his determination that all the items "are intimately associated with the publishing business and therefore the assets are subject to be sold," Mr. Dvorin requested Undersheriff William Darroch to advertise and fix a date for a public sale.

Today's check of the impounded articles took place at the county jail.

Hate Sheet Folds Up

UNION—Common Sense, Conde McGinle's hate-sheet has folded. New Jersey's only openly fascist weekly wound up with its financial tail in its mouth last week when McGinle was sued for \$2,700 in bad debts by the Suburban Publishing Co.

McGinle—who was reportedly been financed by anti-Semitic, anti-Negro and anti-union backers for years—admitted owing \$1,500 and tried to make up for the balance by assaulting the two deputy sheriffs who came to serve the suit. As a result, McGinle was bound over to the Grand Jury in \$1,000 bail.

When Robert Best, pro-Nazi newspaper correspondent, was convicted of treason for aiding the Nazis in World War II Common Sense tried to start a petition campaign to get him out of jail.

Attempts were made to inject the fascist publication into the Singer Mfg. Co. in Elizabeth by Pat White, now "leader" of a stooge company union seeking to disrupt the Singer workers' demands for a wage increase.

Rebutal dated July 21, 1949, and Newark teletype to Bureau dated July 22, 1949, advising that court record would be reviewed.

The following information was obtained from the Sheriff's Office, Union County, New Jersey.

A judgment was rendered on the 16th day of June 1949, in an action in the Supreme Court of New Jersey, between SUBURBAN PUBLISHERS COMPANY (formerly known as UNION REGISTER COMPANY), a New Jersey corporation, plaintiff, and OSCAR J. MCGINLEY, defendant, in favor of said SUBURBAN PUBLISHERS COMPANY ... against the said OSCAR J. MCGINLEY ... for the sum of \$1,753.35 as appears to us by the judgment filed in the Office of the Clerk of the Superior Court of New Jersey.

According to ALFRED GREENBERG, Union County Deputy Sheriff, who was present in the Sheriff's Office when the record in this matter was being checked, on June 17, 1949, he and Deputy Sheriff HARRY COPIAN went to the business address of OSCAR J. MCGINLEY, 2001 Pleasant Parkway, Union, New Jersey, to serve a Court Order.

GREENBERG advised that upon arrival at this address they asked the only person they met where OSCAR J. MCGINLEY could be reached. MCGINLEY identified himself and GREENBERG placed the Court Order in his hand. MCGINLEY then told the Deputies that no Court Order could be served on him and that no one was going to take his property from him.

According to GREENBERG, MCGINLEY then made several telephone calls, including one to a lawyer. GREENBERG is of the opinion that the lawyer told MCGINLEY to accept the Court Order. GREENBERG continued by saying that during a discussion on the matter of the writ, MCGINLEY started to push COPIAN who then threatened MCGINLEY with arrest. When MCGINLEY continued to act offensive, he was placed under arrest by GREENBERG and COPIAN for resisting service of the Court Order.

The records of the Union County Sheriff's Office reflect the charge as "obstructing service of Court Order." MCGINLEY was released upon his own recognizance and subsequently on June 22, 1949, was placed under \$1,000 bond.

The Sheriff's Office file also reflects that at the time of arrest, part of MCGINLEY's property was seized. On July 12, 1949, MCGINLEY paid the sum of \$1,888.81 - the levy damages, cost and interest thereon. At that time the property taken from him was returned and a receipt taken. The list of property seized by the Sheriff's Office is available in the records of the Union County Sheriff's Office.

The case against MCGINLEY for obstruction service of Court Order is being referred to the Grand Jury which will sit sometime in September 1949.

There are being transmitted herewith to the Bureau a copy of "Common Sense" dated June 15, 1949, which carries an account of the "raid" on MCGINLEY's office and a copy of "COMMON SENSE" dated July 1, 1949, containing a follow-up story on the incident.

For the information of the Bureau and Philadelphia, a Confidential Informant of this office, [REDACTED] who has become a close friend of JAMES J. MCGINLEY and his associates, advised on August 5, 1949, that the "ROYAL AMERICAN GROUP" has announced its merger with the NATIONALIST LEAGUE of Philadelphia. The new name of this group and others on the Eastern Seaboard is the "NATIONALIST ACTION LEAGUE."

The "ROYAL AMERICAN GROUP", according to the informant, is a group of MCGINLEY's associates who are rabidly anti-Semitic, have organized this group to bring their anti-Semitism to the public by means of "Anti-Communist" forums, and to discuss, in private, the formation of a powerful organization which will expel "all Jews from Government."

Officers of the "ROYAL AMERICAN GROUP" having headquarters at 2003 Pleasant Parkway, Union, New Jersey (same address as MCGINLEY's office) are:

Club Told of Red Threat to U. S.

Conde McGinley, of Union, professed anti-Communist publisher, told members of the Rotary Club of Elizabeth yesterday that the Red doctrine has infiltrated to a far greater extent than most Americans realize.

Speaking at the club's luncheon meeting at the Winfield Scott Hotel, Mr. McGinley asserted that there are 35,000 Communist workers on a full-time basis in the United States today, and that more than 600 Communist "front" organizations are in existence.

"Four hundred newspapers in this country," the speaker charged, "are subsidized and controlled by Communists."

The United Electrical, Radio and Machine Workers Union, assailed by Mr. McGinley as a Communist-dominated labor organization, is presently engaged in a strike against the "honest, American Singer sewing machine company," the speaker declared.

At the end of Mr. McGinley's brief address, some in his audience

questioned his viewpoint. Leslie F. Lifson, a Rotarian, pointed out that some who profess to be anti-Communists make it a point to smear others through irresponsible accusations.

Edward I. Kemper, Rotary president, introduced three new members. They are Edward K. Cumming, Jr., son of a Rotarian and secretary-treasurer of Edward K. Cumming and Company, Inc., automobile distributors, of 416 Morris avenue; Joseph Glasofer, partner in Glasofer Truck and Parts Company, 527 Spring street, and William K. McKenzie, manager of Bleicker's jewelry store, 117 Broad street. George E. Banbury led group singing. Andrew B. Gomory introduced guests.

Dear Friend:

Those of you who are old enough can remember what a narrow escape Henry Ford had when the Zionists maneuvered to take over his company. Calling Ford to Wall Street, 22 days before a loan was due (some 17 million, as I remember) the Zionists introduced him to men they had appointed to take over Ford Motor Company. Zionists hated Mr. Ford for his exposures of Zionism in the "Dearborn Independent," and they had purposely secured outstanding notes in order to trap Ford. The Zionists were certain Mr. Ford could not raise millions on short notice, and have the notes cleared on the due dates.

Each day newspapers reported the sums of money Mr. Ford raised. Thousands anxiously watched the amount go up as Mr. Ford closed one plant after another, laid off employees to conserve the output of wages, and stopped purchases of material. All inventory on hand went into cars, for rapid delivery. Ford agents rallied to support Mr. Ford and paid for the cars even before they reached the showrooms. On the 22nd day Mr. Ford paid the Zionists, but his factories were closed and he had no raw material with which to operate. Supplying plants shipped him material on credit. The Fords began to roll again, and Mr. Ford began doing world research to expose Zionist plans for conquering the world. For years, Zionists boycotted Ford cars because Mr. Ford spent much money to expose the Zionist plan which included plotting this last war to break down Europe for present Zionist rule in many countries - including Palestine,

Mr. Ford's friends saved him from being crushed by these Asiatic anti-Christians.

These same Zionist forces have stalked COMMON SENSE for four years. We have defeated their efforts many times while increasing our effectiveness to the point where our paper now reaches people in many states and sixteen foreign countries.

In June we told our readers how the Zionists bought the controlling stock of our first printer and demanded that he turn over the account of COMMON SENSE. For the benefit of new readers, at this time we received bills far in excess of the amount agreed by the original owner. (In this connection it should be stated that these bills were to be paid by a Committee of men who had organized to assure the publication of COMMON SENSE, while I worked without salary. The Committee met with the printer and had this understanding. However, enemy publications so viciously smeared and attacked this Committee that it finally disbanded and I assumed the responsibility of liquidating the account.)

Although the issues of the paper were cut to half size, due to the paper shortage, the new Zionist-owners charged for full-size issues.

No doubt this was done to complicate matters for they refused to let the non-Zionist former owner work out any arrangement with me despite the fact that I had paid the non-Zionist owner \$9000. of my personal funds.

On June 17th, you may recall, the Zionists backed up a truck at the office of COMMON SENSE and four Marxist Jews in plain clothes entered to empty the contents of our office. A trick judgment had been secured without a trial or the knowledge of our attorney. (Believe it or not!) These Marxists showed no badges or credentials, but started a fight immediately so as to get me off to jail, as a result I was put in two jails and am now out on bail accused of assault and battery. They claim I beat up two Zionists while two other Zionists watched. This allowed three Zionists freedom in the office for 45 minutes. Precautions have since been taken and our confidential files are kept in safe places.

After many postponements the case has been called. To make a long story short, the Zionist lawyer (who is president of Zionists in Linden and Roselle, N.J.) representing the printing company, offered to make a settlement of the \$1500. in question for \$950. While we knew we did not owe one cent of this amount, we realized that a jury might be unfavorable to us, and finally submitted to legal advice and agreed to settle for \$550. The Zionists reluctantly agreed to let us have until DECEMBER 6th to raise the \$550.

Friends, it is very late to fight, but not as late as in Hungary, Poland, Czechoslovakia, and many other countries. If there had been such a paper as COMMON SENSE in those countries, backed wisely, the people could have saved themselves. Help build your paper, COMMON SENSE, into a powerful weapon. I have shown my faith by giving all I had plus full time for four years without one dollar of salary.

Once again we must call on those who are willing to back us up on the front line against these anti-Christian, international plotters. Informed people with vision will give every available dollar for this fight. It is a fight to live, for if we do not fight, every bank book, all property and possessions will be lost. Don't wait. Fight, while we are yet able.

COMMON SENSE NEEDS \$550. BY DECEMBER 6TH. We know we can depend on our friends to see us through this emergency. Those living at a distance would help by sending contributions airmail. Extra funds will be used to spread the truth throughout America.

"THE ZIONISTS"

By: Judge George W. Armstrong

(Editor's note: Believing "The ZIONISTS" to be one of the most important new books we are, with this issue, serializing it. The words of Judge Armstrong, a foremost American patriot, deserve the serious consideration of all who cherish the great republic—America. Years of careful study qualify Judge Armstrong to give the truth behind the Communist intrigue within the United States, and to reveal how our Country is being made to suffer the same fate of all other nations now overruled and ruled by the atheistic, Communist-Zionist minority.)

PREFACE

The first part of this book was published several months ago under the title of "Zionist Wall Street." It was intended only as a preview. These chapters will not be repeated but only supplemented. The

...in the world of the Zionist state of Israel. They are the head and front of the Zionist political organizations. They created the state of Israel and they brought about two wars for that purpose.

The Zionists are anti-Christ and have been since His crucifixion. They are as much so now as they were then. They are communists. They would cruelly our Savior Jesus Christ today if he stood in the way of their schemes. They attempt to deceive us by their schemes, e.g. Winchell for Lippich, assuming Christian names, and a Catholic priest, and by their so-called "brotherhood" campaign: a rabbi, a protestant preacher, and a Catholic priest, working jointly. They proclaim a brotherhood work, working jointly. They preach tolerance but they practice intolerance.

Their motives are greed and power. They seek to acquire the wealth of the world and to enslave the gentiles. They claim that they are "God's chosen people" and that He promised them that they should rule the world. They are taught this falsehood by their Talmud and their rabbis. They seek to destroy all gentiles and all governments that interfere with their plans. Wars and depressions are necessary to accomplish these purposes and so we have wars and depressions. They always win and the gentiles (goit) always lose.

The Zionist Jews will denounce this booklet as anti-Semitic and me as an intolerant anti-Semite. I am anti-Semitic only to the extent that the Jews are anti-Christ and anti-American. I am no more anti-Semitic than was our Lord and Saviour Jesus Christ who denounced the Zionists as idolaters, liars, thieves, and murderers.

I know their history and understand their purposes. I have tried to tell the truth about them without bias or prejudice, and without fear. They are intolerant and vindictive. I realize that I may be persecuted, but if this booklet is of service to my country, I will cheerfully accept the punishment.

There are a few tolerably good Jews but they are mostly of Sephardic origin, as were Benjamin Disraeli and Woodrow Wilson, and not of the Khazar tribe who are of Mongolian origin, as are the Rothschilds. It is estimated that 85% of the American Jews are of Khazar or Ashkenazi origin and that only 15% of all Jews are of Sephardic origin, which is about the percentage of good Jews.

The purposes of this book are two-fold: (1) to bring about the trial and conviction of the traitors who have involved us in four depressions and two wars, and to thereby restore our solvency; (2) the repeal of section one of the 14th and 15th amendments (Continued on Page 3)

WHAT SAPS WE ARE!

Presidents come and go, but Baruch goes on forever. During Woodrow Wilson's administration Bernard Baruch took over. He has since been referred to as the unofficial President—the elder statesman—the Presidential Adviser. Although never elected to any office, he has been the real president, and ruler of the Invisible Government. It is estimated that his press agent, Gerald Swope (Zionist) has spent ten million dollars to popularize Baruch. In addition to the 20 million contributed to political campaigns for Baruch-approved candidates to Congress.

Baruch is a Jew. While not of Yiddish Khazar origin, he has been completely harnessed by the Zionists and is an important man in the plan for Zionist rule. When he began advising Woodrow Wilson, the national debt was one billion dollars; today is 90 billion. Under Baruch's advice as Director of the Sanhedrin America has become nearly bankrupt, gone into three world wars, suffered millions of casualties, and helped put the world at the mercy of Marxism.

From "Perimeters In Paragraphs"

by Colonel Conrad Lanza (F. A. USA Ret.)
Appearing in the "Field Artillery Journal" for March-April 1950

(Editor's Note: Confirming the authenticity of this article by Col. Lanza, a Lt. General suggested COMMON SENSE bring this important message to its readers.)

"It is dangerous to defend territory with insufficient forces. Weapons and munitions accumulated in West Europe before the defense is organized to protect them are a temptation to an enemy—to be had for the taking. It is an invitation to war with a view of making big gains at little risk. As military supplies grow, promise of military booty increases, at the expense of greater resistance. The problem (to the enemy) is to determine at what date an attack should be launched to secure the maximum of return, while maintaining sufficiently superior in strength to avoid a too serious resistance. That date may not be too far away.

As these facts are well known throughout West Europe, there is considerable distrust as to whether it is worth while to go ahead re-arming as presently in progress. It may lead straight to a futile resistance, devastation, and great suffering.

(Continued on Page 2)

The outlook for the United States is dark. We can expect outbreaks all over the world when the Marxist Sanhedrin is ready to push the button. The United States has never faced a crisis one-third as serious as the situation facing us today. Comparatively speaking, we were in no danger whatsoever during World War I and II when we helped to render the world helpless before Communist forces. Now, in addition to defending the United States itself, we have to defend those weak nations scattered across the globe, or face a whole Communist world.

Still, the greatest threat is inside our borders where there are millions who stand ready to help destroy us while we are engaged in battle with enemies in remote corners of the world.

Our armed forces are honeycombed with Marxists. During October and November of last year, they methodically scuttled our Marine Corps, Army, Navy and Air Force so as to weaken our strength. Senator McCarthy's exposures, together with the fearless exposures by others, have so scared the Yiddish Marxists, who fear the public may soon discover their treachery and throw them out of control of Washington, that they are compelled to mastermind the United States into war. With a war crisis they can remain in power and further confuse the public. They will have direction of manpower, rationing, and black markets which they will use to deprive us of liberties we still never regain. Not one country has thrown off Communist rule.

This article is not written as entertainment: It may even be too late as a warning unless God above should see fit to give us more time in which to awaken a naive public to the crisis we face. Our Lord is most likely disgusted with all of us for the way we have made use of his gifts, natural resources and intellects, which could have brought peace and happiness to the entire world but for the fact we have allowed ourselves to be misled and deceived by the same element that opposed and crucified Him.

In this article we do not refer to the members of the American Council of Judaism who are sincerely for America and not for Israel. We oppose no one on account of his religion. It should be understood there is no Jewish Race any more than there is a Baptist or Catholic Race. We are opposed to Talmudists and the Yiddish Khazar group which constitute 85% of those in the United States who call themselves Jews; they are the creators and propagators of Communism, Zionism, Fabianism, Socialism and World Government.

This subversive minority group represents less than one percent of the population of the world, but has been the source of trouble down through the ages. Always motivated by their hatred of Jesus Christ, they have pushed their determination to eliminate Christianity from the face of the earth. To do this they have been trained from childhood to enter certain professions and walks of life so as to be in a position to know all governmental secrets and thereby direct the various governments into war, thus destroying them and rendering the people subject to the scheming minority. They have been schooled in deception to such a degree that the public does not realize this organized minority controls and directs all Communist-dominated unions and is responsible for all revolutionary ideas among the working class. This same minority permeates the educational system, radio, press, entertainment, and thus molds public opinion to their advantage.

"In order to put public opinion into our hands we must bring it into a state of bewilderment by giving expression from all sides to so many contradictory opinions and for such a length of time as will suffice to make the GOYIM (Christian cattle) lose their heads in the labyrinth (Continued on page 2)

and come to see that the best thing is to have no opinion of any kind in matters political, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret. . . .

"By all these means we shall so wear down the GOYIM that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government. In place of the rulers of today we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world."

In 1916 Henry Ford, who publicized the Protocols stated: "All I have to say is they fit the times when written and they fit the times today." Zionists have been placed as secretaries, accountants and in other key spots with most Federal judges, Senators, Congressmen, and business executives, thus having access to confidential information.

Zionists planned and directed World War II so that now, as a result of that war, they rule all so-called Communist countries (See issue 112 of COMMON SENSE). Their plan is for complete world domination and particularly for control of the United States. The best way to gain this is through war. Hence, the word has been given for the outbreak of hostilities in Korea and they are behind the scenes directing every move. This will bring all manpower, natural resources and industry in the United States under government control which Zionists direct. It is difficult for the average person to realize that in all important government departments, Zionists have been placed in key spots so that they know every move made to carry on the war in Korea, or at other points, where it is likely to break out at any time. These Zionists are working with the enemy and, as part of the world conspiracy, will retard shipment of supplies and help the Communist forces in any way possible, just as the Zionist-controlled State Department and the Department of Commerce helped Communist forces in China, and secured confidential information from Chiang Kai Shek and relayed it to the Communists while delaying shipment of arms and supplies to Kai Shek's Nationalist forces.

This outbreak in Korea is but part of the plan for world conquest started in 1917 when 276 Zionists from the East side of New York financed by the Zionist, Jacob Schiff, President of Kuhn Loeb & Company, were sent to Russia in a sealed train to set up Communism. They were joined there by 95 Yiddish speaking Asiatics, making a total of 371 Jews. Of the 388 members of the first Communist government in Russia, 371 were Jews, one a Negro from the United States, and 16 were "real Russians."

These Yiddish Asiatics were careful to keep control of the Communist set up, using non-Jews as fronts only where it was to their advantage to do so. After they took over the entire population of Russia, they decided to move out and conquer Europe. Their first move was in Spain where 100,000 troops were sent to aid the Loyalists (Communist 5th Column) to serve under Moses Rosenberg, who was Ambassador from Russia to Spain, and who took charge of the revolution as soon as it was launched. General Franco defeated the Communists and they were driven back to Russia. They realized they could not cross their borders for further conquests in Europe because of German opposition and power, hence a powerful minority in the United States—mostly from New York and Hollywood—set the stage for World War II so as to break down Germany and allow these Communist forces to sweep over Europe and into China.

Today the British Empire is bankrupt; Germany is crushed; and with the possible exception of the United States, there is no government strong enough to oppose this Asiatic black plague. The United States is thoroughly infiltrated with the enemy 5th Column. During the past six years, several millions of "refugees" from eastern Europe found their way to the United States. Most of these "refugees" were sent here to agitate for Marxism and help in overthrowing our government. A similar situation was found in Germany before the last war when the Asiatic group funneled large numbers of revolutionists into Germany to overthrow the government. Today, the same tactics are being used on the United States—North Korean refugees are asking for a haven in South Korea.

W/fight communism with common sense

Many of the "refugees" are Communist "plants" from Red China, and their sole purpose is to get into South Korea for purposes of sabotage. Others of the "North Koreans" are given refuge in Southern Korea where they will disrupt, disorganize, and practice every known Communist trick to defeat the U. S. armed forces.

Further, if the United States does not quickly pass Senator Mundt's anti-Communist Bill S2011 and then finecomb all government departments and arms plants, removing all Yiddish Marxists (Zionists) and their Christian stooges, placing them under armed guard, our forces-at-war will be powerless to defend us. There will be strikes, sabotage of public utilities, confusion in orders, and delays in vital arms production and shipments.

The United States today faces the Soviet Union which has no Americans behind its borders ready to sabotage Russian efforts, whereas here in America we have hundreds of thousands of so-called "refugees," as well as native born radicals, who have already been taught to do everything possible to guarantee a Marxist victory on foreign battlefields or here at home.

EXTRACT FROM THE ZIONIST PROTOCOLS, SECTION 9 (Written, 1897). "It is from us that the all-engulfing terror proceeds. We have in our service persons of all opinions, of all doctrines, restoring monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exert to tranquility, are ready to sacrifice everything for peace; but we will not give them peace until they openly acknowledge our international Super-Government, and with subservience."

"The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. Division into fractional parties has given them into our hands, for, in order to carry on a contested struggle one must have money, and the money is all in our hands."

"We have got our hands into the administration of the law, into the conduct of the elections, into the press, into liberty of the person, but principally into education and training as being the corner-stones of a free existence."

"We have fooled, bewitched and corrupted the youth of the goyim by rearing them, in principles and theories which are known to us to be false although it is by us that they have been inculcated."

We are in no position to fight the enemy for they have saturated every important department and have access to our most vital secrets, just as they stole the atomic energy secrets and hundreds of suitcases packed with confidential information as disclosed by Major Racey Jordan on Fulton Lewis Jr.'s program. For five years our State Department has done everything possible to set up Communism in the Far East, and although our State Department during this time has been under the direction of James Byrnes, George Marshall and Dean Acheson, it was always run—and with an iron hand—by Felix Frankfurter, the Yiddish Asiatic "ruler-behind-the-scenes." During this time Patrick Hurley, Ambassador to China, resigned because the State Department placed so many Communists around him that Moscow was better informed than his own government.

Today our boys are being sent to Korea to fight under that gallant leader, General MacArthur. We can be sure that their efforts will be sabotaged, supplies and arms delayed, orders confused, and our enemy advised of their positions because the International Marxists, or their stooges in Washington, are part of the world conspiracy. Maxim Litvinov (Finkelstein) is directing the Communist program in China, and is no doubt the top man behind the Korean war. He is the Zionist who, as ambassador to the U. S., tricked F.D.R. into recognizing the Soviet Union and later ridiculed F.D.R. for being so dumb.

Unless real Americans have the courage to face facts and act quickly, we will be ruled by the same ruthless Zionists who now rule Poland, Hungary, Czechoslovakia, Yugoslavia, Rumania, etc. Our families and property will be at their mercy.

It is almost impossible for the reader to have a full understanding of the overall picture for world domination by the ruthless group of

Asiatics, who have combined the teachings of the Talmud with those of Marx, by merely reading this article. We suggest, for a complete understanding, the invaluable book, "THE ZIONISTS" by Judge George W. Armstrong (which may be ordered from COMMON SENSE at \$1.00 per copy) and "FEPC and the Minority Machine" by former counter-intelligence officer, Robert H. Williams. From "Perimeters In Paragraphs",

(Continued from Page 1)

An obvious solution to this problem would be to rearm Germany if time permits. Previous experience indicates that an armed Germany supported by the North Atlantic Allies would have an excellent chance of winning a war against the combined communist states.

Objection to this solution is that France is unalterably opposed to rearming Germany. For if that should happen, Germany with its greater population, better industrial development, and more extensive resources, and not France, would be the leading Power in West Europe. Rather than see this occur, France would prefer to take a chance on complete conquest by Russia. (Who are the rulers of France?) The danger of this is evident, but, as French assistance is, as long as Germany remains disarmed, necessary for the defense of West Europe none of the Allies opposes France. (Who are the rulers of the Allies?) The United States has officially announced that it will not agree to rearming Germany (Who are the rulers of the USA?)

A second solution is to organize Southwest Europe, in rear of the Pyrenees, as a fortified area or redoubt, to which defense forces if too weak to resist an enemy (in West Europe) could retreat. The Pyrenees Mountains present a first class obstacle and an excellent defensive position. Behind them is ample space for large forces, good sites for air bases, good ports for maintaining lines of communication to the Americas. Spain could contribute 20 divisions to the North Atlantic Alliance without delay, and Portugal—probably sufficient to defend the Pyrenees temporarily. These forces do not have

Objection to this solution is that Spain is an international dog house with the North Atlantic Allies refusing to deal with her on the ground that the government is not entirely democratic. (Evidently Spain has different rulers from those of the Allies). That is a correct statement of the facts, but there is lack of evidence that the Spaniards are dissatisfied with their government, which is strongly anti-communistic. (A condition evidently not acceptable to those who rule the North Atlantic Alliance).

An effort has started in Europe to remove the objections to including Germany and Spain in the North Atlantic Alliance. If this were to occur, West Europe within a few years—which might indeed be dangerous ones—should thereafter be in excellent shape to defend itself. This would lighten the great burden of taxation undertaken by the USA to protect the large populations, exceeding its own, in West Europe and permit the use of funds so released for the defense of the Pacific Theatre, which is vital to the USA, but of secondary consideration to Europe.

At the present time, either or both of these solutions are impracticable for political reasons. (Here the author clearly implies that Zionist-Marxist propaganda for hatred of Germany and Spain makes our politicians afraid to take the obvious course to the best interests of the USA.)

ments to our National Constitution and the limitation of the 16th, and to thereby preserve constitutional government. I intend to devote my fortune, which I hope may be a considerable one, to the accomplishment of these purposes.

Geo. W. Armstrong. The problem of the Jews has faced every nation throughout all history. In the settlement of that problem the Jew has been driven out of every Christian country in which he has been domiciled. It is now the turn of the United States to face that problem, for the Jews are determined, not only to make their last stand here, but they hope to take us over, — lock, stock and barrel. The fact is that Zionism is the No 1 problem before the world today. Solve that problem, eliminate the Zionists from politics — local, national and international — and civilization will take a long step forward and the problem of establishing world peace can be undertaken with every hope of success.

There are three tribes of Jews, viz: the Ashkenazim, Sephardim, and Khazars. The Ashkenazim and Khazars are of northern Europe and southern Russia, and the Sephardim are of southern Europe and Asia, and northern Africa. The three tribes have the same religion, tribal customs and general characteristics; all of them are governed by their rabbis and their Talmud. In every country and in every age they have been money lenders and traders.

The orthodox Jews or Zionists are ambitious for dominance over the Christians and they have obtained it through the power of their money. Generally speaking, they control and from early times have controlled the banking systems, the transportation systems, news agencies and press of the world. They are exceedingly clannish and are always a cell within the nation in which they reside; they do not assimilate. Originally the Sephardims were the richest and most cultured tribe; many of them married Christians and became Christians (Marranos). (A Christian Jew is called a "Marrano.") With the rise of the Rothschild power, the Ashkenazim and Khazars became the dominant tribes.

KHAZAR JEW

The Jews that govern Russia and seek to govern the world are of Ashkenazim or Khazar origin. Palestine is the ancestral home of the Jews. It is doubtful if the Khazars are in fact Jews. The Encyclopedia Britannica states that,

"They (the Khazars) are assigned to the Turkish stock by Latham and Haworth, to the Uralian by Klaproth and have even been claimed as Jews on account of their use of the Hebrew character and the profession of Hebrew faith among them."

It further states that, "The Khazars were an historic figure on the borderland between Europe and Asia for at least 900 years (150-1100 A.M.). . . . Their home was in the spurs of the Caucasus and along the shores of the Caspian, and their cities, all of them populous and civilized commercial centers, were upon the delta of the Volga, the river of the Khazars."

They were overrun by the Mohammedans who claim to be the descendants of Ishmael. They are probably hybrid Ishmaelites and to that extent only are they the "seed of Abraham." They are communists and the most backward of the three tribes. It is reported that the Jews that have recently settled in Palestine are atheists and communists. The Bolsheviks have been transporting them to Palestine and secretly supplying them with arms, and directing their war against the Arabs and British.

All Jews are divided into two classes, viz: the Orthodox (or Zionist Jews) and the reformed Jews. It is estimated that about 85% of them are Orthodox and Zionist. They are governed by their rabbis and Talmud, and are socialists and communists. This is not true of the reformed Jews, who are good citizens in the country in which they reside; they accept the laws and customs of such country and are loyal to its government. The Zionists maintain their B'nai B'rith and "anti-Defamation and anti-Nazi Leagues with their numerous spies. They are our secret enemies.

ASHKENAZI JEWS

The author of "Unity in Dispersion," a history of the Zionist organization published in 1948, says on page 377:

"The Sephardic world comprises a million Jews, the majority of whom live in Moslem countries. The Ashkenazi world in East Europe forms the bulk of world Jewry. Eastern European Jews are reported descendants from Khazarsites

W fight communism with common sense

who form an ancient kingdom in the Caucasus composed largely of Mongolian stock and who were early converted to Judaism. It has been stated that these Ashkenazi are not racial or true Jews, like the Sephardic, which were dispersed west along the northern shores of Africa."

*Vol 14, page 39

This book's 381 pages evidence great research on the part of the author, A. L. Kubowitzki, a Jew. He and his book were endorsed by Rabbi Wise, who boasted of his association with him. It is true that the Jews of Europe, as well as Russia, are not the descendants of Jacob, and that Palestine is not their ancient home, and that they are principally converts of Mongolian origin. It is true also that they now constitute the great majority of the race and dominate it. The Rothschilds are Ashkenazi Jews of Mongolian descent and by reason of their great wealth and service to world Jewry are the rulers of the race.

INTERNATIONAL BANKER JEWS

This is a supplement to the chapter Rothschild Money Trust, page 7-13, Zionist Wall Street.

The international banker Jews are Zionists and dominated by the Zionist Rothschild money trust. The Rothschild firm was first organized by the Zionist Rabbi Mayer Anselm Rothschild of Frankfurt, Germany, as M. A. Rothschild & Sons as a perpetual partnership, prior to the French Revolution. Later a similar firm was organized by his son Nathan Rothschild as N. M. Rothschild & Son of London.

The two Rothschild partnerships have dominated the economic and political fortunes of the people of the world since their organization. They are largely responsible for all of the financial panics and depressions and of the major wars since the French Revolution and including it. The first and second World Wars were initiated by Zionist Jews against the Christians for the purpose of promoting their Zionist world empire. They established the League of Nations which was a failure. The United Nations is also a failure and therefore a third war will be necessary for their purposes, and it appears inevitable.

It will likely come about through deflation and strikes. Our weakness is that fact that New York Communist Jews control both our industries and labor organizations. They can tie up our railroads and industries and starve us into submission. The Zionist Wall Street international banker Jews are our enemies; they are more dangerous than the Politburo of Russia. If they again betray us in a war, we may be defeated. We have hybrid Jew Mark Clark as Commander in Chief of our armies; our Atomic Commission is pro-Jewish. Both political parties have declared for deflation; President Truman is actively seeking to bring it about, and therefore deflation and war are serious threats. They aspire to restore the gold standard and to deflate the world. Our money is out of balance with the monies of all other countries, so much so that many of them cannot buy our goods.

The international Jew bankers not only control our railroads and industries but they control our banking system and the executive departments of our government. The Austrian Jew Felix Frankfurter is the dominating member of our Supreme Court. Tom McCabe, president of the Scott Paper Company, a Morgan firm, is Chairman of the Board of our Federal Reserve System. Paul Hoffman, E. R. A. Administrator, is president of the Studebaker Corporation which is controlled by the Zionist Jewish international banking firm of Lehman & Company.

The Marshall Plan was the concoction of Wall Street Zionist Jews. It was written by the Russian Jew Leon Levitsky. The purpose was to finance socialism and communism in Europe and to bankrupt America. Wall Street Zionist Jews organized a committee headed by Henry L. Stimson, erstwhile Secretary of War and attorney for Kuhn, Loeb & Co., which raised a huge fund to promote its adoption by Congress.

The socialist United Nations is also a product of these same Wall Street Zionist Jews. Its charter was prepared by the Russian Communist Jew Leo Pavolsky and the Communist Alger Hiss, then of our State Department, who plotted as a spy for the San Francisco conference. (Hiss was a protégé of Justice Felix Frankfurter). It was designed as the initial charter of the Zionist World Empire to be later expanded by usurpation and amendment. We American taxpayers are practically supporting it, paying 90% of its expenses, and it is costing us an excess of one hundred million dollars annually. The special session of the 80th Congress appropriated \$45,000,000 for the erection of its capitol in New York City by a bi-partisan vote.

It is estimated that there are thirteen million Jews in the United States, about three million of them being in the city of New York, and that they own about 80% of our wealth. They dominate Tammany Hall and New York City. We now have ap-

W fight communism with common sense

proximately one-half of the Jew world.

I repeat that the Zionist Jews control our economy and the executive department of our government, and have considerable influence in the legislative and judicial departments. They control not only our transportation and banking systems but the cinema, the radio, the advertising and news agencies and with a few exceptions, the metropolitan press and publishing houses. They dominate the steel, tobacco, liquor and clothing industries and the chain and department stores. They finance the democratic and republican parties and through them elect our officers.

Their program is to destroy the Christian governments of the world, including our own, and to establish a Zionist Empire with a Zionist emperor; to confiscate the property of the Christians and to enslave them. They have made great progress; they have established the Russian Soviet Empire, and with our help, the state of Israel; they are dominating the UNRRA relief funds entrusted to them, to Communist rulers who used them to promote socialism and communism.

They are now seriously threatening England, France, Italy, and the United States. They have brought about four serious depressions in the United States and threaten another, and they have involved us in two disastrous wars in pursuance of this purpose.

The Orthodox Zionist Jews have been a disturbing element in every country in which they have lived. It is due to their racial characteristics and their rabbinical training. They are greedy, anti-Christian, and worshippers of gold. They are intolerant, bigoted and self assertive; a Jew in any committee or bureau is a majority; as witness our U. S. Supreme Court. We can criticize an Englishman or an Irishman or any other race, but not a Jew which is forbidden as anti-Semitism; as witness the Nuremberg trials and the indictment and trial of 31 alleged seditionists in Washington and the conviction of William Dudley Pelley.

It is estimated that the Rothschild Morgan firm controls corporations with net assets of thirty billion dollars and that eight Jewish controlled corporations have net assets of eighty billion dollars; about one-half of our national wealth measured by dollars of their present value. Their conviction for their treachery and the resultant cancellation of their bonds would restore our solvency and our freedom from debt slavery. In fact, there is no other way to do so except by inflation, which they will not permit. President Truman asserts the republican party is controlled by monopolies but he has not the courage to say that these monopolies are controlled by Zionist Jews, nor the frankness to say that they also control the national democratic party and his government. Be it remembered that Zionism means communism; all Zionists are either socialists or communists. That is the creed of the Talmud and the Protocols.

ZIONISM

The fundamental ideology or philosophy of Zionism is that the Jews are the "chosen people" and that God promised them that they should possess and rule the world. It is based on the first five chapters of the Old Testament as interpreted by their rabbis and their Talmud. The Zionists have been taught this false doctrine and they believe it and are attempting to bring it about through a world government. The Protocols represent their method of establishing their kingdom. Zionism is a political cult and the rabbis are its teachers and politicians; its objective is a world Jewish empire as projected by Theodore Herzl in their Protocols.

We cannot know much about Zionism for the organization, its conventions and proceedings are secret. We can only get an occasional glimpse of their plans and operations and such information about them as they are willing for us to have, for they control the press, radio, and cinema. The great majority of the Jews (an estimated 85% of them) including the international banker Jews are Zionists and thereby have the mighty power of ostracism.

Zionism existed prior to the Christian Era. Its leaders then, as now, were rabbis, scribes, pharisees, elders, and hypocrites. They were the gentry who crucified Christ. They are just as murderous and as merciless and as cruel now as they were then. Christ said of them, "Woe unto you scribes, pharisees, hypocrites for ye are like unto whited sepulchres which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness."—St. Matthew 23:27.

This is just as true now, as it was then. They will murder any man who opposes their schemes if they can safely do so. They have been the murderers of our Presidents and courageous statesmen. They were the murderers of the Czars and rulers of Europe; Count Bernadotte and the Shah of Persia are their two latest prominent victims.

They are determined to suppress and destroy (Continued on page 4)

ALTERATION OF NEW DP LAW CRITICIZED

Action of the DP-Commission regarded as deliberate perversion of the Law

At a recent meeting of the United Action Committee for Expellees, it was reported from authoritative sources, that the DP-Commission has already attempted to alter the newly-passed DP Law. For example, Section 13 of the new law makes no reference whatever to the words "Nazi" or "Fascist". It is worded as follows:

"No visas shall be issued . . . to any person who is or has been a member of the Communist Party or to any other person who adheres to, advocates, or follows the principles of any political or economic system of philosophy directed toward the destruction of competitive enterprise and the revolutionary overthrow of representative governments."

However, in the re-worded version of the DP-Commission's directive, the text runs:

"No person shall be eligible to receive the benefits of the Act who:

- is or has ever been a member of the Communist, Nazi or Fascist parties . . .
- is or has been a member of or participated in any movement which is or has been hostile to the United States or the form of government of the United States; such a movement includes but is not limited to the Communist, Nazi or Fascist parties

Everyone knows, that almost all the German people were compelled sooner or later to become members of the Nazi party. Mr. Meyer L. Casman, a Philadelphia attorney, who spent three years in Germany as "president judge of the Civil Actions Court", substantiates this assertion (Legal Intelligence issue No. 119, June 23, 1950) where he is quoted as follows: "It would appear that many of these Nazi members were 'paper' members. We know only too well how in the Third Reich, as well as in the Russian Zone of Germany now, professional men such as members of the bar and particularly judges and prosecutors cannot even function without bearing the party label."

Hence the deliberate insertion by the DP-Commission of the words "Nazi" and "Fascist" into the text of the law, allows only one interpretation, namely a marked effort on their part to keep out even those Germans who were, as Mr. Casman indicates, merely "Nazis on paper."

It is, in the final analysis, an unequivocal design, a voluntary perversion of the law, the end result of which will be the favoring at the expense of the German immigrant, certain other groups.

The United Action Committee has taken a firm stand against this flagrant distortion of the law. If Congress had wanted certain words inserted into the bill before it went to the President, it would have done so. The fact that it did not, shows its satisfaction with the bill as it was submitted to and signed by Mr. Truman.

An immediate communication to the Hon. Howard McGrath, Attorney-General as well as to your Congressman is necessary if this usurpation of power by the DP-Commission is to be prevented. Write today, asking that the strict wording of the DP Law be honored and adhered to.

Christianity for it is necessary in order to establish their communist Judaic Empire. Mrs. Eleanor Roosevelt was no doubt correct in saying that Cardinal Midzinsky was an anti-Semite. That was the real offense of the Bulgarian protestant group. That was the offense of the victims of the Nuremberg kangaroo court for which some of them were murdered and others imprisoned. That was the offense of Pelley and the 31 anti-Semitic Zionists. That is a part of the plan to suppress and destroy Christianity, viz: murder, bribery, deception and intimidation.

They deceive us by their "brotherhood" weeks and "Protestant, Catholic and Jew" campaigns, financed by the B'nai B'rith, and their change of names from "berg" and "sky" to Christian names. They are anti-Christ by teaching and tradition and have always been so. Our greatest protection against them is the Catholic Church and not the Protestant, I regret to say.

The Zionist system of government is state socialism ruled by a dictator and commissars and spies. It is the "welfare state," which must have a dictator and spies to make it work. None of us loves to work until we develop the "work habit." We must be induced to work by the hope of reward or compelled to work by the fear of punishment. We won't work for the pleasure to be derived out of it. God made us that way; it is His plan.

The Zionists have established their system in Russia and her satellite states, in the state of Israel and in the Eastern Zone of Germany. They are rapidly developing it in England through the labor party and they seek to establish it in America through the A.F. of L. and C.I.O. William Green, president of A.F. of L., in an interview said he "pre-

A PASTOR AT THE ALTAR IS SHOT DOWN

(Excerpt from German Woman in Russian Hands: The Journal of a Young German Wife Under Bolshevik Occupation from January 29 to May 31, 1945)

After the night's experience (during which three Bolsheviks had dragged her friend, Helen, out into the snow and ravished her), we firmly decided that we would no longer stay in that house, especially after we learned that the women in the first house in the row who had until now been our salvation, had taken in Russian officers as permanent guests, so that they would no longer have to fear the roaming hordes. In desperation we thought of the evangelical church committee-man, who lived farther up near the edge of the woods. We hurried to his house. Just as we arrived this dearly beloved pastor was being carried lifeless through the garden gate, while his white-haired wife, chalk white and hysterical, stood at the house-door. He has taken the risk of holding a service in the town for the consolation of his suffering flock. While at the altar, he was shot from behind.

Miserably depressed, we went back into town, hoping to find an empty corner in the home of Mr. Barend, the baker, whose house had been spared. From all appearances the Russians had their headquarters there; there seemed to be lively activity in the Cafe from which voices and accordion music were issuing forth. We learned from one of the baker's journeymen, who was forced to bake for the Russians, that Barend with his wife and married daughter, who was soon to have a baby, had attempted to flee over the icy lake to a rest home in the woods, which had not yet been discovered by the Russians. The little group however had hardly started out when they were overtaken by the Russians. Despite the kneeling entreaties of the baker, both women were violated there in the cold, and then sent back to town. Through the dreadful excitement the young mother suffered a premature confinement, unattended by a midwife or doctor, and lay with a high fever in the noisy house.

ferred the welfare state to a Wall Street State." The poor man apparently does not know that the Wall Street Zionists seek to convert our government into a welfare state which they will rule.

The Zionist welfare state is "anti-Christ" because Zionism is anti-Christ. Gone will be our fundamentals of Christianity, viz: faith, hope and charity and repentance and forgiveness of sin, gone will be our freedom and independence. Gone will be our home and family life. Gone will be the chastity of our wives and daughters. Our lives will be subject to the will of our Zionist masters. It will be a government of commissars and spies with a dictator and woe to the man who encounters the displeasure of a commissar or a spy.

Anti-Semitism Charged

Orange Board Decides to Permit Benefit Show Despite Protests on Literature Involved

Orange school officials have decided to permit a church benefit to be staged in Orange High School Tuesday despite charges, placed before the Board of Education, that an allegedly anti-Semitic publication, "Common Sense," is promoting the sale of tickets to aid its own coffers.

The school board, after consultation with Msgr. Peter Kurz, pastor of St. Venantius's Church, Orange, indicated no action would be taken to cancel permission for the benefit as a result of the protest received Thursday. Choir members of the church and the Star Opera Co. of New York are jointly sponsoring the benefit, a performance of Donizetti's opera, "Lucia Di Lammermoor."

The charges of anti-Semitism were made by a man who did not identify himself but produced a copy of a letter circulated by "Common Sense" and asking support of the opera benefit.

No Connection

The publication, with headquarters in Union, sold only one bloc of tickets and has no connection with the two groups actually sponsoring the benefit, an investigation revealed yesterday.

The school board rented the high school auditorium several weeks ago to St. Venantius Church for Tuesday evening. Rental was made at a reduced rate because the affair was for a charitable cause, as is customary, according to a school board official, in such instances.

A school board spokesman said yesterday the board had signed a contract with the church for use of the auditorium, and after investigating the protest, the board was satisfied the church was acting in good faith.

The protest registered with the school board concerned a circular mailed to subscribers of "Common Sense," a publication with headquarters in Union, urging them to buy benefit tickets inclosed with the circular and containing what was described in the protest as a "tirade against the Jewish people."

Opera Head Explains

The circular said that Francis C. Torre of New York, manager of the opera company and also a member of the church choir, was "co-operating" with the publication in helping promote the benefit.

Torre yesterday said the publication was helping sell tickets and that it would derive a profit from each ticket sold, but denied emphatically any knowledge of the character of the publication. He said arrangements had been made with "Common Sense" to sell tickets for the opera but the only intention had been to spur sales.

Msgr. Kurz disclaimed yesterday any knowledge of the publication or that workers for it were selling tickets for the opera. He said that to his knowledge no member of the church had made any arrangement with "Common Sense" for the disposal of tickets or for promoting the benefit performance.

Conde McGinley, publisher of "Common Sense," said yesterday that one of his workers had written a letter urging subscribers to buy tickets for the opera. He maintained, however, that the pub-

lication was against Communism and not the Jewish people.

The letter in part said:

"Common Sense has a special interest in this opera. A number of tickets have been allotted to us and we will derive a profit from the sale of these tickets to help us in the fight against Communism.

"We have learned from a prominent clergyman in the Holy Land," the letter continued, "that within a year and a half, at the present rate, all signs of Christianity will be wiped out of the Holy Land and Christianity will become a curiosity there. With the same Zionists running the show here in America, we may soon have to get a permit from a Zionist-Khazar to stage such an affair as this. A priest or minister can inspect the holy places in Jerusalem today only if he gets a permit of approval from a Zionist Khazar!"

The proceeds the church derives from the benefit will go to its convent building fund.

McGinley Trial Opens in Union

'Common Sense' Publisher
Charged With Holding
Up Writ Execution

Staff Correspondent.

ELIZABETH—Trial of Conde McGinley, 60, of Union, publisher of the weekly newspaper Common Sense, on a charge of obstructing the execution of writs, opened today in County Judge Hetfield's court. The charges grew out of an attack June 17, 1949, allegedly made by McGinley on two deputy sheriffs assigned to carry out a court order.

At that time, Deputy Sheriffs Greenberg and Coplan reported that McGinley attempted to prevent them from seizing a printing press, business records and copies of Common Sense at his home. The court writ for seizure was granted to satisfy a \$1,800 judgment against the publisher by the Suburban Publishers Co.

McGinley, who lives at 2001 Pleasant parkway in Union, denied the charge today. Assistant County Prosecutor Morss is representing the state.

Say McGinley Struck Them

Deputies Testify in Union Trial of Publisher on Obstruction Count

Staff Correspondent.

ELIZABETH—Two special deputies of the Union County sheriff testified in Judge Hetfield's court yesterday they had been struck by Conde McGinley, 60, publisher of the controversial weekly, Common Sense, last June when they tried to carry out a writ confiscating his office and printing equipment.

McGinley, whose trial will resume today, is charged with obstructing execution of the writ, obtained in Superior Court by Suburban Publishers Co. of Union to satisfy a judgment of \$1,800 for printing bills against him.

During cross-examination of the deputies, Alfred Greenburg and Harry Coplan, Thomas Hueston, attorney for McGinley, contended the two did not have the authority to confiscate the property, but only to serve the writ. The equipment levied upon was taken to Union County Jail and later redeemed by McGinley on payment of the judgment.

Relate McGinley Comment

On the stand, Coplan said McGinley had told them to leave the premises, in 2001-2005 Pleasant parkway, Union, commenting, "The FBI has been in here to see me twice, and they haven't got anything on me."

Hueston implied in cross-examination that an attorney for the Suburban Co., who had accompanied the deputies, was more interested in confiscating McGinley's records and subscription lists than he was in gathering up salable material.

Assistant Prosecutor Morss is handling the case for the state.

Red Charge By McGinley

**Communist Network
Had Deputies Seize
Records, He says**

Staff Correspondent.

ELIZABETH — Conde McGinley, Union Township publisher of the controversial newspaper Common Sense, testified in County Court today that the Communist underground in this country gave the orders to two Union County deputy sheriffs who seized some of his equipment last year.

McGinley was on the stand in his own behalf in his trial on charges of obstructing execution of a writ. The deputy sheriffs he referred to are Alfred Greenberg and Harry Coplan, who last June seized records and equipment of McGinley's to satisfy a judgment of \$1,800 obtained against him by Suburban Publishers of Union.

The deputies yesterday testified that McGinley struck them as they attempted to carry out the Superior Court seizure order.

Cites Fear

Testifying that his publication was anti-Zonist and anti-Communist, McGinley said he was positive the underground forces backing Communism here were "telling the sheriff's deputies what to do." He described Communism and Zionism as one and the same thing. He denied obstructing service of the writ and said he tried to summon help from Union police when the deputies came to his place, because he had been threatened before.

He said the deputies did not show their badges until after a Union Township patrolman arrived at the scene. He also said the deputies were told to pick up his records by Robert Dvorin, attorney for Suburban Publishers, whom McGinley described as president of the Zionist organization in Linden and Roselle.

McGinley's lawyer, Thomas F. Hueston, put Ben H. Freedman of 300 Central Park west, New York, on the stand as a character witness for the publisher. Freedman, a former owner of the Woodbury Soap Co., described himself as an active investor in several businesses and acknowledged that he had put substantial funds into Common Sense.

Freedman, who said he had thoroughly investigated McGinley's character, declared he was interested in fighting the "creeping Communism that is taking over this country."

Publisher Is 'Not Guilty'

**Jury in Union Clears
McGinley of Charges
in Process Case**

Staff Correspondent.

ELIZABETH — Conde McGinley, publisher of the antiCommunist, antiZionist Common Sense, was found not guilty yesterday by a jury in a County Judge Hetfield's court on charges of obstructing execution of process and assault and battery on two Union County sheriff's deputies last June.

The jury deliberated only 30 minutes before bringing in its verdict at 5:30 P. M. on the second day of the trial.

The state charged McGinley had obstructed execution of a levy on equipment in his publishing office in 2001-2005, Pleasant parkway, Union, and struck the deputies, Harry Coplan and Alfred Greenberg, when they tried to carry out the writ.

McGinley's Charges

The levy was made to satisfy an \$1,800 judgment against McGinley for printing bills owed the Suburban Publishing Co. of Union.

McGinley charged on the stand yesterday that the deputies were ordered to confiscate his records and subscription lists by a Communist underground. When the deputies entered the establishment June 17, 1949, he said, they did not identify themselves, making him afraid they were Communists out to get him. He had previously received "at least 50" threats on his life, some of which he turned over to the FBI for investigation, he added.

Cleared by Union Jury

Conde McGinley, publisher of controversial paper, *Common Sense*, waits outside Union County court room during recess in his trial for obstructing and assaulting sheriff's deputies.

McGinley said the deputies confiscated records of his investigation of at least 400 Communist cells throughout the country at the direction of Robert M. Dvorin, an attorney for Suburban who, he said, was president of the Linden-Roselle Zionist organization. They left behind much valuable equipment in the process, he added.

"I'm only interested in one thing—combating Communism," McGinley said, almost breaking down with emotion, "and the only difference between Zionism and Communism is in the spelling of the names."

Coplan and Greenberg had testified earlier they were instructed to take only personal effects that could be sold by the sheriff to satisfy the judgment entered against McGinley. When they tried to do that, they said, McGinley hit them and tried to stop them, so they put him under arrest.

McGinley denied any obstruction and that he had assaulted the pair. He said he had attempted to get away so he could call police and protect himself and his records.

Defense's Argument

In his summation Thomas Hueston of Elizabeth, defense counsel, said the deputies had the right to serve the writ, but not to execute it. He said that rather than obstruct the process, McGinley actually had run out of the premises to phone the police, to keep from being assassinated by Coplan and Greenberg, who were unknown to him at the time.

First Assistant Prosecutor Morss told the jury that the issue at hand was not Communism. "The issue at hand is respect for the law, something the Communists in this country are trying very hard to undermine."

McGinley, born in Indian territory 60 years ago, lives alone in quarters adjacent to his offices.

Cold War Line Frees Hate Sheet Monger

ELIZABETH.—It took a Cold War-pressured jury just 30 minutes to pronounce anti-Semitic red-baiter Conde McGinley "not guilty" of assault in a charge brought against him by two Union County sheriff's deputies. McGinley, flaunting copies of his flamboyant hate-sheet, "Common Sense," based most of his defense on his red-baiting.

Harry Coplan and Alfred Greenberg were the two deputies who accused McGinley of assault. They said he attacked them when they came to serve a writ on equipment in McGinley's publishing office at 2001-2005 Pleasant Parkway, union, to satisfy a \$1,800 judgment for printing bills owed to the Suburban Publishing Co.

"I thought they were Communists," McGinley explained, lamely; then he ranted that the deputies had seized "records of investigations of 400 Communist cells."

★

MCGINLEY'S LAWYER, Thomas Hueston, of Elizabeth, justified the anti-Semitic publisher's attack by stating he was only trying to keep from being "assassinated." McGinley filled out de-

tails of this phony melodrama by saying his life had been threatened "at least 50 times." The "threats" have been turned over the FBI," McGinley said.

"I'm only interested in one thing—combatting Communism," McGinley fervently declared. In the next breath he equated "Zionism" with Communism.

McGinley's racist tabloid's use of the mails has never been challenged by U. S. Attorney General McGrath, although the paper has been sent reportedly in thousands of copies throughout the country. Among his financial supporters is believed to be the Arab League lobby in Washington, representatives of the extreme reactionary rulers in the Middle East who are agitating for a "second round" against Israel as a possible springboard for embroiling the west in war against the Soviet Union.

McGinley's paper has also featured anti-Negro propaganda, in which segregation was advocated. The racist publisher was at one time in process of forming a series of pro-fascist units in such communities as Roselle and Irvington.

The Bundists Crawl Out of Their Holes; Their Man? You Guessed It, Sen. McCarthy!

WITH THE WALL STREET program for restoring German militarism moving into high gear, Adolph Hitler's former devotees in the United States are again emerging from the sewers. Last week a so-called German-American Friendship Rally Committee, off-spring of the Nazi Bund, announced a big meeting at the Yorkville Casino on May 4—"the first large meeting of its kind." Billed as the star attraction at this affair, which was advertised to "especially espouse the cause of the expellees and their lost homelands," was none other than Wisconsin's Senator Joseph McCarthy, the man who has made "character assassination" and anti-Communism the rungs of a ladder that—McCarthy hopes—reaches to the Fuchership of a fascist United States.

★
OTHERS LISTED to appear with McCarthy included: E. A. Fleckenstein, chairman, 31-year-old Weehawken, N. J., lawyer,

son of a wealthy meat-packer, and an advocate of gradual, crafty anti-Semitism, who wired the Adenauer regime in March, 1951 to insist on establishing "a Wehrmacht under an exclusively German high command and equipped with all modern weapons"; Father E. J. Reichenberfer, a Bavarian priest from the Sudetenland who has been accused even by the pro-German imperialist State Department of "irredentism, praise of Nazis and un-American behavior in general"; Prof. Austin J. App, a Catholic University-trained Ph. D. and teacher in Catholic institutions who wrote in the anti-Semitic Common Sense in April, 1949 that expulsion of the Germans from Eastern Europe after the war was "literally the vastest crime and atrocity which has ever disgraced the annals of history;" Rev. A. L. Fritsch, Chicago Lutheran minister, author of "The Crime of Our Age," dedicated to "Christian Americans" and including a chapter entitled, "Germany—Protector of Christianity and the White Race;" and "Baron" W. F. von Blomberg, Boston press agent who was William Frary until adopted by 77-year-old Baroness Von Blomberg, a sister of Kaiser Wilhelm's war minister, and who assured a Rotary Club audience in 1942 that Hitler's soldiers could never be guilty of atrocities.

★
NO MEAN CONSTELLATION among these stellar attractions was McCarthy himself. He has the dubious distinction of being the

only member of the U. S. Senate to defend the 43 Nazis charged with the Malmedy massacre of 150 unarmed American soldiers on Christmas Day, 1944. McCarthy's efforts, backed by the Milwaukee industrialist and Republican Party subsidizer, Walter Harnischfeger, helped to win commutation of the death sentence imposed on all 43 Nazis.

However, following exposure of the rally's sponsors and aims by the Daily Worker and the New York Daily Compass, McCarthy abruptly withdrew on the pretext of a "conflict of engagements." But despite the loss of their brightest star, the rally sponsors predict the largest turnout ever.

Wall Street's plan to stall a peace treaty with a united Germany and complete the restoration of German militarism was producing its logical counterpart at home—the resurgence of rabid anti-Semite fascist groups throughout America.

Confidential Informant [REDACTED] of known reliability, was interviewed on the evening of 7/17/52, at which time he furnished several copies of the newspaper "Common Sense," a report on a meeting held 6/24/52 at the office of CONDE MCGINLEY, and a booklet captioned "A Study of the Federal Reserve" by EUSTICE CLARENCE MULLINS, published by Kasper and Horton of New York in 1952.

Mr. KASPER of the above publishing company addressed the group of 20 people assembled at MCGINLEY's office for that meeting.

No mention was made of the Nationalist Action League, the Pro-American Group, the Loyal American Group, or the Christian Anti-Defamation League, which is also known as Americans Against Communism. The Informant reported that no mention of these organizations has been made at meetings held during the past year and it is his impression that MCGINLEY's group has no association as part of a national organization such as the Nationalist Action League.

According to the Informant, the only connection with any individual outside of MCGINLEY's own sphere that MCGINLEY has is a Mr. FRIEDMAN who frequently contributes articles to "Common Sense."

During the meeting, MCGINLEY announced that he had recently sent 10,000 copies of "Common Sense" to Houston, Texas.

The Informant advised that a man by the name of [REDACTED] who was believed to be on the Newark, N. J. An account of the attack upon MCGINLEY was contained in the issue of "Common Sense" of 5/1/52.

The Informant will advise if any information is developed by him indicating that the MCGINLEY group has any association with the Nationalist Action League or similar groups.

ASSASSINATION ATTEMPT ON EDITOR BY REDS

Common Sense Attacked For 3rd Time, Two Union Boys Beaten In Brutal Assault

Windows Smashed; Editor Escapes With His Life, As Jew Terrorists Strike! Jews Say They'll Kill McGinley and O'Brien, If One More Issue of Common Sense Published!

Under cover of darkness at midnight, June 3rd, 1952, two carloads of Communist Jews stopped their cars at the office of COMMON SENSE in a third attempt on the life of the editor, Conde McGinley. This group which preaches so much "brotherly love" and "tolerance" bombarded the office with bricks and pieces of cement breaking the large plate glass window and causing considerable damage. This was a repetition of the midnight attack on March 4th when a car full of terrorists smashed the plate glass window on this bitter cold night when the editor was suffering from virus-pneumonia, so ill he could hardly walk. The first attempt on the editor's life took place when four bombs set to go off 5 minutes apart were placed adjacent to the building on October 31st last year, which, thanks to Divine Providence, was unsuccessful.

For various reasons the editor preferred to ignore the previous attacks but this latest attack proved more violent and he decided his readers should know of the vicious methods used by the enemies of Christ.

Along with this latest attack came a severe warning and threat via the telephone which

was timed to coincide with the confusion resulting from the breaking in of the front part of the building. The conversation which lasted about twenty minutes ran something in this manner. "Is this McGinley? We are Jews who belong to an organization that has decided COMMON SENSE is not going to be printed. What has just happened is a sample of what is to come. We have decided to kill you and your assistant O'Brien if you print another issue." McGinley told them killing him would not settle the question as there were others ready to take his place. The Jews replied "we will get you one by one and will get you when you least expect it." The editor explained he was not against all Jews as he knew all Jews were not Communists. The reply came back that "all Jews should be Communists." The editor suggested they select three of their leaders, and that he would furnish three former Jews who are not Communists to represent him, and if their leaders could prove that COMMON SENSE was printing anything but the truth, he would apologize and discontinue publishing the paper. The Zionist answered "We are not interested in

UNION YOUTH TELLS STORY OF ASSAULT

William McGovern, age 17, had this to say about the attack made on his life by the six men who followed him and his friend, Edward Butten, from the office of COMMON SENSE: "When we pulled up in front of Ed's house on Salem Road, a Bulck car pulled up next to us and about six men jumped out. Someone threw a rock through the windshield and told us to get out of the car. Before we could get out they were puffing us out. They then started beating us with solid chains and fists until both Ed and I fell to the ground. They beat and kicked us for several minutes. The men then got in their car and left, but before they pulled away Ed got their license number which was turned over to the police. When it was all over I noticed Ed lying on the ground all covered with blood. I tried to take his shirt off because he had his good clothes on. His face was badly bleeding. There was a hole in my neck. I went to the hospital and later Ed was taken to the hospital. He had lacerations and abrasions."

that; the paper has to be stopped. We keep up with every move you make and every time you go out of that door you can look for us." During the conversation special emphasis was placed on the fact that McGinley was opposing Eisenhower. They also mentioned they knew the paper was printed in Florida but now printed in New Jersey again. Two men took part in the conversation, threatening violence if the paper was printed, and several times the party talking stopped to say "Wait until I talk to my boss," and the boss came twice to the phone to talk to McGinley. The editor called attention to the fact that COMMON SENSE had offered space in the paper for the Communist Jews to refute its charges. McGinley stated it would be a mistake to kill him as everyone would know it was the Jews. Jews should keep in mind there are many localities in the United States where there are not millions of Jews like in New York and New Jersey, and if the Jews were wise they would hire a bodyguard to protect him so that they could not be blamed. McGinley told them their leaders were criminals and if un-

UNESCO - THE GREATEST SUBVERSIVE PLOT IN HISTORY

Republished from the ONE METHODIST
VOICE—Clayton, Georgia.

UNESCO (The United Nations Educational, Scientific, and Cultural Organization) is a subversive association. It is consciously furthering a campaign calculated to pervert the teaching profession in this country, and so destroy the worth and integrity of America's first bulwark of freedom—our tax supported public schools.

Strong words? Yes, but not strong enough to alert American citizens to a proper understanding of the UNESCO DANGER, which unless met squarely and promptly complicated by the militant action of Church folk, and all good American citizens, parents, teachers, patriotic groups and the general public, may sooner than we imagine transform our schools into laboratories for the systematic and effective destruction of all sense of national allegiance and loyalty in the minds and hearts of America's school children.

THE UNHOLY SCHEME TO PREVENT FREE EDUCATION is revealed in a series of nine volumes titled "Toward World Understanding" which are as follows:

- I. "Some Suggestions on Teaching about the U.N. and Its Specialized Agencies."
- II. "The Education and Teaching of Teachers."
- III. "A selected Biography."
- IV. "The U. N. and World Citizenship."
- V. "In the Class with Children under 13 Years of Age."
- VI. "The Influence of Home and Community on Children under 13 Years of Age."
- VII. "Some Suggestions on the Teaching of Geography."
- VIII. "A Teachers' Guide to the Declaration of Human Rights."
- IX. "Some Suggestions on the Teaching of World History."

The purpose of this unholy scheme is to instruct kindergarten and elementary grade teachers in the fine art of preparing our youngsters for the day when their first loyalty will be to a **WORLD GOVERNMENT**, of which the United States will be only a weak administrative part.

TEACH DISLOYALTY TO CHILDREN

Book V, on page 8, advises the teacher that: "The kindergarten and infant school has a significant part to play in the child's education. Not only does it correct many of the errors of home training, but it prepares the child for membership in the age of seven, in a group of children and habits—the first of many such qualifications that he must achieve or forfeit before membership in a world society."

Then, on page 9, it goes on to further poison the minds of teachers and to make an attack on the family and its parental encouragement of the child. As we pointed out it is frequently the family that infects the child with extreme nationalism. The school should therefore use the means described earlier to combat family attitudes of jingoism. Education for world-mindedness is not a problem that the school can solve within its own walls or with its own means. It is a political problem even more than an educational one, and the present position of teachers does not, in general, permit them to intervene in the field of politics with the requisite authority. We thought with cautious optimism that educators could also try to influence public opinion."

TEACHERS URGED TO SUPPRESS AMERICAN HISTORY

Teachers are urged to suppress American history and geography which strengthens pro-American sentiments which UNESCO wishes to eradicate. Here is what Booklet V, on page 11, says: "In our view, history and geography should be taught at this stage as universal

history and geography. Of the two only geography lends itself well to study during the years prescribed by the present survey. The study of history on the other hand, raises problems of value which are better postponed until the pupil is freed from the Nationalist prejudices which at present surround the teaching of history."

Oh, Lord God of Hosts, save America from this creeping paralysis of Sovietized internationalism which seeks to destroy every vestige of America's glorious history, cherished ideals, loyal patriotism and true religious faith which compose the foundation upon which our glorious Country rests.

Suppress the truth wherever and whenever it stands in the way of glorifying those things which are foreign above those which are American, is the objective of UNESCO. On page 14 booklet V, the following advice is given: "Certain delicate problems, however, will arise in these studies and explorations. Not everything in foreign ways of living can be presented to children in an attractive light. At this stage, though, the systematic examination of countries and manner can be POSTPONED and the teacher need seek ONLY to insure that his children appreciate thru abundant and JUDICIOUS examples — A child taught thus about the different countries of the world will gradually lose those habits of prejudice and contempt which are an impediment to world-mindedness."

LIKE A PASSAGE FROM MARX'S COMMUNIST MANIFESTO

UNESCO's teachers' guide recommends that our little ones also be taught socialism. In booklet V, page 10, it says: "the methods for putting the resources of the globe at the disposal of all people" which reads like a passage from Marx's Communist Manifesto. Then on page 31 of the same booklet it is proposed that an international anthem be adopted by all for use in the American classroom. It would of course eventually supplant our beloved national anthem "AMERICA."

Objective: A ONE WORLD GOVERNMENT

Booklet IV, on pages 13-14, sympathetically deals with the various methods for converting the United Nations into an actual world State. It calls for a world federalism which destroys national sovereignties. The original concept of the U.N. as an assembly of delegates representing free and sovereign governments is being challenged, teachers are informed, in an effort to break up the concentration of political powers in the hands of national governments, especially the great power governments, which includes the United States of America.

CORRUPTING THE MORALS OF OUR CHILDREN

Booklet VI contains a series of research suggestions which indicate an intention to stimulate ultimate classroom expeditions into the field of detailed sex education. Here are a few samples of the type of questions put forth by UNESCO, (which is heavily subsidized by the tax dollars of many Americans who feel that sex training rests within the domain of the home or of the tenets of their own particular religion) for our public school teachers: "Are there devices—for limiting the family? What are supposed to be the typical feelings of pregnant women? Do parents address before their child?" and many other quotations which propriety would prohibit us from printing.

Hate

By Nikolai Lenin

We must hate—hatred is the basis of Communism. Children must be taught to hate their parents if they are not Communists. If they are, then the children need not respect them; need not worry about them.—(Lenin, Congressional Record, vol. 77, pp. 1539-40; "MKR" p. 12).

"We hate Christianity and Christians. Even the best of them must be considered our worst enemies. They preach love of one's neighbor and mercy, which is contrary to our principles. What we want is hate . . . Only then will we conquer the Universe."

—Anatole Lunacharski, Soviet Commissar of Education. At speech made in Moscow in 1923, quoted in IZVESTIA (Congressional Record, Vol. 77, pp. 1539 - 1540).

Love

Christ called Himself the "Light of the World." His whole life's work was a mission of enlightening His contemporaries and enlightening all generations to come. His mission began by His becoming identified with family life. By choosing to be born into a family, to grow up there in an atmosphere of virtue and in the love of God and of the family. He established this family of Nazareth as the standard and the aspiration. No wonder it is called the "Holy Family"; no wonder so many have found peace and happiness by following it as the perfect model.

CONGRESS SHOULD NOT "ADJOURN"

A sinister and determined effort is being made by a minority of Congressmen to have Congress "Adjourn" early in July. If Congress goes through with this move, the consequences could be almost fatal to the welfare of the United States.

But first, citizens of America should understand the difference between "Adjourning" and "Recessing." If Congress "Adjourns," the only way they can meet again is by the President calling them into Special Session. But if Congress "Recesses", it can meet again and "Recess" again until whatever time it wishes. The latter situation is the better by far for the country, because Congress is then always available in case the country feels needed legislation must be enacted.

If Congress "Adjourns" then for all practical purposes, the country, YOU, would be without a Congress. From July to November, Truman can act without any fear that Congress will veto any of his legislation. If a Republican is elected in November, the country would live under the rule of a "Lame Duck" President until January, 1953.

Why is Congress so determined to "Adjourn" on July 6th rather than "Recess"? Because, believe it or not, if Congress "Adjourns" the Government has to pay the travelling expenses to and from the home of each Congressman. BUT IF CONGRESS "RECEDES" each individual member has to pay his own travelling expenses.

If the American people let Congress do this, the Marxist Insidious Government could easily set us in a War within the next few months. There would then be no election. **THIS IS THE MARXIST PLAN.** Congress may "Recess" but "Adjourn". Write letters to your Congressman. DEMAND THAT CONGRESS "RECESS" NOT "ADJOURN". Tell him that he dare not risk your life for the saving of a few paltry dollars.

formed Jews did not back them up, they would stop being devils and there would be peace in this world.

Several attempts were made to get McGinley to leave the office at one o'clock in the morning and meet them on the corner of Stecher Street and Chancellor Avenue, Newark, to "settle their differences." McGinley informed them he would not be so foolish but would else meet them in a gentlemanly fashion and discuss the pros and cons of the issue. The Jew on the other end of the line refused to listen and said "stop your blabbing, McGinley, this is going to be settled tonight!"

TWO NEIGHBORHOOD YOUTHS BEATEN WITH SKID CHAINS

About this time two Union youths hearing the commotion, stopped in to see what the trouble was. McGinley was talking on the telephone to the "brains" behind the attack and asked the boys to run to another phone and have the call traced. They returned later to report the call could not be traced and left for home in their car. The Jewish terrorists, who were obviously waiting along the block for the editor to leave the building, followed the car of the two young men believing them to be McGinley and O'Brien. About two miles from the office, in Union, a Buick with six Jews in it crowded the boys to the side of the road, hurled a rock through the windshield, then dragged the boys from the car—kicked them in vital spots and beat them with skid chains until the two were left helpless on the ground, dazed and bleeding, where they were later found and taken to the Elizabeth General Hospital for treatment. The Jews were no doubt very disappointed to discover two young men instead of McGinley and O'Brien and couldn't help but take some vengeance on them.

UNION YOUTH REMEMBERS LICENSE NUMBER

One of the boys, though on his back had presence of mind to note the license number of the car carrying the six Jews. The license was N.C. 369 registered in the name of Murry Schechtman, 790 Clinton Avenue, Newark. On June 4th, the Union police questioned Schechtman who admitted being in Union the previous night but stated he was with a girl friend to a movie and used another person's car. He denied having anything to do with the assault made against McGinley or the boys. When asked to explain how his car was at the scene of the crime, he stated he left his keys in the car so that any of his friends could use it whenever they wanted to. The Union Police did not believe this story and told Schechtman to be at the headquarters for questioning the following night. Schechtman was at the Union Police Headquarters on two occasions but refused to return again. Now the police are trying to figure out what move to make.

THE TERRORISTS RETURN TO SCENE OF CRIME

The following night, a half hour past midnight, four of the Communist terrorists returned to the scene of their crime and proceeded to break into the premises. Unknown to McGinley was waiting inside accompanied by another member of the staff. While the Jews were in process of breaking into the building, McGinley appeared and with the aid of his assistant, covered them with a shotgun, backed them against the building. There was no way of knowing if these men were the same that had assaulted him the night before. One of the men told McGinley that a friend had sent them and gave him the name of the "friend" which took McGinley off guard long enough to allow them to convince him they were friendly. The result was they were allowed to leave, although their license number was taken which is also under investigation. These same four men showed up at the Union Police Headquarters on Thursday morning, June 5th, with Murry Schechtman owner of the car that was at the scene of the assault and battery on the two Union youths. We were told by the police they did not know who these men were although they came to the police station as a result of the questioning of Murry Schechtman and were

MacAR. JR CAN SAVE US

By Henry H. Klein

The money gang is determined to wipe out a large part of the human race. They intend to extend the Korran war to other parts of the world. The money gang must have war in order to continue to profit. The fact that city, state and federal governments are deeply in debt, means nothing to them. The people must pay.

This condition will continue until some one arises to change it. Moses changed it in his day and Jesus tried to change it in His. Unless it is changed, civilization will decline and anarchy and revolution will follow.

There is one person who can apply the remedy. That person is Douglas MacArthur. He applied it in Japan and he can apply it in the United States.

suspected of being members of the same gang that raided COMMON SENSE on Tuesday.

For the information of the reader, Union is located about twelve miles from New York City and adjacent to Newark and Irvington, N. J. The editor has lived in Union for more than sixteen years. Up until five years ago there were practically no Jews in Union but during the past few years they have virtually taken over all downtown stores. The amount of Christian-owned business in Union is now negligible.

For six years organized Zionist Jews have been using every underhanded method in the books to stop freedom of the press and the exposure of the truth. They intimidated and boycotted eleven printers into submission and succeeded in having COMMON SENSE thrown out of every printing plant. These Communist Jews would find out where the paper was being printed, then threaten the owner of the plant and if any resistance was offered, systematically withdrew all other business, approached advertisers, and finally cut off the paper supply if the printer still refused to yield to their demands.

The Jewish War Veterans bragged about this fact in the B'nai B'rith Messenger, the most influential Jewish publication, (see COMMON SENSE issue No. 157), and we have been informed from a reliable source that it is the Jewish War Veterans who are behind these vicious attacks on the life of the editor. We have also been informed by a most reliable source, a member of the J.W.V., that the principal reason the Jewish War Veterans was organized in Union was to drive McGinley out of Union. This was substantiated by Schechtman who, we are informed, told the Union Police that this matter was frequently brought up at the J. W. V. meetings.

For the past six years the American Jewish Congress, the Anti-Defamation League and the Jewish War Veterans have been carrying on a full scale attack against COMMON SENSE, getting bolder and bolder with each attack. Now they come out at midnight, like rats from a cellar, and assault two boys instead of killing McGinley and O'Brien which they planned to do.

Will these so-called Americans who constantly preach tolerance, but who threaten to kill people who differ in opinion, be brought to justice? It is two weeks since this crime was committed and still no arrests—the police are no further advanced in bringing the criminals to justice than the day after the crime was committed in spite of all the evidence presented. It is frightening to think that an organized gang under the same leadership that has ordered the execution of millions of Christians in Europe and Asia is now operating so boldly in America. Little by little the people of America are losing their futures while they are content to be lulled and distracted by the temporary material and pleasure of a few. Some day in the near future the great show will be finished and they will forfeit all their worldly gains and will have plenty of time to repent their indifference. Yes, McGinley will suffer and so will many other

patriots who have sacrificed all to save this civil, atheistic horde of gangsters, but woe to you who had the opportunity to save lives, homes and families and sat back because of the fear of being unpopular. Woe to you to whom God gave the grace to think and work for His cause against evil and sat by idly—fearfully.

It will be interesting to see how Mr. and Mrs. Amer can react to the news that terrorism is going on in the United States with nothing long done about it. Will the citizens be brought to justice? Will McGinley and O'Brien be killed by the Jewish War Veterans because of lack of protection? Is law enforcement breaking down?

This type of terrorism was used by the countries which are now under Communist rule. First the Communist Jews intimidate and suppressed the newspapers that were exposing them, windows were smashed and printing presses broken up. Criticism must be stopped at all costs. Do these happenings in the United States indicate the beginning of the end of the free press and the start of Communist rule in our beloved country? To take over the U. S. it is only necessary to suppress all criticism and exposure and to intimidate or liquidate the leaders. Without voices the masses are helpless.

Communism is camouflaged under a disguise but is a cult kept alive by hatred and bigotry. Some Jews on the outside of the Jewish do not know this but all leaders know it. There is not one Rabbi in the U. S. who doesn't know the plan. Why do not the Jews defend these charges on the B'nai B'rith Messenger? COMMON SENSE will give any reasonable man a full page to deny these charges. COMMON SENSE will prove these statements by the writings of Jews and will prove the basis of the teaching of their Talmud.

ALL THAT IS NECESSARY FOR THE TRIUMPH OF EVIL IS THAT GOOD MEN DO NOTHING.—Edward Burke.

IS IT SAFE TO LIVE IN NEW JERSEY

Every Nationalist, every anti-Communist, and every American should turn his attention to Union, New Jersey. It is not enough that on the night of June 3rd, 1952, the whole staff of the office of COMMON SENSE was beaten and the life of the editor and his assistant threatened, and that two fine young men were brutally assaulted, BUT NOT ONE OF THE SIX JEWS WHO COMMITTED THESE CRIMES WAS ARRESTED. WHY? Were the Communist Jews determined that this and they alone shall rule? That then rule shall be absolute, and anyone who has a conscience shall pay the price with his life? Did Washington's Continental Army fight in vain?

EISENHOWER HITS PATRIOTIC CRITICS OF DEAN ACHESON

Reprinted from HEADLINES, New York, N. Y., Joe Kamp, Editor.

Americans who want to get rid of Acheson had better face the fact that they won't accomplish it by electing General Eisenhower President.

For Eisenhower is on Acheson's side. He took his stand on December 12, 1949.

Acheson was then under extreme fire for his stupidity or worse in complacently permitting Communism to engulf the whole of China, while he smeared America's anti-Communist ally, Chiang Kai-shek thru the malodorous "White Paper."

It was in this same month that Acheson went before the National Security Council and fast-talked President Truman and the Joint Chiefs of Staff into agreeing to abandon Formosa to the Chinese Communists—a policy which he later wasn't able to put over.

Eisenhower was then a newly chosen member of the Board of the Carnegie Endowment for International Peace, whose presidency had just been vacated by the exposed Soviet spy, Alger Hiss.

On December 12, 1949, the Board passed a resolution, deploring the 'political pressure' which was being exerted for the ouster of Acheson. Eisenhower approved.

In the same resolution, the Board also urged the United States to exercise extreme caution in using the atom bomb, which was the line then being plugged by the Communists.

In view of the national tumult which was raging over Alger Hiss at the time, it is impossible that General Eisenhower could have been unaware of which side he was taking, in championing Dean Acheson, Alger's fast friend.

(Editor's note: At this late hour Eisenhower says he would replace Acheson and other Democrats with Republicans if he were elected. If he did, he would probably appoint John Foster Dulles as he is supposed to be a Republican. Dulles is a one-worlder like Wendell Willkie and one of the most dangerous men in America. However, we believe Ike, grasping at a straw, will promise anything to get in power. It reminds us of F.D.R. in Boston when he said: "Now while talking to you mothers and fathers, I will tell you again, and again, and again, that your sons will not fight in a foreign war." At the same time F.D.R. said this, he knew the government had placed an order for more than a million coffins and more than five million uniforms. F.D.R. was a criminal and a liar, but the Invisible Government could use him so they told him to say what would disarm his opposition and they placed him in the White House where he could best serve their purpose. We believe, if

Eisenhower is elected, he will do more damage to the world, if that is possible, than even F.D.R. who proved himself a traitor to his own country and an enemy to civilization. Eisenhower is a much over-rated, one-world New Deal Republican. There is no difference between Truman's and Eisenhower's ideas, so why call one a Republican and the other a Democrat. They are both servants of the Invisible Government (B'nai B'rith) which has eaten the heart out of both parties)

THE INDEPENDENT PRESS IS DEAD IN AMERICA

(The following quotes from Major Osman Bey's book "Jew Control Kills Freedom Of Press", clearly show the avowed aim of the Jews, and the extent to which that aim has been realized).

It was at that meeting (The Israelite Council at Cracow), that the CONTROL OF THE PRESS WAS CONCEIVED as the greatest means for WORLD DOMINION, IN THESE WORDS: "So long as we have not the Press in our hands, all that you say is idle! In vain do you organize societies, loans, bankruptcies, and the like; so long as we have not got the Press in our hands to DEAFEN AND DECEIVE the world, we accomplish nothing, and our rule remains a phantom of our brain."

From the "SECRET POWERS BEHIND REVOLUTION" we find further comment on the Jew control of the press: "PROFESSOR LESTER T. WARD, IN HIS BOOK 'PURE SOCIOLOGY' has quoted the words pronounced by the journalist John Swinton during a banquet of the Press in New York: "AN INDEPENDENT PRESS DOES NOT EXIST in America except perhaps in small country towns; journalists know it and I know it; not one of them dares to express a sincere opinion; if they do so, they know beforehand that it will never be printed. I am paid 150 dollars in order that I should not put my ideas in the newspaper for which I write and that I should keep them to myself. Others are paid similar salaries for a similar service. If I SUCCEEDED IN HAVING MY OPINIONS PUBLISHED IN A SINGLE ISSUE OF MY NEWSPAPER, I SHOULD LOSE MY POST IN TWENTY-FOUR HOURS."

"The man who would be insane enough to give frank expression to his thoughts would soon find himself in the streets on the look-out for another occupation. It is the duty of New York journalists to lie, to threaten, to bow down to the feet of Mammon, and to sell their country and their race for their salary; that is to say, for their daily bread. . . .

"WE ARE THE TOOLS AND THE VASSALS OF THE RICH WHO KEEP IN THE BACKGROUND; we are puppets; they pull the strings and we dance. OUR TIME, OUR TALENT, OUR LIFE, OUR ABILITIES, ALL THE PROPERTY OF THESE MEN. We are intellectual prostitutes."

WILL YOU BACK UP THE INDEPENDENT PRESS IN AMERICA.

Read and pass on!

DEMAND MacARTHUR FOR PRESIDENT

Each week MacArthur moves closer to the nomination. His Lansing, Michigan, speech was maliciously misquoted to make it appear he had ruled himself out by saying no military man should be President. HE DID NOT SAY THIS.

If Eisenhower is nominated, of course the New Deal, One Worlders, Communist-Jews and Republicans will support him and he will be elected.

If Taft is nominated, he will be opposed by the New Deal two and a half million federal employees who have been benefited by Truman's Santa Claus handouts, radical labor leaders, One-worlders, and Communists, and we will have another New Deal Socialist administration.

General MacArthur is the only man living who has the personality and ability to arouse heretofore non-voters, the only man who could defeat this Jew Deal crowd who have in twenty years built a powerful machine for Marxism in the United States. Pray that Taft and Eisenhower will be locked at the convention, then perhaps MacArthur will be our next President. Work and talk MacArthur. If you wish MacArthur material to pass out, write to COMMON SENSE.

MacARTHUR CLEARS UP STAND

Gen. Douglas MacArthur announced last night he will not campaign for the Republican presidential nomination, but made it clear that if the American people want him he would accept the nomination.

The general reiterated a statement he issued in 1948 when he was generally acknowledged to be a candidate. At that time he said it would be "recranted" of him to "shrink from the hazards and responsibilities involved from accepting any public duty to which I might be called by the American people."

He said his desire to stay out of any state primaries was not inconsistent with his 1943 statement.

It has been many years since we have heard the wisdom, courage and foresight as spoken by that Great American, General MacArthur. The public is so accustomed to reading or hearing speeches by our so-called leaders in which they tiptoe carefully so as to please both sides, offending no one and avoiding going on record for saying or doing anything. Politicians.

When General MacArthur speaks you know where he stands and that he stands for America.—He does not try to please everyone. While he was in the Pacific for fourteen years, the Zionists were busy buying, framing or otherwise bringing under their control all promising politicians. That is how Zionists, who could not be elected dog catchers, rule our country. General MacArthur is the only man who can arouse America sufficiently to defeat the New Deal Politician Ike Eisenhower who is backed by Kuhn Loeb & Company—Lehman Bros.—Goldman Sachs, Jewish Bankers—and by all Jewish organizations—Communists—Socialists—One Worlders—German haters, and Russia Firsters. No Presidential Candidate will measure above the knees of General MacArthur.

REDS THREATEN PATRIOT

VAN HYNING TRIAL IS SET FOR JULY 22nd TO BE HELD AT CHICAGO

By ELIZABETH DILLING

Moscow's "People's Courts" stage a fancy "purge trial" of all and any opponents to Red tyranny, give the victims the choice between "confessing" fantastic "crimes" in return for more shooting, instead of sadistic Talmudic torture, then finish them off as a warning to others. American lawyers, however, who have been trained in American jurisprudence, appear helplessly bewildered when they encounter mounting

ganization blankets America like "pea-soup fog."

B'nai Brith calls up our public officials, from the President on down, like a row of bellboys who stand waiting to carry baggage for their bosses. Five years spent in fighting B'nai Brith's indictments and "Sedition Trial", gave the law firm of Dilling and Dilling unique training in "Jewishprudence." It ended with complete victory for us, and denunciation of the "persecution" by two federal courts, when finally dismissed in 1947, but, of course, no recom-

The Marxists propagandists would have the public believe that those who expose the Jewish Marxist plot are people with warped minds and people who are full of hate.

It has been my privilege to know intimately all the most active, most efficient and best informed people on this subject. Statements have been made in my presence on many occasions that these leaders are marked by their Christianity, intelligence and kindness. Not one among them has profited and all have gladly sacrificed their own time and money. The reason for their willingness to face smear has been motivated by love of Christ and their country. They know they are doing Christ's work and are considered as patriots by all who know them. To know them is to love them.

pense for the colossal expense, loss of time, and smear publicity. I did collect, thru the legal efforts of the Dillings, the past year, for one of Winchell's libelous columns about me, and for three other Jewish smear jobs by the Chicago Jewish Sentinel; the theatrical magazine, Billboard, and the Communist Party's Chicago Star. But sheer libel has been poured out against me by motion picture, press and radio, for years, coast to coast, because I opposed the nullification of Christian Americanism.

Altho every illegal stunt was pulled in the "sedition" persecutions, in the eight-months Washington farcical "trial" not one piece of evidence against any one of the 30 defendants, in accordance with the charge, was produced. Proceedings were run from the Department of "Injustice" by a B'nai Brith agent, a German Jew by the name of Oberwinder, alias "John Metcalf", who duly wired Henry Monsky, the late head of B'nai Brith, just when and who was to be indicted. The wires were subpoenaed and read by Dies Committee investigators. Within an hour, B'nai Brith was threaten-

ing Dies for their return to Western Union.

The trumped up charge was that these 30 defendants, largely unknown to one another, had met and "conspired" in the city of Washington on a certain day. Therefore, they had to be tried there, not in their own home area. A number of the defendants, from all over the country, had never been to Washington before, and none of them had met in Washington as charged. This was admitted in court. Eugene Meyer, Jewish publisher of the Washington Post, had had one of his reporters, using several aliases, "entrap" the desired victims by writing to them and asking for literature or a reply. The charge of conspiracy was based upon the pretext that the arrival of literature or letters from the victims constituted their "constructive" (or mental) "presence" in Washington, and justified charging them with actual joint presence and conspiracy.

The three indictments varied a little, not much, and read like dime thrillers. These

use of Red "Jewishprudence", in this country, under the Jew Deal. This was exemplified by the infamous mass indictments in 1942, 1943, and 1944 of anti-Communists, anti-Jew Dealers, or America Firsters, and the eight-months "Moscow Purge Trial," which ran in Washington in 1944, in which I was one of the victims.

This so-called "Sedition Trial" was conceived and run by pro-Red anti-Christian B'nai Brith, a Jewish mass organization of some 350,000 members, with its OGPU-like Anti-Defamation League which spends millions annually to bribe, bully, deceive, or do character assassination work on any American who dares expose the truth about the criminal Talmudic religion, misnamed "Judaism", or about any of its conspiratorial activities in this country. Hitler criticized Communists, therefore Americans who did so were Hitlerites," which is the Communist Party line, and, under Communist governments, "anti-Semitism", that is opposition to the Jewish officials, is given the death penalty. Jewish periodicals gloated that the trial was being held against "anti-Semitism." mer and Sickle by countenance of those same Jew Deal powers. A number of the defendants had sons in the armed forces.

My son, who had enlisted as a private, was promoted to Lieutenant while I was on trial for "conspiring to undermine the morale of the armed forces," so my "armies" and "navies" could set up world Nazi governments, as the prosecution was actually setting up Communist governments, on American taxpayers' billions. He attended my trial at every opportunity, and vowed to use his legal education to fight such atrocious injustice when he left the army, as he is now doing.

I used to say, when he would come into Court, "Here comes my army!" However, I did come nearest to having a "navy," as I believe I was the only defendant who had a little row and sail boat, my children are still using.

As each indictment fell, the indicted victims would be swooped down upon, Moscow-style, and arrested before they knew of their indictment, and promptly thrown into jail without being given opportunity to make bond. Some of the bonds were fantastic, more than required of criminals. I was driving home, one day, when, fortunately, I turned on the car radio just in time to hear, "Mrs. Elizabeth Dilling has been indicted."

Hiding Out

I stopped and telephoned an attorney who told me not to go home, as the police would be there waiting to arrest and jail me, and it would be difficult to arrange bond in jail where one cannot reach funds, etc. So, like a felon, I hid out until the amount of the bond was ascertained and the \$500 bond fee secured. Then, I walked into custody with the bondsman and thus avoided being jailed. I learned later that by the time my indictment was announced, crowds of reporters and police had swarmed over the lawn of our suburban home, and the doorbell was ringing constantly, as well as the phone. All that night, police cars circled the block, rang the bell, until my distressed elderly housekeeper finally called the local police who drove the mob of photographers and reporters from the place. These hoped to get pictures of me, handcuffed, for the delight of Winchell and his ilk.

After being arraigned, I was led into the Federal jail in the old Chicago Postoffice to be fingerprinted by a gloating Jew, as cages of pickpockets, thieves and other criminals, black and white, looked on thru the bars. Under the circumstances, it was a joy to see a friendly face. One of the highest type Christian gentlemen, Dr. D. J. McDaniel, a Marine veteran, and patriot, was hauled in, handcuffed, and looked in one of the cages facing me. He had been arrested at the end of the day, Moscow style, at his dental office, jailed over the week-end without opportunity to make bond, and was then being moved to this cell preliminary to being released on bond. I called to him: "Hello there, Doctor!", as my fingers were being rolled in the ink, "I always said we anti-New Dealers would meet in jail sometime!"

Dr. McDaniel's "Crime"

Dr. McDaniel's "Crime" was that before World War II he had an artist draw some excellent cartoons against America's involvement. One depicted Uncle Sam being crucified on the Lend-Lease cross, surrounded by schemers with Jewish noses. It was a telling truth, so both he and the artist were indicted. They were dropped from the 1944 indictment, yet the cartoons were used in the 1944 trial as "evidence" of the criminality of the actual defendants.

In the 1944 indictment, the America First Committee, and the rest of the patriotic American organizations were also dropped. In place of these the whole German Gov-

ernment was dumped in as "co-conspirators," a list of German bureaus being named with titles that were undecipherable and unpronounceable for one, like me, who does not know any German. The aim was to sink us under a load of sauerkraut in wartime, and terrorize all other Americans critical of Jew Deal Stalinism.

Colonel Sanctuary

Another "sedition" indictee was the elderly Bible teacher, scholar and World War II officer, Col. E. N. Sanctuary.

His most awful "crime" was publishing "The Talmud Unmasked," accurately translated excerpts from the criminal and obscene Babylonian Talmud, the supreme bible and authority of so-called "Judaism". He and his wife had never been apart without keeping the other informed as to where they were. He was arrested in their apartment while she was out. He begged in vain to be permitted to leave her a note telling her where he was being taken. He was kept incommunicado in jail; cockroaches crawled over his face at night, and a light was flashed in his eyes every little while so that he could not sleep. The worry and shock to his wife brought on the illness which killed her.

Sedition and Van Hyning Case Patterns

The same pattern of precedent convictions was followed, as in the Van Hyning case. First, under conditions of wartime hysteria and "pull," a group of Californians who had been holding meetings with speakers who opposed U. S. entry into World War II, were convicted, not once but thrice, on the same flimsy "evidence," by the City, County and State, and then indicted three times by Washington, so that I heard the same asinine witnesses from California who had "convicted" them. The awful evidence, as one female witness testified, was they "opposed our President!"

Six Times For Same "Offense"

Despite State and Federal Constitutions, which forbid placing a person in jeopardy twice for the same offense, these Californians were placed in jeopardy for the same "offense" six times, and convicted three times. As each of the Washington indictments fell, in 1942, 1943, 1944, they would be hauled out of the California prison at any time of day or night, forbidden to take shaving equipment or an overcoat in coldest weather, then put in solitary confinement in the Washington "Bastille," fed rotten food, spoiled food, then ridden, handcuffed, back and forth to the Federal Court to sit in a row, pale and emaciated and unshaven, for the indictment hearings. Two of them spent about a year in solitary confinement, deprived of the outdoor exercise granted hardened criminals, and placed in cells without windows, and with insufficient light to see to read. That is a story in itself. Placing "convicted criminals" in the mass sedition case was calculated to throw guilt on the rest of the defendants, many of whom, like me, had never known or heard of these little California intellectuals who "opposed our President."

Mr. Garner

Other defendants, who were unable to raise the bond fees, were similarly handcuffed and leg-ironed for the trip to the Washington Jail. Dear little 83-year old Elmer Garner showed my daughter the picture of himself holding his great-grandchildren—babies—in his arms, and gave her a peppermint. His little paper, after supporting FDR for two terms, opposed him, and printed some articles critical of New Deal Jews. He and his son, James, were both indicted in 1942, and spent many weeks in the foul Washington jail, unable to raise bond. They lived, with the aged wife and mother, in a little Wichita bungalow and eked out a living with a goat, a few chickens and vegetables. He was a poor cousin of John Garner, ex-Vice-President.

When bond money finally came, that long summer they spent in jail, from Texas, it was surmised that John Garner had been appealed to and had sent it.

The patriotic leader, who had my book,

THE ROOSEVELT RED RECORD AND ITS BACKGROUND, sent to a Senator to give to Vice-President Garner, reported that after reading it all night long, Garner had said: "I didn't know all THAT was going on", and soon had the Dies Committee going.

When Elmer Garner died in a cheap rooming house, during the 1944 Washington "trial", leaving 40 cents in his pocket, the great "humanitarians" kept his typewriter and wardrobe of two suits of clothes, and shipped his naked body home to his aged widow in a wooden box. She had to raise money for burial and burial clothing.

Court-Appointed Lawyers

The Court has to appoint a defense lawyer for defendants unable to pay an attorney. Only two of the defendants (charged with overthrowing the world, or conspiring to use their armies and navies to do so) could afford paid lawyers. The New Deal-appointed judge, who had proclaimed his joy in being "a rubber stamp for the New Deal", appointed Democrats to defend the victims, in the expectation that they would help convict them. Be it said to their honor and glory, altho they had to serve those eight months without pay, and almost wreck their own livelihood, they turned in and fought gallantly for their innocent victims, when they saw the rank injustice, illegality and Jewish tyranny of the whole proceedings threatened all American freedom.

As I was looking up prosecution witnesses, translating from the French evidence which made a perjurer out of a prize government witness, Hermann Raushing (protégé of B'nai Brith), and Mr. Dilling was presenting the most damning evidence in court and to the other lawyers, these stood firm. There was no budging them until doomsday. Finally, it was the same Eugene Meyer who had arranged the "entrapment" of the victims, who ran editorials in his Washington Post urging that the "Courtroom Farce" be called off, as it was evident that the trial was injuring Jewry instead of convicting anyone. Every piece of "evidence" was knocked down flat. The pompous Opening Speech to the Jury, by Prosecutor O. John Rogge, necessarily had to include the individual crime charged against each defendant, mentioned by name. Rogge boasted that he could PROVE I had been to Germany.

The defendants then, thru their attorney, have the right to answer these charges to the jury. When we showed that I had traveled in more than 50 countries, the mystery vanished and some of the jurors remarked to Mr. Dilling: "You people HAVE traveled a lot, haven't you?" Rogge's inference that there was some criminal intent in touring Germany, failed.

The Van Hyning Case

With the above as background, this "alumna" of the sedition trial is deeply interested in the prosecution of Mrs. Lyril Van Hyning, editor of the WOMEN'S VOICE, Chicago. In the good old Moscow tradition, she was arrested at the close of the day in her office, on a warrant sworn out by that indefatigable Red, Ira Latimer. Fortunately, she was able to talk the police officer out of taking her to the police station, then and there. He agreed to let her surrender the next morning. She then phoned an attorney for advice, and he told her to make her appearance at court, next day, alone. Then, she called me, relating some of the above incidents, I begged her NOT to go alone and perhaps be jailed in some filthy hole. When she called Mr. Dilling, Sr., for advice, he also told her not to go alone. My son, Kirkpatrick, went with her the next day. There, as attorney for the prosecution, was the same little

VAN HYNING TRIAL IS SET FOR JULY 22nd TO BE HELD AT CHICAGO

—(Continued from Page 2)—

Jewish lawyer, A. Zemel, who had prosecuted and convicted Mr. Beuharnais under the same Illinois 1917 statute. This law makes it an offense to libel any group because of their race, or religion, unless the TRUTH of the charges can be shown.

Like the conviction of the California group, which provided "condemned criminals" to flavor the mass sedition trial, the conviction of Mr. Beuharnais, for libeling Negroes, provided a precedent case to convict others who allegedly libel Jews, and Mrs. Van Hyning's arrest followed.

Beuharnais Precedent

The Chicago conviction of Beuharnais was next upheld by the Supreme Court in a 5 to 4 decision. "Justice" Felix Frankfurter writing the majority opinion. Frankfurter is the Austrian-born Jew who helped organize and served the Communist-aiding legal and propaganda society, the American Civil Liberties Union, which uses the excuse of "free speech, free assembly" to defend Red revolutionaries guilty of rape, murder, property destruction, assaults, etc. Frankfurter was busy with this work until put on the Supreme Court bench—some 20 years. When Red rioters burned cars and smashed plate glass windows, he defended this as mere "animal exuberance" attendant on the exercise of free speech, etc.

It was none other than the old Red-aiding Jewish Frankfurter, however, who upheld the conviction of Beuharnais for agitating for all-white neighborhoods. Jewry always, uses Negroes and Catholics as a smoke-screen for its own sadistic power, now being exercised over much of the Christian world.

The minority Supreme Court Justices, however, expressed doubt and fear concerning the Beuharnais conviction. To quote: "Jackson attacked the trial court for refusing the defendant's offer of proof as to the truth of the matter published . . . (the point) is that his evidence was excluded instead of being received and evaluated . . . no group interest should forget that the shoe may be on the other foot in some prosecution tomorrow". Black condemned the Illinois law as establishing "expansive state censorship". And: "Justice Jackson objected that Beuharnais had been deprived of the right to offer proof of the truth of his assertions" (Chgo. Trib. 4-29-52, 5-3-52).

The "cast" in the Van Hyning prosecution is practically the same as in the cases following the Red riot at the West End Women's Club before and during an America First meeting, there, Feb. 7, 1946. The Jewish Sentinel boasted over the role of Jewish War Veterans, under Victor Hirsch (who was subsequently made "Americanism" chairman for the sixth area of the American Legion). The Trotskyite Communists, likewise, boasted of their part in the terrorism, as did the Stalinists. Mobs had collected outside the building before the meeting had started, chanting hate slogans, and carrying picket signs they had made for the occasion. It required a body of police to get into the building at all, but, despite these, the clothes of the would-be attendants were spit upon and ripped, many were struck, and three went to the hospital in ambulances. I was bruised with an iron pipe. Bricks and stink bombs came crashing thru the windows, all of which were broken, flares lit up the sky, and the howling outside all but drowned out the speakers. A stenographer, placed inside the meeting by the Jews, in her transcript indicated the pandemonium which prevailed.

Sometime before midnight, the Red Ira Latimer (complainant in the Van Hyning case) left the hall with Judge Oscar Caplan. Caplan and Judge Samuel Heller, both Jews, then held a midnight all-Jewish court, with a Jewish clerk and a Jewish bailiff. Ira Latimer swore out a complaint against the speakers under a statute making

it an offense to "create a digression leading to a breach of the peace", and the speakers, who included Father Terminiello, were arrested. This "kikeroo", court also freed all of the mobsters who had been arrested up until that time—midnight.

Mr. Dilling, after winning the cases against two of the speakers, then carried Father Terminiello's case thru the higher state courts until he won it before the Supreme Court, paying all of the expenses out of his own pocket. The various cases arising from the riot consumed his time for months and spread over years.

Jewishprudence Again

The prosecution, in the Van Hyning case, evidently expected a sort of push-over defense. When the little Jew attorney, Zemel, saw, the first morning when Mrs. Van Hyning was arraigned, that it was the battling Dillings who were defending her, he grew very nervous and asked the Judge for an extension of time. When the Judge set a date, twice he said, "No", he wanted a later date, and took the latest one the Judge would grant him—June 18th. Lawyers say it is almost unheard of for the prosecution to ask for a postponement. The prosecution is supposed to have the case all set to go when the defendant is arrested. It is the defendant who asks for the delay to prepare a defense. The charges are usually read to the defendant on arraignment, called the Information, and a copy given the defendant. That is common sense. A person has to know what he is charged with before making a defense. The practice is also to permit the defendant either to plead then, guilty or not guilty, or ask for time

they saw the same Harry Els, disappearing into Caplan's chambers for a private conference with him. The jury box was filled and the stage set for another "kikeroo" court.

When the Judge was seated on the bench, Mr. Dilling came forward and told him that he had come solely for the purpose of getting a chance to voice a motion (a judge). At this the Judge puffed and blew up, as did the little prosecuting attorney, Zemel, who protested, "He's not entitled to it!", and the Judge declared: "I won't do it!" As Mrs. Van Hyning put it: "The Judge simply lost control of himself". Dilling, with his usual bow and calm courtroom manner, quietly said he thought the Judge should want to disqualify himself, as the case concerned, from what little they had been able to learn, the anti-Jewish writings of the defendant, and since "your Honor is a Jew," a fair and impartial trial could not be granted the defendant. With the inconsistency born of rage, the Judge contradicted himself in the sentence by saying: "I won't do that; there is no reason for it; I'll send the case to the Chief Justice for reassignment!"—which means another judge would be assigned the case.

The Procession Moves

Mrs. Van Hyning had about twenty ladies with her. More wanted to go but could not find the courtroom. They all departed with Zemel trailing for the office of the Chief Justice, then being filled by a d push, another Jew, but not successful. As Zemel protested, this Acting Chief Justice said: "Why not give him a judge he is satisfied with?" He noted that Dilling had disqualified 26 judges as prejudiced, and asked "Are there any more?" Dilling said there were ten left and any one of them would be accepted, from Judge Bailey, a Democrat, down the line. So, despite Zemel's wails, the party departed for Judge Bailey's court. There another Jewish attorney was examining a witness and he also purpled with rage at this interruption, as they all trooped in.

A Compliment

"There seems to be a disturbance", the Judge remarked, and asked what it was about. Mr. Dilling spent some 20 minutes telling him. The Jewish attorney was heard to say: "There's that G - D - S - O - B of a Dilling again!", really quite a compliment from such a source. "Are ALL these people defendants?" asked the Judge? "No, your Honor", replied Dilling, "They are friends of the defendant who came along to see the show". Dilling told the Judge they had made a demand for the Information some three times in court and had served a written demand on the District Attorney. To put a defendant on trial without information as to the charges, is illegal, as the Judge knew, Dilling said.

"You didn't serve the right person", said Zemel: "You didn't serve ME!" "But you are an Assistant District Attorney, are you not, Mr. Zemel?" Dilling inquired. "I won't answer YOU about anything — only the Judge", Zemel answered. "Your Honor", said Dilling, "will you please ask Mr. Zemel if he is an Asst. District Attorney or not?" The Judge replied: "No, because I happen to know that he IS". Again, when Dilling handed up to the Judge two motions, one, another demand for the Information, and, two, a motion to dismiss the prosecution, Zemel piped up and said, as Dilling gave him a copy as required, of the motion to dismiss: "You gave the Judge two motions; you have only given me a copy of ONE", still pretending he was not connected with the District Attorney's office. "You have been served", was the answer, "with copies of both motions."

Another "Compliment"

The greatest compliment to the "Jewishprudence" of Dilling and Dilling was Zemel's proposition, after being beaten in the plan for another "kikeroo" court, to Dilling. Sr. He offered to delay the trial of Mrs. Van Hyning for a year, place her writings

—(Continued on Page 4)—

to study the Information before pleading.

In the Washington "Sedition Trial", the only Information or "Bill of Particulars" we ever got was the history of the Nazi Party of Germany! Yes, that is what I said. The birthplaces and residences of the various German officials and the first Nazi "putsch"—all that stuff—constituted the "Information". The indictment was as nebulous. All that Mrs. Van Hyning has had to date—and she was arrested MARCH 4TH is the warrant for her arrest stating the number of the statute under which she was being arrested! This statute makes it an offense to libel a race or religion unless the truth of the statements can be shown. At each court appearance, the Dilling attorneys have made a demand for the Information. In addition, a registered demand in writing was served on the District Attorney.

The day before the Van Hyning case was to come up, in checking the court call calendar, it was discovered that, instead of the Christian judge to whom this case had been assigned, Jewish Judge Caplan, who held "kikeroo court" in behalf of the Red rioters, was set to hear it! In the Father Terminiello case, Harry Eisenberg, Assistant Corporation Counsel of the City of Chicago, another Jew, had taken part in the prosecution of Father Terminiello.

As the Dillings entered Caplan's court,

VAN HYNING TRIAL IS SET FOR JULY 22nd TO BE HELD AT CHICAGO

under supervision (by Jewry), and, if she wrote nothing unfavorable to Jewry, to have the case against her dismissed. Dilling laughed at him. The trial is now set for July 22nd.

Javits-Klein-McKeogh-Powell Bill
Enthusiastically backed by Jewry, which has been emboldened by the Supreme Court decision on the Illinois statute under which Beauharnais was convicted and Mrs. Van Hyning prosecuted, the Jewish Congressmen, Javits and Klein, and the Red Negro Cong. Adam Clayton Powell, have introduced a similar bill making it a criminal offense to "libel" a group because of race or creed, unless the truth of the charges can be proven.

This would be an excellent bill under American jurisprudence. It is intended only to railroad truth-tellers about Jewry under the new Jewishprudence, Jew Deal appointed judges and "kikeroo" courts.

It is impossible to libel the Jewish religion, for its "rule of life", as stated by the Chief Rabbi of Great Britain, in his introduction to the English translation of the Babylonian Talmud (Soncino edition, London, 1935-6) is this collection of criminality, obscenity, and libel against all non-Talmudists.

Talmudism a Criminal Code

In every civilized country, not under Jewish Communist rule, there are laws against incest, sodomy, rape, murder, theft, perjury, etc. My compilation of photostats from the above edition of the Babylonian Talmud, the Jewish Encyclopedia, Jewish Kehilla, etc., is entitled **THE PLOT AGAINST CHRISTIANITY**. There are some 300 reproductions in it, practically all of them full-page, and successive full pages, with the title pages of each book used also reproduced. The originals can be subpoenaed from libraries, etc. NO ONE can refute the genuineness of these Jewish authoritative sources.

McGinley's Challenge

Copies of this compilation in book form are in ten foreign countries, from Egypt to England and France, India, Pakistan, etc., as well as in every state in the Union, here in America. **COMMON SENSE**, the finest

and most anti-Communist paper today, has thereby made public the murder threats, the bombings of their Union, New Jersey, plant, the beating with tire chains of friends of the editor, Conde McGinley, leaving them bloody in the gutter, the shattering of their windows, the boycott of the Jewish War Veterans which made it impossible to get paper—all illegal terrorism. Send for the May 1st issue (\$1 per year, if the editor is not assassinated by the Jews). He gives the auto license number of the car which bore the would-be assassins—yet the police have so far done nothing to punish the would-be assassins.

As McGinley told the Jews who phoned their murder threats to him, liquidating him will never stop the spread of the truth. Others will step up to take his place, and I would say the same. My compilation can be reproduced by anyone in any state and in many foreign countries. Whatever is done to me will be laid squarely where it belongs, on the doorstep of Talmudic Jewry.

Religiously, the so-called "Jews" are followers of the Tradition of the Pharisees, which Christ denounced as Satanic, as a nullification of the "Old Testament." Read John 8:37-44; Matthew 23—all of which is a denunciation of the cult of Pharisaism. In written form it is the Babylonian Talmud and Cabala of sorcery, demon-invocation, all of which is exorcised by the Old Testament. Racially, as **COMMON SENSE** has to often asserted, they are a mixture of every race and nation, preponderantly descendants of the Asiatic, non-Semitic Chazars who entered Eastern Europe, first, in 198 A.D., acquired an empire, conquered in 1016, finally, by the Christian Russians. The Chazars and imported Rabbis from Babylonia where this conglomeration of bloody paganism and sex worship had been hatched for some 1,626 years, from 586 B.C. until 1040 A.D. Then, the last Babylonian "academy" moved out into Europe, infesting the Middle Ages with witchcraft and demonism, "black arts", and superstition. It is the descendants of the Eastern European Chazars who have swarmed to America bringing with them the Babylonian Talmudism their forebears adopted in 740 A.D.

The Israelites were a congregation, never a pure race. From the time the founding sons of "Israel" (Jacob) started the twelve tribes of Israel, they were a mixture. Three of these sons (Judah, Simeon and Joseph) married Hamites, not Semites. Because the majority were pagan abominators, God, as He had warned, had them slaughtered and deported by the Assyrians (721 B.C.) and by the Babylonians (586 B.C.). The same proportion prevailed on their return for the birth of Christ (536-458 B.C.). The little remnant who had preserved Scripture for us accepted Him as the foretold Christ, leaving the pagan Pharisees little competition within the Sanhedrins. How they defeated the Sadducees and revamped the Scriptures in line with pantheistic paganism, may be read in the reproductions from the Jewish Encyclopedia (Exhibits 264-271). That Judaism is Pharisaism is related by the current head of the Jewish Theological Seminary of New York, Chicago, Los Angeles, Rabbi Louis Finklestein, in his **"THE PHARISEES"** (Exhs. 1-3 in my **PLOT AGAINST CHRISTIANITY**).

The over-all doctrine of Pharisaic or Talmudic Judaism is that all non-Talmudists are non-human in rank, and are created as "the people like an ass" to act as burden bearers for Talmudists, or be milked or befed like cows, as in Communist Jewish-run countries, today. The formerly censored text of Kethuboth 111a (Exh. 148) is completed in footnote 12, "the people that are like an ass (12), slaves who are considered the property of the master." The Pharisees "held that only Israelites are men . . . Gentiles they classed not as men but as barbarians," and as, allegedly, God "withdrew His legal protection from them, and transferred their property rights to Israel . . . Gentiles were excepted from the general civil laws of Moses . . . Gentile—property is considered public property, like un-

claimed land in the desert" (Jewry. "Gentiles", Exhibits 268, 269, 270, Exh. 269 is an intimation of the Talmudic law or Mishna concerning law suits which sets the pattern for "Sedition Trial" and Van Hyning case "Kikeroo" technique: "if a Gentile sue an Israelite, the verdict is for the defendant; if the Israelite is the plaintiff, he obtains full damages". In the Talmud book of Baba Kamma (113a, p. 664 of Soncino edition,) this is amplified. Lying and circumvention may be used against the Gentile in court, unless this is apt to be discovered and Jewry as a whole be exposed for its criminal code. **COMMUNISM IS JUDAISM IN ACTION.**

Sodomy with little boys is allowed and with little baby girls under three, and with a neighbor's wife (Sanhedrin 54b-55a, 58b; Exhs. 54, 59). Standard Talmudic doctrine is that baby girls under three may be raped or married by grown men (Exhs. 81, 133-6, 159, etc.). Intercourse with animals and dead bodies, incest with dead bodies, is allowed (Exhs. 158, 163, 89), and sodomy with a very sick person, a "terefah".

A RABBI SPEAKS! FORETELLS GENTILE DOOM

END OF WHITE RACE PLANNED WITH MONGRELIZATION, END OF CHRISTIANITY DECREED

By RABBI EMANUEL RABINOVICH — REPUBLISHED BY REQUEST

The following is a speech of Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952:

"Greetings, My children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to precipitate World War II within five years.

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nation wide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. (The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections). The Russian, as well as the Asiatic peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany.

(We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet

power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspoke anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of welding the United States into a devoted anti-Russian unit.)

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commission into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Quotation from gathering) Rabbi Rabinovich, what about the various religions after the Third World War?

No More Religions

RABINOVICH: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

Will Sacrifice Their Own People

We may have to repeat the grim days of World War II when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point out to you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios are the mouth pieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against him. Our interests in Washington are greatly extending the Point Four program for developing industry in backward areas of the world so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the whites can offer no resistance against the larger masses of the dark races, who will maintain an unchallenged technological superiority.

And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the Light of the World!"

(This transcription of Rabinovich's speech was given me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally making his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

BROTHERHOOD WITH ANTI-CHRIST!

BROTHERHOOD ANTI-CHRIST

By ELIZABETH DILLING

Brotherhood with the anti-Christ is a favorite occupation of "liberal", "tolerant" Christians of all denominations, these days. Modern followers of the "Ancient and Dishonorable Order of Judas Iscariot," however, have degenerated. The founder, Judas, had the decency to feel such remorse that he went out and hung himself.

In the summer and fall of 1950, the

COMMENT BY EDITOR

Regular readers of COMMON SENSE realize to what extent organized Judaism would reach to neutralize those who would oppose the Jewish program to wipe out Christianity should the Jewish plan become generally known. In Spain the Jewish Marranos infiltrated the church for 500 years becoming Priests and Bishops in order to destroy her from within.

COMMON SENSE numbers among its many clergymen readers more than 600 Catholic Priests. Clergymen who read COMMON SENSE understand this atheistic world plan, many others do not. It would certainly seem that of all people, Catholic Priests should know the tremendous responsibility they have and make it their business to study and learn who is responsible for the worldwide conspiracy against Christianity. The Jewish question is by far the most important question before the world—more important by far than the Atom Bomb, Hydrogen Bomb, War or Taxes.

Here in the United States, the Anti-Defamation League (Jewish gestapo) of the B'nai B'rith directs the clever plan to use Christians to keep Christians quiet until the plan for Jewish World Government has been completed. They use many means to trick the clergy into pulling Jewish chestnuts out of the fire. The Rabbis do not dare defend their own program and the Jews know the public will accept the Priest's word assuming he knows what he is talking about.

When Rev. Robert E. Carson, Priest of Philadelphia, enters a field in which he is thoroughly unfamiliar and takes up a subject about which he knows nothing, he must realize he is open to criticism and attack. This Priest may be a graduate historian, but if after reading the following article, he still feels he understands Judaism, two former Jews associated with COMMON SENSE or a Priest will be happy to show him how little he knows. Any self-respecting Catholic should be ashamed of a Priest who would attempt to defend Judaism which is based on hatred of Christianity and be so arrogant in his attack on a Protestant Minister. Judaism is responsible for Communism and all traitorous revolutionary movements. This Priest has allowed himself to be used as a dupe. He says he is a better Christian than Rev. Winrod—this we shall leave to Our Lord to decide. We know Rev. Winrod hates no one, but loves Jesus Christ sufficiently enough to cause him to stand up against those who would erase Christ's teachings from the earth. We challenge Father Carson to compare his record for trying to save our country from Communism to the sacrifices and many years of tireless efforts exposing Communism by Rev. Winrod. (Rev. Carson may use the columns of this paper if he so desires.)

All true Christians should unite against the organized minority who have brought Marxism to our shores, along with planned confusion, war, bankruptcy and fear for our once happy and God-fearing country.

JEWISH EXAMINER of Brooklyn ran a series of seventeen vitriolic anti-Christian articles entitled: "THE SOUL SNATCHERS." The front page headline of the July 21 number, for example, was: "BORO PAR-ENTS, RABBIS AROUSED BY TACTICS OF EVANGELISTS AMONG YOUNGER GENERATION," with the sub-headings: "SPUR EFFORTS FOR LEGAL PROTECTION," and: "THE SOUL SNATCHERS—Part Nine—CORRUPTERS OF YOUTH." The July 28th issue was headlined: "CRIMINAL CODE MAY BE INVOKED AGAINST MISSIONARY RACKET." This article proposed to prosecute any Christian missionary who converts an under-age Jew, under the statute which makes it an offense to contribute to the delinquency of a minor. In other words, Christian faith is classified as criminal moral degradation. "CAMPAIGN TO COMBAT MISSIONARIES TO BEGIN NEXT MONTH" was the front page caption Dec. 22, 1950. Yet, on the other hand, the American Jewish Year Book boasts regularly of Judaizing propa-

gate of the Lord's house which was toward the north; and behold, there sat women weeping for Tammuz" (Eze.8:13-14). Evidently the above priest sent a copy of his letter denouncing Rev. Winrod to the JEWISH EXAMINER which prints it. To quote:

"Philadelphia — Election hate propaganda now flooding the country encountered a sharp and unexpected obstacle this week when a Catholic priest sent back some bigoted material he had received in the mail. Rev. Robert E. Carson, principal of the Southeast Catholic High School of this city, received the biased writings from an organization called 'Defenders of the Christian Faith.' The batch of hate included the currently widely circulated item, 'The Philip Dru Case,' being spread by frontiers' — Father Carson wrote:

"In today's mail I received from your group some literature with reference to Communism and the Jewish people. After reading this trash, I decided to let you know just how I feel, as a Catholic priest, about Jew-baiters and rubble-rousers like yourself."

Priest Denies Talmud Plot

"In the first place, the so-called 'facts' in your pamphlet entitled 'The Philip Dru Case' are not facts at all, but distortions and misstatements. I feel that you are fully aware of this. As a graduate historian and a holder of a Master's Degree in United States history, I know that your nonsense about the 'Talmudic Plot' to overthrow the government of this country is just, to put it succinctly, so much tripe."

"The Jewish people have by their sweat and genius done a great deal to make our country the great nation that it is. From the beginning of our history they have worked alongside Catholics and Protestants for the advancement of Americanism. You, want to exploit differences in our religion, in order to make money by selling your grubby little pamphlets and disgraceful magazine. In this diabolical work, sir, I wish you all the failure in the world. May God strike with his chastisements, and bring your efforts to set American against American to a speedy and unglorious end."

"I suggest that you who profess to be a minister of God (you are, in fact, nothing of the sort), open your Bible and read John I beginning to end. Then kneel down and acknowledge your sin, and begin to live like the Christian you pretend to be. I cherish the Christian Faith a great deal more than you do, I am sure."

This ends the article, carried as a eulogy to Rev. Carson, in the JEWISH EXAMINER, for his lambasting Rev. Gerald Winrod, publisher of DEFENDER magazine and distributor of the pamphlet "The Philip Dru Case," in its issue of the "11th day of Tammuz."

Elizabeth Dilling Writes Rev. Carson

Dear Rev. Carson:

Permit me to join in the acclaim the JEWISH EXAMINER gives you in their front page reprint of your forthright letter to Rev. Gerald Winrod concerning his "grubby little" pamphlet, "The Philip Dru Case" and his "disgraceful magazine," the DEFENDER and its aspersions upon the "Jewish people." As a graduate historian and a holder of a Master's Degree, as you say, you are of course familiar enough with the TALMUD to speak with authority about any such "TALMUDIC PLOT" being "tripe." Your admiration for "them which say they are Jews" (Rev. 2:9;3:9), who are

"Priest Rebukes Hate Frontiers"

The above is the heading of a front page report in the JEWISH EXAMINER dated: "Friday, July 4, 1952, 11th day of Tammuz." Tammuz is the 10th month in the Babylonian calendar which is the Jewish calendar, today. Tammuz was the male sex procreative god for whom the women wailed and fasted when he supposedly ceased fertilization. This year the Fast of Tammuz falls July 17th in the Jewish "religious" calendar. God in a vision to Ezekiel denounced this pagan abomination, and: "said unto me, Turn ye yet again and thou shalt see greater abominations that they do. Then he brought me to the door of the

BROTHERHOOD

—(Continued from Page 2)—

Pharisees by religion, but by race are not Judaites for they are of all races and nations, is therefore based upon their TALMUDIC religion, or Tradition of the Pharisees, the one tie that binds. Your "John I" cites the Pharisees. Since you are fully educated on BABYLONIAN TALMUDISM, THE WRITTEN FORM OF THE TRADITION OF THE PHARISEES, you must also approve the five deaths they give Christ today: (1) sinking Him "in dung to the armpits" and pouring boiling lead down the throat to burn out His intestines; (2) sinking Him in "dung to the armpits" and strangling Him; (3) stoning Him to death; (4) decapitating Him; (5) crucifying Him as a "blasphemer." If you, yourself, are a secret Jew, a "Marrano," you approve, also, but will not suffer the TALMUDIC punishment decreed against all real Christians, who are consigned to everlasting Hell where "boiling excrement" is poured on them, and where Christ in everlasting Hell has "boiling semen" as His punishment.

Talmud Blasphemes Christ Fifth of Talmud Cited

In this supreme "religious" authority of "Judaism," as you know, all Christians rank as whores infinitely lower than Rabbi Dordia who visited every harlot in the world (Ab.Z.17a). All non-Talmudists, as you are aware, are rated as non-human animals without rights under any legal code. They are "people that are like an ass—slaves who are considered the property of the master"—the TALMUDIST (Keth. 111a). This, as you know, is being carried into action under Talmudic Red Anti-Christ rule.

You must likewise approve TALMUDIC doctrines permitting sodomy with baby girls under three, with a neighbor's wife, with little boys under nine, the raping of baby girls under three by grown men, incest with dead bodies, bestiality, burning children—all of them—to Molech as well as depraved Baal worship.

These doctrines, as you know, are specifically taught by TALMUDIC halachah in the Mishnah, as may be seen in the English translation of the BABYLONIAN TALMUD, endorsed by the late Chief Rabbi of Great Britain, J. H. Hertz (Soncino, London, 1935-6).

Apparently, you find no fault with Judaism's TALMUDIC teaching that Mary was an adulteress and whose who "mated with carpenters"; that Jesus seduced women, committed bestiality with animals, did black magic, ran whore houses with old women at the doors and young women inside to get male customers drunk, then order them to disrobe and, as in Baal worship, thus worship the "idol," Jesus.

You have, no doubt, as "a historian and a holder of a Master's Degree," read the some 32 volumes of the supreme BABYLONIAN TALMUD and its fragmentary counterpart, the Yerushalmi, in Hebrew—but anyone can read it in English in the above edition, if the stomach is strong enough. With you, of course, I need not prove the above by sending you my book of some 300 photostats of authoritative Judaism, nearly a third being full page reproductions of the above Soncino edition pages, since you already know all about it and approve.

As you are not only a "historian and a holder of a Master's Degree," but have studied Catholic Church history, you know the struggle which has been waged by the Popes, with few exceptions, against the Jewish religion and its TALMUD and CABALA. "The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees . . . The TALMUD is the largest and most important single member of that literature," states the Universal Jewish Encyclopedia (1943), "Pharisees."

Popes damned Talmud

You know, therefore, that from the time of Gregory the Great (590-604 A.D.) the Popes struggled both to convert the Talmudists and at the same time prevent them from Talmudizing Christians. Gregory VII denounced favoritism to Jews and enforced laws prohibiting giving Jews power over Christians (1078). Innocent III ordered Jews to wear a distinctive arm badge so that Christians could avoid Talmudists as bearers of spiritual disease (1215). Pope Julius III ordered the burning of the TALMUD (1553), and great quantities of TALMUDS were burned in Rome. He enforced the wearing of a yellow hat by Jews and finally decreed that they should live in a ghetto. Pius V added some new restrictions including a prohibition against Christians kindling fires for Jews on their Sabbath, and in 1556 ordered them expelled from his territory. Gregory XIII added additional restrictions. Clement VIII again expelled them and prohibited the printing of the TALMUD (1593). Clement X ordered the ghetto gates closed during the night. Pius VI required Jews to wear a yellow badge on their hats and endeavored to isolate them while at the same time ordering them to listen to conversionist sermons from

blasphemous, anti-Christian literature.

In Luther, who, in his early period, criticized the Catholic hierarchy for its denunciations of Judaism, later uttered more vitriolic excommunications, if possible, against it, than the Popes. In "The Jews and Their Lies," and his "Shemhamphorash," he revealed Talmudic lies and aims and declared that all TALMUDS should be burned, along with the synagogues, and the bearers of this foul code be exiled or put to hard labor.

Judaism Religion of Pharisees

Since every Jewish Encyclopedia and history declares that the Jewish religion is the religion of the Pharisees, you know this, and you also know that the Christ, whose Cross you should reverence, hurled more terrific excommunications at the Pharisee sect and all that it stands for, than you have addressed to anti-Pharisee Christians because they are following Him in denouncing this evil.

If, perchance, despite that "Master's Degree," you should be a bit dumb, instead of being a Marrano, or pro-TALMUD Judas Iscariot, I'd advise you to sit down and open your Bible and read Matthew 23—"beginning to end"—all of which is a running denunciation of Pharisaism by Jesus Christ. Then read John 8:37-44, a terrific damnation of Pharisees and their religion, and the rest of Christ's immortal warnings on those "which they say are Jews," at a time when the Pharisees had taken over and revamped their Babylonian paganism under the "whited sepulchre" pretense of adherence to the Bible (Rev. 2:9-10)—this was after His Ascension, of course, when the Godly Israelites had accepted Him foretold, and become Christians, and martyrs to Pharisee vengeance.

Then, you should apologize to Dr. Winrod and other loyal Christians who are wise and loyal enough to Christ to denounce the most criminal and Satanic code—BABYLONIAN TALMUDISM, so-called "Judaism"—that ever emerged from the pit of Hell. You will have a choice of positions: that you were ignorant of the truth, despite that "Master's Degree"; (2) that you are not ignorant of TALMUDISM, but defend it and fight its Christian enemies as a partisan of Pharisaism; (3) that you now repent and no longer wish to be an aide to the Pharisaical aim to eradicate Christianity from the earth.

Sincerely,

ELIZABETH DILLING.

Any curious non-Pharisee who is not "a historian and a holder of a Master's Degree," will find proofs of the above statements to Rev. Carson in my compilation of photostats entitled: "THE PLOT AGAINST CHRISTIANITY." (May be secured from COMMON SENSE at cost-\$1.25). The TALMUDIC doctrine that only Talmudists are "MEN," that is human beings, will be found in Exhibit 268. Also: "One who smiteth MAN (i.e. "that is—" an Israelite) attacketh the Holy One" (Ex.59). Sodomy with a "neighbor's wife," (Ex.59) is sanctioned on the same page. Logically, we "animals" have no property rights; these were all transferred to the Talmudists, "Israelites" (Ex.269). Gentile "property is considered public property, like unclaimed land in the desert" (Ex.270). Communism puts this into practice. Therefore, non-Talmudists may be murdered, cheated, deceived, providing this does not jeopardize other Jews. Jewry's "Torah" outlaws "the issue of a Gentile as that of a beast" (Ex.270). Non-Jews, called Cutheans, minims, Epikores, Epicureans, etc., may not only be murdered the effort to kill one is so laudable it excuses one for killing a Jew in the attempt (Ex.90,91,92, also 186). Non-Jews are "people that are like an ass—slaves who are considered the property of the master," (Ex. 148). Communist wholesale murders and slave labor camps are also authorized by such teachings as: "A Gentile observing the Sabbath deserves death . . . not even on Mondays is the Gentile allowed to rest" (Ex. 272).

Mary a "harlot" (SANHEDRIN Ex. 114 - 106-109) he rewards for the twenty-four thousand Israelites whose destruction he had accomplished. Mar Zutra b. Tobiah remarked in Rab's name. This is what men say. When the camel went to demand horns, they cut off the ears he had. (4) Deaths for Jesus ? Balaam did the son of Balaam, the seducer, (all the children of Israel sinned with the sword). A soothsayer? But he was a prophet!—R. Johanan said: At first he was a prophet, but subsequently a soothsayer. R. Papa observed: This is what men say. The who was the descendant of princes and governors, played the harlot with sorceresses. (5) (106b) Did the children of Israel die with the sword since that were slain by them? Rab said: They subjected him to four deaths, stoning, burning, decapitation and strangulation.

A certain man said to R. Hanina: Hast thou heard how old Balaam was?—He replied: It is not actually stated, but since it is written, Blood and deceitful men shall not live out half their days (it follows that) he was thirty-three or thirty-four years old. He rejoined: Thou hast said correctly. I personally have seen Balaam's Chronicle in which it is stated, "Balaam the lame was thirty years old when Phineas the Robber killed him." (6) Refers to Jesus

(a) V. 106d, XXV, 106: since Israel was thus seduced and punished through his advice, as stated above, he demanded payment. (b) So Balaam, demanding a reward, lost his life. (c) John XIII, 11. (d) As a punishment for willing to come Israel he was degraded from a prophet to a soothsayer. (e) Ship-draggers. (f) Rab's Harlot. Chertomsky in the Talmud, p. 25, suggests that Balaam frequently used in the Talmud as a type for Israel's sin. (g) Though no name is mentioned in which such women to follow, the mother of Jesus may be alluded to, which theory is strengthened by the statement that the word "with a sorcerer" (The Munich MS. has "in the margin" raised of 106d, 106e, singular instead of plural). (h) (106d). (i) This is suggested by the use of the plural "among them" (they were closely then, "amongst" that the various deaths inflicted upon others were all applied to Balaam. This he was, (unintentionally) a Jew was he under him (through) his head was struck off the execution, and then he was allowed to fall to earth (Exodus 17, 106e, 106f). (j) (106f). (k) In LV, 106, (106f) p. 27, 106, 106f. (l) According to the view that all the Babylonian passages regard Christians in tendency, Balaam's name is used as an allusion for Jesus. Phineas the Robber is thus taken to represent Phineas Phineas, and the Chronicle of Balaam probably to denote a Gospel (in Harlot 17, 106f). This view is however disputed by Decker and others. Cf. Ginsberg, Journal of Biblical Literature, XLII, 1943. See Ex. 17, 106f.

time to time (1775-1800). Pius IX, after his exile, during the Jewish Red revolutionary period, maintained the ghetto in Rome until it was abolished by the Jewish-led King Emmanuel occupation of Rome in 1870. His successor, Leo XIII, bestowed distinctions upon the "anti-Semitic" politician and writer, Lueger and Drumont, the latter being so honored for his book "La France Juive," which forcefully depicted the degeneration of France under Jewish influence. Leo VIII reigned until 1903.

BROTHERHOOD

—(Continued from Page 3)—

"The best among the Gentiles deserves to be killed" (Ex. 273). The 7th and 12th "benedictions" of the Shemoneh Esreh, recited thrice daily by the Orthodox, curse the Christian: ("minim") to hell (Ex. 266 266 continued, 284).

JESUS

The Balaam passages refer to Jesus, as cited by Ex. 275: "the pseudonym 'Balaam' given to Jesus in Sanhedrin 106b and Gittin 57a. 'The Sanhedrin passage, from 105a-106b, appears in Ex. 106-15, and Gittin 57a Ex. 178-80. Every foul charge is made, TC DAY, Christ is given four "legal" deaths (Ex. 274, 114) then crucified as a "blasphemer" (Exh. 51, 276). His trial by the Sanhedrin, Ex. 56, 75-6, 276. He is also charged with being a bastard, poisoner, seducer, guilty of bestiality with animals, a fool, a sorcerer and idolater. His mother a harlot and adulteress. In general, He is portrayed as a "Balaam" enticing people to commit the sex abominations of Baal worship. Ex. 274-80, of the Jewish Encyclopedia, summarize these charges. For His whore houses, see Ex. 112.

The method of strangling Him in "dung up to his armpits" (Ex. 53); of burning Him in "dung up to his armpits" (Ex. 52; footnote, Ex. 151); of stoning Him to death (Ex. 49, 48, 50). Under false names His Apostles are executed (Ex. 47), the real names given (Ex. 273). He is crucified (Ex. 51, 276). In the Gittin 57a passage, referred to above, and described in part by Ex. 279 Christians are all in Hell where "boiling excrement" is poured on them and "boiling semen" on Christ (Ex. 201-2). The obscene teaching attributed to Him is that the "hire of a harlot" may be used to build a privy for the High Priest, and that even talking to a Christian is like going to a harlot's house (Ex. 177-8). If a woman's smallest sin is incest, then her greatest sin must be Christianity ("minim"). One guilty of incest or of visiting all the harlots in the world, like Rabbi Dordia, is allowed to die in peace, but never one guilty of "minim" (Ex. 178-80). Christians are "idolaters". Actual idolatry such as Baal worship, however, is not "moral depravity" (Ex. 294, 61). Burning children to the demon Molech—all of them—is permitted despite the terrific exhortations of this ancient crime by the Bible: Lev. 18:21; 20:2-5; IIKI, 23:10; II-Chron. 33:6; Isa. 57:5; Jer. 32:35; Eze. 16:20-2, 36.

"PURITY"

A mother's incestuous relations with her son do not blemish her purity, if his age is right (Ex. 82), nor does bestiality mar her virtue (Ex. 157-8); sex relations with small boys is sanctioned (Ex. 135). The general law is that a baby girl is "sexually mature" at 3 years and 1 day, a boy at 9 years and 1 day. With children under these ages anything is permitted and the adult held blameless. Sodomy with children: "no guilt is incurred... for the adult" (Ex. 54). Grown men may rape babies under 3 and marry them at 1 day over 3: Ex. 54-5, 81, 133-35-36, 156-59-60, 189. Killing, or committing sodomy with, and incurably sick person, "terefah", sodomy with a dead body or incest with a dead woman is authorized (Ex. 88-9, 163).

"BROTHERHOOD"

Rev. Carson is welcome to his cherished "bond of BROTHERHOOD" with those whose supreme religious authority is the BABYLONIAN TALMUD. St. Paul said: "come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing, and I will receive you" (II Cor. 6:17). Judaism's "reprobate mind" is like the dog "turned to his own vomit again; and the sow that was washed to its wallowing in the mire" (II Peter 2:22).

The Talmud consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedom, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until, and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

NATIONAL RENAISSANCE PARTY
IS - C

An item appearing in the Daily Worker for Tuesday, 5/26/53 on page 2 indicates that a New York Fascist Rally had been held at 87th St. and 2nd Ave. under the auspices of the National Renaissance Party and was one of a series of weekly Friday night meetings held in Yorkville.

According to the article the speaker at this rally was KEITH THOMPSON. THOMPSON attacked Jewish merchants in the area and alluded to the late President ROOSEVELT as "ROSENFELT" in the traditional fascist style of JERALD L. K. SMITH. According to the a 4 page printed leaflet was distributed at the time of the meeting which leaflet was headed "National Renaissance Bulletin".

According to the article the National Renaissance Bulletin contains a statement indicating that the National Renaissance Party was organized in 1949 to combat both Communism and parliamentary democracy. The National Renaissance Party believed in the principles of America first and racial nationalism.

The Daily Worker may be found in 97-82-1B8.

Rules Calling Person "Red" Libel Grounds

TRENTON, Oct. 23 (U.P.)—Superior Court Judge John B. Wick ruled today that calling a person a "Red" was sufficient grounds for libel action.

"Calling a person a Red is equivalent to calling him a traitor," Wicks said.

He refused to dismiss a \$250,000 libel suit brought by Rabbi Joachim Prince, congregation B'nai Abraham in Newark and national vice president of the American Jewish Congress, against Conde McGinley, editor of a paper entitled "Common Sense."

Wick upheld the Rabbi's contention the words "Red" and "Communist" were synonymous and possibly libelous if misapplied. Prince's suit charged McGinley called him a "Red Rabbi" in print in April 1952, and refused to publish a retraction. No trial date has been set.

Representatives of the American Jewish Congress said they believed it was the first such case in the country to involve a rabbi and the first in which the word "Red" rather than "Communist" was at issue.

Newark is receiving an increasing number of letters from field offices throughout the United States advising of complaints received regarding the newspaper "Common Sense," which is being received in the mail by the complainants.

It is believed that the Bureau may wish to furnish, as part of an SAC Letter or Bureau Bulletin, all offices with a sketch on this publication and its editor, and to that end the following is being submitted:

CONDE J. MCGINLEY
530 Chestnut St., Union, N. J.
Post Office Box 807, Chestnut St. Station
U. S. Post Office
Union, N. J.

CONDE J. MCGINLEY, who at one time used the pen name GEORGE CHILTON, was born October 13, 1890 in Norman, Oklahoma. He resided there until 1930 when he moved to Dallas, Texas. After his residence in Dallas, he moved to the New Jersey seashore resort town of Belmar and he assisted his wife in the establishment and operation of a small chain of curb service restaurants known as Celia Brown's. The restaurants operated successfully during the early 1930's up to 1941. In 1941, the enterprises failed and the MCGINLEYS opened a restaurant at Fort Dix, N. J. (a U. S. Army installation). This restaurant was also a failure as was another venture at Wrightstown, N. J.

In 1944, according to a report received at Newark by the State Police, MCGINLEY and his wife had separated. He was residing at 1259 Stuyvesant Ave., Union, N. J., where he operated a small lunchroom. His wife and unmarried child were residing at 7 Village Rd., Old Mill Farm Village, Wall Township, R.F.D. Sea Girt, N. J.

During World War II, MCGINLEY was employed as an inspector at the Elastic Stop Nut Corporation of America, Union, N. J., where he was considered to be a hard worker, to be patriotic, with a son in the U. S. Marine Corps, and a follower of Father COUGHLIN.

According to Confidential Informant [REDACTED] who met MCGINLEY in 1944, CONDE J. MCGINLEY was in no way un-American or anti-American, but was sympathetic with Germany on the grounds that the Germans were fighting Communism and that the portion of Nazi philosophy which dictated the extermination of all Jews was a correct one. The Informant has reported that MCGINLEY and his associates are violently anti-Semitic, that they consider themselves "Nationalists," and that they are dedicated to the "saving of America from the invisible government or world government of Zionism." MCGINLEY and his associates, according to the Informant, consider Communism as but a part of the plot of Zionism for world government and the defeat of Christianity.

"COMMON SENSE," FORMERLY "THINK WEEKLY"

According to the files of the Newark Office, CONDE J. MCGINLEY started a modest publication known as "Think Weekly" in July, 1946. His paper was dedicated to the fight against the Communist threat to Christianity. It is reported that the paper met with some success with local religious groups and service clubs and MCGINLEY was invited to speak before these religious groups and service organizations. He appears to have been particularly welcome at local Roman Catholic parish meetings at which his attack upon Communism was well received.

In June, 1946, the name of the publication was changed to "Common Sense." The size of the publication was increased from letter size to tabloid and was then captioned "The Nation's Anti-Communist Paper."

At first, the publication "Common Sense" used the theme of Christianity against Communism. Review of items appearing in the paper reflects that in these articles, MCGINLEY invariably referred to Communists as "Zionist Marxists" which tends to bear out the report of the Informant that MCGINLEY was militantly anti-Semitic, that he considered all Jews as Communists, and that he considered Communism as a part of the Zionist plot for world domination.

In the past several years, the articles appearing in "Common Sense" have become openly anti-Jewish and the editor has adopted the practice of placing the word "Jew" in brackets after the name of those he attacks.

Director, FBI

In December, 1946, CONDE J. MCGINLEY organized an action group to aid in the distribution and sale of his newspaper. The group called itself the "Loyal American Group" and under the direction of MCGINLEY, held monthly meetings and sponsored open lectures on Communism. The Loyal American Group also set up a speakers' bureau, making available lecturers on Communism.

One of the guest speakers at these lectures was HENRY McFARLAND of the "Philadelphia Nationalist Action League." According to the Informant, McFARLAND and MCGINLEY frequently conferred with each other and exchanged anti-Semitic articles and literature which are apparently received in large volume by both MCGINLEY and McFARLAND.

In the summer of 1949, an announcement appeared in "Common Sense" indicating that it, "Common Sense," was to become the official organ of the Nationalist Action League. The Loyal American Group was to become the New Jersey unit of the Nationalist Action League. It is noted that the Nationalist Action League was cited by the Attorney General as a Fascist organization coming within the purview of Executive Order 10450. According to the Informant, this merger did not last long either because of a misunderstanding between MCGINLEY or McFARLAND, or more likely because MCGINLEY had learned of the above citation in connection with the Nationalist Action League's efforts to have itself removed from the Attorney General's list.

Following the unannounced discontinuation of this alliance with the Nationalist Action League, meetings of the MCGINLEY group were held under no organizational sponsorship, but were held and announced as simply under the auspices of "Common Sense."

Until March, 1953, "Common Sense" was published from the address 2001 Pleasant Parkway, Union, N. J. Mail for MCGINLEY and "Common Sense" was received through Post Office Box 428, Union, N. J. The 2001 Pleasant Parkway address is a converted store which served as publication office and home of CONDE MCGINLEY.

According to the Informant, MCGINLEY lives on the bare necessities of life, devoting all his time, energy and the monies received for subscriptions and as donations to the publication of his newspaper "Common Sense."

The Informant has reported that MCGINLEY claims that his circulation is between 200,000 and 300,000 copies of each issue. He uses telephone books,

organizational lists and any available source to make up his mailing lists. This item tends to explain why so many offices throughout the country have advised Newark of complaints received from indignant people who do not know how or why they have been sent such a publication.

In March, 1953, CONDE J. MCGINLEY, according to the Informant, moved to 530 Chestnut St., Union, N. J. According to the Informant, this address was an abandoned roadhouse tavern which is now used as the publishing office and home of CONDE MCGINLEY. According to the Informant, MCGINLEY purchased this property for \$36,000 but has only paid approximately \$10,000 to date for the property.

In the summer of 1952, CONDE J. MCGINLEY attended the Nationalist Convention in Chicago and is reported to have addressed the convention in connection with his newspaper "Common Sense." He is reported to have advised his associates upon his return from the convention held early in July that he was amazed with the reports he had received at the convention on how well received was his paper "Common Sense."

According to a report made by Confidential Informant [REDACTED] on 11/27/53, MCGINLEY's latest issue of "Common Sense" will be given a distribution of 1,000,000 copies. MCGINLEY's specific objective with this issue is to get his paper into the hands of law enforcement officials and legislators.

According to reports received at Newark from time to time, CONDE J. MCGINLEY has contact with numerous organizations and some of these organizations are of interest to the Bureau in connection with overall intelligence activities. A few of the organizations are as follows:

- The White Circle League of America
- The Nationalist Action League (now defunct)
- The American Committee for Advancement of Western Culture
- The Constitutional Educational League
- The National Renaissance Party
- Voters Alliance of Americans of German Ancestry

A copy of this letter is being submitted to Cincinnati in answer to a request for background information on MCGINLEY and the newspaper "Common Sense" made in a letter dated 10/23/53.

THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES --- THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT --- FEW EVER ELECTED --- THOUSANDS MORE ON THEIR WAY

I. YOU WILL BE SHOT:

II. OR AT BEST CONFINED TO THE CONCENTRATION CAMPS they have built for you at Avon Park, Fla.; Alameda, Pa.; Florence, Ariz.; Tula Lake, Cal., and El Reno, Okla.

III. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the past year, and now has its key men in the armed positions of power, ready to pull the strings which will submerge Gentile humanity forever.

IV. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless creatures engrossed with the egotism of

XV. The International Jewish Council met at Basle, Switzerland, in 1905 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced \$5 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief

plan--see the Protocols).

XX. "Economic crises have been produced by us for the goyim (Gentile) but by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "Mutlins on Metal Reserve" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1907 ("which occurred in a year of general prosperity"), 1921 and 1929 were caused in the same way, and the details are similarly documented.

XXII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I in line with the Protocols plot. Without such loans there would have been no war as neither side could afford war. But the Jews wanted

ment positions and live in luxury with the finest cars and mink coats while the Gentile population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXVIII. The world crisis is made by BENARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL, WARBURG, LEWIS L. STEIN (of Kuhn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EINSTEIN, and the rest of their Jewish conspirators.

EISENHOWER, on BARUCH's advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White House destroyed.

XXXVI. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EINSTEIN was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EINSTEIN in a letter to Jew WILLIAM FRAUENGLASS, New York teacher, advised all witnesses to refuse to answer

XVI. THE JEW PLAN

(a) To cause wars to consume the American Gentile manpower which should be the seed of this nation.

(b) To replace the consumed American Gentiles with Jewish immigrants from Europe and Asia.

(c) To consume the money of the American Gentile population by the direct and indirect taxes necessary to pay the interest to the Jewish international bankers on the national debt and to pay national budgets

Constitution, and trial by jury. It makes it a crime to say anything reflecting upon any race, or group, and this law the Jews want so they can proceed unhindered, in their plot, and it will be criminal to accuse them.

(i) Universal Military Training is for the purpose of getting the young men of America under control of the Jews for 8 year periods and with the military whip hand over them, they will be forced to study and accept Communist propaganda. Those who accept will be given the advancement and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

(4) The Human Rights Covenant, drawn up by ELEANOR ROOSEVELT, DEAN ACHESON, and two Russians, gives the government of any member nation of the United Nations the right, if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take over all industry and all labor.

This is the means they intend to use to spring the trap on the United States and take over the government with their dictatorship. They are also pushing to do the

of Public Law No. 264, but caused adoption of the policy whereby we were not allowed to win the war.

Protocol II-1 says "It is indispensable for our purpose that wars, so far as possible, should not result in territorial changes, we will thus be brought to the economic ground."

Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves."

LIV. EISENHOWER advocated the LENIN MAN-inspired legislation to admit 214,000 additional immigrants (mostly Jews, you will see) to replace the Gentile Americans destroyed in the Korean war. Eighteen gulible Republican Senators sponsored this legislation which they would have voted introduced it, but now they consider they have a "Republican" Revolt. Since the end of World War II, ACHESON let in five times as many immigrants as the law allows and 77 per cent of them were Jews. Congress stands silently by while all this goes on as though it were a little child and

with Red China.

(c) He refused to enable CHIANG KAI-SHEK to invade the mainland.

(f) He refused to win the Korean war.

(g) He gave the Communists everything they asked in the true negotiations, including giving up the strategic island of Cho and two others.

(h) He is against tax reduction, although he had promised it.

(i) He has refused to clean out the Reds in government positions.

(j) He is against McCARTHY and never talks against the enemy from within but only against the enemy from without. (In time with the Protocols wherein they say they will divert the attention of the people while they do their work of the plot.) To give the Gentiles no time to think, their minds must be diverted . . . thus all nations will take no note of their common foe-4."

(k) He is for the United Nations (which is to be the Jewish World Government).

(l) He appointed the pro-Communist Harvard President CONANT as High Commissioner of Germany.

(m) He appointed the BARUCH-WEINBERG chosen BOHLEN as Ambassador to

same thing by urging passage of standby mobilization legislation, for which BARUCH appeared before Congressional committees, and for which he has made public speeches, advocating that the President be given complete authority to mobilize everyone from 17 to 70, in event of attack or threat of attack by Russia, a threat he and his gang will bring about at the earliest time, because they control the government of the Soviet Union, as well as of England, France, Israel, and the United States.

THE PASSING OF THE WHITE RACE
XLVIII. Jews keep themselves segregated and do not intermarry but they want the Gentiles to intermarry with colored races. Why not, then, the Jews? Oh, no, they consider themselves "the chosen people" to rule over all the other races of the world. This plot could not go on if the newspapers of the country would inform the people. Papers daily speak of the world crisis yet not one of the regular commercial

not supposed to know.

LIV. HENRY MORGENTHAU JR., Secretary of the Treasury, with HARRY DEXTER WHITE (WEISS), Under Secretary and Communist who committed suicide when exposed) and HAROLD GLASSER—all Jews in charge of our Treasury—gave to the Communists money plates complete with three plane-loads of secret ink and four plane-loads of secret paper for printing our money in East Germany to pay two years' salary to Communist soldiers.

Jewish refugees brought millions of this money to the U. S. to set up in business. LVI. More Koras are to come in the future, to consume more Gentile American manpower which should be the seed of this nation. We now have our men scattered in 49 countries.

LVII. More letting down of the Immigration Laws is to come, to let in more Jews to take the place of the consumed American Gentiles.

LVIII. When the United States is worn

Russia, he being a ROOSEVELT-TRUMAN favorite interpreter and adviser, who still contends the Yalta and Yehetran decisions were right.

(a) He appointed the ROOSEVELT-TRUMAN favorite General WALTER BEDL SMITH as Undersecretary of State, who is one of the five men who knew the Jews were on the way to attack us at Pearl Harbor and did not alert our forces there.

(b) He sponsored the legislation to admit 214,000 additional aliens in the next three years and secured its passage.

(c) He is against the WALTER-MCCARRAN Immigration Law.

(d) He is for raising the debt limit of the United States.

(e) He is for keeping up the foreign spending to finance socialist governments in other countries while tearing down the United States.

(f) He is against bookburning but wants U. S. citizens taxed to supply Red slanted books to foreign libraries.

Semitism is "Jew-conscious." If a group is guilty of a crime against others, then they should be deced as a group, just as you would decy the Capone gang or the Mafia for the same reason.

Members of Congress, Awaken now or you will be shot! This is your last chance. When the Jews pull the dictatorship, they will shoot you or put you in concentration camps. You have presided at the passing of the United States and the passing of the white race. You let it happen. Now get together in one mighty effort to stop it. This is reality. You have only one chance left and that is to arrange a simultaneous outcry by a group of your fellow members of Congress to indict this conspiracy by the size of which the Capone gang and the Mafia are infants. The Jewish Anti-Bolshevik League, it's Brui Brith, the American Jewish Congress, are subversive conspiracies carrying out the Jew plot. They are a "Gestapo" in every community. The Jewish communities everywhere fully cooperate — none disavow it. They have been taught it for hundreds of years. The Protocols of Zion are being fulfilled. Act now or your posterity will be slaves forever! BENJAMIN FRANKLIN predicted

this in his Convention Speech in 1754, and you have carried it out and brought it to the point at which the trap is about to snap. Get together at once and undo it or be prepared to take the consequences and you and your posterity will be wiped out or go into slavery forever. There is no time for delay.

In case you think we are prejudiced, history for more than 1,000 years indicates that wherever these people have settled that it was necessary to evict them eventually—Babylon, Spain, France, England, and as recent as 1939, Germany. And it will happen in America.

What YOU Can Do
TO U. S. SENATORS and CONGRESSMEN

1. Organize into a group willing to save America by simultaneous action.
2. Outlaw Communism.
3. Make treason during peace time a crime punishable by death.
4. Outlaw the Anti-Defamation League and the American Jewish Congress

(a) To cause wars to consume the American Gentleman which should be the seed of this nation.
 (b) To replace the consumed American Gentiles with Jewish immigrants from Europe and Asia.
 (c) To consume the money of the American Gentleman population by the direct and indirect taxes necessary to pay the interest on the Jewish international bankers on the national debt and to pay national budgets brought about by the cost of the wars and the preparation for wars.
 (d) To enforce non-segregation in order that intermarriage of white and colored races (which always results in colored offspring) will be brought about and thus cause the passing of the white race, which

 XLIX. Jews brought on World War II and its aftermath, had us fight it in order to remove the two barriers, Germany and Japan from Russian expansion in order to make the present World Crisis.
 L. The Jews caused the stooge THULMAN-CHESON gang to build up Russia to present a threat to the United States which they could then use to put the United States in a military dictatorship strait-jacket, which is fast on the way.
 LI. The Jews caused F. D. ROOSEVELT to give Manchuria and Poland to the Communists and to divide Germany and Korea — see results. FRANKFURTER directing the State Department, gave China to the Communists and sent General MAINTAL, their stooge, to spend 13 months breathing down enemies of Communism in China.

LII. They caused the Korean war to follow by having the U. S. refuse to arm the South Koreans, although knowing Russia by withdrawing our troops and announcing we would not defend Korea. Colonel ALFRED G. KATZIN is U. S. representative to Korea. Why worry about military secrets when Jews are in such key spots?
 LIII. This caused the invasion they desired, then they threw our troops in there without remnants of Communism in there.

LIV. More telling down of the Immigration Laws is to come, to let in more Jews to take the place of the consumed American Gentiles.
 LV. When the United States is worn down enough and the Russian Il-konk stockpile is built up enough so that Russia can win then the Jews will bring about World War III to exhaust the white race so that the remnants left will submit to world government in desperation, which will be a "Jewish World Government".
 LVI. Jews caused the Communists to bring Jewish refugees brought millions of this money to the U. S. to set up in business. LVI. More Koreans are to come in the future, to consume more Jewish American manpower which should be the seed of this nation. We now have our men scattered by 49 countries.
 LVII. More telling down of the Immigration Laws is to come, to let in more Jews to take the place of the consumed American Gentiles.

LX. They stage they who forbid the intermarriage of "whites" with whites. Whites will be allowed only to marry colored peoples in order to dissolve the white race.
 LXI. After they get the United Nations "Human Rights Covenant" passed, which gives all member governments the right to impose martial law if they consider themselves threatened they will have their Russian friends penetrate the event which they will call a national threat, enabling the government to put the United States under martial law, and then you will actually have in being the Jewish dictatorship which is now already in the seat of power but has not yet pulled the strings.
 LXII. EISENHOWER is completely subservient to the Jewish Plotters and is carrying forward their Protocols Plot steadily. That is why:

(a) He is against the Bricker Amendment because he wants the United Nations to be able to set aside our Constitution, which will bring the destruction of American Government under the United Nations.
 (b) He proposes and is passing of treaties making our soldiers subject to foreign courts. Surely he cares naught about protecting our American boys.
 (c) He refused to blockade Red China.
 (d) He refused to cut off aid being given to our so-called allies, who were leading

 (e) He is against bookburning but wants books to foreign libraries.
 (f) He is for Universal Military Training, and has appointed a committee to study it, which committee he has handpicked of those in favor of it, and appointed JULIUS ADLER, a Jew, as Chairman.
 LXIII. Eisenhower has moved the Jews into top position in our government, in order to finance socialist governments in other countries while tearing down the United States.

LXIV. The Gentiles have been willing to share America with the Jews, but the Jews are not willing to share America with the Gentiles. The Jews want it all, and to make the Gentiles their slaves.

Court Denies McGinley Plea

**Publisher Attacked Rule
in Suit Against Him
by Rabbi Prinz**

The Appellate Division in Newark today denied a motion for an appeal by Conde McGinley, publisher of Common Sense, on a lower court order which refused to strike parts of a complaint in a libel suit against McGinley by Dr. Joachim Prinz, rabbi of Temple B'nai Abraham.

D. C. Baker, counsel to McGinley, asked the Appellate Division for leave to appeal an order of County Judge Wick in which he denied a defense motion to rule that it was not libelous per se to call a person a "Red." Wick also refused in the appealed order to strike other parts of Dr. Prinz's libel complaint.

The Appellate Division, in refusing the appeal motion, granted the defense time to file an answering brief on Wick's order preliminary to the trial of the action. Jerome C. Eisenberg, attorney for Dr. Prinz, opposed the appeal motion.

McGinley Hit By Assembly

Legislators Join Attack on Publisher of Common Sense

Trenton Bureau.

TRENTON—The Assembly yesterday added its condemnation to that by legislators in Rhode Island, Maine and Massachusetts when it unanimously passed a resolution attacking the publication, Common Sense and its publisher, Conde McGinley. McGinley's operations are conducted in Union.

The resolution, in which the House made known "its abhorrence of the organized campaign of prejudice and bigotry (Common Sense) and of the author, Conde McGinley, "was sponsored by Assemblyman Thompson (D., Mercer). The resolution said Common Sense is edited and published by a "bigot who is anti-Negro, anti-Catholic and anti-Jew."

After spelling out McGinley's "stock device" of using the term "Zionist" instead of Jew" and of attempting to "make Zionism and Communism identical," Thompson said he did not favor attempts to suppress the publication.

"I cannot agree with them," he added, "because I believe in Article I of the Bill of Rights, which safeguards freedom of expression in this nation. So great a principle should not be breached to wipe out a bit of carrion fit only to attract buzzards."

(H) "COMMON SENSE," FORMERLY "THINK WEEKLY" CONDE J. MC GINLEY, EDITOR INTERNAL SECURITY - X -- Numerous inquiries have been received by the Newark Office from other offices advising of complaints received regarding the newspaper "Common Sense," which is being sent through the mail to the complainants. It was reported in November, 1953, by a reliable informant of the Newark Office that Conde J. McGinley planned to circulate one million copies of his latest issue of "Common Sense."

In view of the above, a brief summary of McGinley's background as well as that of "Common Sense" is being set forth below for your information.

Conde J. McGinley has been described by a reliable informant as being sympathetic with Germany during World War II because Germany was fighting Communism and because he felt that portion of Nazi philosophy directed against the Jews was a correct one. The informant stated that McGinley and his associates are violently anti-Semitic, that they consider themselves "Nationalist," and that they are dedicated to the "saving of America from the invisible government or world government of Zionism."

McGinley started publishing "Think Weekly" in July, 1946. This newspaper was reported to be dedicated to the fight against the Communist threat to Christianity. Later in 1946, McGinley changed the title of his newspaper to "Common Sense." A review of the articles appearing in "Common Sense" reflects this newspaper to be anti-Semitic and anti-Communist.

In December, 1946, McGinley organized a group in New Jersey for the purpose of aiding in the distribution and sale of his newspaper. This group, which was then known as the Loyal American Group, became affiliated in September, 1949, with the Nationalist Action League headed by Henry McFarland of Philadelphia, Pennsylvania. The informant reported that this merger was short-lived either because of a misunderstanding between McGinley and McFarland or because McGinley learned that the Nationalist Action League had been cited as a Fascist organization by the Attorney General pursuant to Executive Order 9835. It is noted that the Nationalist Action League was re-cited by the Attorney General pursuant to Executive Order 10450.

The informant has advised that McGinley claims the circulation of "Common Sense" is between 200,000 and 300,000 copies

of each issue. In this connection, McGinley uses telephone directories and organizational lists in order to make up his mailing lists. This would explain why many offices are receiving complaints from individuals who have received unsolicited copies of "Common Sense" through the mail.

"Common Sense" is published by McGinley at his residence, 530 Chestnut Street, Union, New Jersey.

"NEW JERSEY ASSEMBLY UNANIMOUSLY CONDEMNS ANTI-SEMITIC SHEET

"TRENTON, N. J., February 3, (JTA) -- The New Jersey State Assembly, Lower House of the Legislature, unanimously adopted a resolution yesterday condemning Common Sense, an anti-Semitic sheet published by Conde McGinley.

"The resolution expressed 'abhorrence of the organized campaign of prejudice and bigotry' conducted by Common Sense and noted that it was edited by a 'bigot who is anti-Negro, anti-Catholic and anti-Jew.'

"Assemblyman Frank Thompson, who introduced the resolution, characterized McGinley's paper as 'a bit of carrion fit only to attract buzzards.' He blasted Common Sense for using the word Zionist instead of Jew and for then trying to 'make Zionism and Communism identical.' However, Thompson opposed attempts to ban the publication of Common Sense because he believed that such a prohibition would breach the Bill of Rights."

ORIGIN

The origin of the name CHRISTIAN EDUCATIONAL ASSOCIATION is not known to Newark Confidential Informant [REDACTED] who has furnished reliable information in the past and who has been associated with CONDE J. MC GINLEY and the publication "Common Sense" for over five years. The informant believes that the name, which is a new one, has probably been adopted by MC GINLEY to avoid further legal entanglements which have beset him in the past as a result of the publication of "Common Sense", which was owned, edited and published by MC GINLEY. b2 b7D

On September 27, 1954, Newark [REDACTED] furnished information indicating that CONDE J. MC GINLEY, editor of "Common Sense", was planning a meeting which was to be held in mid October, 1954 and that there was some indication that MC GINLEY would use as sponsor of this meeting the CHRISTIAN EDUCATIONAL ASSOCIATION. The informant also advised that MC GINLEY had published a leaflet which was an appeal for funds to support the publication "Common Sense" and which was identified at the end of the leaflet as having been issued by the CHRISTIAN EDUCATIONAL ASSOCIATION OF NEW JERSEY.

A leaflet in the form of a letter, captioned "Fight Or Enslavement", issued by the CHRISTIAN EDUCATIONAL ASSOCIATION--publishers of "Common Sense"--described MC GINLEY's fight against Jewish organizations who were attempting to drive him out of the publishing business. This leaflet was received in the mail by the Newark Office in an envelope postmarked October 2, 1954, bearing the return address Box 807, Union, New Jersey. This is the Post Office Box maintained by CONDE J. MC GINLEY for "Common Sense." A return envelope enclosed with the letter was addressed to "Common Sense", "The Anti-Communist Newspaper, Union, New Jersey."

Recent copies of "Common Sense" have been mailed in a white envelope bearing the return address CHRISTIAN EDUCATIONAL ASSOCIATION, Union, New Jersey.

NK 105-1910

CONDE J. MC GINLEY

The following background on CONDE J. MC GINLEY has been obtained from employment records and from Newark [REDACTED]

MC GINLEY was born October 13, 1890 in Norman, Texas. He resided there until 1930 when he moved to Dallas, Texas. In the late 1920's he moved to the New Jersey Seashore resort town of Belmar, where he assisted his wife in the establishment and operation of a small chain of curb restaurants known as Celia Browns. The restaurants operated successfully during the early 1930's up to 1941. Following 1941, MC GINLEY and his wife suffered a series of failures.

b2
b7D

During World War II, MC GINLEY was employed as an inspector at the Elastic Stop Nut Corporation of America, Union, New Jersey, where he was considered to have been a hard worker, patriotic, and with a son in the United States Marine Corps.

According to Newark [REDACTED] MC GINLEY and his associates were in no way un-American or anti-American but were sympathetic with Germany during the war on the grounds that the Germans were fighting Communism and that portion of Nazi philosophy which dictated the extermination of all Jews was a correct one. The informant reported that MC GINLEY and his associates were, and, has reported, they continue to be, violently anti-Semitic. MC GINLEY and his associates consider themselves Nationalists in that they are dedicated to the "saving of America from the invisible government, world Zionism." MC GINLEY and his associates, according to the informant, consider Communism as but a part of the plot of Zionism for world government and the defeat of Christianity.

CONDE MC GINLEY has been editor and publisher of what he considers to be an anti-Communist newspaper since July, 1946. He launched his crusade against world Zionism with a modest publication known as "Think Weekly." His first paper was dedicated to the fight against the Communist threat to Christianity. Shortly after the appearance of "Think Weekly", the publication's name was changed to "Common Sense". The size

NK 105-1910

of the paper increased from letter size to tabloid size and the masthead proclaimed it as "The Nation's Anti-Communist Newspaper."

According to Newark [REDACTED] MC GINLEY continues to be the moving force in the publication of the paper and has only a few individuals who assist in the editing, publishing, printing, and dissemination of his newspaper. MC GINLEY also continues to be the moving force behind various meetings held under the sponsorship of "Common Sense", designed primarily for the dissemination of his paper.

C. J. MC GINLEY

According to [REDACTED] C. J. MC GINLEY, one of the stockholders, is MC GINLEY's son, CONDE J. MC GINLEY, JR., who from time to time assists his father in the preparation of the newspaper, mailing and in the conducting of meetings. According to the informant, CONDE J. MC GINLEY, JR. is about thirty-five years of age, is a law school graduate, has worked on several small newspapers, including one in Union, New Jersey and one in Asbury Park, New Jersey.

Approximately one year ago, MC GINLEY's son was reported to have purchased a farm and since that time has not given full time to assisting his father.

A. JEFIMAU

According to Newark [REDACTED] an individual known to him only as ALEX, a Russian Refugee who spent many years in Russian prison because of his opposition to the present regime in the Soviet Union, is now assisting MC GINLEY in the preparation of the publication and serves as an assistant to MC GINLEY as well as houseman for MC GINLEY at the combination office and residence of MC GINLEY at 530 Chestnut Street, Union, New Jersey.

AIMS AND PURPOSES

According to the informant, the CHRISTIAN EDUCATIONAL ASSOCIATION is only a device for the publishing of "Common Sense" and has no aims and purposes other than the publication of the newspaper.

b2
b7D

NK 105-1910

ACTIVITIES

According to the informant, the CHRISTIAN EDUCATIONAL ASSOCIATION has issued several leaflets appealing for support of the publication "Common Sense." It has also issued a leaflet captioned, "These Marxist Systems; Stalin Communism or Trotsky Communism?" The leaflet indicates that "Jews set up Communism in Russia during 1917, financed mainly from New York, and supported it for 35 years. No Jewish leader dares try to refute this. During this period the Zionists were protected in Russia."

This leaflet indicates "If Washington thinks and acts as the Jews want it to then Washington has become a Jewish government and is no longer an American Government. What do we mean by Washington? We mean our administration and our elected senators and congressmen. They can and will stop Communism if we elect strong Christian men. It is necessary for every good American to take an interest in seeing that the pro-American Americans are nominated on both tickets in primary elections, for if the organized Marxists succeed in placing their men on both tickets at the election it makes little difference who is elected."

According to the informant, two meetings of MC GINLEY's associates have been held since the name of the publisher was changed to CHRISTIAN EDUCATIONAL ASSOCIATION. No information has been developed indicating that the CHRISTIAN EDUCATIONAL ASSOCIATION was listed as sponsor of these meetings.

Newark [REDACTED] attended a meeting of "Common Sense" group held December 12, 1954, at which no mention of the CHRISTIAN EDUCATIONAL ASSOCIATION was made.

b2
b7D

A [REDACTED] Montclair, New Jersey, attended a meeting held by "Common Sense" at 530 Chestnut Street, Union, on November 14, 1954. She reported that she had attended the meeting as a pro-Senator Joseph McCarthy rally and no mention of the CHRISTIAN EDUCATIONAL ASSOCIATION was reported by her. [REDACTED] furnished the information on November 15, 1954 after having attended the meeting upon invitation, not knowing the nature of the affair. She reported that the meeting had nothing to do with Senator MC CARTHY and appeared to be devoted to vicious outspoken anti-Semitism.

"COMMON SENSE"

The publication "Common Sense", "The Nation's Anti-Communist Newspaper", first appeared in the summer of 1946. Its theme was Christianity against Communism. A review of articles appearing in the early editions of the newspaper reflect that Communists were invariably referred to as "Zionist Marxists."

In the early editions MC GINLEY's fear of the United States being taken over by the world government of the Zionists was veiled. Recently the paper has been openly anti-Jewish.

A sampling of article headlines appearing in the publication "Common Sense" during the past year is being set forth:

Issue No. 193 9/15/53

"The Jewish Peril of the Catholic Church" As Revealed By the Catholic Gazette (London, England).

According to Newark [REDACTED] the circulation of "Common Sense" runs approximately 20,000 to 50,000 copies per issue, depending upon donations and subscriptions received by MC GINLEY, who lives on the bare necessaties of life and uses all funds collected for the publication and dissemination of his newspaper.

On special occasions the circulation figure is increased for a specialized mailing to legislators or city officials and has reached as high as 200,000.

In a letter to the Bureau, Bufile 105-13659, from New York, dated 2/3/53 in the case of [REDACTED] IS-R, on page 2, there is a discussion furnished by informant, [REDACTED] to SA [REDACTED] indicating that [REDACTED]

[REDACTED] was continually accusing people of being Communists and submitting their names to the American CIC at Regensburg. Many of the names submitted were reliable individuals and included some of his [REDACTED]. As a result [REDACTED] was arrested by the CIC in 1948 and was placed on probation for two years. In approximately 1950, [REDACTED] wrote to [REDACTED] asking him for assistance in order to come to the United States but as [REDACTED] was considered unreliable, [REDACTED] made no effort to assist him. b7C b7D

In September, 1952, [REDACTED] learned from an acquaintance [REDACTED] Office of Free Russia Inc., 349 W. 86th St., N.Y.C., that [REDACTED] prepared a list of names, accusing individuals of being Communists and furnished his list to the Association of Former Political Persons of the Soviet Union, 39 E. 29th St., N.Y.C. [REDACTED] indicated that at one time [REDACTED] had accused him of receiving a colonel's rank from Stalin but that such a charge was absolutely false.

[REDACTED] indicated he had not seen [REDACTED] since Regensburg but heard that he was presently residing somewhere in the New York vicinity. He indicated he does not consider [REDACTED] to be a Communist or Communist sympathizer but feels certain that [REDACTED] is 30 percent mentally unbalanced and eccentric.

It is possible that [REDACTED] reported by the informant to be an assistant of CONDE J. MC GINLEY, is identical with [REDACTED]

Under date of 12/22/54, WFO supplied this office with a copy of the House Committee on Un-American Activities report on Neo-Fascist & "Hate Groups", dated 12/17/54.

The report discussed the National Renaissance Party at some length under the caption, "Neo-Fascism in the United States", page 3.

On page 10, under "Hate Group", there appears a thorough discussion on "Common Sense" and its publisher, CONDE J. MC GINLEY, SR. The material on "Common Sense" covers the organization and the publishing title, CHRISTIAN EDUCATIONAL ASSOCIATION, the nature of the propaganda published, cooperation with other propagandists, circulation, and finances.

It is suggested that a file be established for the channeling of information of this nature.

The report of the HCUA should be exhibited in this file.

A Spotlight On N. J. 'Hate Sheet'

UNION.—A Nazi-style smear sheet called "Common Sense," that preaches hatred and violence against Jews and Negroes, is in the national spotlight today.

The paper, published twice a month for the past nine years in this north Jersey town, has just been labelled by the House Un-American Activities Committee as "a clearing house for hate propagandists throughout the country."

The committee report links "Common Sense" and its publisher, Conde McGinley, with the National Renaissance Party. This open fascist movement, complete with its own Gestapo—a uniformed "elite guard"—has "virtually borrowed wholesale from Fascist and Nazi methods," the report says.

THE NRP, led by James Madole, preaches admiration for Hitler, hatred for Jews; its imitation Nazis wear lightning bolts for swastikas on armbands; appeals to violence at street meetings, and call for a Fascist government in the United States.

In a 1952 article headed, "Adolf Hitler—An Appreciation," the NRP Bulletin spoke of "defending the remainder of Western civilization from the colored hordes of Asia and Africa led by Jewish Commissars toward the ultimate goal of World Jewish Domination."

And in "Common Sense," which shares not only opinions, but staff writers, with the NRP paper, you'll find more of the same:

"Judaism subscribes to . . . sodomy, incest, bestiality, even burning children . . . sex abuse of baby girls and little boys by adults. . ."

This garbage has led "Common Sense" to be sued by one of Newark's leading religious figures, Rabbi Joachim Prinz, and condemned last Spring by the State Assembly. The Legislature voted unanimously to make known its "abhorrence of the organized campaign of prejudice and bigotry."

These outfits, under the banner of a fascist America, have collected under their banner of a fascist America all the "lunatic fringe" of the '30s, the Coughlinites and America Firsters, dregs of the KKK,

and current racists. Their hero is Joe McCarthy.

Where the Un-American will take it from here is really up to the people. Surely this group, itself loaded with racists, and bigots, cannot be depended upon to disband these outfits. Already, their belated discovery that fascists are operating openly here is coupled with what they call "equally subversive communists and liberals."

Their probe leaves several questions unanswered:

—How come it took nine years to unearth the fact that "Common Sense" is a Nazi rag?

—How long will this incendiary filth which urges violence against millions of Americans be allowed to go through the United States mails?

Dear friend,

You fine folks who have sent us money regularly to back us up and have written letters protesting against the disgraceful attempt to smear us, may God reward you. As we think back and contemplate the enormous program we have been engaged in and the many fine letters congratulating us on the accomplishments we are so grateful to those who have had faith in us and helped make this possible.

The most unpleasant and difficult part of this unprofitable job I have worked myself into is asking our friends to help financially to carry on this educational crusade. Friends who are close enough to know how the cause suffers because we do not have funds to meet emergencies and carry through on important projects, remind me that I am the one who must ask for support and that the cause is injured when I do not drop everything and concentrate on securing money with which to work. I cannot write begging letters each week scaring people of small means into giving money they cannot spare. I must trust in sufficient number of people understanding the urgency, knowing that money is ammunition, and having confidence in my using their money in the best strategy, that they need not be reminded often but will send what they can as frequently as possible. The only way I can feel easy is to place myself in the position of a Director reporting to his stockholders.

For the first year I used my own money and sent out an enormous amount of papers weekly, each marked free copy. I thought this activity would generate sufficient action to dislodge these Marxists from positions of influence and I planned on going back into business.

I knew self-styled Jews played a prominent part in Communism, and although I had been studying the Marxist plan for thirteen years, it was not until I gave up my business and devoted full time to research, that I learned definitely Communism was only a false face for Judaism -- just one of the revolutionary movements devised by Judaism to destroy Christianity. When I learned that in all principal countries political Jews were bending politicians to their will, I understood how Communism could be planted in all countries. I could see how difficult it was to destroy Communism with the brains and invisible directive force, protected by the cloak of religion and millions spent each year for speeches and news articles promoting tolerance for the very people who are the source of hatred and intolerance.

Before this I had no misgiving about Judaism; I thought it was just another religion. I learned from the Talmud and other Jewish books it was only the satanic hatred of Christ that sustained Judaism. For nearly three years Common Sense did not expose Communism as a tool to condition the world for Jewish rule. We went along honestly combatting Communism as many today who are afraid to expose the source, just like men making money fighting malaria but not mentioning the mosquito.

I know money can be made, and is being made, fighting Communism. A number of persons are being well paid for writing and speaking against Communism, but those people dare not mention the roots of the whole Marxist conspiracy, for such powerful Jewish organizations as the Anti-Defamation League, with a five to seven million dollar yearly fund and 2000 agents, will see that this man is smeared as "anti-Semitic". That will cut off all profitable speaking engagements, and no newspaper with ads of Jewish concerns dare carry articles by him.

This world conspiracy can never be defeated UNLESS WE EXPOSE THE SOURCE. I chose the unpopular, unprofitable, but effective road. The Marxist plotters are desperate, being exposed just as they are nearing completion of their plans. After nine years continual underhanded methods, tricking every non-Jewish force they could to stop us, they have now ensnared certain employees of the Un-American Activities Committee to release a senseless smear written in the office of a Jewish Defense Agency in New York. They will have to try again for this also has backfired. We are now receiving a flood of subscriptions from people who never knew Common Sense existed. Our circulation is growing and our enemies are helping it grow.

This is a healthy and promising sign in the effort to preserve freedom in this Christian country, but it is also a very dangerous situation. Newspaper men know a paper cannot exist without advertising. We have none. With subscriptions held at a dollar a year in order to reach large numbers, it has been a problem to finance *Common Sense*. This growth could break us down. Patriotic friends have stood by us. The last two years our increase has been rapid. Now the need to be subsidized is greater. ***This is a life and death struggle between the ruthless forces of anti-Christ and Christianity.*** Forces within our borders, with unlimited funds and many entrenched in key positions are preparing our country to be taken by their secret comrades yet outside the United States border. ***Chunk by chunk they are taking the world, but first the inside Marxist forces must deceive, confuse and soften up each country.*** If we keep loving and protecting the ones who are directing and financing this conspiracy, then we will be enslaved.

Those who have studied this conspiracy and are reckless enough to expose the clever operators are smeared, framed, their reputations and health destroyed. Think of what happened to fearless leaders like Lindbergh, Senator Wheeler, Father Coughlin, Senator McCarthy and others since 1932 when the welcome mat was laid out for the thousands of boat loads arriving from eastern Europe and Russia. How many millions of undesirable citizens have come over during the last twenty years! -- some good citizens, many aggressive, ruthless Talmudists who hate Christianity. They are immediately regimented into pressure organizations which control politicians, influence our laws, plot against Christianity in our schools and institutions.

Good Americans have slept too long. We have a real fight on our hands. If we are to prevent these people from lowering our country to the same level they did in Europe and Russia, then many more good people will have to get into this fight or back with money those of us who are already in the fight.

The lawsuit which the American Jewish Congress caused to be brought against us almost two years ago has already cost us \$6500.00 and final trial is expected soon. We need funds badly in this connection. Also money is needed for ten tons of paper and two office machines. If I demanded ten thousand a year, certainly a reasonable income for me, there would be nothing left to promote this all-important crusade. I still have my choice -- get out of the fight or work without salary which I have done for nine years. Jewish detective organizations, prying into our affairs, have tried to secure facts to disprove this statement while they have thousands on salary. We agree with a top General who wrote us last week ***"they would have put you in jail long ago but for the fact that you print the truth."***

Smart people now realize they will have to give up something in this fight or soon give up all. I will try to keep my health and fight on as long as I can, using your money in the most effective way in our objective to reach a half million people. In view of our increased deficit with larger volume, may I ask you to solicit some friend to come into this fight with us?

Sincerely yours, for freedom,

Investigating Committee Makes Amazing Claim in Press Report

Americans of this generation will probably never live long enough to witness a more fantastic or ambiguous assertion than that contained in a press release put out by some one claiming to speak for the House Committee on Un-American Activities, in Washington December 15th. Purporting to castigate "hate" organizations but indicating that these responsible for the document haven't the faintest conception of what real "hate" groups who are doing this country in, the release included a statement that will go down as the ultimate in official asininity, present and future:

Those who would support the extreme right today do as great violence to our Democratic institutions as those on the extreme left . . .

For twisted reasoning and distorted thinking, we submit this as a parallel in the annals of mortal activity since the dawn of man history. To get the full import of this curious pronouncement, ponder it once more:

"Those who would support the extreme right today do as great violence to our Democratic institutions as those on the extreme left . . ."

How many Americans from the "extreme right" have paraded in a justifying array before Congressional committees and invoked the 14th Amendment to avoid trial for treason to their country?

How many Americans from the "extreme right" have stolen confidential papers and top-secret information from government files in Washington and peddled it to Soviet spies?

How many Americans from the "extreme right" have protected traitors such as Alger Hiss and Harry Dexter White from exposure and kept them in high government position until their work for their Russian masters was practically completed?

How many Americans from the "extreme right" have connived with Soviet agents for the surrender of our American sovereignty to the United Nations and to place the shackles of slavery on the people of this Republic?

What if Americans from the "extreme right" who nullified the Constitution of the United States, put government in competition with business, aided in passing legislation based on the Communist Lenin, abrogated States Rights, helped the American government tell all over their own feet in their haste to comply with the call for the mongrelization of white Americans?

What if Americans from the "extreme right" who removed the American Flag from Americans fighting in foreign lands withheld ammunition from our forces in Korea and sent American soldiers to rot in Chinese prison camps?

It is possible to weed out Communists in the Army and defense plant. It was it Americans from the "extreme right" who conducted a program to infiltrate American soldiers with Communism in World War II or who promoted the Communist Irving Peress, and gave him any honorable discharge from the Army?

To accept this perverted theory voiced in the Committee statement, we must repudiate every moral principle instilled in the human mind from the cradle.

In effect, this degenerate pronouncement would have us accept the premise that virtue is on a level with vice; that good ranks along with evil; that right belongs in the same category with wrong; that honesty and dishonesty are one and the same and that a state of human perfection lies in fluctuating half way between probity and infamy.

In practical effect, it means that the eminent and revered Daughters of the American Revolution, defenders of the American Flag and the Republic for which it stands, are no better than the subversive Americans for Democratic Action, committed to the abolishment of our form of government and the American way of life.

To carry the analogy further, it means that the dedicated and patriotic gentlewomen who compose DAR are no better than ADAs Eleanor Roosevelt. This thesis, in our humble opinion, will be staunchly challenged by all responsible Americans.

No one seems willing to admit authorship of this incongruous charge by the Committee and we don't blame them.

Harold Velde of Illinois who was still chairman when it was released was on his honeymoon at the time and, naturally, was absolved from responsibility concerning this or anything else, and it is understood that Francis Walter of Pennsylvania who succeeded him as chairman of the Committee disclaims any connection with it.

We do not know of course, what staff member's malignant and sinister brain gave birth to this declaration but, whoever he is, he should be run down and punished.

We do not exactly advocate boiling him in oil but at least, he should be taken out of circulation, placed in restraint and divested of his official power to perpetrate any more such dastardly assaults against truth and decency.

Personally, we regard ourself as belonging to the "extreme right" and when any half-witted bureaucrat charges us with similarity to a left-winger, we are not going to take the insult lying down.

Not one person associated with the publication **Common Sense** has been cited for connections with any Communist front, yet this report attempts to give more adverse publicity than they have given the **Daily Worker**, the official Communist paper. This report was leaked out of committee by a member of the staff -- the Jews immediately had it spread all over the United States, as they boast -- **ALL THIS WITHOUT GIVING COMMON SENSE AN OPPORTUNITY TO BE HEARD**. But note that the parties who framed this report did not dare name **Common Sense** as subversive or Communist. That would be too ridiculous. But still the powerful, political Jews demanded that **Common Sense** be smeared for this patriotic paper is becoming too effective. Too many people at top level are reading it. It had to be smeared and so a new word was coined: "Extreme right" -- that's **Common Sense**. The political Jews are extreme left, so naturally **Common Sense** is extreme right. They are the exact opposite to those Jews whose bible is the Talmud which is filled with obscene teaching and hatred of Jesus Christ and his followers.

A number of the best informed patriots have called attention to the similarity of the haphazard, insinuating smears comprising this report and the propaganda produced by the Sincere Artists of the Anti-Defamation League and the Non-Sectarian Anti-Nazi League (Manager, James Sheldon, whose real name is Jacob Shapirno according to the **Chicago Sun** of December 13, 1946).

On 'Neo-Fascist' Groups'

By WESTBROOK PEGLER

Copyright, 1955, King Features Syndicate, Inc.

THE HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES, under Harold Velde, of Illinois, Republican, as chairman, perpetrated a hoax in a "preliminary report on neo-Fascist and hate groups" published on Dec. 17, last.

WESTBROOK PEGLER

This was an attempt to holler-up a menace presented by a few futile anti-Semites in and around New York who have served as windmills for the non-sectarian Anti-Nazi League, itself a hate group.

This league is operated by Isidore Lipschutz, who also operates a thing called the Society for the Prevention of World War III which tried to impose the vicious Morgenthau Plan on conquered Germany.

The kernel of that plan was the removal of all British and American armed forces from Germany after the victory of 1945 and the extension of the Soviet empire

across France to the Pyrenees and down to and including Sicily.

Harry Dexter White, who caused the delivery of American currency plates to Soviet agents in occupied Germany with which the Communist enemy counterfeited hundreds of millions of dollars redeemed by our taxes for Moscow's profit, was one of Morgenthau's principal subordinates during most of Henry's reign at the Treasury.

THE "INVESTIGATION" OF THESE SO-CALLED NEO-FASCIST and hate groups by this committee in the last spasm of the brief off-Republican Congress, bears the characteristics of other coups by Lipschutz and the band of fourflushers and confessed thieves, liars and scoundrels of miscellaneous other wicked propensities who have performed under the league's auspices.

His manager in this venture is one James H. Sheldon, who uses the title of professor. He served a brief term in the minimum category of the professariat at Boston University more than a decade ago.

The whole outfit and its crooked agents and their treacherous conduct have been exposed in detail here before, both on my initiative and by confessions eagerly made to me by Mario Buzzi, a professional scoundrel so corrupt that he freely states that he cannot believe himself. Buzzi was for years a diligent, absolutely unscrupulous "operative" for the league. I have his "official" credentials as such.

It is a fact of peculiar interest that although this Velde Committee has made this effort to propitiate the international influence centered around the United Nations and the White House, no Congressional committee has ever even made a pass at Lipschutz and his two letterhead propaganda fronts.

More to the point, T. Coleman Andrews, the Commissioner of Internal Revenue, a Democrat, recently had the gall to hold that contributions to the Lipschutz league were deductible from taxable income by the donors even though the league spent the money for espionage on law-abiding American citizens.

Two years ago in New York I delivered to a special agent of the Internal Revenue photostats of checks drawn to the Anti-Nazi League and other authentic data proving that the Lipschutz league has been doing precisely the same thing for many years. Velde knows all about this because he is a veteran agent of the FBI and an authority on such rubbish.

After all, by the efforts of Lipschutz and Sheldon, the miscalled House Committee on Lobbying, under a cheap thief named Frank Buchanan, actually procured a prison sentence against Edward A. Rumely, of the Committee for Constitutional Government, of New York, as punishment for circulating John T. Flynn's learned tract against Fabian socialism. Rumely was vindicated later by the Supreme Court, but his jeopardy was serious nevertheless.

Meanwhile, however, agents of the Lipschutz league corrupted a confidential employe of the Committee for Constitutional Government and delivered stolen documents to Clinton P. Anderson, of New Mexico, then a Congressman, now a Senator, for use in an investigation.

Anderson admitted to me that stolen material had been placed in his possession by a representative of the Lipschutz league. The trap was set and sprung by Sumner Gerard, a brother of James Gerard, Woodrow Wilson's Ambassador to Germany.

THE "INVESTIGATION" OF THE "NEO-FASCIST and hate groups," as summarized in his "preliminary report," was a washout.

He got no goods at all and the "preliminary report" of the Velde Committee is simply an expensive gesture to take the heat off forces which gave rise to such counter-forces in the first place. The committee makes absolutely no charge against any individual or organization of any violation of any law.

Thurs., Feb. 3, 1955 * New York Journal-American

By JACK STEELE,

Scripps-Howard Staff Writer.

WASHINGTON, Dec. 15.—A procedural battle broke out in the House Un-American Activities Committee today over a proposed report recommending that the Justice Department prosecute alleged "neo-Fascist" groups under the Smith Act.

Copies of the proposed report were leaked to reporters yesterday.

Procedure Assailed.

Rep. Francis E. Walter (D., Pa.), who will take over the committee chairmanship next month, denounced the whole procedure today.

He charged that the committee had held no hearings relating to the report and had not discussed the subject in executive hearings. He said he had not seen the report.

Mr. Walter noted that committee rules bar the release of disclosure of any report until after its approval by a majority of the members.

"This kind of thing is going to stop next year," he declared. "This committee is going to stop operating under rugs and carpets."

Calls Extreme Right 'Equally Subversive'

**'Common Sense,' Published in Union, Cited as
a Clearing House for Hate**

WASHINGTON (U)—A House un-American Activities Committee staff report says the fight against communism in America is being hurt by "equally subversive and equally un-American activities on the other side."

The report, yet to be approved by the committee, blasted "Neofascists" and "Hate Groups" and hit specifically at the National Renaissance Party, a New York organization of 200 to 700, and the semi-monthly publication "Common Sense."

"Common Sense," distributed nationally from Union, N.J., was described as a "clearing house for hate propagandists."

McGinley Publisher

"Common Sense," distributed by Conde McGinley at his home address, 530 Chestnut St., Union. McGinley founded the paper about nine years ago.

(In February the State Assembly passed a resolution which made known "its abhorrence of the organized campaign of prejudice and bigotry" of McGinley and his publication.)

The House staff report stressed that "those who would support the extreme right today do as great violence to our democratic institution as those on the extreme left" and "only serve to impede the intelligent, united effort necessary in the current life and death struggle with the Communists."

Ideas of Nazis

Recommending prosecution of the NRP under the anti-subversive Smith Act, the report termed the group "clearly subversive and un-American."

In recent years, the committee

has concentrated on probing Communist influences in America.

A Nazi-style uniformed elite guard is maintained by the NRP, the report said, and the party's program is "virtually borrowed wholesale from Fascist and Nazi dictators."

Yesterday, the committee heard testimony about Communist activity in Hollywood, and Rep. Francis Walter (D-Pa.), charged that Reds in the motion picture field have been the "backbone" of the movement in the U.S.

The Pennsylvania congressman, who will head the un-American investigating committee in the 84th Congress, said "overpaid" Hollywood figures poured huge amounts of money into Communist coffers in the 1930s.

Denies Anti-Semitism

UNION—Conde McGinley today maintained that anti-semitism is not his chief stock in trade, as charged by the House Un-American Activities Committee staff report.

"We do not oppose Jews because of their religious beliefs," McGinley said. "We are opposed to the organized Marxist Jews."

McGinley stated that he has three former Jews associated with him in his work. In attacking the "Marxist" Jews, he asserted that "all revolutionary movements originated in the minds of Jews. Communism is nothing but a front for the Jews."

Referring to the report, McGinley said, "I hope they give us a thorough public investigation. They can't do it from the files of the anti-Defamation League. They have been getting information on

us from that group and the American Jewish Congress."

McGinley said he works seven days a week without salary. He declared "there is no one with our group who hates anyone. We are motivated by the love of Jesus Christ and our country."

McGinley said he has a 26-member staff at his Chestnut street address. The first floor main office has shelves lined with books and pamphlets extolling the Rightist cause and complimentary to Sen. McCarthy (R-Wisc).

January 9, 1955 meeting held at the Columbia Hall, which is mentioned as being under the auspices of AMERICANS AGAINST COMMUNISM. The meeting was to feature a talk by ELIZABETH BILLING, who, according to the paper, "Common Sense", is the Dean of Anti-Communists. In this notice of the meeting there appears the following announcement:

"Mrs. BILLING will be on the East Coast during January and February. Anyone wishing to arrange for Mrs. BILLING to talk in their locality may communicate with her, Box 659, Chicago 90, Illinois, or care of CHRISTIAN EDUCATIONAL ASSOCIATION."

In the same issue there appears the following item which supports the claimed editorial policy of CONDE MC GINLEY in the publication of "Common Sense."

"Are we a hate group? Yes--we hate Communism sufficient to cause us to oppose those who cleverly promote it regardless of who they are or how they squirm or protest. Watch for the next issue of 'Common Sense' in which we will expose the Marxist plot to use the Un-American Activities Committee to smear Christian Americans who oppose Communism. In the meantime we thank our enemies for this flood of new subscribers."

According to the informant, ALEX has spent time in Munich and in Regensburg, Germany. He speaks very poor German and English. He is approximately 40 years of age, possibly younger. He is very thin with a drawn and haggard face. He is 5'9" tall. He has a dark complexion and appears to be more Asiatic than Russian. He had attended classes in English in New York but had to discontinue this study because he was not welcome in the class. Writer links rabbi to talk on Reds

By RICHARD O. SHAFER

The author of an allegedly libelous article naming Rabbi Joachim Prinz of Temple B'nai Abraham a "Red rabbi" testified yesterday that he wrote the article after reading about Rabbi Prinz in newspapers and in bulletins of the American Jewish Congress.

William J. O'Brien, who said he is a clerk, testified one of the reasons he called Rabbi Prinz a "Red" was because the rabbi was moderator of a 1950 debate in Newark on the civil rights of 11 convicted Communists.

Another reason, he said, was because the AJC had opposed circulation of the book "Red Channels," purporting to be an expose of entertainers sympathetic to communism, in the Newark schools. Rabbi Prinz was an officer of AJC.

\$250,000 SUIT

A third reason, said O'Brien, was because the AJC protested the Englewood Board of Education's postponement of an address in a local school by an alleged Communist.

...up to him going

\$250,000 libel suit against Conde
McGinley of Union, editor and
publisher of Common Sense, the
magazine in which O'Brien's
article appeared in 1952.

Rabbi Prinz earlier had explained the AJC's positions on "Red Channels" and public questions were based on its fight for civil liberties.

BARS RELIGIOUS ISSUE

Rabbi Prinz ended two days on the witness stand yesterday after Judge Howard Ewart barred the defense from asking questions about the history of Jewish religion. Rabbi Prinz contends McGinley hates "all Jews" and McGinley says he opposes only Zionist Jews.

Judge Ewart said he would not permit McGinley to convert the trial into a "contest between Judaism and Christianity and between Jews and Gentiles."

The only two other witnesses for Rabbi Prinz were ex-Gov. Alfred E. Driscoll and Bishop Theodore R. Ludlow, retired head of the Protestant Episcopal Diocese of Newark. Both testified Rabbi Prinz has an excellent reputation as a loyal American citizen.

The trial will be resumed Monday.

Bias Denied By McGinley

Testifies in Defense at
Libel Trial Brought
by Dr. Prinz

Conde McGinley, editor of Common Sense, sought today to dispel a charge of anti-Semitism leveled at him as the motive behind his publishing an allegedly libelous statement about Rabbi Joachim Prinz of Temple B'nai Abraham, Newark.

Testifying in his own defense at Dr. Prinz's \$250,000 libel suit before Superior Court Judge Howard Ewart and a jury, McGinley said that Common Sense used "many, many" articles written by Jews, and even some written by rabbis.

Dr. Prinz in his direct testimony had charged that McGinley hated all Jews, particularly their religious leaders, and it was this that led to the publication in Common Sense of an article that referred to the rabbi as "Red" Dr. Joachim Prinz who, not unlike Albert Einstein, was expelled from Germany for revolutionary, Communist activities."

Says He Hadn't Read It

Questioned by his attorney, Kirkpatrick Dilling of Chicago, McGinley said that he knew nothing of the article in question before it was published.

"Did you read it before it was published?" asked Dilling.

"No," said McGinley. "I was out of town."

When he first took the stand, McGinley, who lives at 530 Chestnut St., Union, said he was 64 years old and was born in the Indian territory, now Oklahoma. He said he came to New Jersey 21 years ago and operated four restaurants before the war ruined his business.

Identifying himself as a Catholic, he said, that in January 1946 he began publication of a handbill, called Think, and distributed it in front of Catholic and Protestant churches on Sundays without charge. He said Think ultimately became Common Sense. He said that he had had no intention of becoming a full-time editor and publisher, but that the "response" led him to continue.

Son in Marines

He said that he himself had never had any war service but that his son had served for four years in the Marines. "That was one of the causes that led me to take up this work," McGinley said.

McGinley took the stand after the writer of the disputed article, William J. O'Brien, had completed his testimony.

On cross-examination, Jerome C. Eisenberg, attorney for Dr. Prinz, drew from O'Brien an acknowledgment that a merger of Common Sense with an organization listed as Fascist by the attorney general had once been discussed.

Secretary of Group

O'Brien said that he had been secretary of the Nationalist Action League, but was not aware during the term of his membership that it had been proscribed by the attorney general. He said that he was a member from June 1949 until the summer of 1950.

O'Brien testified that McGinley knew of the discussion concerning a merger but had not participated.

"Did McGinley have any formal connection with the Nationalist Action League?" he was asked by Alfred Dilling Sr., co-defense counsel.

"No," replied O'Brien.

Editor Against Strauss, Brandeis, He Testifies

Conde McGinley, editor of Common Sense, testified today that he was opposed to such men as Adm. Lewis L. Strauss, chairman of the Atomic Energy Commission, and the late Supreme Court Justice Brandeis, but approved of Robert H. Best, who was convicted of treason during World War II.

McGinley was being cross-examined by Jerome C. Eisenberg, attorney for Dr. Joachim Prinz, rabbi of Temple B'nai Abraham of Newark, in Dr. Prinz's \$250,000 libel suit against McGinley. Dr. Prinz charges that he was libeled by Common Sense in its issue of April 1, 1952, when it characterized him as a Red rabbi.

In trying to establish that McGinley is motivated by anti-Semitism, Eisenberg today asked the defendant what his attitude was toward certain Jews in public life.

McGinley previously had testi-

fied that he is not ~~opposed~~ to all Jews, but only to those who are "Red, Marxist, Zionist and members of the Talmudic sect." Talmudists he has charged, are anti-Christian.

"Is Admiral Strauss the kind of Jew to whom you are opposed or is he the kind you regard as a loyal American?" Eisenberg said.

"If he believes in the Talmud, then I'm opposed to him," replied the witness, adding an observation on the beliefs of a Talmudist. Superior Court Judge Howard Ewart ordered the observation stricken from the record.

Eisenberg repeated the question and McGinley responded:

"I oppose Strauss 100 per cent

because he's part and parcel of the plan to take over this country."

He added that the Atomic Energy Commission has always had a Jewish chairman and mentioned Strauss' predecessor, David Lilienthal.

Other Testimony

Questioned about the late Justice Brandeis, who was a founder of the American Jewish Congress, which has been a prime target for McGinley, the editor said that he opposed him, too. He also declared that he was opposed to Simon Soboloff, solicitor general of the United States, because he is a Zionist.

"Do you know Robert H. Best?", asked Eisenberg.

"I know of him," was the response.

"What was your attitude toward him?"

"I approved of him."

"He was convicted of treason for conspiring with the Nazis during World War II, wasn't he?"

"Yes," agreed McGinley, "he was shanghaied."

He agreed also that Best had

died in prison while serving a sentence for treason but added, "thanks to Jewish persecution." That remark also was stricken by the court.

McGinley disavowed any connection with the Nationalist Action League, which was listed as Fascist by the attorney general.

Yesterday, William O'Brien, who wrote the disputed article, said that at one time a merger of Common Sense with the league had been discussed, although McGinley did not participate in the discussions.

O'Brien testified McGinley said he did not disapprove of the league and knew it was listed as Fascist. O'Brien said McGinley added: "I also know I never had anything to do with it."

Redirect Questioning

On redirect examination by his counsel, Kirkpatrick Dilling, McGinley was asked the basis for his opposition to Brandeis. He replied that, in his opinion, the jurist had been a Communist and that his wife and daughter also were. McGinley was interrupted by Ewart, who told him: "We're not going to try a dead

man for things you say he did that are based on hearsay."

McGinley was also asked why he had opposed the conviction of Best. He replied that the "only thing they had against him" was his forcible opposition to "the Roosevelt regime that pushed us into the war."

Before McGinley completed his testimony, Ewart, pointing out that McGinley had said he did not think Dr. Prinz was a Communist, sought to learn from him what he meant by "Red."

McGinley finally said he considered Dr. Prinz a Marxist.

"Isn't Marxism the same as Communism?" asked Ewart.

"No," replied McGinley. "Socialists and Zionists are also Marxists. Communists are extreme Marxists."

AJC attacked by editor in libel defense

By RICHARD O. SHAFER

Conde McGinley, editor of the newspaper Common Sense, testified at the trial of a \$250,000 libel suit against him yesterday, that the American Jewish Congress has no right to "stick its nose" into the fight for civil liberties in the United States.

"We have Congress and the courts, who can handle civil liberties," McGinley told a Superior Court jury hearing the trial. "The courts have been taking care of our people for years."

Rabbi Joachim Prinz of Temple B'nai Abraham is suing McGinley for publishing an article in 1952 calling him a "Red rabbi," and saying Rabbi Prinz was "expelled from Germany for revolutionary communistic activities."

STOPPED BY JUDGE

Judge Howard Ewart frequently stopped McGinley from making speeches from the witness stand about communism.

McGinley testified Common Sense did not mean to imply in the alleged libelous article that Rabbi Prinz was a Communist.

McGinley also denied knowing Rabbi Prinz personally and said he bore him no ill-will or malice "personally." Rabbi Prinz charges McGinley published the article, an attack on the American Jewish Congress of which Rabbi Prinz was the New Jersey president, maliciously and that McGinley was motivated by anti-Semitism.

DENIES HATRED

Questioned by his counsel, Kirkpatrick Dilling of Chicago, McGinley testified, "I don't hate any human, Jew or non-Jew, but I have opposed certain Jews and Jewish organizations," naming the Rosenberg spies and Zionist organizations.

McGinley, 64, said he was born in Oklahoma and came to New Jersey in 1929 and operated a restaurant until World War II, when he became an inspector in a defense plant. He said one of the reasons he started publishing Common Sense was because his son had served four years in the marines.

WROTE ARTICLE

Earlier, William J. O'Brien, a clerk, testified he wrote the alleged libelous article. McGinley said he considered O'Brien "reliable" and refused to publish a retraction after learning Rabbi Prinz was an active AJC officer.

O'Brien testified one of the reasons he considered Rabbi Prinz a "Red" was because the rabbi was moderator of a 1950 debate in Newark on whether the conviction of 11 Communist leaders endangered civil rights, and because Rabbi Prinz had been ordered out of Germany in 1937 for opposing Hitlerism.

Jerome C. Eisenberg, counsel for Rabbi Prinz, drew from O'Brien an admission that he considered anyone who opposed Hitler to be a Communist.

Ed Denies He Intended To Imply Rabbi Was Red

Newark Clergyman Seeking \$250,000 In Libel Suit Over Magazine Article Published In 1952

Newark, Mar. 29 (AP) — Conde McGinley, editor of the publication "Common Sense", denied on the stand yesterday that he meant to imply that Rabbi Joachim Prinz — who is suing him for \$250,000—was a Communist.

EXPELLED FROM GERMANY

"I think he is too smart to be a Communist," said the 64-year-old McGinley of the rabbi who filed the libel suit in connection with a 1952 article which appeared in the publication.

The article said Rabbi Prinz, of the Temple Bnai Abraham here, was expelled from Germany in 1937 for revolutionary Communist activities. It also referred to him as a Red rabbi.

McGinley told a Superior Court jury that he was not acquainted personally with Rabbi Prinz, nor did he bear him any ill will or malice.

In his suit, Rabbi Prinz maintains that McGinley was motivated by anti-Semitism in publishing the article which was written by William J. O'Brien.

McGinley, in answer to questions from his counsel, said he doesn't hate any human, Jew or non-Jew, but has opposed certain Jews and Jewish organization.

As examples the editor named the Rosenberg spies and Zionist organizations.

He also declared that the American Jewish Congress, of which Rabbi Prinz was an officer, has no right to stick its nose into the fight for civil liberties in the United States.

"We have Congress and the courts who can handle civil liberties," McGinley said. "The courts have been taking care of our people for years."

McGinley testified that prior to starting the publication he operated a restaurant and was an inspector in a defense plant. He came to New Jersey in 1929 from his native Oklahoma.

One reason why he launched the publication, he said, was because his son had served 4 years in the Marines.

He testified that he considered O'Brien, the author of the article, as reliable and that he refused to publish a retraction after he

learned that Rabbi Prinz was an active officer of the American Jewish Congress.

O'Brien himself testified that he did not intend to imply in the article that the rabbi was a Communist.

Under questioning by Rabbi Prinz's attorney, O'Brien said he considered any one who opposed Hitler to be a Communist. O'Brien said one of the reasons he considered Rabbi Prinz a Red was that the latter had been ordered out of Germany for opposing Hitlerism.

Ex-Soap Maker Tells Of Backing McGinley

Benjamin H. Freedman, wealthy retired manufacturer of soaps and toilet articles, testified today that he had given financial support to Conde McGinley of Union, editor of Common Sense, to the extent of "more than \$10,000 but less than \$100,000," and had himself written whole issues of the semimonthly tabloid paper.

Freedman who lives at 960 Park Ave., New York, was called as a defense witness at the trial of Rabbi Joachim Prinz's \$250,000 libel suit against McGinley. Dr. Prinz, rabbi of Temple B'nai Abraham of Newark, has charged that he was libeled when Common Sense, in its issue of April 1, 1952, referred to him as "Red Rabbi Dr. Joachim Prinz."

Dr. Prinz charged in his testimony that McGinley was motivated by hatred of all Jews, particularly their religious leaders. The defendant has replied that his is opposed only to Jews, who are "Red, Marxist, Communist, Zionist" and who follow the Talmud, which he considers anti-Christian.

Called Jewish Anti-Semite

Freedman, who said that only last week a Jewish organization had called him a "Jewish anti-Semite," was called as an expert on Zionism, Marxism, Communism, Socialism and Talmudism, but was not permitted to give his definition of or opinions of any of these subjects.

The position of Freedman was the same as that of Mrs. Elizabeth Dilling Stokes yesterday, whom the defense also sought to qualify as an expert on the same topics. In each case, Superior Court Judge Howard Ewart barred their

testimony, generally on the ground that it was based on hearsay or was not pertinent to the issues at the trial.

Denies Status

Jerome C. Eisenberg, attorney for Dr. Prinz, also maintained that neither Freedman nor Mrs. Stokes, who is better known as Elizabeth Dilling, had, in fact, been qualified as an expert.

On cross-examination as to his expert qualifications by Eisenberg, Freedman told of his financial support of McGinley. In response to Eisenberg's question, Freedman related that "I've made my personal funds available to him far in excess of \$10,000."

Pressed by Eisenberg for an exact figure, Freedman estimated that it was "more than \$10,000 but less than \$100,000."

Eisenberg sought to learn Freedman's present religious affiliation. He drew from the witness an assertion that he had not renounced Judaism although he had taken steps leading to affiliation with a Christian group.

Published Own Books

Freedman testified that he retired as a manufacturer of soap and toilet articles in 1933 and sold his business, the John H. Woodbury Co. Since then, he related, he had pursued his studies of communism and allied subjects and had written books, which he published himself because "accredited publishers" had refused to accept them.

Earlier, Ewart had suggested that an article in Common Sense, entitled "World Jewish Hoax" smacked of anti-Semitism. The article, which concerned

WHO ARE THE RULERS OF RUSSIA?

Translated from the Russian by a man who lived 25 years under Communism

In order for one to understand who the rulers of Russia are, one must know the answers to several basic questions. After the reader has answered these questions then he will be able to decide for himself what motivates Communism, not only in the Soviet Union, but throughout the entire world.

It would also be interesting to hear the thousands of Communist Jews who have immigrated into the United States during the past decade answer these questions.

QUESTIONS

1. Why is it that in every country where Communism has taken over, they first destroy the educated class along with their entire families, with the exception of the Jews?
2. Why is it that in the Communist countries the Communists confiscate all the private property owned by the working class and make them dependent upon the government for their material goods?
3. Why is it that in the Communist countries they destroy farmers, merchants, real estate owners, businessmen, and professional men with their families, with the exception of the Jews? (In the Soviet Union, all private property and real estate was taken for the Collective Farm system and the Gentile population made slaves.)
4. Why is it that in the Communist countries they have destroyed all spiritual leaders along with their families and relatives, with the exception of the Jews?
5. Why is it that in the Soviet Union all churches of every religion except the Jewish have been destroyed?
6. Communist propaganda says that religion is the opium of the people. If this is true, then why were not the Jewish Synagogues destroyed along with the Christian churches?
7. Why is it that every person who is caught reading a Bible or other religious books is arrested and sentenced to ten years hard labor in the concentration camps of the Soviet Union? The Jews are supposed to have a religion -- if so, then why does not the laws of the Soviet Union apply also to them? (The Soviet Union Jews are classed as a race, not a religion.)
8. Why is it that in the Communist countries the people are forced by the governments to kill mothers, fathers, brothers, sisters, friends, relatives, etc. and continually hate each other?
9. Why is it that in the Communist countries it is forbidden by law for several friends to get together, with the exception of the Jews?
10. Why is it that in the Communist countries the Jews live and work in their own communities, which is forbidden to the Gentile?
11. Why was it that in the areas of Don, Cuban, and other Soviet Union territories where Communism destroyed the people through government-imposed famine, the Jewish communities were well fed and survived the famine?
12. Why was it that Masonry in the Soviet Russia was wiped out after the Jews had used it to take over the country? (In 1929 every Mason who was not Jewish was killed along with his family.)
13. Why is it that in the Soviet Union men are separated from their wives? (About 20,000,000 men are confined to concentration camps, and 4,000,000 are in the army. The Jewish men are allowed to live with their wives and families.)
14. Why was it that after 1929 all Gentiles who belonged to the Kulaks (merchants, businessmen, farmers, etc.) who fled to other parts of Russia were caught and killed, and not the Jews?

15. Why was it that after 1929 the Jewish Secret Government employed criminals, prostitutes and illiterates for government positions and not intelligent educated people?
16. Why is it that in the Soviet Union there are 10,000,000 Gentile slaves digging gold for the Invisible Government and yet the Russian Gentile citizen never sees an ounce even for dentistry?
17. Why is it in the Soviet Union the Gentiles have to have a card to travel from one place to another, buy food, buy clothing, get a job, transfer from one job to another, get married, etc., when the Jews have the freedom to do all of these things without permission, and even travel in and out of the country?
18. Why is it that in the Soviet Union Jews never work in menial jobs but are the supervisors, managers, chiefs, etc?
19. Why is it only Jews are employed in the Soviet Union medical experimental laboratories? (Experiments are carried out in these laboratories on human beings to determine the effectiveness of newly discovered drugs.)
20. Why is it in the Soviet Union there are two governments, a legal government and an invisible government? The members of the legal government spy on each other, while the members invisible government are united and members of the Jewish cult?
21. Why is it that the Communist Party of the Soviet Union is limited to 3½ million people 50% of which are Gentile and the other 50% Jewish? The latter unified in thought and action, and the former supervised by the latter to spy on each other?
22. Why is it that when the Communist Gentiles fail to kill a sufficient number of other Gentiles, the Invisible Government replaces the Communists with younger and better trained Communists?
23. Why is it in the Soviet Union there is a Secret Board where a file is kept on every Gentile containing all information relative to his activities? (Every year these records supply the Jewish Secret Government with the names of those who are to be liquidated. There are no such records kept for the Jewish population, and if a complaint is made to this board by a Gentile against a Jew, then the former receives the sentence and not the Jew.)
24. Why is it that in the Soviet Union there are two courts, a secret court which handles 90% of the cases which deal with crimes against the government, etc., and an open court that handles trivial matters?
25. Why is it that in the Soviet Union the Jews have the right to the Stalin Constitution and the Gentiles cannot -- that is the freedom of religion, freedom of work, freedom of the press, etc. ?
26. Why is it that in the Soviet Union the Jews have the right to emigrate to the free countries and the Gentile slaves who fled from the country were taken back by force to be shot when caught by other countries?
27. Why did the German government, in order to save the lives of German people in Latvia, Lithuania and White Russia, exchange German Jews to the Soviet Union for the German people?
28. Why was Communism built on the Talmud?

Court curbs defense star in libel suit

By RICHARD O. SHAFER

The star defense witness in Rabbi Joachim Prinz' \$250,000 libel suit trial was barred by court rulings yesterday from testifying about Rabbi Prinz' alleged Red leanings published in the newspaper Common Sense.

Mrs. Elizabeth Dilling Stokes, author and lecturer on communism, spent three hours on the witness stand, but Superior Court Judge Howard Ewart refused to let her testify to anything except her education and background.

SON ASKS QUESTIONS

Her son, Kirkpatrick Dilling, counsel for Conde McGinley, editor of Common Sense, fired scores of questions at her which he said would show that Rabbi Prinz has been closely associated with Communists, Communist sympathizers and Communist-front organizations.

Among those Dilling named were Albert Einstein, the late Rabbi Stephen S. Wise, Judges Julian W. Mack and Ben Rosenthal, Louis Lipky, Rep. Emanuel Celler of New York, the American Jewish Congress, the Central Conference of Rabbis, the Zionist Organization of America and the Independent Citizens League.

In some cases, Judge Ewart ruled there was no evidence that Rabbi Prinz was associated with the individuals or organizations. In others, he said Mrs. Stokes' opinions were not evidential.

MOM 'AN EXPERT'

Dilling argued that his mother was an expert on Communist activities in this country. She is the author of "The Red Network," "The Roosevelt Red Record and Its Background" and other books.

Dilling insisted she be allowed to testify about the American Jewish Congress, of which Rabbi Prinz was a vice-president. Mrs. Stokes said she had gained her information about it from its literature and from "the Communist press."

Judge Ewart ruled her testimony would be hearsay and said it would prove nothing.

ASSAILS AJC

Dilling told the court McGinley could justify Common Sense's alleged libel against Rabbi Prinz by showing the AJC "is a Red-front organization from top to bottom."

"No one could be a policy-making officer of that organization without being a Red," Dilling asserted.

But Judge Ewart ruled that hearsay testimony by Mrs. Stokes could not be allowed.

Earlier, McGinley testified he believed Admiral Lewis Strauss, chairman of the Atomic Energy Commission, is "part and parcel of the plot to take over this country."

CALLS BRANDEIS RED

McGinley also branded the late U. S. Supreme Court Justice Louis Brandeis as a "Communist."

Jerome C. Eisenberg, counsel for Rabbi Prinz, then questioned the editor about his attitude toward Robert H. Best, the American convicted of treason to the U. S. for conspiring with the Nazis during World War II and who died in prison.

"I approve of him," McGinley testified. "Thanks to Jewish persecution, he was convicted of treason. He was shanghaied. The only thing they had against him was that he was opposed to the Roosevelt regime, which pushed us into the war."

OPPOSES ZIONISTS

McGinley, who Rabbi Prinz charges hates all Jews, was asked if he considered U. S. Solicitor Simon Soboloff "un-American."

"As a Zionist I am opposed to him," McGinley said.

After Mrs. Stokes left the witness stand, Dilling read to the jury a resolution of the American Jewish Congress strongly opposing loyalty oaths for Americans. The AJC held that a loyalty oath would be "taken lightly by opponents of democracy" and would "weigh heavily" on truly loyal Americans.

Rabbi Libeled Court Decides

Superior Court Judge Howard Ewart ruled today that Rabbi Joachim Prinz was libeled by Common Sense when ie referred to him as a "Red rabbi" and declared that he had been expelled from Germany for "revolutionary, Communist activities."

Ewart held that the characterization was "libelous per se" as a matter of law.

On the question of whether Dr. Prinz was "Red," the court said it would let the jury consider the defense proofs. On the "revolutionary, communist activities" Ewart said no testimony that this was so had been produced by the defense.

Rabbi Wins Libel Action; Jury Awards Him \$30,000

Clergyman Says Issue Was Freedom From Smear;
Editor McGinley To Appeal The Verdict

Newark, Apr. 1 (AP) — "The issue was freedom from smear," said Rabbi Joachim Prinz as he received a jury's verdict awarding him \$30,000 in his \$250,000 libel suit against Conde McGinley of Union, editor of the semi-monthly newspaper "Common Sense".

\$25,000 IS PUNITIVE

The award of \$5,000 compensatory damages and \$25,000 punitive damages was made yesterday by a Superior Court jury.

Dr. Prinz, rabbi of Temple B'nai Abraham of Newark, contended in the suit that he was libeled in an Apr. 1, 1952, article in the publication which referred to him as: "a Red rabbi who was expelled from Germany for revolutionary Communistic activities."

"The issue was freedom from smear," he commented, "it was not merely a case of defamation of a person. The verdict is not only vindication of me personally, but also of all the groups with which I have associated, most notably the American Jewish Congress which because of its fight for justice and decency and for its stand against Communism and Fascism alike has been the principal target."

McGinley, whose attorney said he would seek a new trial and if this is denied will appeal the verdict, remarked:

"This in no way will interfere with my efforts to get the truth to more people over the world in an effort to save Christianity."

Superior Court Judge Howard Ewart had ruled that "Common Sense" had libeled Rabbi Prinz and that McGinley had failed to prove the allegations in the article.

He said the only question for the jury was to decide the amount to be awarded to the Rabbi.

Rabbi Prinz, the Judge added, was entitled to compensatory dam-

ages and the amount should be based on the injury to the Rabbi's reputation, the injury to his feelings, and his mental suffering and humiliation.

EVIDENCE OF MALICE

Actual malice must be shown to justify an award for punitive damages, the Judge added in his charge. He said McGinley's failure to retract the libelous statement was evidence of actual malice and was sufficient to justify punitive damages.

The jury deliberated 3½ hours and returned a 10-2 verdict, which is permitted under New Jersey law. One juror said later the two who had disagreed held out for an award of only nominal damages for Rabbi Prinz.

During the trial, Prinz's attorney, Jerome C. Eisenberg, described McGinley as a malicious liar who hates Jews with a blind, irresponsible, reckless hate. He said the publication was a hate sheet.

Rabbi Prinz testified that he had been ordered out of Germany in 1937 because he preached and wrote against persecution by Hitler of Jews and other religious groups.

Defense lawyer Kirkpatrick Dilling said McGinley was a man without malice and that the publication did not refer to Rabbi Prinz as a Communist, nor did it claim he was a disloyal American in calling him a Red.

Jury awards \$30,000 to Rabbi Prinz in libel suit

By RICHARD O. SHAFER

Rabbi Joachim Prinz of Temple B'nai Abraham was awarded \$30,000 damages by a Superior Court jury yesterday in his libel trial against Conde McGinley of Union, editor of the semi-monthly four-page newspaper Common Sense. Rabbi Prinz was given

\$5,000 compensatory damages and \$25,000 punitive damages. Superior Court Judge Howard Ewart had ruled that Common Sense libeled Rabbi Prinz in its April 1, 1952, issue by calling him a "Red rabbi who was expelled from Germany for revolutionary communistic activities."

Judge Ewart told the jury that McGinley had failed to prove the charge and said the

only question for the jury to decide was the amount to be awarded Rabbi Prinz.

JUBILANT AT VERDICT

Rabbi Prinz, ordered out of Germany by the Gestapo in 1937 for opposing the Hitler regime, was jubilant at the verdict and hailed it as an expression of the "justice and decency which is so much a part of the American way of life."

"The issue was freedom from

smear," he said in a statement. "It was not merely a case of defamation of a person. The verdict is not only vindication of me personally but also of all the groups with which I have associated, most notably the American Jewish Congress, which because of its fight for justice and decency and for its stand against communism and

fascism alike has been the principal target."

McGinley, whose counsel said he would appeal the verdict if a new trial is denied, had this comment:

"This in no way will interfere with my efforts to get the truth to more people over the world in an effort to save Christianity."

TWO JURORS DISAGREED

The jury deliberated three and a half hours. Two of the 12 jurors disagreed with the verdict, but under New Jersey law a 10 to 2 verdict is permitted. One juror said the two who disagreed held out for an award of only nominal damages for Rabbi Prinz.

Among the other 10, the juror said, the amount of punitive damages considered ranged to as much as \$150,000 before the \$25,000 compromise was reached.

In his charge to the jury, Judge Ewart said Rabbi Prinz was entitled to compensatory damages and the amount should be based on the injury to the rabbi's reputation, the injury to his feelings, and his mental suffering and humiliation.

QUESTION OF MALICE

Judge Ewart said actual malice must be shown to justify an award for punitive damages and that the jury could infer that McGinley's failure to retract the libelous statement was evidence of actual malice and was sufficient to justify punitive damages if the jury saw fit to award them.

Benjamin H. Freedman of New York, retired soap manufacturer and a supporter of Common Sense, was incorrectly quoted as testifying he had contributed not less than \$100,000 to the newspaper. His testimony was he had contributed more than \$10,000 and less than \$100,000.

Never Red, rabbi tells libel trial

By RICHARD O. SHAFER

Rabbi Joachim Prinz of Temple Bnai Abraham testified at his \$250,000 libel suit trial yesterday he has never been connected with Communist activities in any way.

Nor, he said, was he expelled from Germany in 1937, because of "revolutionary communistic activities," as reported by the newspaper Common Sense of Union in April, 1952.

The newspaper also allegedly called Rabbi Prinz a "red" rabbi, which, he charges, was the same as calling him a Communist. He is suing the 63-year-old editor and publisher, Conde McGinley.

Part of McGinley's defense is that the published statements against the rabbi were true. But Prinz testified neither he nor his wife or children ever engaged in any political activity of any kind, that they never were Communists or members of Communist-front or Socialist organizations or members of any subversive organizations, and that they never had any Marxist sympathies.

EXPELLED BY GESTAPO

Prinz said he was ordered out of Germany by the Gestapo because he preached and wrote against Hitler's persecution of the Jews and other denominations.

Prinz has been a Newark rabbi since 1939 and an American citizen since 1943. Bishop Theodore R. Ludlow, retired head of the Episcopal Diocese of Newark testified Rabbi Prinz has an "excellent reputation" as a loyal American.

The testimony was filled with disputes over the meanings of "assimilation" and "Zionism." Defense Counsel Alfred Dilling Sr., told the jury that Zionism, which Rabbi Prinz said he had espoused, "requires a divided allegiance to the United States." He said he would also reveal the "red and Marxist" activities of the American Jewish Congress, of which Rabbi Prinz is an officer.

ZIONIST FOE

"The defendant," said Dilling, "does not deny that he has strong opposition to Zionism and certain Zionist Jews for what he considers to be their adherence to a movement which requires double allegiance to the United States and that he is opposed to the Talmudic sect of Judaism because of what he considers to be immoral, unmoral, anti-Christian and in some cases almost criminal teaching."

Rabbi Prinz' definition of "assimilation" was that it encourages "conversion and intermarriage" and is a movement to encourage "Jews to withdraw from their faith." He said he was opposed to it.

DEFINES ZIONISM

He defined Zionism as a movement to establish a Jewish homeland in Palestine, and said he resigned from the movement because that objective had been accomplished.

Bishop Ludlow testified that in his opinion Rabbi Prinz's views on assimilation and Zionism do not "interfere with his loyalty to the United States."

The trial will be resumed today before Superior Court Judge Howard Ewart at the Essex County Court House. Benjamin Eisenberg is counsel for Rabbi Prinz.

Ex-Governor Testifies To Rabbi's Reputation

Former Gov. Alfred E. Driscoll testified today as a character witness for Rabbi Joachim Prinz in the latter's \$250,000 libel suit against Conde McGinley, editor of Common Sense.

Dr. Prinz, rabbi of Temple B'nai Abraham of Newark, has charged that he was libeled by Common Sense in its issue of April 1, 1952, when it referred to him as "Red Rabbi Joachim Prinz, who, not unlike Albert Einstein, was expelled from Germany for his revolutionary, Communist activities." His suit is being tried before Superior Court Judge Ewart and a jury.

Driscoll, now president of Warner-Hudnut Corp., said that he first met Dr. Prinz in the late 1930s or early 1940s. The former governor was called to answer one question by Jerome C. Eisenberg, attorney for Dr. Prinz:

"Do you know his reputation for loyalty to the United States and the democratic principles on which its government is based?"

Affirms Reputation

Driscoll responded:

"His reputation is that of a loyal citizen of the United States devoted to the basic principles of our country."

Cross-examination of Dr. Prinz was interrupted to permit Driscoll to testify as it had been yesterday to permit similar testimony by Rt. Rev. Theodore R. Ludlow, retired suffragan bishop of the Episcopal Diocese of Newark.

Bishop Ludlow testified that he had been associated with Rabbi Prinz in a number of civic activities, especially those concerned with civil liberties, and praised his reputation for loyalty to the United States and principles of democratic government.

On cross-examination, Alfred Dilling Sr. of Chicago, McGinley's counsel, asked the bishop if he knew that a minister with whom he had been associated in editorial work had served on a committee with Earl Browder, former head of the Communist party in the United States. Ewart sustained an objection by Jerome C. Eisenberg, Rabbi Prinz's counsel, that the question was not relevant.

Dilling also sought to show that Dr. Prinz's loyalty to the United States was inconsistent with his writings.

The attorney quoted from a book, "We Jews," written by the rabbi in which he said: "In lieu of disintegration, we seek the new order; the confession, the belonging to the Jewish nation and the Jewish race." He asked the bishop if this view (which Dilling

defined as the tendency of Jews to become part of the society in which they live) was evidence of Dr. Prinz's loyalty to the United States.

Draws Distinction

"I see nothing inconsistent with his being proud of being a Jew and with being a loyal citizen of the United States," the bishop responded. "I don't see where it would interfere."

Kirkpatrick Dilling, who is associated with his father as counsel for McGinley, sought by his cross-examination today to connect the American Jewish Congress, which was the subject of the disputed article in Common Sense and of which Dr. Prinz is an officer, with Red-tainted organizations and movements.

At one point the younger Dilling asked the rabbi if he wanted to amend his previous testimony that he had never been connected with any organization listed as subversive on the attorney general's list. This was after Kirkpatrick Dilling had established that the American Jewish Labor Council and the Jewish People's Fraternal Order, both cited by the House Un-American Activities Committee on May 14, 1951, had been affiliated with the AJC up to late 1948.

Pointing out that both organizations had been removed from the AJC, Dr. Prinz answered: "I again say that the fact that organizations are nominally members of the congress does not establish any personal connection with them."

In response to a question from the court, Kirkpatrick Dilling said his purpose was to show that "nobody can be a policy-making member of the AJC without being a Red."

That and similar remarks caused Judge Ewart to admonish Dilling and suggest that he might like to be sworn as a witness if he wanted to testify.

Jury awards \$30,000 to Rabbi Prinz in libel suit

Jury Ponders Damages In Rabbi's Libel Suit

A jury began deliberating at noon today the amount of compensatory damages and what punitive damages, if any, it should award to Rabbi Joachim Prinz for having been libeled by Common Sense, a semimonthly tabloid paper published in Union.

Superior Court Judge Howard Ewart first instructed the jury that Dr. Prinz, rabbi of Temple B'nai Abraham of Newark, was entitled to compensatory damages as a matter of right and of law from Conde McGinley, editor of Common Sense, for its characterization of him as a "Red rabbi," who, not unlike Albert Einstein, was expelled from Germany for revolutionary, Communist activities.

The court explained that compensatory damages would be based on the injury to Dr. Prinz's reputation, the injury to his feelings, his mental suffering and humiliation. The judge asserted that actual malice must be shown to justify the award of punitive damages and pointed out that the jury could infer that McGinley's failure to retract the libelous statement was evidence of actual malice and was sufficient to support punitive damages, if it saw fit to award them.

Upholds Right to Oppose

Ewart told the jury that the defendant had produced no truth respecting its allegation of "revolutionary, Communist activities." He added: "We have a right to oppose, and the mere fact of our opposition does not entitle anyone to pin a Red label on us."

The court continued that there could be no doubt that the word "Red" as applied to Dr. Prinz and as considered in relation to the rest of the phrase meant that he was either a Communist or supported and sympathized with the goals of the Communist party.

He also cautioned the jury that the issues were not between Christianity and Judaism, or between Jews and Gentiles, but between two American citizens, one of whom charges the other has held him up to public hatred, contempt and ridicule and besmirched his good name.

Yesterday, Jerome C. Eisenberg, attorney for the rabbi, and Kirkpatrick Dilling, defense counsel, completed their summations.

In his summation, Eisenberg charged that McGinley had a "sickness inside him that makes him hate with a blind, reckless, irresponsible hate." He asked the jury to assess punitive damages that would serve to tell McGinley "don't you dare do this again" and a "thousand other McGinleys that you may hate as you please, but don't tell lies recklessly, maliciously and irresponsibly."

Striking at a defense assertion that "Red" did not denote Communist exclusively and had various shades of meaning, Eisenberg said that the adjective as applied by Common Sense to Dr. Prinz meant that he was a "dirty, lousy Communist who had been expelled from Germany because he was a dirty, lousy Communist."

Eisenberg told the jury that it had the obligation of protecting Dr. Prinz from a "dirty, nasty smear" made worse because it was accompanied by a "certain kind of anti-religious hate."

Eisenberg asserted that the defense had failed to offer any of the rabbi's writings, sermons and speeches to support its allegations but instead had relied on an attack on the American Jewish Congress, of which Dr. Prinz is

an officer, by suspicion and smear.

In his summation, Dilling told the jury it should consider, in mitigation of damages, the 13,000 circulation of the issue containing the libel, and that McGinley is "pretty small potatoes" in the publishing field.

He said that the "defamatory import" of the article claimed by the plaintiff was not justified by a reading of the article as a whole, which was principally an attack on the American Jewish Congress, and should be considered in its context.

Claims "Honest Intent"

Also in mitigation of damages, Dilling said, the jury should consider McGinley's "honest intent and belief" in applying the phrase, "revolutionary, Communist activities" to Dr. Prinz.

"We don't say that Dr. Prinz is disloyal or that he is a Communist," Dilling asserted.

Stating that the defense held that all Communists are Reds, Dilling added that the word "Red" is susceptible of many shades of meaning and generally could be applied to those "who aid left-wing organizations or causes."

Dilling told the jury to judge the rabbi by the "company he keeps" and referred specifically to the American Jewish Congress for its stand on a number of controversial issues, which he identified as the same stand as that taken by the Communist Party.

Judge Denies Libel Retrial

Court Not 'Shocked' by
\$30,000 Verdict Given
Rabbi Prinz

A motion for a new trial of Rabbi Joachim Prinz's successful libel suit against Conde McGinley, editor of Common Sense, was denied today by Superior Court Judge Howard Ewart. Judge Ewart said the \$30,000 verdict did not "shock" him.

Dr. Prinz, rabbi of Temple B'nai Abraham, was awarded the verdict by a jury on March 31. The judgment included \$5,000 in compensation damages and \$25,000 in punitive damages against the editor of the semi-monthly, four-page tabloid published in Union.

Douglas C. Baker, attorney for McGinley, asked for a new trial on the grounds that the verdict was excessive and contrary to evidence. He also argued that the court had erroneously charged the jury on the law in the case and also had erred in granting some of the plaintiff's requests to charge and in denying some of the defendant's.

Says Sum Warranted

The motion was opposed by Dr. Prinz's attorney, Jerome C. Eisenberg.

In denying the motion, Judge Ewart said he found nothing in Baker's arguments to justify reversing the jury's action.

"The size of the verdict indicated good judgment," the court said. "I was not shocked by it. The nature and the character of the libel warranted substantial punitive damages."

A Spotlight On N. J. 'Hate Sheet'

UNION.—A Nazi-style smear sheet called "Common Sense," that preaches hatred and violence against Jews and Negroes, is in the national spotlight today.

The paper, published twice a month for the past nine years in this north Jersey town, has just been labelled by the House Un-American Activities Committee as "a clearing house for hate propagandists throughout the country."

The committee report links "Common Sense" and its publisher, Conde McGinley, with the National Renaissance Party. This open fascist movement, complete with its own Gestapo—a uniformed "elite guard"—has "virtually borrowed wholesale from Fascist and Nazi methods," the report says.

THE NRP, led by James Madole, preaches admiration for Hitler, hatred for Jews; its imitation Nazis wear lightning bolts for swastikas on armbands; appeals to violence at street meetings, and calls for a Fascist government in the United States.

In a 1952 article headed, "Adolf Hitler—An Appreciation," the NRP Bulletin spoke of "defending the remainder of Western civilization from the colored hordes of Asia and Africa led by Jewish Commissars toward the ultimate goal of World Jewish Domination."

And in "Common Sense," which shares not only opinions, but staff writers, with the NRP paper, you'll find more of the same:

"Judaism subscribes to . . . sodomy, incest, bestiality, even burning children . . . sex abuse of baby girls and little boys by adults. . ."

This garbage has led "Common Sense" to be sued by one of Newark's leading religious figures, Rabbi Joachim Prinz, and condemned last Spring by the State Assembly. The Legislature voted unanimously to make known its "abhorrence of the organized campaign of prejudice and bigotry."

These outfits, under the banner of a fascist America, have collected under their banner of a fascist America all the "lunatic fringe" of the '30s, the Coughlinites and America Firsters, dregs of the KKK,

and current racists. Their hero is Joe McCarthy.

Where the Un-American will take it from here is really up to the people. Surely this group, itself loaded with racists, and bigots, cannot be depended upon to disband these outfits. Already, their belated discovery that fascists are operating openly here is coupled with what they call "equally subversive communists and liberals."

Their probe leaves several questions unanswered:

—How come it took nine years to unearth the fact that "Common Sense" is a Nazi rag?

—How long will this incendiary filth which urges violence against millions of Americans be allowed to go through the United States mails?

FLUORIDATION POISON IN DRINKING WATER

The United States Public Health Service and the promoters of the fluoridation scheme have stepped up their program of adding a poison to community water supplies. Reports have reached us from all parts of the country and the story is quite similar. Of course, there are some areas where the drinking water is fluoridated secretly. And there are communities in which an informed individual or group has been able to refute the propaganda of the fluoridationists with the result that no action is taken. However, the bulk of the cities report that the introduction of the fluoridation program is clever, subtle and deceptive. In most of these cases, small items appear in the local papers. Some health officer, or an organization makes mention of the benefits of fluorine in the reduction of tooth decay. Occasional articles extol the virtues of this scheme, rarely is there publicity given the other side. Then, rather inconspicuously — unless some one is alert enough to recognize the danger — the local authorities vote to have fluorides added to the water supply. In many instances, the citizens do not understand what has been put into their water — a basic necessity — other than "it has something to do with helping your teeth."

Above you see an actual photograph of a man placing fluorine in the water supply of some unsuspecting community. Fluorine is such a deadly poison that it would be fatal to come in contact with it. There is a plan to put it in your drinking water if it is not already there. Are you aware of this? If not, you had better investigate and do something about it immediately.

The fluoridationists resort to the same blanket statements, misleading terms, and "proofs". Their line of propaganda runs thusly:

1. The addition of sodium fluoride reduces tooth decay about 50 or 60%.
2. There are no harmful effects as a result of fluoridation.
3. A safe level has been established as to the proper concentration of fluorides.
5. Those who oppose fluoridation are mainly "crackpots."
6. It is extremely inexpensive, costing only from 5 to 14 cents a year per person.

In refuting these claims, we will quote mainly

Is It Possible To Save Our Country From Being Ruled By One Of These Marxist Systems: Stalin Commu- nism or Trotsky Communism?

The main supporters of the Trotskyites in the United States are Zionists who appear as opposed to Communism. Jews set up Communism in Russia during 1917 (financed mainly from New York City) and supported it for 35 years. No Jewish leader dares try to refute this. The Russians, tired of the Zionist control of their government and the Frankenstein monster of Communism which they created, are asserting themselves. Beria was top Jew (part Jew) in the Soviet Union working to have a Jew succeed Stalin.

The non-Zionist Jews and their dupes, the Russian Communists, resent the Zionist plans to establish the world headquarters in Jerusalem, hence the Soviet Union which wants headquarters in Moscow is hostile to Zionist activity in Communist-controlled countries. The Zionist Trotsky Marxists, failing to gain full control of Communism in the Soviet Union now would like to see the Soviet government fall into their arms so all Communists would come under Zionists in their plan to rule from Israel.

Hence the campaign of propaganda by Zionist Jews that they are being persecuted to bring about war as the cry of persecution of Jews by Germany caused the U. S. to send our manhood to Europe and prevented Germany from wiping out Communism. The Jew uses every movement or group possible to bring about Jewish control.

Followers of these groups are active in the U. S. When questioned as to Communism, they are evasive or deny and often proclaim their opposition to Communism, but they support and promote practically all Marxist moves. Truman often spoke against Communism in Asia (Stalin Communism) but appointed Communists like Harry Dexter White to strategic positions in Washington after he was warned they were Communists. Trotsky Communists are backing Tito and promoting a war against the Russian people in order to break down the two remaining strong countries — U. S. and Soviet Union — so that they may have complete control of the World Marxist movement and establish the World Headquarters in Israel.

Christians And Communism

"Communism is intrinsically wrong, and no one who would save Christian civilization may collaborate with it in any undertaking whatsoever."

These are emphatic words spoken at a crucial moment by the head of the Catholic Church.

While Christians recognize the evils which have bestirred men to revolt against the cruel, hard economic conditions born of un-Christian philosophy and economy, nevertheless, good Christians cannot collaborate with Communism in any of its undertakings.

Clever Communists recognize this pronouncement as well as do Christians.

Clever Communists, therefore, cunningly conceive a new approach to win over to their philosophy the exploited and innocent Christians.

In Spain, for example, Communists ceased calling themselves Communists. They labeled their followers as members of the "Popular Front," and the Loyalists. In Italy and Yugoslavia they called themselves Partisans, and in the United States of America it was the New Deal.

They have appealed to Catholics and Protestants to join with them in a popular front against their common enemies.

Read once more the words of Pius XI: "Communism is intrinsically wrong, and no one who would save Christian civilization may collaborate with it in any undertaking whatsoever."

"You are either with Me or against Me," said Jesus Christ.

In this battle, which will be fought decisively between now and 1956 Christian Americans are either with Christ or against Him. They are against Him if they collaborate in any undertaking whatsoever with Communism. The following is an example of just a few Christians who front for Communism knowingly or unknowingly: the late Philip Murray; the late Senator Brian McMahon; J. Howard McGrath, former front for Jew-Communist dominated Department of Justice; William O'Dwyer, former crooked Mayor of New York; Bishop Sheil of Chicago, Bishop Bromley Oxnam, red Methodist bishop; Louie Newman, Baptist minister, Jack McMichaels.

The shackles of economic slavery must be broken — they must be broken in a Christian manner.

The philosophy of exploitation must be destroyed. But it must be supplanted by the philosophy of pure Christianity.

6. It is extremely inexpensive, costing only from 5 to 14 cents a year per person.

In refuting these claims, we will quote mainly from the recent Congressional hearings of H.R. 2341, the bill introduced by Rep. Weir to outlaw fluoridation.

Does Sodium Fluoride Reduce Tooth Decay?

"Brantford, Ontario, adopted fluoridation in 1944. After 6 years its public health officer reported (Feb. 1950) a reduction of 31 per cent among children of school age requiring dental repairs. This report gave a sudden spurt to the campaign for public water fluoridation in Toronto. But health officials in Toronto had mean-

while been watching the condition of their school children's teeth. When the cry for fluoridation became insistent, they announced that dental decay among Toronto's children declined 45.3% during the same period of years. (Statement of Claude N. Palmer, Hearings on H.R. 2341, p. 30)

"Newburgh and Grand Rapids Fluoridation Experiment Stations show statistics which prove that by age 17 to 18 years, fluoridated water aggravates dental decay, so that there is far more dental decay evident in those children who have used fluoridation water than in the children who have used water without fluoride." (Statement of Miss Lillian Van De Vere, Hearings, H.R. 2341, page 116)

Referring to charts based on the data collected by Newburgh and Grand Rapids researches by 1952, after 6½ years of fluoridation, the following testimony was given. "The comparison of two sets of bars indicates that in fluoridated areas, up to the ages of 8 to 9, either the detection of decay was more difficult or there was a temporary delay in decay. However, the unexpected increase in the rate of fluoridated decay after the age of 9 shows that most likely by the age 14 or at the most 16, fluoridated areas will have more decayed teeth than nonfluoridated. Such possibility is strengthened by the phenomenon peculiar to fluoridated decay revealed on the chart: The number of decayed, filled, or missing teeth in fluoridated communities doubled every two years, that is, children of 8 years had on the average 1½ decayed, filled or missing; 2 years later they had twice as many or 3; 2 years later, when they were 12, the number of decayed, filled or missing again doubled and became 6." (Statement of K. K. Paluev, Hearings on H.R. 2341, p. 174)

"Let us consider, for instance, the statistics given us by the observers at Newburgh. It is claimed that there has been a greater reduction in tooth decay among the children in Newburgh than in the control city of Kingston. However, in the overall picture, the total defects in children of school age are 100 per cent greater in Newburgh than in the control city, according to the 1952 statistics of the Department of Education." (Statement of Anthony J. Romeo, Hearings on H.R. 2341, p. 241)

Harmful Effects Of Fluoridation

Very glibly, the advocates of fluoridation assure us that there are no dangers associated with the amount of sodium fluoride prescribed. How honest is this statement? What tests have been made to substantiate this claim? Have studies been carried out to determine the effect of artificial fluoridation on the aged, the sick or those with particular allergies? If so, when, where and how complete were they? Assuming that some sort of check has been made — how conclusive could it possibly be inasmuch as we know that fluorine has a cumulative action, that is, part of it is retained in the body and stores up. Who can say that no harm will come to us after continued use of this poison?

The deception used in connection with this scheme is revealed over and over again. They constantly repeat the phrase "no harmful effects" and yet the Feb. 1952 issue of the American Dental Association carried an article, "Relation of Endemic Dental Fluorosis to Malnutrition" which said in part:

"Importance of investigation of nutritional status: The data from this and other investigations suggest that malnourished infants and children, especially if deficient in calcium intake, may suffer from the effects of water containing fluorine while healthy children would remain unaffected."

In a letter to Mr. Roby C. Day, May 1 34, Dr. George Heard, for many years a dentist in Hereford, Tex., stated:

"I believe that fluorine does, in a mild way, retard caries, but I also believe that the damage it does is far greater than any good it may appear to accomplish. It even makes the teeth so brittle and crumbly, they can be treated only with difficulty, if at all. It is hellish and un-American to put poison in city water supplies and force citizens to drink it. I sincerely hope that at least some of your dentists are cooperating with you in getting the truth about tooth decay over to your citizens." (Statement by Mrs. Hugo Franzen, Hearings on H.R. 2341, p. 95)

Experiments on white rats (and humans are more susceptible to fluorides than rats) lasting up to 9 months, and using fluoridated water containing 10 parts per million, 5 parts per million, and 1 part per million (the latter prescribed as the "safe level") showed the following results in all dilutions:

"Experiment 1. Onset of arteriosclerosis was hastened by ingestion of sodium fluoride; blood-clotting time was prolonged.

Experiment 2. Cancer growth was accelerated by ingestion of sodium fluoride." (Statement of Miss L. Van De Vere, Hearings, H.R. 2341, p. 110)

"Fluorine is a nerve poison. It effects the nervous system: its vegetative section which supplies the inner organs of the body and the endocrine glands, as well as its central and peripheral sections—that is to say, the brain, the spinal cord, and the peripheral nerves. The long-continued daily ingestion of at least 1 milligram of fluorine, equivalent to 1 liter of drinking water with a concentration of 1 part per million a day, is sufficient to cause the first evidence of chronic fluorine poisoning." (Statement of Dr. Leo Spira, Hearings on H.R. 2341, p. 185) Emphasis added.

Space does not permit further reference to the many reports from medical men, scientists and researchers regarding the effects of fluorides on the body. However, the subject of dental fluorosis, or mottling of tooth enamel, should be included at this time. On this point, the fluoridationists insist that with the concentration recommended there is very little mottling, what there is can hardly be seen and if anything, it makes the teeth more attractive! Mottling of the enamel varies from white, chalky spots to actual pitting. The former is referred to as moderate. However, describing fluorosis, the Journal of the American Medical Association, Oct. 17, 1936, p. 1269 states that the chalky appearance "in many instances later takes on a characteristic brown stain, the frequency of the brown stain increasing with age". Thus, the moderate mottling occurring in from 10 to 20% of the children drinking the "prescribed amount" of fluoridated water as acknowledged and minimized by the fluoridationists in many cases will develop into a severe disfiguring of the tooth enamel in later years! According to dental reports, these brown stains are unremovable.

Dr. F. B. Exner has stated: "I have personally seen teeth that developed in Denver, using water with one part per million of fluoride, that were stained. The front teeth were mottled with brown, and it was obvious at first glance from across the room." (H.R. 2341, p. 68)

Is There A Safe Level of Fluoride Concentration?

Medicines, pills and tablets are, for the most part, prescribed and taken on an individual basis. Naturally, there are several medicines on the market available without a prescription. But the purchase and use of such remains a matter of choice. A medication helpful to one person may be totally ineffective when used by another. By the same token, we would not give an adult medicine to an infant, nor would we force certain medications on one suffering from an allergy, heart disease or nephritis. A doctor may have a dozen patients suffering from the same ailment and yet prescribe either different remedies or different amounts of the same medicine. The doctor realizes that each patient is an individual; each having dissimilar susceptibilities, resistances, and needs.

Therefore, when a dose of rat poison is prescribed as

passed. A completely healthy person may be expected to have an entirely different reaction to fluorides than would one who is suffering from a particular disease. Also, there may be a variance in the individual ability to store up or excrete this poison.

The following statement from Claude N. Palmer reveals the inability to maintain the "safe" fluoride concentration:

"In Charlotte, N. C. . . . one of our larger fluoridated communities, monthly analyses of fluoride concentration at the city water plant between September 1949 and August 1950 showed variations from 14 per cent above to 35 per cent below the prescribed amount, an overall spread of 48 per cent."

"This 48 per cent variation at the water plant might not be highly significant, if it were not for the fact that three other monthly tests of the same water drawn from the same source showed as great or greater variations in fluoride content, seldom agreeing with each other or with the water plant's analyzer. Samples analyzed by the city health department showed a difference of 51 per cent between maximum and minimum concentrations. The Charlotte water district tests showed variations of 53 per cent during the 12 month period. Tests at a military post which draws its water from the Charlotte system showed a difference of 51 per cent between maximum and minimum fluoride concentrations. While the latter percentage coincides with that of the city waterworks, it is significant that in no month of the 12 were all 4 tests in complete agreement as to the fluoride content of their individual samples."

"If it were true, as promoters of fluoridation assert, that mixing and metering equipment used to combine fluorides with water are infallible, there would be only one reason why water enters the city mains with one concentration and leaves them a few miles away with a higher or lower concentration. This reason would be that part of the fluoride is deposited somewhere along the line. While there are indications that this is true to some extent, there is good evidence that certain amounts of fluoride remain in the mixing device, temporarily at least." (H.R. 2341, p. 31)

Hazardous, to say the least, inasmuch as sodium fluoride is highly poisonous. 15 times stronger than arsenic!

How Reputable Are The Opponents Of Fluoridation?

To minimize the effectiveness of the opponents of fluoridation, and to eliminate the necessity of answering the charges of the opposition, the fluoridationists attempt to categorize all those opposed to the plan as "crackpots." The old routine — if you can't answer a man's argument, discredit him. The fact is, those who are fighting fluoridation include doctors, dentists, scientists, researchers, chemists and others connected with matters of health and nutrition.

Dr. Max Gims, during the hearings of H.R. 2341 (pp. 191-2) introduced a petition opposing fluoridation that had been signed by 119 dentists from Worcester, Mass. The day before his testimony, Dr. Gims stated that he had received a special delivery letter including the names of 10 physicians who wished their names added to the petition.

One might logically raise the question of why there are not more dentists publicly opposing fluoridation. Undoubtedly, there are many who have not done any extensive investigation of this controversy. There is another aspect, however, that is significant and casts a new light on the subject. Section 20 of the code of ethics of the American Dental Association prevents opposition — or, at best, makes it extremely difficult. It reads as follows:

"Sec. 20. EDUCATION OF THE PUBLIC — A dentist may properly participate in a program for the education of the public on matters pertaining to dentistry provided such a program is in keeping with the dignity of the profession and has the approval of the

ings, H.R. 2341, page 116). Referring to charts based on the data collected by Newburgh and Grand Rapids research by 1952, after 6½ years of fluoridation, the following testimony was given. The deception used in connection with this scheme is revealed over and over again. They constantly repeat the phrase "no harmful effects" and yet the Feb. 1952 issue of the American Dental Association carried an article, "Relation of Endemic Dental Fluorosis to Malnutrition" which said in part:

"Importance of investigation of nutritional status: The data from this and other investigations suggest that malnourished infants and children, especially if deficient in calcium intake, may suffer from the effects of water containing fluorine while healthy children would remain unaffected."

"... Thus low levels of fluoride ingestion which are generally considered to be safe for the general population may not be safe for malnourished infants and children." (Statement of Vincent A. Kleinfeld, Hearings on H.R. 2341, p. 42—Emphasis ours. . . . Ed.)

"Look at another fine Ohio city. I spoke to their council, showed them what they would be doing if they attempted to kill their women and children with these fluorides. In went the fluorides anyway. In 2 months, thousands were covered with leprosy-like sores. Now, \$18,000 worth of fluorides are for sale, also the machinery." (Statement of Dr. C. T. Betts, Hearings on H.R. 2341, p. 91)

results in all dilutions.

"Experiment 1. Onset of arteriosclerosis was hastened by ingestion of sodium fluoride; blood-clotting time was prolonged.

Experiment 2. Cancer growth was accelerated by ingestion of sodium fluoride." (Statement of Miss L. Van De Vere, Hearings, H.R. 2341, p. 110)

"Fluorine is a nerve poison. It effects the nervous system: its vegetative section which supplies the inner organs of the body and the endocrine glands, as well as its central and peripheral sections—that is to say, the brain, the spinal cord, and the peripheral nerves. The long-continued daily ingestion of at least 1 milligram of fluorine, equivalent to 1 liter of drinking water with a concentration of 1 part per million a day, is sufficient to cause the first evidence of chronic fluorine poisoning." (Statement of Dr. Leo Spira, Hearings on H.R. 2341, p. 185) Emphasis added.

Space does not permit further reference to the many reports from medical men, scientists and researchers regarding the effects of fluorides on the body. However, the subject of dental fluorosis, or mottling of tooth enamel, should be included at this time. On this point, the fluoridationists insist that with the concentration recommended there is very little mottling, what there is can hardly be seen and if anything, it makes the teeth more attractive. Mottling of the enamel varies from white, chalky spots to actual pitting. The former is referred to as moderate. However, describing fluorosis, the Journal of the American Medical Association, Oct. 17, 1938, p. 1269 states that the chalky appearance "in many instances later takes on a characteristic brown stain, the frequency of the brown stain increasing with age." Thus, the moderate mottling occurring in from 10 to 20% of the children drinking the "prescribed amount" of fluoridated water as acknowledged and minimized by the fluoridationists in many cases will develop into a severe disfiguring of the tooth enamel in later years! According to dental reports, these brown stains are unremovable.

Dr. F. B. Exner has stated: "I have personally seen teeth that developed in Denver, using water with one part per million of fluoride, that were stained. The front teeth were mottled with brown, and it was obvious at first glance from across the room." (H.R. 2341, p. 65)

Is There A Safe Level of Fluoride Concentration?

Medicines, pills and tablets are, for the most part, prescribed and taken on an individual basis. Naturally, there are several medicines on the market available without a prescription. But the purchase and use of such remains a matter of choice. A medication helpful to one person may be totally ineffective when used by another. By the same token, we would not give an adult medicine to an infant, nor would we force certain medications on one suffering from an allergy, heart disease or nephritis. A doctor may have a dozen patients suffering from the same ailment and yet prescribe either different remedies or different amounts of the same medicine. The doctor realizes that each patient is an individual; each having dissimilar susceptibilities, resistances, and needs.

Therefore, when a dose of rat poison is prescribed as being safe for each and every person, regardless of age or physical condition, one cannot help but view this program with alarm. There are far too many factors involved regarding variance in fluoride consumption, individual bodily reaction to fluorides, and the difficulty in maintaining "proper" fluoride concentration in the water supplies. Who can ascertain the total fluoride ingested by an individual? A person who drinks a large amount of water and, in addition eats foods containing fluoride — especially if they are boiled in fluoridated water would most certainly be taking a great deal into his system. "Water containing 1 part per million, after boiling may contain as much as 35 parts per million or more of fluorides." (Hearings, H.R. 2341, p. 110)

The problem of individual susceptibility has apparently been completely ignored by the proponents of fluoridation. But the possible dangers involved are many and cannot be by-

the water plant's analyses. Samples analyzed by the health department showed a difference per cent between maximum and minimum concentrations. The Charlotte water district tests showed variations of 53 per cent during the 12 month period. Tests at a military post which draws its water from the Charlotte system showed a difference of 51 per cent between maximum and minimum fluorine concentrations. While the latter percentage coincides with that of the city waterworks, it is significant that in no month of the 12 were all 4 tests in complete agreement as to the fluorine content of their individual samples.

"If it were true, as promoters of fluoridation assert, that mixing and metering equipment used to combine fluorides with water are infallible, there would be only one reason why water enters the city mains with one concentration and leaves them a few miles away with a higher or lower concentration. This reason would be that part of the fluoride is deposited somewhere along the line. While there are indications that this is true to some extent, there is good evidence that certain amounts of fluoride remain in the mixing device, temporarily at least." (H.R. 2341, p. 31)

Hazardous, to say the least, inasmuch as sodium fluoride is highly poisonous, 15 times stronger than arsenic!

How Reputable Are The Opponents Of Fluoridation?

To minimize the effectiveness of the opponents of fluoridation, and to eliminate the necessity of answering the charges of the opposition, the fluoridationists attempt to categorize all those opposed to the plan as "crackpots." The old routine — if you can't answer a man's argument, discredit him. The fact is, those who are fighting fluoridation include doctors, dentists, scientists, researchers, chemists and others connected with matters of health and nutrition.

Dr. Max Ginns, during the hearings of H.R. 2341 (pp. 191-2) introduced a petition opposing fluoridation that had been signed by 119 dentists from Worcester, Mass. The day before his testimony, Dr. Ginns stated that he had received a special delivery letter including the names of 10 physicians who wished their names added to the petition.

One might logically raise the question of why there are not more dentists publicly opposing fluoridation. Undoubtedly, there are many who have not done any extensive investigation of this controversy. There is another aspect, however, that is significant and casts a new light on the subject. Section 20 of the code of ethics of the American Dental Association prevents opposition — or, at best, makes it extremely difficult. It reads as follows:

"Sec. 20. EDUCATION OF THE PUBLIC — A dentist may properly participate in a program for the education of the public on matters pertaining to dentistry provided such a program is in keeping with the dignity of the profession and has the approval of the dentists of a community or State acting through the appropriate agency of the dental society."

So we must conclude that if a State Dental Society has gone on record in favor of fluoridation, a dentist may not properly participate in a program opposing same.

To cite an example, let us look at the statement of Mrs. Hugo Franzen (Hearings, H.R. 2341, p. 9506). A portion of her statement follows:

"Before election in 1951, a local dentist publicly opposed by having his name on a little card against proposition M (fluoridation). Suddenly he was silent; after election, he informed me, when some members of the San Francisco Dental Society noticed his name, the secretary of the society came to him and threatened him, stating that if he further opposed fluoridation in any way, they would prevent him from ever again obtaining insurance reasonably and force him out of den-

"TOLERANCE" PROPAGANDA

By FRANK BRITTON

Republished from American Nationalist, Inglewood, Calif.
Perhaps the most effective weapon at the disposal of Jewish nationalists in their campaign to negate Christian-American culture and civilization is "tolerance" and "brotherhood" propaganda. Because such propaganda appeals most strongly to the religiously inclined person, and to people of high moral character generally, its effect has been almost overpowering among the better classes of American society. The dream of a universal brotherhood of men is, after all, age-old, and finds expression in the philosophy of every major civilization. The concept of tolerance and amity and brotherhood among men is essentially a noble one. Why, then, the objection to the current "tolerance" campaign being waged by American Jewry?

To begin with, the present campaign might be compared to the pre-war agitation for international disarmament, which also appealed strongly to people with high moral convictions. The ideal of international disarmament is also a fine one, and few will oppose it on principle alone. It should be kept in mind, however, that no scheme for universal disarmament will work unless EVERY nation is willing to disarm. It is sheer criminal folly for any single nation to disarm while other nations are actually in the process of rearming.

This brings us to the question of racial "tolerance" as it is being preached today. Because racial tolerance, like disarmament is something which EVERYBODY must practice if it is to work at all. And as with disarmament, it is futile for one group to attempt it while others follow the opposite course.

Today, Americans are being systematically taught to discard the concepts of race and nationalism altogether. Through the medium of "tolerance" propaganda they are being taught that the concept of race is not only "unscientific", but actually un-American. They are taught to despise patriotism as a narrow form of nationalism. They are taught to respect the internationalist viewpoint, and to abhor "Isolationism". They are taught to be liberal . . . tolerant . . . uncritical of other races, religions, and peoples . . .

Now all this would be well and fine, except for one thing. While Americans are being taught to discard their pride and awareness of race, nationality, and religion, Jews are adhering to a different philosophy. Today American Jewry is infected with the most rabid type of nationalism imaginable. While we teach our children to discard the concept of race, they instill their own offspring with the most extreme form of racism known. Long before the Christian child is aware of such things, the Jewish child is taught that he is of the "Chosen Race", and that his neighbors and countrymen are his persecutors. Jewish children are taught racism from the very cradle.

Since the establishment of the state of Israel, American Jewry has combined the quality of extreme racism with that of rabid nationalism. Throughout America the flag of Israel is prominently displayed in Jewish parochial schools, and Jewish children customarily sing the Hatikvah, Israel's national anthem, at the beginning of their lessons. Today this combination of theology, nationalism, and racism binds American Jewry, into a fanatical minority which is intent not only on preserving its own identity, but in destroying ours.

SIGNIFICANCE: Americans are under no more obligation to permit Jews to spread "tolerance" propaganda in their midst than they are under obligation to permit Soviet Russia to spread pacifism here. Basically, the same principle is involved. Just as it is criminal folly for us to disarm while an enemy rearms, so also is it criminal folly for us to discard the concept of race and nationality while Jews fortify their own sense of racial solidarity.

Danny Kaye (Kaminsky) was a signor of a letter protesting Washington Hearings for the Committee For The First Amendment. The California Un-American Activities Committee had this to say about this organization. "This organization is a recently created Communist front in the defense of Communists and Communist fellow-travelers. It's immediate purpose is to create favorable public opinion for the Communists who refused to testify before the House Committee on Un-American Activities in Washington, D. C.". The Un-American Activities Committee also includes Kaye as a member of the Hollywood Independent Citizens Committee for Arts, Sciences and Professions, a Communist front. Kaye has been a severe critic of not only the Washington Un-American Activities Committee but also the California Committee.

Einstein Philosophy Of Life

In connection with the "tolerance" award to Albert Einstein as the friend of all mankind, it is illuminating to note the following which is taken from a book entitled "COMMENTARY ON AGE" by Dr. Kenneth Walker, a lecturer at St. Bartholomew's Hospital, London, England. It reads:—

"Einstein . . . is a world despiser and a disparager of life. He takes little or no interest in human companionship, as he confesses in his more personal writings. 'I have never belonged', he wrote, 'to my country, my home, my friends or even to my immediate family with a whole heart.'"

Having no need for others, Einstein sees no need for a future existence either for himself or them. 'An individual who should survive his physical death is beyond my comprehension, nor do I wish it otherwise: such notions are for the fears or absurd egoisms of feeble souls.'"

Communist leadership, Communist principles and Communist cooperation cannot be accepted and must not be accepted by Christian Americans.

There is no compromise!

Compromisers within the Christian faith are more dangerous than an army of Lenins, of Stalins and of Trotskys.

This is a challenge to everyone who reads it. It is a challenge to oppose the destructionism of the New Deal Democrats and the New Deal Republicans and the pussy-footing of Christian Americans who either directly or indirectly are collaborating with the communistic principle of destructionism.

tistry. This they could do, he stated, and so he was silenced, just as numerous others have been silenced."

How Expensive Is Fluoridation?

The estimated cost of fluoridation, as given out to the general public, is from 5 to 14 cents a year per person. From available data, however, this apparently covers the purchase of the rat poison — oops, pardon us, sodium fluoride, that is — and does not include the many other expenses. There is, for instance, the original purchase of equipment which runs into thousands of dollars, the repair and replacement of the machinery (several reports indicate frequent corrosion of pipes and fittings due to the powerful action of the chemical), and the additional labor necessary to handle the operation. For example, Dr. Leonard Elsky, of Worcester, Mass. reports that the cost of this program in Newburgh, N. Y. is about \$6.00 per person per year, not including the cost of the equipment! Whatever the cost in the final analyses, it is extremely wasteful. Out of every \$100. of the taxpayers' money, 50 cents will be used to secure the "benefits" promised by the advocates of the plan.

By no stretch of the imagination can the USPHS defend its policy of using millions of the taxpayers' dollars to promote this vicious scheme. Every means, secrecy, deception, double talk and dishonesty, has been utilized to force this poison on the public. Very seldom have the citizens been allowed to vote on what is to be put in their drinking water — an absolute necessity. All sorts of obstacles have been placed in the path of those who would give publicity to the other side of the story. By way of revealing the determination of the fluoridationists, we quote from an article, "Fluoridation Slow" which appeared in Dental Survey, Jan. 1952, page 27: "Dr. Knutson is irritated with the delay, but not discouraged. Regarding his own estimate of 150 years to complete the job nationally, he says, 'Of course it won't take that long. We won't let it take that long. I think it can and should be finished within 5 years.'" (Emphasis supplied). So it seems, whether we like it or not, whether we discover several years from now the dangerous effects of continued use of fluoridated water, we are slated to become guinea pigs in a national experiment! We believe that the only solution is continued opposition and an all-out effort to educate the public as to the dangers involved. For those who desire additional information, we are listing available booklets and literature as well as individuals and organizations from which material may be secured.

HAIL TO McCARTHY

Hail to the man who makes our traitors tremble,
Who fights our treacherous foes with iron fist.
Who drags them from the posts where the dis-
semble,

And nails their names to perfidy's black list.
Shame on them who betray country for party.
Such partisans were better damned and dead.
We want a Congress full of Joe McCarthys,
A country full of MEN God-armed and led.
We know McCarthy dares to hell's last ditches
To fight for us though he should fight alone.
Down with those leaders high whose madness
hitches

Them with our foes to have him overthrown.
God curse them who betray country for party,
Who call Red-hunting worse than being Red.
Give us a Congress full of Joe McCarthys,
A country full of MEN God-armed and led.
In this grim time of dark and deadly peril,
When all our civilization rocks and reels,
Our traitors fight to make his efforts sterile,
And blunt the sword the great McCarthy wields.
The Red are in the saddle in both parties . . .
Rise up Americans, and smite them dead.
We want a Congress full of Joe McCarthys,
A country full of MEN God-armed and led.

Is It Possible To Save Our Country From Being Ruled

(Continued from Page 1)

There are still many Jews in the United States who are not Trotskyites or Zionists who support the Soviet Union Stalin Communism. Julius and Ethel Rosenberg, who were electrocuted as spies, were of this group.

It is the opinion of the well-informed people that there are more than six million followers of these Marxist movements in the U. S. They are well organized. Those who are not followers of these systems are not organized, hence the Pro-American Americans are confused and do not know the different brands of Marxism.

Yes, it is still possible to save our country but it won't be possible long at the rate we are losing ground, month by month, particularly for the last two years. It is time we reason this out in a practical business way.

IT IS RECOGNIZED THE FATE OF THE WORLD RESTS ON THE UNITED STATES.

The world is influenced and, to a great extent, financed from Washington.

Washington controls approximately 300,000 federal civilian employees in Europe.

Washington has sent out soldiers to 63 countries.

Washington controls the money that finances this.

Washington makes our laws.

If Washington thinks and acts as the Jews want it to, then Washington has become a Jewish government and is no longer an American government. What do we mean by "Washington"? We mean the Administration and our elected Senators and Congressmen. *They can and will stop Communism if we elect strong Christian men.* It is necessary for every good American to take an interest in seeing that pro-American Americans are nominated on both tickets in primary elections, for if organized Marxists succeed in placing their men on both tickets at the election, it makes little difference who is elected.

How are you to know who is good for our country? Here is a simple test. Make it your business to know if the candidate favors United Nations, World Government or the United World Federalists? Are the Americans for Democratic Action for him? Is he opposed to the McCarran-Walters Immigration Law? Is he opposed to Senator McCarthy? Demand he tell you how he stands so you will know how to vote. If the answer to any one of these questions is "Yes", fight him with every means available. Talk to your friends; use the 'phone! Write letters to your newspapers. Distribute literature. PRAY, WORK, FIGHT! These things go together.

How about the lawmakers now in Washington and those to come? How can we expect them to stand up and fight in the face of ridicule and smear by publications controlled by Marxist advertisers when they have little or no support? The most practical and most needed instrument for a free America is a real pro-American nationalist newspaper, fearless to tell the truth and expose the traitors who pose as good citizens. Where is this paper to be found? Its publishers must have the know-how and understand the enemy. It would take years to set up and build the background and get the experience. Time is short.

COMMON SENSE IS THE ONLY ANSWER.

It has been proved; has the second-class mailing privilege the same as any big newspaper. It now goes to every corner of the U. S. and many foreign countries. But for lack of funds, it is only published twice a month. It should be published twice a week, but to start at least once a week. In place of printing forty to seventy thousand an issue, it should be increased ten times.

Those in charge of COMMON SENSE have dedicated their lives to saving our country. Big strides have been made. We ask all good Americans to search their conscience and see some way they can help strengthen COMMON SENSE so it can quickly reach sufficient people to give courage to good men in Congress. THERE ARE MANY WAYS TO HELP BUILD COMMON SENSE BIG ENOUGH TO SAVE

By no stretch of the imagination can the USPHS defend its policy of using the taxpayers' dollars to promote the dubious scheme. Every means, secrecy, deception, double talk and dishonesty, has been utilized to force this poison on the public. Very seldom have the citizens been allowed to vote on what is to be put in their drinking water — an absolute necessity. All sorts of obstacles have been placed in the path of those who would give publicity to the other side of the story. By way of revealing the determination of the fluoridationists, we quote from an article, "Fluoridation Slow" which appeared in Dental Survey, Jan. 1952, page 27: "Dr. Knutson is irritated with the delay, but not discouraged. Regarding his own estimate of 150 years to complete the job nationally, he says, 'Of course it won't take that long. We won't let it take that long. I think it can and should be finished within 5 years.'" (Emphasis supplied). So it seems, whether we like it or not, whether we discover several years from now the dangerous effects of continued use of fluoridated water, we are slated to become guinea pigs in a national experiment! We believe that the only solution is continued opposition and an all-out effort to educate the public as to the dangers involved. For those who desire additional information, we are listing available booklets and literature as well as individuals and organizations from which material may be secured.

FLUORINE IN YOUR -- DRINKING WATER

Above you see an actual photograph of a man placing fluorine in the water supply of some unsuspecting community. Fluorine is such a deadly poison that it would be fatal to come in contact with it. There is a plan to put it in your drinking water if it is not already there. Are you aware of this? If not, you had better investigate and do something about it immediately.

Sa' "NO" To Poison-Fluorine In Your Drinking Water

THE FOLLOWING FLUORIDATION FACTS ARE PRESENTED FOR YOUR PROTECTION:

1. What is fluoridation?

Fluoridation is the adding of a deadly, cumulative poison to drinking-water for the scientifically-unproved purpose of helping children's teeth resist cavities. When sodium fluoride is added to municipal water-supplies, this procedure becomes mass-medication of the populace without regard to health, age, sensitivity, or need of the citizens drinking this doctored water.

2. Is sodium fluoride a cumulative poison?

Definitely so. Bulletin 130 of the Utah State Agricultural College entitled "Fluorosis" on page 5 states "Fluorine is a cumulative poison and long continued consumption of relatively small quantities causes fluorosis . . ."

Dr. Paul H. Phillips, biochemist at the University of Wisconsin, says, "It is an accumulative poison which accumulates in the skeletal structures, including the teeth, when the body is exposed to small daily intakes of this element. In this respect, it is like lead accumulations in the bone until saturation occurs and then lead poisoning sets in."

Dr. Charles T. Betts, D.D.S., Toledo, states, "Fluorine is a poison which is cumulative in the body, similar to radium; no antidote is known."

Dr. Royal Lee, D.D.S., Milwaukee, states "Inorganic fluorine is a cumulative poison . . . It accumulates in the body even when taken in very small doses . . . makes bones brittle."

Dr. Robert S. Harris, professor of the biochemistry of nutrition, Mass. Inst. Technology, says, "Fluorine is a toxic element . . . which has been shown to interfere with important processes in the body."

The U. S. Dispensatory, 24th Edition, states, "Fluorides are violent poisons to all living tissue because of their precipitation of calcium. They cause fall of blood pressure, respiratory failure, and general paralysis. Continuous ingestion of non-fatal doses causes permanent inhibition of growth."

3. Are not naturally-fluoridated and artificially-fluoridated waters the same?

Absolutely not! The fluorides found naturally are usually organic calcium fluorides which are in combination with other natural elements serving to inhibit and neutralize the toxic effects of fluorine, and which can be assimilated by the body; the artificially fluoridated water is obtained with sodium fluoride which is an inorganic, cumulative poison 85 times more toxic than calcium fluoride, and cannot be assimilated by the body, and which, when added to water, makes hydrofluoric acid, an extremely active and dangerous poison, used chiefly for etching glass.

4. What effect does artificially-fluoridated water have upon cancerous growth?

Dr. Alfred Taylor of Biochemical Institute U. of Texas, one of the country's leading research scientists who appeared before

the Congressional Committee in Washington, D. C., proved conclusively in a series of experiments that cancerous growth was speeded up by the ingestion of fluoridated water and that the life-span of his experimental animals was 10 per cent less than that of the animals drinking non-fluoridated water.

5. What effect does artificially-fluoridated water have upon the digestive processes?

The University of New Mexico Bulletin of August 1, 1938 on the "Menace of Fluorine to Health," states on page 20-21, "Solutions of sodium fluoride with a fluorine content as low as one part in 15,000,000 may inhibit the action of the lipase (pancreatic juice) as much as 50 per cent."

6. What effect does fluorine have upon the dentine of the teeth?

University of New Mexico Bulletin referred to above states on page 19, "Although it is true that the enamel of adult teeth is unaffected by fluorine, the dentine, which receives nutrients from the blood stream continually and whose composition is subject to change, will suffer."

7. What effect does artificially-fluoridated water in the recommended dosages have upon the liver?

University of New Mexico Bulletin referred to above, page 20, states, "An inhibitory effect on the action of enzymes, characteristic of antiseptics in general, is a property of all inorganic fluorides. Evidence has been established that there is a specific influence of fluorides on certain enzymatic changes association with carbohydrates and fats. The results of a study conducted by Kastle and Loevenhart on the effect of antiseptics on the reactions of pancreatic and liver extracts revealed a harmful effect on most substances studied."

8. What about periodontal (gum) diseases from fluoridated water?

Dr. H. K. Box, periodontist of international repute on the Dental Faculty of the U. of Toronto, made a survey and found an appallingly high incidence of pyorrhea, gingivitis, and other gum diseases in areas where the water was naturally-fluoridated. (Artificially-fluoridated water is 85 times more toxic!)

9. What effect could artificially-fluoridated water have upon the body's protoplasmic and enzymatic system?

Dr. Paul H. Phillips of the U. of Wisconsin dept. of biochemistry states, "Fluorine is known to be an enzymatic inhibitor and interferes with metabolism of breakdown of glucose between the 6 carbon and 3 carbon compounds. The metabolism of glucose or its breakdown is our primary source of energy for maintaining life and doing useful work."

10. Does artificially-fluoridated water have an effect on the brain and nerve-cells?

Dr. A. L. Miller, M.D. reports in the Congressional Record, March 4, 1952, that a lessened mental reaction is seen in rats and mice who have had fluorides.

11. Why can promoters of fluoridation state that medical-science is ignorant of any bad effects from fluoridated water?

Simply because the experiments have not been going on a long enough time to demonstrate these cumulative effects. The American Journal of Chemistry states that fluorine may tend to accumulate within the body so that the symptoms of fluorine-poisoning may take as long as 10 years to appear." However, in Sheboygan, Wisconsin, after 8 years of fluoridation, the little children who were fed this drugged water in their nursing-bottles are beginning to show the first signs of chronic fluorine-poisoning—mottled teeth.

12. Has either the American Dental or Medical Association done any original scientific research in regard to the effects of artificially-fluoridated water upon teeth or the organs of the human body?

There is no record in scientific literature of their having done so. They seem to be merely echoing the opinions of a group of public-health officials from the United States Public Health Service, who, likewise, have done no conclusive research.

13. Who is behind fluoridation and who stands to profit?

Oscar Ewing, attorney for the American Aluminum Co. of America which has sodium fluoride as a waste product, gave the fluoridation movement its big push when he became Federal Security Administrator. He left \$750,000 a year with the Aluminum Co. to take \$17,500 a year as FSA head. In 1951 his agency asked for two million dollars for fluorine propaganda alone. He also had millions of dollars to give out to dental and medical colleges, state departments of health, as money-grants. Of course, these money grants are given only to those dental and medical colleges and state health departments who foster and promote the programs of the U. S. Public Health Service. It all fits together like a glove! Thus the price of sodium fluoride jumped from 1½ cents a pound when sold as a rat-poison up to as much as 15 cents a pound when sold for human consumption in drinking-water.

14. What methods are used to promote fluoridation?

All the techniques of propaganda, the "band-wagon method" (that lists all the towns fluoridating, even though some may not be), the "prestige-method" (that gives the names of organizations endorsing fluoridating, even though endorsements are empty and meaningless when not backed up by scientific data), the "glittering-generalities" method (of making statements that sound good, but when analyzed mean nothing and say nothing) the "name-calling" method (that calls all those

who oppose polluted water such names as "crackpots" fear-mongers," etc.) the "fictitious story"-method, (that relates stories intended to make people who oppose poisoned water as being simple and ignorant)—all these propaganda techniques and others are used.

15. Are many cities rejecting fluoridation?

Over 300 communities in the U. S. have rejected fluoridation so far, with more being added all the time. Cities such as Seattle, Cincinnati, Tallahassee, St. Louis, New York, Detroit, New Orleans, and Los Angeles, to name only a few, have all rejected fluoridation after studying the pros and cons.

16. Why are so many doctors and dentists favoring fluorine?

It seems to be a matter of association-control. Medical and dental colleges, as well as state health departments, receive large grants of money from the U. S. Public Health Service, which is promoting fluoridation. These money-grants are given on the condition that the programs of the USPHS are fostered. Furthermore, it is considered unethical for an individual doctor or dentist to publicly oppose a program which his association has endorsed.

17. Has anything beneficial been proved to be due to fluoridation?

Nothing in scientific literature can be found which shows fluorine, the "wild cat" or "villain" of the chemical world, to be a beneficial agent to human biology. Even the delay in dental cavities which is attributed to the ingestion of fluorine has been said by Dr. Paul Manning, D.M.D. to be a "pathological or diseased effect" of fluorine.

18. Can the people who want fluorides obtain them without having the city water-supply fluoridated?

Yes, there is a tablet, now available at drug-stores, which when dropped in a quart of water or milk will give the exact proposed ratio of 1 ppm.

19. What about the subversive aspects of fluoridation?

There is a school of thought now developing considerable following that fluoridation is Communist-inspired. Former Communists have stated that fluoridation is known to Communists as a method of Red warfare. Considering the recently-exposed infiltration of the many departments of our Federal government by Communists, it is not unreasonable to suppose that fluoridation-program could be subversive, since the U. S. Public Health Service has mothered the fluoridation program in the U. S.

20. Have there been any completed studies, either of the effects of fluorine on the teeth, or on any other parts of the body?

No. Even the studies on teeth have several years yet to run. There are no studies being made at the present time by the USPHS on the effects on other organs of the body.

Director, Federal Bureau of Investigation

April 13 1956

William F. Tompkins, Assistant Attorney General
Internal Security Division

ROBERT H. WILLIAMS;
"WILLIAMS INTELLIGENCE SUMMARY"
INFORMATION CONCERNING
FBI File 105-10091

This refers to your memorandum of March 20, 1956, with which you enclosed one photostat each of the December 1955, January 1956 and February 1956 issues of the "Williams Intelligence Summary," as well as one photostat of a subscription form for this publication. You referred to a prior exchange of memoranda regarding the writings of Robert H. Williams, publisher of these issues, and you again requested to be advised whether such material constitutes any violation of a Federal statute under which the Bureau has jurisdiction.

A review of the Department file in this matter reflects that by memorandum dated September 20, 1951, you were advised that while the writings of Williams submitted for consideration at that time were of a vitriolic, anti-Semitic character, the language did not appear to be directed specifically to the armed forces or to counsel insubordination, mutiny, disloyalty or refusal of duty by any member thereof in violation of 18 USC 2387.

From a review of the issues of "Williams Intelligence Summary" transmitted with your memorandum of March 20, and from reviews of past issues submitted through other sources, the general tenor of the publication does not appear to have deviated from its apparent pattern of anti-Semitism purveyed under the guise of fighting Communism. Despite the reprehensible nature of the pamphlets submitted, it is not believed the writings can be construed as being violative of any Federal statute.

For your information, this Division regularly receives for consideration printed matter of a similar nature which has been disseminated to private citizens, to members of Congress and other branches of the Government and to leaders in various national organizations. While such publications generally fall within the protection of the First Amendment to the Constitution guaranteeing freedom of speech and of the press, each issue of the publication is reviewed upon submission to determine whether the expressions contained therein may be in contravention of a Federal statute. As you are aware, these "hate-monger" publications maligning racial

and religious minority groups, under the veil of promoting the general welfare of the United States and world-wide peace, are couched in carefully phrased language.

Generally, the language of the printed matter disseminated by these individuals is not of a nature which on its face can be construed as bringing about or attempting to cause the acts prohibited by the peacetime sedition statute, 18 USC 2387, or the wartime sedition statute, 18 USC 2388. Further, under Section 2387 it is necessary to prove a specific intent to interfere with, impair or influence the loyalty, morale, or discipline of the military or naval forces of the United States and Section 2388 also requires wilful intent to do the acts proscribed by that section. As stated in Dunne v. United States, 138 F.2d 137, cert. den. 320 US 790, which was prosecuted under the peacetime sedition statute, "Intent is the cardinal characteristic vehicle which is necessary to carry any and all interdicted expressions across the boundary line into crime."

In the leading and most recent case on the subject, Hartsel v. United States 322 US 680 (1944), reversed for lack of specific proof of requisite intent, the petitioners were charged with having violated Section 3 of the Espionage Act of 1917 (now 18 USC 2388), through the publication and distribution of certain articles in which, in substance, they depicted the war as a gross betrayal of America, denounced our British allies and the Jews, assailed in reckless terms the integrity and patriotism of the President of the United States, and urged an internal war of race against race. Since the language of the Supreme Court in this case regarding intent is equally applicable to the type of publication here under consideration, pertinent portions of the opinion are being quoted in detail:

There is nothing on the face of the three pamphlets in question to indicate that petitioner intended specifically to cause insubordination, disloyalty, mutiny or refusal of duty in the military forces or to obstruct the recruiting and enlistment service. No direct or affirmative appeals are made to that effect and no mention is made of military personnel or of persons registered under the Selective Training and Service Act. They contain, instead, vicious and unreasoning attacks on one of our military allies, flagrant appeals to false and sinister racial theories and gross libels of the President. Few ideas are more odious to the majority of the American people or more destructive of national unity in time of war. But while such iniquitous doctrines may be used under certain circumstances as vehicles for the purposeful undermining

of the morale and loyalty of the armed forces and those persons of draft age, they cannot by themselves be taken as proof beyond a reasonable doubt that petitioner had the narrow intent requisite to a violation of this statute.

* * *

* * * our enemies have developed psychological warfare to a high degree in an effort to cause unrest and disloyalty. Much of this type of warfare takes the form of insidious propaganda in the manner and tenor displayed by petitioner's three pamphlets. Grade appeals to overthrow the government or to discard our arms in open mutiny are seldom made. Emphasis is laid, rather, on such matters as the futility of our war aims, the vices of our allies and the inadequacy of our leadership. But the mere fact that such ideas are enunciated by a citizen is not enough by itself to warrant a finding of a criminal intent to violate §3 of the Espionage Act. Unless there is sufficient evidence from which a jury could infer beyond a reasonable doubt that he intended to bring about the specific consequences prohibited by the Act, an American citizen has the right to discuss these matters either by temperate reasoning or by immoderate and vicious invective without running afoul of the Espionage Act of 1917. Such evidence was not present in this case.

Another element which must be proved under these statutes is the existence of a clear and present danger, as enunciated by the Supreme Court in Schenck v. United States, 249 U.S. 47, 52, as follows:

* * * But the character of every act depends upon the circumstances in which it is done. The most stringent protection of free speech would not protect a man in falsely shouting fire in a theatre and causing a panic. . . The question in every case is whether the words used are used in such circumstances and are of such a nature as to create a clear and present danger that they will bring about the substantive evils that Congress has a right to prevent.

The language of such publications is also reviewed in light of that section of the Smith Act (18 USC 2385) which makes it an offense to publish, distribute or circulate any written or printed matter

advocating, advising, or teaching the duty, necessity, desirability or propriety of overthrowing or destroying any government in the United States by force and violence. Further, the publications are examined to determine whether the material contains any matter advocating or urging treason, insurrection or forcible resistance to any law of the United States and is, therefore, non-mailable under the provisions of 18 USC 1717.

In view of the above, there does not appear to be any criminal action which can be taken at this time relative to the dissemination of issues of "Williams Intelligence Summary" similar to the writings which have been submitted. Any future issues which reflect a deviation from the past tenor or reflect specific language of a questionable nature should, of course, be transmitted to this Division for review. The matter has been discussed in detail in order that the Bureau may have the benefit of the consideration which is being given the problem of the distribution of so-called hate publications.

DETAILS:

[redacted] who has furnished reliable information in the past, indicated on April 5, 1956, that a source which he termed reliable but whom he declined to identify had indicated that CONDE MC GINLEY, editor of "Common Sense", had indicated that he was in contact with [redacted] on April 4, 1956. He indicated that [redacted] planned a million copy issue of "Common Sense" regarding [redacted] cancer cure. MC GINLEY indicated that this issue had been delayed a long time but now that [redacted] had received nationwide publicity through an attack by the Food and Drug Administration that he would go ahead with this issue and expose those "sheenie doctors" and those "Jew devils" who are also trying to force fluoridation down our throats.

The "New York Times" dated April 5, 1956, under the headline entitled "Texan Assailed On Cancer Clinic" stated that the Food and Drug Administration attacked the work of [redacted] and termed his drugs for the treatment of cancer as worthless.

[redacted] further indicated on May 9, 1956, that he has received no information indicating that any further plans have been made by Mc GINLEY and [redacted] for the publication of this issue.

[redacted] indicated on April 9, 1956, that a meeting was held on April 8, 1956, at the headquarters of Common Sense, 530 Chestnut Street, Union, New Jersey. He said it was attended by 150 persons including CONDE MC GINLEY, who was the principal speaker, and BENJAMIN FREEDMAN, HAROLD KASS (phonetic), Father KEMELIS, a Monsignor of Holy Trinity Catholic Church

In Newark, New Jersey, HANNAH CUMMINGS, Mrs. K. BROWN, Mrs. CALLAGHER, Mr. EHERIDAN, WEST HOOKER of the Nationalist Party with about 25 of his boys including CHARLES DOMMER, LUKE DOMMER, JOSEPH RUDDEN and CARL SCHMIDT of the National Renaissance Party.

This source said that KASS spoke briefly on "Catholicism and Labor" and that ALEX EFIMOV spoke for about twenty minutes in an attempt to prove that the Jews actually run the Russian Government.

Father KEMELIS spoke for about thirty minutes attacking Communism but made no statements of a bigotted or anti-Semitic nature as did the other speakers.

CONDE MC GINLEY spoke regarding his troubles with the American Jewish Congress and requested help for his fight with these people.

██████ added that WEST HOOKER, leader of the Nationalist Party, a fascist anti-Semitic group in New York City, asked that he be allowed to speak and opened an attack on MC GINLEY for refusing to cooperate with him. HOOKER asked if MC GINLEY hoped to beat the enemy by writing about them, and added that "We know the brains of the anti-Christian conspiracy and we know how to stop them." ██████ said at this statement the crowd became incensed and requested HOOKER to leave. MC GINLEY then answered HOOKER's statement and said that "Common Sense" would not have him and his ideas.

██████ stated that a collection of \$137 was taken up which collection was supervised by HANNAH CUMMINGS and some literature was also sold.

██████ added that after this meeting HOOKER had

██████████ advised on April 18, 1956, that JAMES MADOLE, leader of the National Renaissance Party, had indicated that MC GINLEY had printed 200 copies of the March, 1956, issue of the National Renaissance Bulletin. MADOLE stated that these copies were delivered to him on April 14, 1956, by LOMBARDI and CORRIGAN, who are associated with the MC GINLEY publication.

██████████ added that this mimeograph job for the National Renaissance Party was actually done by KAY LITTIG, who is MC GINLEY's secretary, and that there is no indication as to whether or not MC GINLEY will continue to do printing for the National Renaissance Party.

██████████ stated on May 11, 1956, that the National Renaissance Party at present is a neo-Nazi, anti-Semitic, anti-Negro organization with activities generally confined to the New York City area. He said that its principal activities consist of holding outdoor meetings and the distribution of literature throughout the United States and abroad where it is reprinted by other similar organizations.

██████████ stated the National Renaissance Party leader and founder is JAMES MADOLE and its principal financial contributor is FREDERICK WEISS. He said that at present the Party membership is very small.

The April, 1955, National Renaissance Bulletin, official National Renaissance Party publication, listed headquarters at 10 West 90th Street, New York City.

~~SECRET~~

NY 105-6188

██████████ indicated on May 9, 1956, that MC GINLEY had printed 5000 copies of an anti-Semitic leaflet entitled "Shall American Soldiers Serve As Cannon Fodder for Jewish Aggression in the Holy Land." ██████████ said these leaflets carried the name of the National Renaissance Party, 10 West 90th Street, New York, but that MADOLE indicated he had turned the bulk of these leaflets over to an unknown individual who had requested that he have them printed. ██████████ said MADOLE claimed he was not familiar with the background of this person but that this individual had paid him the money for the printing.

██████████ said MADOLE offered a check for \$49 drawn on the account of the National Renaissance Party to MC GINLEY in payment for this printing but MC GINLEY refused and requested that he be paid in cash.

██████████ indicated on April 25, 1956, that the Nationalist Party had held a meeting on April 22, 1956, at the Polish National Home, 111 First Street, Elizabeth, New Jersey, at which WEST HOOKER launched an attack upon MC GINLEY and the organization of Common Sense.

HOOVER stated that this organization is composed of MC GINLEY, BEN FREEDMAN, CHARLIE SCHMIDT, and KAY LITIG. He added that nothing of importance would ever be accomplished unless MC GINLEY gets rid of these other persons.

██████████ indicated on May 9, 1956, that the March, 1956, issue, #23, of "Lorba" had been printed by the subject organization. He said that as usual this leaflet was printed in Russian and had been written by ALEX EFIMOV with the aid of COMDE MC GINLEY, Jr. He said this article was violently anti-Semitic and went into detail concerning the theory of "Ritual Murder."

Translation by VICTOR E. MARSTEN

The Protocols outline a course of action, a step-by-step plan, the culmination of which is the enslavement of all Gentiles.

Most of the objectives set down in the Protocols have been attained! The reader will easily discover how the creation of wars and revolutions, the utilization of communications, money and politics fall into a pre-determined scheme.

No thinking Christian can afford to ignore this "pattern for destruction" in connection with the present world situation.

"Fragebogen"
(The Questionnaire)
By ERNST VON SALOMON

Using the form of the "Fragebogen" (a questionnaire issued by the Allied Military Government to all Germans suspected of being collaborationists), the author's answers achieve a triple result -- his autobiography, a portrayal of Germany from 1902 to 1946, and a justification of his actions and those of his countrymen.

Some readers may find this astounding book shocking; others may consider it disturbing but none can deny its brilliant and stimulating presentation.

Price \$3.00

"Union's Fifth Column"

By Sen. J.B. TENNEY

Documented report of the former chairman of the California Un-American Activities Committee, exposing the coercive influence and power of a secret gestapo on this continent, whose objectives often seemed to parallel those of the Reds. A most important document.

The shocking answers to these and many other questions are available for the first time in this absorbing book.

A revealing, "behind-the-scene" expose of America's financial situation.

Price \$1.00

NK 105-1910

"Behind Communism"
By FRANK BRITTON

Complete history, with scores of revealing photos, of the development of international communism. Identifies the individuals and groups masterminding the conspiracy from the time of MARX in 1848 to the present. Full report on espionage rings. A wealth of information dealing with the most "controversial" aspects of the attack against Christendom. This book should be read only by those with the courage to face up to reality.

Price \$1.00

"Admiral Kimmel's Story"
By HUSBAND E. KIMMEL
(Rear Admiral, USN, Ret.)

A revealing first hand account of what really happened at Pearl Harbor by the man who was left "holding the bag". Lacking sufficient oil storage tanks, planes and adequate facilities, Admiral KIMMEL was also denied the vital information which would have prevented, in part at least, the total destruction which occurred on that fateful day.

Although Washington had intercepted and decoded the Japanese message which indicated the date and time of the planned attack on Pearl Harbor, neither the Army or the Navy at Hawaii were advised.

"Admiral Kimmel's Story" provides the reader with an authentic picture of the events surrounding one of our country's greatest disasters.

Probers hit right-wing hate groups

Report to ask
prosecution
by Brownell

WASHINGTON (U.P.) — The staff of the House Un-American Activities Committee has prepared a report charging that right-wing "hate groups" are exploiting the Communist issue "to promote other activities equally subversive and equally un-American."

The report, which still is awaiting committee approval, urges the Justice Department to prosecute one of these groups under the Smith Act forbidding any conspiracy to overthrow the government by force.

The report said subversion cannot be combated by subversion, and that advocates of fascism, as well as of communism, are of "grave concern" to the committee.

"Those who would support the extreme right today do as great violence to our democratic institutions as those of the extreme left," the report said.

IMPEDE EFFORTS

It said the appearance of "Neo-Fascist organizations and methods in the postwar period can only serve to impede the intelligent, united effort necessary in the current life-and-death struggle with communism."

The report said the committee's investigations disclosed the right wing activity falls into two patterns:

- "The Neo-Fascist organization which openly espouses a Fascist regime for the United States."
- "The hate group, which masquerades as a defender of our republican form of government yet conducts hate campaigns against racial and religious minorities in the infamous tradition of the Fascist dictatorships."

JERSEY PAPER

The report singled out for special criticism the National Renaissance Party. According to its program and propaganda were "virtually borrowed wholesale" from Fascist and Nazi dictators.

The report also singled out the semi-monthly paper, Common Sense, published by the Christian Educational Association in Union, N. J. It said anti-Semitism is the chief stock in trade of Common Sense.

The report said Common Sense identifies itself as "the nation's anti-Communist paper," and invites subscriptions from "loyal and patriotic Americans" in order to "help save our republic."

"Such patriotic appeals provide poor disguise, however, for some of the most vitriolic hate propaganda ever to come to the attention of the committee," the report said. "Common Sense defines communism as 'Judaism' and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent the Negro minority of our population."

On January 18, 1955 Confidential Informant [REDACTED] was contacted for a report on the activity of CONDE J. MCGINLEY, Editor of "COMMON SENSE". *b2 b7D*

The informant indicated that he had attended two meetings of McGinley's group meeting at the Headquarters of COMMON SENSE, 530 Chestnut St., Union, N.J. (now known as Columbia HALL); one held December 12, 1954 and the second held on January 9, 1955.

No mention of the CHRISTIAN EDUCATION ASSOCIATION was made during those meetings and in conversation with MCGINLEY and others before and after these meetings.

The meeting at Columbia Hall held on January 9, 1955, the informant pointed out, was advertised in the December 1, 1954 issue of COMMON SENSE. (Issue # 219) As part of the announcement of the meeting indicating that ELIZABETH DILLING, dean of anti-communists, a leader in the anti-communist movement since 1931, would appear at the meeting it was announced that Mrs DILLING was to be on the East Coast during January and February. Anyone wishing to arrange for Mrs DILLING to talk in their locality may communicate with her at Box 650 Chicago, ILL or care of Christian Educational Association.

This same issue of the paper, on page four has a headline "ARE WE A 'HATE' Group?" the answer is

"Yes - we hate communism sufficient to cause us to expose those who cleverly promote it regardless of who they are or how they squirm or protest. Watch for next issue of Common Sense in which we will expose the Marxist plot to use the Un-American Activities Committee to smear Christian Americans who oppose communism. In the meantime, ~~we~~ thank our enemies for this flood of new subscribers Christian Education Association."

Regarding ALEX [REDACTED] Assistant to McGinley and listed as a member of the board of CEA.

Name sound like JAFIMA, a Russian who spent 25 years in Russia and is considered by McGinley as his expert on that country. Alex has spent time in Munich and Regensburg, Germany. He speaks poor German and very poor English. He is about 40 years

of age but possibly younger. He is very thin and his face is drawn and haggard. He is about 5'9" tall. His complexion is dark and appears more Asiatic than Russian. He has indicated he is married and his family is in Russia. He was going to New York attending classes in English but has been asked to leave the class. Informant believes this was due to his antagonistic approach. Informant indicates he has a wild look and appears to be bordering upon the insane.

Alex is permitted to speak at Common Sense meeting and does so at great length - the audience understanding very little of what he says. Informant indicates that his appearance would be comical if it were not for his seriousness and the humorless seriousness of the group.

Informant believes ALEX resides with McGinley at the headquarters of COMMON SENSE 530 Chestnut St., Union, N.J.

DETAILS CONT'D:

In an article appearing in Issue No. 246 of "Common Sense", dated February 15, 1956, appearing under the caption "American Jewish Congress Strikes at Heart of Common Sense", there is a discussion on the efforts of the American Jewish Congress to force CONDE MC GINLEY out of business. In this article, the following paragraph appears: "During the past 10 years, Mr. MC GINLEY has been exposing un-American forces and protecting himself against vicious attacks of the American Jewish Congress and others, he spent every dollar he had. The American Jewish Congress, not content, is now engaged in trying to destroy the new corporation, CHRISTIAN EDUCATIONAL ASSOCIATION, of which Mr. MC GINLEY is an officer at no salary."

Re report SA [REDACTED] 6/22/56 at Newark, N. J.. b7c

On August 17, 1956, [REDACTED] "Ft. Worth Star-Telegram", a daily newspaper, Ft. Worth, Texas, made available for review her file on GEORGE W. ARMSTRONG, SR., from which the following information was obtained:

JAMES McLEAN of AP News Features interviewed GEORGE W. ARMSTRONG, SR., at Natchez, Mississippi, on 11/12/49 and released the following information for publication in morning papers of November 13, 1949:

GEORGE W. ARMSTRONG, SR. was born in Jasper County, Texas, the son of an itinerant Methodist minister. He was 84 years old at time of above interview. He graduated from University of Texas School of Law in 1880, and began the practice of law at Ft. Worth, Texas, in 1890. He was elected County Judge of Tarrant County, Ft. Worth, in 1897, and became known as "JUDGE ARMSTRONG."

He resided during his latter years at Woodstock Plantation at Natchez, Mississippi, but maintained a residence at Ft. Worth, Texas, for voting purposes. He gained considerable wealth as a result of oil ventures, banking, cattle, utilities, steel manufacturing in Texas, and land buying in Mississippi. He is reported to have owned at least three oil fields in three counties consisting of 18 oil wells, and 38 plantations. ✓

At the date of the interview on November 12, 1949, Mr. ARMSTRONG stated that three years previously, he had established at Ft. Worth, Texas, the "Judge Armstrong Foundation, which 'siphons off' about 15% of his income for tax exempt charitable and educational purposes." Judge ARMSTRONG was an exponent against what he termed "racial mongrelization" which in his view was the "intermingling of Jews, Gentiles, and Negroes in the same schools," which he violently opposed.

RE: CHRISTIAN EDUCATIONAL ASSOCIATION OF

Judge ARMSTRONG stated that among others, his organization had contributed to GERALD L. K. SMITH of the Christian Nationalist Crusade with headquarters at St. Louis, Missouri, and to EMORY BURKE, leader of an Anti-Negro and Anti-Jewish group of Atlanta, Georgia, and, to R. H. BEST of Boston, Massachusetts, a former American newspaperman in Germany who was convicted of treason for Nazi propaganda work. Judge ARMSTRONG claimed that SMITH, BURKE and BEST were "persecuted persons."

The "Star-Telegram" file contains a news story which appeared in the "Star-Telegram" in evening edition of January 21, 1952, concerning a suit which ARMSTRONG had filed in Ft. Worth in U. S. District Court in which he sought refund from U. S. Treasury of \$620.00 and \$6,276.30 for alleged erroneous income tax assessments made in 1948. In this suit, Judge ARMSTRONG and his wife alleged that in 1948, they had contributed \$1,000.00 and in 1948, had contributed \$10,000.00 to the Judge Armstrong Foundation and that they had not been allowed deductions on the same.

A story in the "Star-Telegram," morning edition of November 27, 1952, stated that the basis of the suit was "whether or not the Judge Armstrong Foundation, now inactive, was entirely for charitable, educational, and religious purposes."

This article said further that counsel for the ARMSTRONGS said the Foundation was created in 1945. The Government contended, and, won a decision to the effect that the Judge Armstrong Foundation was not entitled to the exemption of the Act because it was not devoted exclusively to religious, educational or charitable purposes. The government contended that the Commissioner of Internal Revenue had based his decision on the fact that the Foundation was distributing pamphlets "constituting propaganda designed to influence legislation," and therefore was not educational but "political" in nature.

According to this article, excerpts from one pamphlet read before the Federal Judge at trial of the case, suggested that President WOODROW WILSON, and FRANKLIN DELANO ROOSEVELT

were Jews, and referred to President HARRY S. TRUMAN as a "Communist Traitor." The article also said that Judge ARMSTRONG, an advocate of "white supremacy" had asked in a preface to one volume of his writings, that Congress abolish the 14th and 15th amendments, which had freed the Negroes and guaranteed them their voting rights. At the trial, Judge ARMSTRONG testified that one of the main purposes of the Judge Armstrong Foundation was to print and disseminate his writings. The government, on the other hand, contended that the Foundation distributed pamphlets and books which were Anti-Semitic, advocated repeal of the 14th and 15th amendments and alleged a sinister world Communistic conspiracy by Jews, and that it was used for propaganda and to try to influence legislation.

According to a news item in "Star-Telegram" on October 13, 1954, Judge ARMSTRONG died at Natchez, Mississippi on October 1, 1954.
